CALENDAR

Noreen

FIRST SATURDAY OF EVERY MONTH IS BOARD OF DIRECTORS MEETING

SECOND SATURDAY OF EVERY MONTH IS SOCIAL CLUB GENERAL MEETING

(FYI there is another Noreen from our own park and she is also Irish but much more cultured... our one and only NOREEN LANGONE.)

Believe me, she is one our Resident Matrons of History and Tradition, and has had a markedly, noticeable, calming effect, on this Irish, rebel, southern hillbilly. I am so grateful and blessed, to have met her those years ago. She has set such a high standard of being a lady, I doubt I will ever meet it.

CHANGES

Our congratulations to our newest Membership Chairperson, Carollee Kingsbury. Membership to the Social Club is only \$6.00 for reduced rates to events and activities.

Please contact Carollee for further information, 727-223-3041. She will also be available at Saturday morning Koffee Klatch.

Now, on with the subject at hand, the calendar items are a community effort and come from many sources.

The calendar is basically comprised of the following:

1. SAVE THE DATES LIST from the clubhouse bulletin board,
2. information supplied at board meetings,
3. park management office calendar,
4. the social club website posted info,
5. channel 96
6. information supplied by individual residents

(please ALWAYS put this information in writing as Paula Pena and Noreen Adams are doing their very best to coordinate all this info during this initial phase/stage)

I mentioned Paula Pena. She has graciously accepted the VOLUNTEER POSITION which is monumental. We will be working together, so please make sure we both have the same info.

But mostly, please be patient and gentle as we work out the kinks, together, from all calendars and information !! She is very bright and has many ideas and suggestions and our communication improves every day. She really is a team player. No baptism by fire.

Although, I seem to have maintained some semblance of lucidity to this point, please be patient as I am still an aging old broad who does and WILL make mistakes, 'til my dying day.

If you are the rare breed without fault, I would absolutely love to meet you, interview you, and then write your article

Der Spring is sprung
Der grass is riz
I wonder where dem boidies is?
Der little boids is on der wing.
Ain't that absoid?
Der little wings is on the boid!

Happy Spring! On the first day of Spring every year, my Mother used to wake me up for school singing this little ditty to me. Throughout the years, my Mother continued our tradition until she passed away. This always puts a huge smile on my face! Springtime is here and we will soon see the departure of our northern friends. I wish you all a wonderful Summer! Just because our Snowbirds are leaving does not mean we will slow down with our activities! We have already posted our activities for the coming year. Please consider chairing or co-chairing an event and sign up before you leave; and, for those that are here year 'round, please do the same. Again, a very happy Spring and take the time to stop and listen to our "boidies" sing us their beautiful songs.

OLDIES BY THE POOL

Kathy Troll

Come join us on April 1st from 4 to 7:00 pm for Oldies by the Pool with music provided by our own spin master Bill Roberts. Take a swim in the pool, float around, or just sit back and enjoy some great oldies music. To keep the cost down, we are asking that everyone bring an appetizer to share. BYOB and ice. Tickets are \$3.00 for members and \$6.00 for non-members. See Becky Collins for tickets 727-459-5185.

ALL ACTS PERFORMED IN THE WORLD, BEGIN IN THE IMAGINATION

RULES, RULES, RULES!!!!

Noreen

By now you know how much I just love rules. Don Quixote, anyone???

But, you also know my mantra, "Knowledge is Power"

So, always have your copy of RULES FOR PARK LIVING, THE PARK PROSPECTUS, and the ever popular, SOCIAL CLUB BOARD OF DIRECTORS BY-LAWS (which are currently being revised). Who knows, some day you may need them for all those things you find annoying, back it up with a PARK RULE. Actually, these are supplied freely by the Park Management office. Sure, they may have some dust on them, but what the heck.

Let's play trivia. (As of the most recent revision available.)

How many boarders are you allowed to have?

How many days can your visitors stay? Are they consecutive or concurrent? Are you charged?

What type car maintenance can be performed in your car port?

How many pets?

BELIEVE IT OR NOT.... MOTORCYCLES, mini-bikes and motor scooters ARE PERMITTED, in idle mode, to and from home. They must not be above a certain decibel. This is to be checked at the office by management!!

Here's one for you, since we frequently compare rules versus tradition, or just because someone 20 years ago thought it was a good idea.

It is not mandatory that a Board of Directors Member, attend all events or activities. As a matter of fact, it is not mandatory that they attend any.(with or without glares and snippets) However, it is mandatory that they attend Board meetings, unless excused by the sitting President.

Now, it's your turn. Find one for me.

YOU MAY LEAVE SCHOOL, BUT IT NEVER LEAVES YOU

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

HATS OFF TO OUR VETERANS

Gail Connell

It was brought to my attention recently, here at one of our Japanese Garden's dinners, that a veteran of at least 100 plus years, of age, had not removed his hat for The National Anthem. Well due to the age and status, it did not bother me that he had not removed his hat. So I figured I would check it out on the internet, and I came across some information.

The U.S Flag Code was updated 2007 - 2008, and now reads this way - "...all persons present in uniform should render the military salute. Members of the Armed Forces and Veterans who are present but not in uniform, may render the military salute. All the persons present, should face the flag and face at attention with the right hand over the heart, or if applicable remove their head dress with their right and hold it at the left shoulder, the hand being over the heart." In layman's terms that means, Veterans like TYLER do not have to remove their hat. They can salute and they can place their hand over their hearts, but they are not required to do so. This article is in reference to a VETERAN WHO SERVED THE MARINE CORPS who served to save your FREEDOM!!

Could you be a Marine?

I suspect most Veterans go along with the norm and take their hats off to avoid any scrutiny or attention.

(An ingrained survival technique)

It is my personal opinion that if a 100+ year old veteran happens to forget or fails to remove his hat during a meal, it is not going to bother me one iota!! This veteran gave his time and risked his life so that I could have all the freedoms that I enjoy every day!

My hats off to you buddy and thank you from the bottom of my heart!!!

PAIN IS THE BREAKING OF THE SHELL, SURROUNDING YOUR UNDERSTANDING

"THAT DAMN" PAT

By Jim Connell

I have told the story countless times so I figure it is about time that I put it in writing so all can enjoy!

As they used to say in the western/cowboy "Dime Novels," which were created during the late 1800's - "When the legend becomes larger than the man, you print the legend." My wife, Gail and I moved into our home in Japanese Gardens more than three years ago on a Thursday morning. That same afternoon I wandered up to the pool and community area to see what games and activities I could get involved in.

As I studied the bulletin board a short, smiling lady approached and stood there for a few minutes reading the board also. I noticed she had a container in her hands that appeared to be filled with change. I smiled at her and she smiled back, so I introduced myself. I told her "we just moved in today, so I'm looking for games, activities and things to get involved in.

She told me about parties and social club activities and then about some of the card games that are played regularly in the library and then she added that if I really want to learn more, "Come to Koffee Klatch" on Saturday morning, which I did.

I told her how much I enjoy the poker game called, TEXAS HOLD 'Em. She said that is one of her favorites among the many games that she does play here.

"Now what is you're name again," I asked.

PAT PIMM, she responded.

So at Pat's suggestion, I got involved in many things, including social club and library games, but one of my early projects was the black and white, thousand-piece, Abraham Lincoln puzzle which hangs in the puzzle section in the library.

It took me three months to complete that puzzle, working on it, in some cases, late at night and early in the morning for hours at a rip.

Now, while I was working on the puzzle, numerous card games, which included many residents were transpiring. Periodically, I heard many comments, stories, jokes and a lot of laughter, but certain comments seemed to be repeated by many different voices and they seemed to always start with the same two words:

"That Damn" Pat never loses."

"That Damn" Pat wins every time."

"That Damn" Pat took my money again.

"Like a small boat
On the ocean
Sending big waves
Into motion
Like how a single word
Can make a heart open
I might only have one match
But I can make an explosion.
And all the things I didn't say
Wrecking balls inside my brain
I will scream them out loud tonight
Can you hear my voice this time?
This is my fight song
Take back my life song
Prove I'm alright song
My power's turned on
Starting right now I'll be strong
I'll play my fight song
And I don't really care if nobody else believes
'Cause I've still got a lot of fight left in me.

"ALL I REALLY NEED
TO KNOW I LEARNED IN
KINDERGARTEN"

by Robert Fulghum

Most of what I really need
To know about how to live
And what to do and how to be
I learned in Kindergarten.
Wisdom was not at the top
Of the graduate mountain,
But there in the sandpile at Sunday school.
These are the things I learned:
Share everything.
Play fair.
Don't hit people.
Put things back where you found them.
Clean up your own mess.
Don't take things that aren't yours.
Say you're sorry when you hurt somebody.
Wash your hands before you eat.
Flush.
Warm cookies and cold milk are good for you.
Live a balanced life -
Learn some and think some.
And draw and paint and sing and dance
And play and work everyday some.
Take a nap every afternoon.
When you go out into the world,
Watch out for traffic.
Hold hands and stick together.
Be aware of wonder.

A "Swamp" It Is Not

Raymond Leger

My wife and I recently became seasonal residents of Japanese Garden and very quickly began appreciating how beautiful the community is. For us, one of the main reasons for purchasing our residence was due to its location on the canal.

Since then, we have heard many individuals refer to the canal which cuts through Japanese Garden as the "swamp". As a retired biologist, this term bothers me greatly. Granted, it is not as deep or wide as what we would envision, but it is none the less a living canal. Perhaps the reason it's referred to as a "swamp" by these people is either they don't live on or near it, or have never taken the time to see just what goes on here and to take notice of the creatures living there.

I will admit that because we were not in the park prior to the construction of Route 19, we did not have the pleasure of seeing the canal at its "finest". I will accept there is evidence it suffered negative effects of the route's construction, but it is never the less still a viable, living canal, well worth the appreciation and respect of the park residents.

As an example, these are a few of the birds and aquatic life that I have seen in just the past two weeks alone. Wood Storks, Carolina Parakeets, Great Egrets, Snowy Egrets, Little Blue Herons, Tricolored Herons, White Ibis, American Black Ducks, Merlin Falcon, Mourning Doves, Red-Wing Blackbirds, Common Grackles, Blue Jays, Northern Flickers, Hairy Woodpeckers, Snapping Turtle, Map Turtles, Red-Eared Slider Turtles, Otters, Frogs and Bullfrogs, and aquatic plants such as Water Lilies. I have pictures of most of the above mentioned and if there is an interest, I will ask permission to have them put on the Japanese Garden Facebook site.

Yes, it's true that the water level is very low, even that being the case, there is still a lot of life in it. I would suggest that if possible, all of us residing along the canal do their part by trying to keep the canal area behind their homes clear of debris such as bottles, bits of paper and plastic etc. Just recently I cleaned a small area of the canal behind my residence and collected around 8 large bags of garbage, dead plant life, broken tree branches, etc which were picked up by the park during regular garbage pickups. I would also like to say that if there were enough interest, I would be willing to help organise a half day activity where all of the canal on both its sides would be walked and any debris, branches etc. would be picked up.

Yes we can't change the current water levels in the canal, but we can surely have pride in what we have here and try to keep it as clean as possible. My wife and I love it here and want to do what we can to keep it as beautiful as it can be. A little effort by many can go a long way with very positive results.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Reaction Test

submitted by Myrna Whitehead

Have fun with this reaction test to stopping a car. It will predict your age based on how quickly you stop.

Bet you try it more than once! Have fun.

Reaction Time Test

This simulates you in the driver's seat of a car. You're driving down a road, when you see a big red hand flash in front of you. You have to put on the brakes. Then, the Reaction Time Test tells you how old you are, when it comes to driving.

The test is based on reaction times of 2,000 people ages 18 and over. The Reaction Time Test plotted their reaction times by age; it matches your reaction time to those averages.

Some of their results may surprise you. The Reaction Time Test found that left-handed people and men have slightly better reaction times than the average person.

NOT KNOWING WHAT YOU FEEL, IS NOT THE SAME AS NOT FEELING

IRISH COMPASSION

Submitted by Myrna

Love this one!

Shortly after take-off on an outbound evening Air Lingus flight from Dublin to Boston, the lead flight attendant nervously made the following painful announcement in her lovely Irish brogue:

Ladies and gentlemen, I'm so very sorry, but it appears that there has been a terrible mix-up by our catering service. I don't know how this has happened, but we have 103 passengers on board, and unfortunately, we received only 40 dinner meals. I truly apologize for this mistake and inconvenience.

When the muttering of the passengers had died down, she continued, "Anyone who is kind enough to give up their meal so that someone else can eat will receive free, unlimited drinks for the duration of our 5 hour flight.

Her next announcement came about 2 hours later: "If anyone is hungry, we still have 40 dinners available."

Award winning book.

DONE, OVER, FINIS.. STICK A FORK IN ME... I'M DONE!

The Roving Reporter

O.K. , that's it, get up. Get up off the floor either laughing or praying in gratitude. GOTCHA!!!
Actually, I am talking about the most recent Social Club Elections. The ones I have nagged about for months. I wish to thank all those who allowed me the opportunity to continue as their "Roving Reporter", only in a different capacity, returning to the Board of Directors. One of the many things I find absolutely mind boggling, (there are so many), is the number of committees. I'm not certain how many there are. Are you? Who does what and, why? Why do they still exist, or do they? Have they been removed from "the books" or just added to the list. Which committee performs what duty, and why? How about this one, which is the governing (overseeing) board committee (or individual). I believe nowadays it is referred to as translucent information) that has a diagram of each committee, it's responsibility, and the chairperson of that committee.
