Annual Baseball Game at Bright House Field

Submitted by the editor

Our annual trip to Bright House field will be on April 11th . The doors are open at 5:00 and the game will start at 6:30. The Threshers will be playing the Dunedin Blue Jays.

If you've never been to one of our annual ball games, come check it out. It will become an event you will want to attend each year. There is plenty of food to eat, covered seating and a fabulous fireworks show after the game.

Your cost is \$18 (the HOA will pay the remainder of the ticket price so it will be affordable for all to attend) each and it includes the ball game, food in the Big Shark Café (hot dogs, slider burgers, bbq pulled chicken, ice cream sandwiches, chips, peanuts, soft drinks and water) and the fireworks show after the game. Draft beer is \$2 and liquor service is available.

Tickets are available at:

The 2.99 Special

Submitted by Pat Henderson

We went to breakfast at a restaurant where the 'seniors' special' was two eggs, bacon, hash browns and toast for \$2.99.

'Sounds good,' my wife said, 'But I don't want the eggs.'

'Then, I'll have to charge you \$3.49 because you're ordering a la carte,' the waitress warned her. 'You mean I'd have to pay for not taking the eggs?' my wife asked incredulously. 'YES!' stated the waitress.

'I'll take the special then,' my wife said.

'How do you want your eggs?' the waitress asked. 'Raw and in the shell,' my wife replied.

She took the two eggs home and baked a cake.

DON'T MESS WITH SENIORS! WE'VE been around the block more than once!

"A NEW YOU" LADIES SCARF TYING WORKSHOP

Submitted by Pat Henderson

11:00-12:00 WEDNESDAY, APRIL 15TH at CLUBHOUSE

Ladies, do you love all the pretty scarves you see in the stores, in magazines and around the necks of fashionable women? This is an opportunity to learn about the variety of ways to tie and wear them. You might want to bring a couple scarves of different sizes to experiment with. I will bring a variety of scarves that I have. I know some of you make knitted and crocheted scarves. Feel free to bring those and offer for sale if you like. You might want to bring a hand mirror also. Come and share your techniques with us. Does anyone have a dressmaker's form or mannequin? This would be nice to demonstrate the scarf tying. Also does anyone have a door mirror that we could sit on the counter over the trash bins so we can use it to practice tying scarves? Let me know if you have either of these items. Sign up at clubhouse.

Spotlight on Resident - Margrethe Johnson, #57
Submitted by Judy Koonter, #81

I look at this lady and see so many things - happiness, joy, love, compassion. If you talk to her, those same qualities are evident. Of course, I am talking about Margrethe Johnson, our neighbor that we lovingly call our "Senior Citizen Hippie". When she attended a party as my husband's "date" when I was up north, she easily dressed the part of the party theme with her peace sign, beads, flowing skirt, etc. She is one remarkable lady and we feel so blessed to have her as our neighbor and our friend.

Margrethe was a music educator for 28 years until she retired in 1988 (mostly elementary school music, but also private violin lessons and short stints as music education adjunct at the University level. She moved to our park in 1994 with her husband who had been a college professor and composer but was then afflicted with dementia.

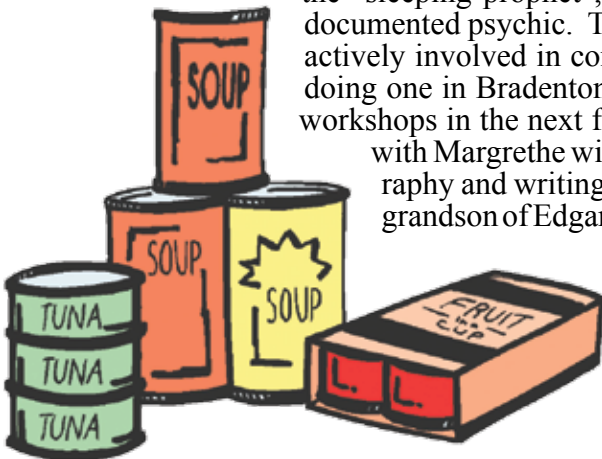

She lovingly took care of him until his passing. Her tender caring has been showered on many others since her husband; her next door neighbor Betty Bilodeau until her passing; then Betty's husband, Herman Bilodeau who she often took to the pool for friendship and therapy until his passing; and then Flo Etherington, her across the street neighbor. The families of those neighbors must have been so thankful for her loving care she gave to her neighbor.

Margrethe has four daughters; two in Florida, one in North Carolina, and one in Berlin, Germany. She has ten grandchildren and 13 great-grandchildren. The daughters all visit her often and she has made trips to Berlin yearly for 25 years.

Margrethe explained that her life and outlook on life has been greatly influenced by her involvement in A.R.E. (Association for Research and Enlightenment), Edgar Cayce known as the "sleeping prophet", the - "father of holistic medicine" and a well-documented psychic. Through her following of A.R.E., she has become actively involved in conducting dream workshops. In fact, she will be doing one in Bradenton, one in the Villages, and a couple others - four workshops in the next four months. You can't spend any length of time with Margrethe without recognizing her love of flowers and photography and writing. She told me of her attendance at a seminar by a grandson of Edgar Cayce whose overall message was "find a passion and use it in service". That seminar changed her life and inspired her to get a camera and start taking pictures. She can show you literally thousands of pictures she has taken of flowers. In fact, flowers should be her middle name, another proof of her "hippy" status with us.

Margrethe is very proficient on her computer. I

expressed my amazement at her abilities at her "young" age. She said she is only good at what she likes to do, not all the other things a computer can do. She said her daughters and grandchildren are also impressed by her computer savvy. She has graduated to interposing her pictures to make birthday cards, get-well cards, thinking of you cards, family letters, etc. She has included pictures on a Southeast region website with the most beautiful writings attached to her pictures.

Until recent months, Margarethe was a member of the IITS Chorus. She also participates with a group of readers in the park in their self-developed book club. She is often spotted walking the park or swimming in the pool after dark. Of all her fine qualities, probably her greatest contribution to our park is trying to promote her belief of "always looking for the good".

FROM THE PRESIDENTS DESK

Submitted by Larry Taylor #257 286-7740

Thanks to all of the members of the HOA for exercising their voting rights. We on the board want you to know that we want to help make your neighborhood a better place to live and enjoy all the activities. We are needing volunteers to take turns chairing different monthly events in the clubhouse and for volunteers to help each chairperson achieve his or her goals. Please see Dennis White, our Vice President to fulfill these goals as he is going to coordinate the activity calendar.

Thank you for your support,
Larry Taylor

Lunch Bunch

Submitted by Rose Montgomery Oliver, 301-332-9358 or 727-726-0637

On Thursday, February 19th, the Lunch Bunch gathered to have fun at Ivory Mandarin Bistro located at 2192 Main Street in Dunedin. Several things were mentioned. Mary Jane Baxter, #180 will be leaving for a vacation up north for a visit with old friends. She intends to play bridge and enjoy going out for lunch and dinner.

Marcie Shiels, #133 will be very busy during the next month. Everyone up north is cold. She is pretty much booked to solve this problem!

Shirley Savage, #146 is enjoying everyone's company. She always has a good time. Nancy Fields, #279 is also thankful for good friends,

...continued on page 14

Janet Coates and Rose Leduc are also happy with their friends. Helen Dennison is so happy to be in Florida because New Jersey is so cold. Joyce Neuheimer, #185 just returned from a vacation in her condo at Ormond Beach. She loves the ocean.

Kris Taylor #257 loves it in Florida. Everyone loves it here too. Sherry feels that it is great to be able to attend the luncheon. She will miss this when she goes back to Canada.

Pat Henderson, #266 had some surgery last week but things are looking better.

Nancy Barnes #157 feels that is such a treat to be with her "second family".

Again, it was a lovely luncheon. Please join us next month. Men are welcome to join us also.

Spotlight on IITS Residents - Lots 1 - 320

Submitted by Judy Koonter, #81

I have written two "Spotlights" monthly for the media since I started this last Fall. I am sorry to say that due to some missed appointments and my sister coming to visit, only to end up in the hospital two days after she arrived, that I am short on an interview and therefore short on one spotlight. For this month, I hope you will indulge me with my spotlight on everyone here in our great community.

There are so many amazing people in our community with a myriad of skills and talents and passions. We have people who step up and lead, a thankless and often unappreciated job, with no pay. We have others who volunteer to chair the wide variety of activities that make our Florida lifestyle so rewarding - dominos, shuffleboard, pickleball, bocce ball, euchre, bingo, rummikub, mahjohngg. We have great cooks, great party planners, great bakers who always tempt and please our pallets. We have people who lead us in singing; others who lead us in being more beautiful; another who can teach us to decorate cakes; another who can lead us in pool exercises. And then - the parties - the great parties that don't just happen. They involve lots of planning, shopping, organizing, selling tickets, and so much more, all done by wonderful volunteers who give their time for the rest of us. Even the monthly media takes skill and willingness by others who give back to our community, not just writing articles or gathering articles, or organizing the format of the articles but also the tedious task of distributing the finished product.

We have "Senior seniors". We have seniors. We have "junior seniors". We have residents who are from Canada and residents from many northern states. We have residents who live here all year and others who are here for three, four, six months. We are a melting pot of ages and backgrounds living in a tight community. It is easy to understand how there can be disagreements and unpleasantries. With my sister's terminal illness staring me smack in my face, I am personally aware of what is really important. Because of her I want to be a better person. I want to appreciate the good in others and look beyond the little differences. I encourage everyone to try to be kind to one another. Maybe we can all work at adopting Margrethe Johnson's theory - "always look for the good". Thank you.

Men's Breakfast

Submitted by Richard Oliver, #184, 727-726-0637

The "Men of the Hood" held their monthly breakfast meeting on February 19th. This time we gathered at the Largo Family Restaurant located on Missouri Avenue. Once again, our choice of restaurant was an excellent one. The menu was quite extensive. There was something to please every pallet.

The attendees were Larry, Ed, Gene, Wayne, 2 Bills, Dick and John. There was the usual banter. Most of the conversations centered around the amount of snow dropped on the various home towns of the attendees. Dick reported that his brother-in-law in Massachusetts told him that the snow in his back yard measured 68" on the flat. On each side of his driveway, it measured 90" from snow blowing. It was agreed that it has been a terrible winter so far. We all extolled how nice it is to be in Florida. Our next breakfast meeting will take place on March 19th. The sign-up sheet is located in the club house. Please join us.

DUE TO POPULAR DEMAND, BELLY DANCE CLASSES ARE SCHEDULED WEEKLY AT THE CLUBHOUSE. THURSDAYS 1 PM

Submitted by Pat Henderson

A group of enthusiastic Island in the Sun women met at the club house on Wednesday 3/11 for a "belly dancing" class. Linda Webster provided the TV, music and VCR tape. The instructor on the tape was easy to understand and follow. However, those of us who are "out of shape" found this class to be lots of fun, but rather difficult to do. Due to the ladies being really interested in this form of exercise we have decided to do a class on a weekly basis. Class will be held in the clubhouse at 1 pm on Thursday afternoons. We will repeat what we learned and will continue repeating this until most of us get the hang of it.. We will then move on to more advanced moves or may decide on a different type of exercise video. It all depends on those attending as to what we will do next. The classes are scheduled indefinitely as long as there is interest. Classes are on Thursdays at 1 pm and have been approved for this time slot by Julie Sanders. Sign up in the clubhouse or just show up. All ladies are WELCOME, whether owners or renters.

Thank You

Submitted by Sharron Hendrixson # 28

I want to thank everyone who said prayers, brought food and flowers to us. That saved me from trying to cook with a newly operated on knee. The flowers were beautiful. A special thanks to Cathy Gabbert. I have experienced such kindness from people I only know from smiling faces. What a community to live in for the kindness of the people!

PATSY CLINE ENTERTAINS AT ISLAND IN THE SUN POTLUCK

Submitted by Pat Henderson

Larry Taylor quickly got everyone's undivided attention when he announced that a celebrity was in the clubhouse at our March Tuesday night potluck. Our heads turned as Helen Dennison approached the microphone stating that her name was Patsy Cline. Helen was outfitted in Western hat and boots, colorful long skirt, blouse and vest and her professional looking hair and makeup. She told a little story about Patsy and her songs by injecting bits of humor in almost every sentence. She sang a few bars of several of Patsy's biggest hits including Crazy, then told us she chose a special song for us, "I Got Your Picture, She Got You".

Helen talked about her "sweetie" and introduced her husband Ed. He just stood there grinning from ear to ear as she sang along with the recording. She kept us in stitches as she pulled numerous articles hidden inside her clothing. She had his picture, several records, tee shirt, and jockey briefs, among other items, that she cleverly pulled from inconspicuous places under her clothing. Every time she pulled out a new item, our residents laughed and roared. Helen did a fantastic job of entertaining us before our meal. We want to see more of Helen's performances at future events.

Helen, you are a star in our heaven here at Island in the Sun!

HORSE RACING AT TAMPA BAY DOWNS

Submitted by Pat Henderson #266

On a beautiful Wednesday morning a group of IITS ladies met at our clubhouse at 11:00 am and carpooled a short distance to Oldsmar for a day of racing. We had purchased tickets through Groupon that gave us some nice perks.

First was valet parking, then we got our programs, \$5 food and \$2 gambling coupons and admission to the clubhouse and box seats under cover. All of that was covered with our \$7 per person Groupon deal. We had time to get some food and beverages before post time. Another perk was \$2 ice cold draft beer.

We arrived a bit early, so we had time to study our programs. Most of us had never been there, so we had no idea how to even begin to read the program. We shared a lot of laughter as we read about the jockeys, the horses, the farm they came from, etc. Some bet on favorite numbers, but many of us picked our bets according to the horse's name or jockey's color. One of the ladies had some experience with horse racing and programs so she actually appeared to know how to place strategic bets.

The weather was warm, but somewhat overcast so it was quite comfortable most of the day. By about 5 pm with two races left, we went inside the clubhouse as the wind was picking up and a bit of a chill set in. All of us enjoyed a delicious hot chocolate as we placed our final bets. I think a couple of us came away with small winnings but most had very small losses. Thank goodness, no one had to come home and turn their home over to Cal Am. All of the ladies loved our outing and said "We must do this again!"

Free Smoke Alarm Installation

The American Red Cross is sponsoring a smoke alarm installation for free! This is a wonderful program sponsored by the American Red Cross. Island in the Sun has been chosen as a recipient of this wonderful program. Installations will take place in the mornings during the first week of April. We need volunteers to help install and record the installation of the smoke detectors. Please sign-up now if you would like to volunteer and or wish to have a smoke detector (all free of charge) at your home. The sign-up notebook is in the clubhouse.

A special thanks goes to Ron Koonter for this Red Cross Smoke Alarm project. This will make us all feel a little safer.

IITS says kudos Ron!

Moccasin Lake Nature Park

Submitted by Jessi Forcan

Moccasin Lake Nature Park is located very near our neighborhood. It opened in 1982 and is dedicated to providing guests with a unique environmental experience. Friends and volunteers are needed at the park since it is exclusively operated by volunteers due to budget cuts.

Wagon Wheel and Mustang Flea Markets

The Wagon Wheel and Mustang Flea Markets have been an attraction in Pinellas County since the mid-1960s. The flea markets are located at 7801 Park Blvd, right in between St. Petersburg and Clearwater.

The Wagon Wheel is only open Saturday and Sunday from 8 in the morning until 4 in the afternoon, rain or shine. At the Wagon Wheel you can find just about anything, seriously. At seriously low prices. Vendors that make signs and stickers, custom embroidery, alterations, As Seen on TV items, dresses, books, plumbing supplies, jewelry and jewelry repair, e-cigarettes, cell phone accessories and activation, insurance enrollment, kettle korn, flavored nuts, snow cones, Italian ice, new and used clothes, treats for pets, accessories for pets, and even pets themselves. Leather belts and wallets, comic books, all kinds of hats, authentic sports jerseys and jackets, golf supplies, fishing supplies, appliances, Crocs, cigars, honey, jam and jelly, incense, Native American gear, Harley Davidson gear, perfume, pocket knives, sunglasses, watches a selection of beach and Florida souvenirs for all of the Saint Petersburg – Clearwater area. Heck, you can even get your hair cut here.

The Mustang, open Saturday and Sunday 7am until 2pm and on Wednesdays from 7am until 2pm. The Mustang is a much more traditional flea market in that it is completely outdoors. You'll find many more garage sales and used items, as well as collectors' items like coins and badges. There's also a section where you can find new tools, hand carts, and other general hardware-type items. Everyone's favorite section of the Mustang is the massive produce section, stocked full of unique and exotic fruits, vegetables and seafood that you'd be hard pressed to find anywhere else in the Tampa Bay area!

5 Things you need to know when shopping at the Wagon Wheel

- 1.) Walking Shoes – The Wagon Wheel is huge, so you want to be comfortable on your feet. There are nearly 2,000 booths to check out, so treat your feet and wear comfy shoes.
- 2.) Sunscreen – there are covered areas but there are also outdoor areas so use sunscreen to be safe. A hat can be handy too.
- 3.) Cold, Hard, Cash – Cash is a MUST at the Wagon Wheel. Having cash on hand will give you a better position when making offers on merchandise. (ATM service at the office)
- 4.) Grab a directory – At every entrance of the market and the office, there are directories that include vendor listings and locations, as well as a map of the Wagon Wheel. One of these things will really help you find your way around. It'll show you where important stuff is, like the bathrooms, food court, beer garden, office, ATMs, and where you parked.
- 5.) No Dogs – except those for the assisting the handicapped.
