CANADIAN SNOWBIRDS ASSOCIATION PRESENTATION

THURSDAY, MARCH 5TH...10:30 A.M....AT THE CLUB-HOUSE!

Many issues pertaining to our Snowbird group are discussed informally wherever we meet..."Did you hear...? I heard ..."As Snowbirds, and regular travellers to the U.S.A., we should be aware of some immigration-related changes that may affect us in the future.

As we feel strongly about the importance of clear and accurate information, we have invited Ron Steeves, VP and Director of the Canadian Snowbirds Association, to attend a meeting at Honeymoon MHP on Thursday, March 5th at 10:30 am. Ron and his wife, Judy, are Snowbirds in St Pete's who reside in Fredericton, N.B. Some of you may know him in his role as the volunteer co-ordinator of the New Brunswick Picnic held annually in St. Pete's. Ron promises that the presentation on March 5th will be not only be informative, but entertaining!

In the 40 minute presentation by Ron, topics will include...Number of days out of the country...Cross border issues...Retired Person Visa...Forms...Insurance issues... And most importantly, there will be a Question and Answer Period.

We will post the information and a sign up sheet at the clubhouse as a reminder. Please do plan to attend and encourage your fellow Canadian Snowbirds to join us!

WHEN THE RAINS COME

We are getting closer to the season of the heavy rains - although with the changing weather patterns, the rains can come at any time!

When the rains come to Honeymoon Park we who live on East Street know what to expect. As the lowest part of the Park and with the main drains, we just wait for the surface water to head our way. And it does! Gallons and gallons and gallons of it flooding the street, creeping up our driveways, causing us problems until finally it gradually drains away.

We have to live with this and hope the Park and the City find new solutions to clear the water more quickly. Meantime, we really count on all the help we can get from all our neighbours in the Park. Remember, this is not just OUR water - it's EVERYBODY'S water !! It just flows from you to visit us in East Street.

How can you help us ? Here are two easy ways :

1. Don't drive down to look at the flooding and, please, don't drive through. The waves and back wash drive through passing cars create add to our problems and cause damage to our homes.
2. When there's a flood, use a different route to reach the back gate into Alt 19. Diverting temporarily will be a big help.

Thank you for being good neighbours !

Colin O'Brien

A gentleman reported the following:

"I had a power outage at my house this morning and my PC, Laptop, TV, DVD, iPad and my new surround sound music system were all shut down. Then I discovered that my iPhone battery was flat. To top it off, it was raining so I couldn't go for a walk, bike or run. The garage door opener needs electricity so I couldn't go anywhere in the car. I went into the kitchen to make coffee and then I remember that this also needed power, so I sat and talked with my wife for a few hours.

She seems like a nice person.

Canadian Dance

Larry & I had never heard of a Canadian dance, so when Gus & Rick had one scheduled for the clubhouse, we decided to get tickets & give it a try. Boy did we have fun! All night there were people dancing & singing along to the songs. We didn't know the songs but enjoyed listening to everyone sing--they all knew the words! We did a lot of dancing tho. Gus & Rick if you have another dance, we'll be there!

11 PEOPLE ON A ROPE

Eleven people were hanging on a rope, under a helicopter. 10 men and 1 woman. The rope was not strong enough to carry them all, so they decided that one had to leave, because otherwise they were all going to fall. They weren't able to choose that person, until the woman gave a very touching speech. She said that she would voluntarily let go of the rope, because, as a woman, she was used to giving up everything for her husband and kids or for men in general and was used to always, making sacrifices with little in return. As soon as she finished her speech, all the men started clapping...

NEIGHBORHOOD WATCH PROGRAM

The Honeymoon Community Association, Inc. Board of Directors are pleased to announce the renewal of the Neighborhood Watch Program in Honeymoon Park.
The re-introduction meeting for all residents will take place Thursday, March 12, 2015 at 6:30 P.M. at the clubhouse.

Safety is enhanced through education and awareness. Your Park is able to utilize the resources and expertise of the Pinellas County Sheriff's Office through the Neighborhood Watch Program.

Neighborhood Watch is neighbors looking out for the welfare of neighbors. It is a coalition of residents who are concerned about the neighborhood where they live and are willing to become involved in the betterment of their community.

In co-operation with law enforcement, you will learn how to observe and where to report suspicious activity. Learn how to deprive criminals of opportunities by properly securing buildings, valuables, etc. Learn how to protect your identity. Learn how to be part of the neighborhood awareness effort.

Through mutual communication and understanding between residents and law enforcement we will make Honeymoon Park a better and safer place to live and play.

Come and meet Deputy's Charles Skipper of the Crime Prevention Unit, and Richard Trump of the Community Policing Unit.

Attend the re-introductory meeting Thursday, March 12, 2015 at 6:30 PM.

To assist in determining the refreshments required, please add your name to the sign-up sheet in the clubhouse.

Safety is everyone's responsibility.

Wine Tasting

Saturday, February 7th was the 4th annual Wine Taste at the club house. There were about 35 people who enjoyed the fruits of the vine. We had some very good homemade wines, such as, Hoffman's Black Cherry, an apple wine, elderberry wine, and huckleberry wine. We also had a good variety of reds, whites, and even a sparkling wine.

A wide selection of delicious appetizers were enjoyed by all. Rene also paired a special appetizer of cheese and lavender chocolate to accompany her selection of Bordeaux. A few non wine drinkers also enjoyed the event with an ice tea or beer. Thanks to all who participated.

Fun Times

On January 16th about 36 Honeymoon ladies and friends met at Fairway Pizza for lunch. It was fun times and good food. The same day the men went to the Tilted Kilt. I assume they had a good time as well!

SALE

January 17th was the annual swap meet/yard sale at the clubhouse. Organizers Karen Briggs and Audrey Chalk report that profits from the bake sale and sale of the donated items were over \$300.00! Good job, ladies!

Breakfast!

Saturday, February 7, breakfast was a great success. We had 100 people and plenty of food. We had 18 lbs of bacon 90 sausage and 324 eggs plus biscuits and gravy and much more. We made \$313.00.

Thanks so much to all the help. We love serving large crowds and love the support of the wonderful people at Honeymoon Park.

According to Albert Einstein

Everybody is a genius, But if you judge a fish by it's ability to climb a tree, it will live it's whole life thinking it is stupid.
On January 18 a memorial for Russ Crain was held at the clubhouse. 135 friends and family members paid their respects as a Naval Honor Guard played Taps and presented the American flag to Russ's family.

Some long-awaited changes are taking place at Honymoon Park. The decrepit home at #202 in the Circle has been removed. Two new units will be put in place soon, one at the now vacant #202, and another at the already vacant #228. As of this date, February 11, one home has been completed at the factory. By next issue, they will likely be in place!

Also, as of this date, February 11, work has begun on installing the new street lights. First step is digging a hole to put the 8 foot concrete pedestal in to a depth of 5 feet, leaving 3 feet above ground.

The 16 foot light will sit atop that. There will be a light placed at every other house, making it much safer to walk or ride bikes after dark.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

Did You Know March is Also...?

American Red Cross Month. The American Red Cross plays a vital role in rebuilding communities hit by disaster and providing critical support and resources at home and abroad. As President Barack Obama said in a presidential proclamation in 2011, "During American Red Cross Month, we celebrate our nation's humanitarian spirit, and we recommit to providing relief and hope in times of crisis."

Music In Our Schools Month. Sponsored by the National Association for Music Education, Music In Our Schools Month is an annual event that engages music educators, students, and communities from around the country to promote the benefits of high-quality music education programs in schools. The program began as a single day of celebration in New York in 1973 and became a month-long salute to school music in 1985.

National Kidney Month. Kidneys filter 200 liters of blood a day, help regulate blood pressure, and direct red blood cell production. But 1 in 3 Americans is at risk for kidney disease due to diabetes, high blood pressure, or a family history of kidney failure. During National Kidney Month, the National Kidney Foundation offers health activities to promote awareness of kidneys, risk factors, and kidney disease.
