From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Hands Across The Border

Fred Smith

The Hands Across The Border dinner dance was held on January 23rd with 92 people attending! A great time was had by all, according to a lot of the guests I spoke to. The entertainment by Nick Knowlton was fantastic and the dance floor was busy all night. We hope to have him back soon. He's an excellent singer/ entertainer!

I wish to thank my committee members, Kathy Curry, Ziggy Wyeth, Anita and Gene Francoeur and my wife Val, for all their help in making this a successful party. Also a great thanks to all the people who helped clean up after the party.

Bowling

Gene Francoeur, Current President

We are on our 14th week of the season and we are having a great year. We have eight complete teams, With the top team being a team called (Trouble), and are they trouble. We are having a great time with a lot of regular and new bowling this year. We still have a lot of time left this year, anybody who would like to join us, you are certainly welcome. We bowl on Wednesday at 9:30am at Countryside Lanes.

Come and see for yourself, what a great time we have.

Paper Tole

Gene Francoeur and Elke Sjoberg

We meet on Monday at 1:00pm to 3:00pm at the club house. Currently we have 16 to 18 tolers enrolled in the class. We have both male & female, so come on in and see what toling is all about, with a great group of your fellow neighbors and see what they are doing on Monday afternoon.

Who knows, you might like to try it your self.

Mardi Gras, February 9, 2016

Gene and Anita Francoeur, Chairpersons

What a great time: fun, laughter, neighbors meeting neighbors, costumes and lots of beads. It is just exactly what the Mardi Gras celebration is all about. Japanese Garden's "Fat Tuesday" was wonderful!!

The Parade started at 4:pm and traveled many of our streets, meeting and greeting residents, horns blaring, music playing and beads going in all directions. A lovely new, gold convertible carried "King Martin 1st and Queen Mary Pat". Following was valet, Lord Henamann and the Lady-in-waiting, Lady Kathleen. Happily, the "Bayou Babes" appeared for the second time. Golf carts were wonderfully decorated, which included drivers and riders. Each category participated and received their well earned medals. **SORRY IT WAS SO COLD!!**

From One Seenager To Another

Myrna Whitehead

I am a Seenager. (Senior teenager)
I have everything that I wanted as a teenager, only 60 years later.
I don't have to go to school or work.
I get an allowance every month.
I have my own pad.
I don't have a curfew.
I have a driver's license and my own car.
I have ID that gets me into bars and the wine store. I like the wine store best.
The people I hang around with are not scared of getting pregnant, they aren't scared of anything, they have been blessed to live this long, why be scared?
And I don't have acne.
Life is Good! Also, you will feel much more intelligent after reading this, if you are a Seenager.

Brains of older people are slow because they know so much. People do not decline mentally with age, it just takes them longer to recall facts because they have more information in their brains, scientists believe this also makes you hard of hearing as it puts pressure on your inner ear.

Much like a computer struggles as the hard drive gets full, so too, do humans take longer to access information when their brains are full.

Researchers say this slowing down process is not the same as cognitive decline. The human brain works slower in old age, said Dr. Michael Ramscar, but only because we have stored more information over time. The brains of older people do not get weak. On the contrary, they simply know more.

Also, older people often go to another room to get something and when they get there, they stand there wondering what they came for. It is NOT a memory problem; it is nature's way of making older people do more exercise.

Brighthouse Tryouts-- Wowza!!

Noreen

Phenomenal, unbelievable, amazing... well, you get the idea.

It was one of the best Tryouts, ever! I expected Susan Boyle to walk on stage.

Actually, I think I heard her voice from one of the contestants.

Songs that took us back to a moment of time in our lives, with smiles and tears.

However, no "Rappers".

We had so many in the audience, you could hear the roar of laughter, tears, and applause.

So much so, they worked up an appetite for sugar (donuts and coffee for breakfast) then stick to your ribs food (hot dogs and sodas) for lunch.

The variety and number of contestants far surpassed previous years.

All I can say is...It was amazing!! See ya, next year.

Special thanks for her dedication to this event, goes to Dorothy Ravener, and her assistants Janet Episcopo and Tony Flum.

Manager's Corner

Steve Lyle

It's that time of year again. In conjunction with the Park Management's Thanksgiving dinner, March 19th at 12:00pm will begin the ANNUAL SPRING PICNIC coordinated with the Park Management and park residents.

Management will provide the meat, water, sodas, and coffee. Residents may wish to bring their own table and chairs, based on the expected turn-out. Residents are asked to bring a "dish to pass".

In addition to our reminder about making certain that your vehicle maintains the **speed limit** of ten miles per hour, the same speed limit **applies to GOLF CARTS** and **MOTORCYCLES**.

If you need papers **notarized**, this service is provided at the office. Contact either Pat or myself at the office 531-4476.

The error of the past, is the wisdom of the future.

Japanese Garden T-Shirts

Judi MacAskill & LeeAnne Robert

We thought it would be a great idea to have Japanese Garden t-shirts/golf shirts in men's and women's styles and would like to know how many of our fellow park dwellers would be interested in purchasing one. The more shirts we order, the cheaper each individual shirt will be.

In an effort to determine the extent of the interest, we have put a list on the clubhouse board, so if you would like to sport a new shirt to wear at the rummage sale, on the golf course or simply around the park, please jot your name down on the list. This is for INTEREST ONLY, not a commitment to buy. You can also email us and we will add your name to the list.

Judi - thelady@gmail.com. (727-218-6525)

LeeAnne - rellick3@hotmail.com. (727-408-5464)

We have started work on a design which is sure to please and are sourcing different companies for a quality shirt at a good price.

More to follow.

Easter Coverd Dish And Easter Bonnet Parades

Kathy Troll

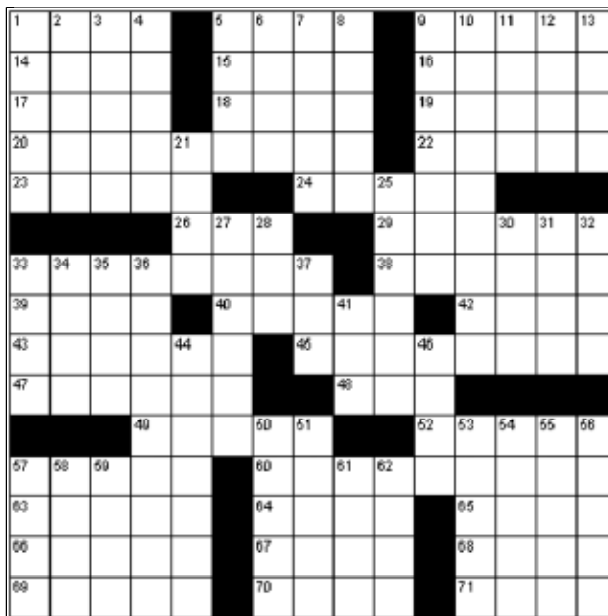

Come out for our Easter covered dish lunch and Easter Bonnet parade at the clubhouse at Noon on March 27th. No charge except your frilly bonnet, a joyful spirit, and you best, most yummy covered dish to share with your neighbors. Ham will be provided by the Social Club.
