From the IITS Media Editor:

August 16, 2020

Welcome to the September 2020 edition of your 'Island in the Sun Sentinel.

EDITORS NOTE: Media deadlines vary by month – they are always listed at the beginning of each section of the media. Note that November and December usually have shorter deadlines, due to the holidays. Our allowable word count is around 5-6k. The more we contribute, the less the publisher has to use 'fillers'. I know there have been issues regarding the ability to only enter a few pics per month. I have the capability to create a 'collage' with several pictures of each related event, which helps to supersede the 7 picture limit. Isn't technology wonderful!

When you read this we will be going into our sixth month of the Coronavirus (COVID-19) pandemic and shutdown. Things had started opening up a little more, then cases of COVID-19 increased, so we in Florida are now back to mandatory mask wearing required to be able to go into businesses, and other local guidelines/requirements, depending on the area.

Hopefully things will start getting a little more back to normal soon (whatever that may mean!). As of now we do not have any information about when the clubhouse will be opening back up, but as of right now, the pool is open at 50% capacity, and pickleball, shuffleboard, and bocce ball is also open. The fitness center is open as well, with social distancing in place.

Calendar and monthly activities information is provided by the HOA and the activities committee. Note we are starting to open up for outdoor activities, will keep everyone posted on status of clubhouse opening. I encourage everyone to watch the sign board, sign up for the various FB sites, and the RoboCall phone messaging service.

We are trying to get some activities going that can be conducted while following CDC guidelines, but it is difficult, so bear with us as we work towards getting back to offering residents the activities/events they are used to experiencing in our community. The good news is that fall (such as it is in Florida!), is coming soon, so we will have more opportunities for outside activities.

I encourage anyone who would like to share to submit an article regarding how they came to be at IITS. Anything pet related is welcome as well. We need to get back to making the media about IITS and our residents!

I would really like to hear ideas of what you as residents would like to have included in the monthly media, or if there are any topics you would like to see on a monthly basis. Participation and submission of articles from you would be welcomed.

Please submit articles to: iits.media.magazine@gmail.com or if you prefer to submit via handwritten articles, please place them on top of the chest by the slider door in the carport, or hand to Jim or me personally.-

Thank you to those who stepped up to contribute to the September media. Please keep submitting articles!

Everyone stay safe and be careful!

President's Message

Kay Siudzinski, Lot #190

And suddenly it's Fall.....here we are entering a new season with a new Board and what we hope will be a new sense of community and purpose. For those of you who don't know me my name is Kay Siudzinski and I have accepted the role as President for the HOA. My husband Mike and I moved here in 2016 from Ohio. I am currently employed at WEDU PBS as their Human Resource Manager. I have been in the HR field for about 30 years and have negotiation experience with the UAW in Ohio and currently with the IBEW here in Tampa. We are the proud parents of 3 children: Mindi (Matt), Brian (Brielle) and Amanda (Matt). We also have 5 grandchildren ranging in age from 21 to 4-year-old twin granddaughters. They all remain in Ohio along with extended family. I also served on the Board in 2017 under Tom Watson's Presidency as the Corporate Secretary.

While there are many issues in front of us we hope to tackle them one at a time and bring closure and answers for all of us. We are also looking forward to returning to events and activities for all the residents as soon as this virus starts to slow down or a vaccine is created. I know we all miss the activities at the Clubhouse but keep in mind that it is for our safety.

Cal-Am has closed all clubhouses across the country as a precaution to help keep the risk of a spread throughout our communities of Covid-19. As much as we would like to come together and spend time together there is always the chance that an asymptomatic person could carry the virus unknowingly and infect others. That is a risk that we cannot take at this time. We are in a high risk group due to age not to mention those who have existing health conditions and immunity concerns. We are brainstorming on ideas where we can gather safely until that time, outside and following CDC guidelines. If you have any ideas, please contact Scott Schewe or Linda Walker.

We on the Board are looking forward to what we can accomplish in the next few months before our term expires. We hope you will join us at the meetings and hopefully join the HOA as a paid member. Your support, input and attendance will be greatly appreciated. We all have the chance to be the change we want to see. Come join us!

Regards,
Kay Siudzinski
IITS HOA President

Membership Info

There is a new form in the media where residents can provide info on their preferences as to whether they want to be in the IITS phone directory, included in RoboCall, or receive e-mail notifications. This form also allows residents to complete the information to become a member of the HOA.

Please complete the form ASAP, especially for the phone book as the deadline for inclusion in next year is November 15.

Thank you everyone for your support!

Meet the IITS HOA board

President - Kay Siudzinski – See President’s message

Vice-President – Mitch Freifield – Mitch is continuing her role as VP of the Board

Treasurer – Cathy Ralston – Cathy is continuing her role as Secretary of the HOA Board

Secretary – Margaret (Charlie) Gillespie – I am from Joliet Illinois and moved to IITS in 2012. I am a personal chef and own my company ‘Chef on the Bay’, since 2009.

Please go to my website where you can look at my personal info. I am about community strength, compassion, moving forward with my neighbors in a mindful peaceful way, and all about teamwork.

1 Year Director – Tate McIntyre – While I’ve enjoyed living in many States, and lived in Frankfurt, Germany during my tour in the US Army Military Police Corp, I had always called the Gulf Coast of Texas home. John, Belle, and I came to the Saint Petersburg area in October 2017 while working as insurance adjusters for those affected by Hurricane Irma. We had been considering possible retirement locations, and the opportunity to spend three months in Florida gave us a chance to see the area and check off our list for desired locations. WATER, WATER, AND WATER. I love being near the water. Whether I’m kayaking and paddle boarding, or just hanging out enjoying a picnic at one of the many Clearwater parks, I’m definitely at my happiest near the water. Once our time as insurance adjusters came to an end, we set out to find a home and landed at Island in the Sun.

Beyond my love of all things water, I have many various interests that occupy my soul. I was classically trained in piano from age 3, and began learning violin at age 40. While I don’t see a concert solo in my future, I enjoy the process of learning and definitely keep myself entertained. I dabble in One Stroke Painting, and hope to do some home decor floral painting. I have listened to old time detective radio shows and detective/mystery audiobooks every night for the last twenty years.

I’m now looking forward to the fall and the opportunity to return to some of our fun Island in the Sun activities, with some creative “social distancing” outdoors ideas, of course.

2 Year Director – Linda Walker – We moved to IITS four and a half years ago after living in the Tampa area for several years. Jim and I both love Florida and love living here at IITS.

My primary goal as Director is to support the other members of the Board and to help work on getting IITS to regain the sense of community I remember when we 1st moved here. Promoting activities and events in spite of CDC restrictions with COVID-19 is very near and dear to me, and I am looking forward to the day when we can resume ‘normalcy’ by showing our residents what a great community this can be.

3 Year Director – Scott Schewe – I spent my formative years in Wheaton, Illinois and am a member of the first graduating class of Wheaton North High School!

Debra and I bought our home here in IITS in May of 2019 and have enjoyed meeting many of the positive folks who reside here...especially enjoying sharing our butterfly garden with those who have stopped by.

Looking forward to again "promoting" and developing "social, recreational and educational activities" for all of our members.

Men's Breakfast –

No write up for the men's breakfast – Bob Disney will be taking this over.

Ladies Luncheon -

Ladies luncheon was cancelled for August due to continuing COVID-19 social distancing requirements. Nancy is hoping to get something for September, as hopefully it will start cooling down a little during the daytime. Unfortunately, large groups are still not allowed inside so we are somewhat limited in our choices. Nancy will keep everyone informed through FB. Thanks.

Walking Group is discontinued until further notice.
Anyone interested in joining the group can look for our Facebook page, Walking Group, and ask to join, or see Barb Mattis (lot 212) or Debra Lindstrand (lot 132).

Happy Walking!

HOW COVID 19 HAS CHANGED MY LIFE

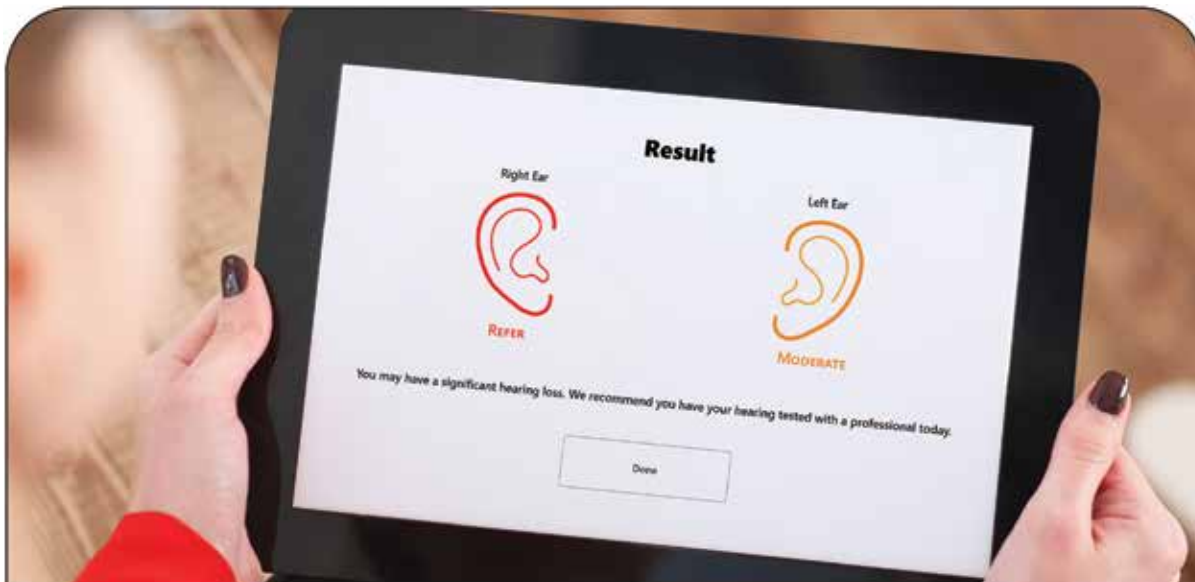

Submitted by Helen Dennison, Lot #210

Ed and I have been living here at Island In The Sun for about seven years now. We are well acquainted with many residents here, having made lots of friends during that time. Perhaps you have seen us riding around in our lighted golf cart day and night with our little dog, Maggie, hanging out of her carrier in the front. Before COVID-19, we attended most if not all of the functions in the park. But a lot of that has changed. COVID-19 came to our country and soon we found out that our lives would change, maybe forever. People started getting really sick all over the world from this terrible plague and our beautiful state of Florida was no exception, it hit us here too. Things started to shut down in our state, and in a very short time we were told to “Stay Home And Stay Safe.” Only essential businesses were allowed to be open and our streets soon became bare. Our beaches closed as well as our movie theatres, bars, gyms, beauty salons, barbers and bus service was limited to lower schedules.

But, you ask, How did this affect me personally? Well, for starters, I couldn't go to our clubhouse....it was closed. Our swimming pool was closed as well as all of our other amenities. I stopped going out to the supermarket to shop and started ordering groceries on line. Amazon soon became my best friend. We still walked our dog and rode around in our golf cart, only now we wore masks and carried hand sanitizer everywhere we went. No more going out to eat for us, only drive thru restaurants or deliveries to your home were available. Naturally, I had to start cooking again. Ed has been a huge help in this area. No more baths or haircuts at the salon for Maggie either. We bathed and clipped her at home. We both started reading more, and the TV was on a lot more than usual. I also knit and crochet, so that kept me busy. I have cleaned my cabinets many times, always rearranging this or that.again! Ed and I have been staying busy trying to help folks in the park when we can, and sharing what we have.

For us the hardest part has been not being able to go to church but we can watch live streaming on TV. In general, for us it hasn't been so bad, because we are up in years and we enjoy staying in our beautiful home. But for others it has been so life changing. After what seemed like eternity, things began to open up and the restrictions were not so demanding. But every day as we see the death toll rising from this pandemic, our hearts go out to those not as fortunate, to those who are losing loved ones every day. We keep social distancing as best we can, and needless to say, we pray a lot. No one knows what the future holds for any one of us. We just need to stick together, follow the rules, and be assured “WE WILL GET THROUGH THIS”. GOD BLESS YOU ALL!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
