## From the IITS Media Editor:

---

March 16, 2020

Welcome to the April 2020 edition of your 'Island in the Sun Sentinel'. I have included a few articles on Covid-19 (Coronavirus) that I pulled from various websites. The common denominator seems to be avoiding crowds; social distancing (not shaking hands or hugging 😞); and good personal hygiene. **WASH YOUR HANDS OFTEN WITH SOAP AND WATER FOR 20 SECONDS, or USE HAND SANITIZER WITH AT LEAST 60% ALCOHOL WHEN YOU CAN'T WASH YOUR HANDS!**

We have already seen some on our community reaching out to help others who may have compromised immune systems or are unable/unwilling to go out in public, and we thank you for your kindness.

By the time you read this, some of our Northern neighbors (more specifically our Canadian friends), will have already left or are preparing to leave, either because they feel they need to be home in case the Coronavirus gets worse, or because they have reached the limit of their allotted number of days in the U.S. Safe travels, and hopefully we will see all of you in the fall.

I would really like to hear ideas of what you as residents would like to have included in the monthly media, or if there are any topics you would like to see on a monthly basis. Participation and submission of articles from you would be welcomed.

Calendar and monthly activities information is provided by the HOA and the activities committee. I will publish data as it is provided to me, but keep in mind that events are subject to change, and I encourage everyone to watch the sign board, sign up for the various FB sites, and the RoboCall phone messaging service.

Please submit articles to: [iits.media.magazine@gmail.com](mailto:iits.media.magazine@gmail.com) or if you prefer to submit via handwritten articles, please place them on top of the chest by the slider door in the carport, or hand to Jim or me personally.

Thank you to those who continue to contribute articles for the monthly media!

## President's Corner

### April 2020 - Letter from the President

Hello, everyone. I'd like to introduce myself.

My name is Tony Williams and I am your new HOA President. Board elections were held on Tuesday evening, March 3rd, and the following director positions were appointed:

President- Tony Williams; Vice President- Kenn Brody; Secretary/Treasurer- Cathy Ralston  
Membership Director- Susan Grove; Activities Director- Scott Schewe; Insurance Director- Bob Disney

My wife, MJ and I moved here last year from Ohio, and I must say, that moving here to IITS has thus far been a wonderful experience.

There are, however, several issues that I would like to address that I have noticed in my 6 months of living here. First and foremost is the issue concerning the rent increase and the

*...continued on page 6*

ongoing negotiations with Cal-Am. We will try and get this resolved as quickly as possible. There is currently no estimated timetable on this, but I will be as informative and transparent as I can be with updates and will give them as soon as I know. I will be replacing Molly Johnson on the negotiating team, otherwise the team will stay intact.

Another thing that I have noticed is that we really need to improve our membership. A strong membership ensures that we are able to continue to enjoy the activities and can even have more outings and events to enjoy.

I want to urge everyone that if you know of anyone new here, to invite them to any of our events. They are great icebreakers and can give a great first impression of what our community is all about.

We want to make sure that everyone knows that their ideas and comments are welcome and encouraged.

There are comment cards located in the club house. I promise that they will be reviewed and answered at the following HOA meeting and the comment card can remain anonymous.

We all moved here to enjoy our lives and live in peace and have a lot of fun on the way, so I urge EVERYONE to treat one another with kindness and respect, even if you don't agree with someone's opinion, respect it.

Inclusiveness and respect are the keys to our success in this community and if you feel that you are not being heard, you can contact me at [anthony.williams110@gmail.com](mailto:anthony.williams110@gmail.com).

Regards,

Tony Williams

## **Men's Breakfast/Ladies Luncheon**

### **Men's Breakfast**

**N**o write up for the men's breakfast – Bob Disney will be taking this over.

### **Ladies Luncheon**

*Submitted by Barb Mattis, Lot 212*

**O**n February 20th, 25 ladies enjoyed a lovely lunch at Post Corner Pizza on Clearwater Beach. Even though you might think based on their name they only serve pizza, a wide variety of choices are available. Shrimp, salads, quesadillas, BLT's and of course pizza could be found somewhere on our table. The wait staff was super-efficient and very friendly. A private parking lot for the restaurant was a plus. Door prizes were won by Gertie Oosterhuis and Sudie Borders. Looking forward to O'Keefe's Tavern in March!

# IITS Walking Group

Submitted by Barb Mattis, Lot 212

On January 1st, a walking group was started by Nancy Erhardt. The goal is to get residents of IITS walking more, which is great for our health. Members sign on for one of two groups: 5,000 steps/day or 10,000 steps/day. On the last Wednesday of the month the group meets at the clubhouse and walks to Pete & Shorty's for dinner, drinks and laughs. Each person keeps track of their steps and turns them in at the dinner. Prizes are given. In January, Donna Stewart walked 218,523 steps to lead the 5,000-step group and Laurel Ross walked 475,362 steps in the 10,000 step group. February had several people increasing their steps over the prior month. Scott Schewe walked 53,551 more steps in February, leading the 5,000-step group with 256,047 steps. Elaine Ranck walked 175,441 more steps than she did in January, but her total was outdone by Molly Johnson who walked 556,036 steps!

Anyone interested in joining the group can look for our Facebook page, Walking Group, and ask to join, or see Barb Mattis (lot 212) or Debra Lindstrand (lot 132).

Happy Walking!

### Coronavirus Disease 2019 (COVID-19) How to Protect Yourself from Coronavirus Know How it Spreads

- There is currently no vaccine to prevent coronavirus disease 2019 (COVID-19).
- **The best way to prevent illness is to avoid being exposed to this virus.**
- The virus is thought to spread mainly from person-to-person.
  - Between people who are in close contact with one another (within about 6 feet).
  - Through respiratory droplets produced when an infected person coughs or sneezes.
- These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs.

Take steps to protect yourself

Clean your hands often

- **Wash your hands** often with soap and water for at least 20 seconds especially after you have been in a public place, or after blowing your nose, coughing, or sneezing.
- If soap and water are not readily available, **use a hand sanitizer that contains at least 60% alcohol.** Cover all surfaces of your hands and rub them together until they feel dry.
- **Avoid touching your eyes, nose, and mouth** with unwashed hands.

Avoid close contact

- **Avoid close contact** with people who are sick
- Put **distance between yourself and other people** if COVID-19 is spreading in your community. This is especially important for people who are at higher risk of getting very sick.

Take steps to protect others

**Stay home** if you're sick

- Stay home if you are sick, except to get medical care. Learn what to do if you are sick.
- Cover coughs and sneezes
- Cover your mouth and nose with a tissue when you cough or sneeze or use the inside of your elbow.

- **Throw used tissues** in the trash.
- Immediately **wash your hands** with soap and water for at least 20 seconds. If soap and water are not readily available, clean your hands with a hand sanitizer that contains at least 60% alcohol.

Wear a facemask if you are sick

- **If you are sick:** You should wear a facemask when you are around other people (e.g., sharing a room or vehicle) and before you enter a healthcare provider’s office. If you are not able to wear a facemask (for example, because it causes trouble breathing), then you should do your best to cover your coughs and sneezes, and people who are caring for you should wear a facemask if they enter your room. Learn what to do if you are sick.
- **If you are NOT sick:** You do not need to wear a facemask unless you are caring for someone who is sick (and they are not able to wear a facemask). Facemasks may be in short supply and they should be saved for caregivers.

Clean and disinfect

- **Clean AND disinfect frequently touched surfaces daily.** This includes tables, doorknobs, light switches, countertops, handles, desks, phones, keyboards, toilets, faucets, and sinks.
- **If surfaces are dirty, clean them:** Use detergent or soap and water prior to disinfection.

**To disinfect:**

Most common EPA-registered household disinfectants will work. Use disinfectants appropriate for the surface.

**Options include:**

- **Diluting your household bleach.**

To make a bleach solution, mix:

o 5 tablespoons (1/3rd cup) bleach per gallon of water

OR

o 4 teaspoons bleach per quart of water

Follow manufacturer’s instructions for application and proper ventilation. Check to ensure the product is not past its expiration date. Never mix household bleach with ammonia or any other cleanser. Unexpired household bleach will be effective against coronaviruses when properly diluted.

- **Alcohol solutions.**

Ensure solution has at least 70% alcohol.

- **Other common EPA-registered household disinfectants.**

Products with EPA-approved emerging viral pathogens claims are expected to be effective against COVID-19 based on data for harder to kill viruses. Follow the manufacturer’s instructions for all cleaning and disinfection products (e.g., concentration, application method and contact time, etc.).

# REMEMBRANCE CORNER - April

*Dottie Newman Lot #46 724-6283 pcfriar64@yahoo.com or dlnewman823@gmail.com*

This is a difficult announcement to make. Jean MacDonald, #304 passed away last month. You would search a very long time to find a more compassionate and giving person. She was a very devoted friend and was especially supportive to Bob Newman.

Her stepdaughter provided us the details on her death. She was visiting Jean at the time. She related that Jean had had a nose bleed earlier in the evening she died. From what the stepdaughter could tell when she found her the next morning, Jean must have had another nosebleed and gotten out of bed. Apparently, she fell to the floor and died.

After living in the park for over 30 years she will be missed by the many friends she made. May she rest in peace.

NOTE: I do not participate on any social media (my choice), so I depend on friends, family and neighbors to alert me to a resident's passing or sickness so that an appropriate card can be sent. Please contact me the old fashioned way by calling me @ 724-6283 or the more up-to-date way of emailing @ pcfriar64@yahoo.com or dlnewman823@gmail.com.

# Island in the Sun HOA Upcoming Activities and Events

*Scott Schewe, Lot 132/Tony Williams, Lot 74*

NOTE: All indoor events and activities at the clubhouse have been cancelled until further notice, due to the clubhouse being closed by Cal-AM. In some cases, groups are meeting at individual homes for various events/activities. Please monitor the FB groups and robo calls for updates.

At the discretion of community members/organizers, pickleball, shuffleboard and bocce ball are currently available.

According to Cal-Am, as of this date (March 16), the pool is open, but clubhouse restrooms are closed.

HOA meetings are cancelled for the time being.

# PARK TELEPHONE BOOK

*Bob and Dottie Newman, #46, 724-6283, pcfriar64@yahoo.com*

The new telephone books have been received and should be delivered by the end of the month to those who submitted their information as requested.

## DID YOU KNOW

Submitted by Barb Mattis, Lot 212

**Y**ou can borrow tools from the Safety Harbor Library (and I think other Pinellas County Libraries). All you need is a library card. For the snowbirds, you just have to provide proof of residence to get library card. That could be a utility bill, your home ownership papers or car registration if you happen to have licensed your car in Florida. I'm not sure if there would be an issue with our Canadian friends. To see if they have what you need, you don't need a library card. Search for the library site and then click on the Tool Library symbol.

If you put your lot number and street name in your GPS, you will get directions right to your house? For example, if we enter 100 Hampton, it brings us to the entrance of the park, but if we put 212 Bahama Lane, it directs us right to our house. However, don't try to use that address for mail! The Post Office doesn't recognize it as a valid delivery address. Try it for yourself and make sure it works for you. Some GPS Programs might be different.

## The State of Florida Issues Updates on COVID-19, March 15, 2020

Submitted by Linda Walker, Lot 301

**N**OTE: you can see the county by county number of cases by going to the Florida Information center. [Floridahealth.gov](http://Floridahealth.gov).

The State of Florida Issues Updates on COVID-19, March 15, 2020

**Joint Information Center on COVID-19 for the State of Florida**

(850) 815-4940,

[ESF14@em.myflorida.com](mailto:ESF14@em.myflorida.com)

**Tallahassee, Fla.** — Today, in the state's ongoing efforts to provide transparency and clarity regarding COVID-19, the Florida Department of Health announced the launch of a new COVID-19 Case Dashboard. To keep Florida residents and visitors safe, informed and aware about the status of the virus, this dashboard will be updated twice daily.

As of noon, there are 155 total\*\* Florida cases:

- This includes 19 additional positive COVID-19 cases (14 Florida residents and 5 non-Florida residents) were reported to the Florida Department of Health.
- There are currently 137 positive cases in Florida Residents and 18 positive cases in non-Florida residents.

Florida recently partnered with private laboratories around the state to expand COVID-19 laboratory testing capacity. This partnership will increase the number of tests conducted each day and ensure Floridians receive the critical health information they need in a timely manner.

Expansion to private laboratories changes the COVID-19 testing landscape in Florida. Private laboratories will run tests as they receive swab samples from practitioners. Testing and reporting times will vary among commercial and DOH laboratories. Demographic information may be updated during investigations.
