It has been a rough summer. Not just because of the weather. Many of our people have moved, to be closer to relatives, as their health needs change. We have had numerous residents being hospitalized, then transferred to rehab before being well enough to return home. Sadly, some have passed on. Yet, keeping up with all this is Annette Wilson of WE CARE. She is another "behind the scenes" tireless volunteer. Please keep her informed so we can keep you informed. She works very closely with informing the Domei of changing status, and for that we thank her.

Many of our friends are returning and activities are increasing daily. If they are not listed on the calendar, please let me know.

Please remember to check the bulletin board for participation (bring a "dish to to pass ... or "potluck")
 If you are particularly adventurous, volunteer to be a chairman.. We have back up help and won't leave you swinging in the wind ..alone. We have all been there.. O.K. most of us, some more than others.

REMINDERS: please submit articles for the Domei by the 10th of each month. Sometimes life just happens, and flexibility is needed. We are cooperating with the publisher's deadlines for over 100 other Mobile Home/Retirement Communities. The majority of the calendar info is supplied by the cooperation with the Social Club, the website, Channel 96 and of course, Management. Along with individual resident article submissions. Most residents prefer to know about events well in advance. This permits them to plan for other events by checking their own Domei calendar, maybe as a **REFRIGERATOR CALENDAR**. So an **easy reminder** to plan for upcoming events is check ... the "refrigerator calendar".

AFTER IRMA, I AM REMINDED OF A SONG FROM THE 70'S/80'S... ONE LINE STICKS IN MY MIND .." I'M STILL STANDING, BETTER THAN I EVER DID... I'M STILL STANDING...." and we as Floridians, native or transplants.. are still standing, stronger, closer, better...." I am so grateful we are here together, warts and all.

Keep an eye out for upcoming events such as;

- R.O.M.E.O. and RED KIMONOS, BRIDGE, CRIBBAGE,
- SUPER BINGO, REGULAR BINGO, THANKSGIVING DINNER, CHRISTMAS MEAL AND FESTIVITIES,
- SOCIAL CLUB BREAKFAST AND ART SHOW, RCS DONATIONS, VETERANS DAY, PHONE COLLECTION FOR OUR MILITARY PERSONNEL, KARAKOE,AND,WEDNESDAY WELCOME WAGON, ETC

For example

- November 1 Ladies Day Out (not sure the location - need to check with Cathy Curry.)
- November 8 - 9:30 am - start of Bowling every Wednesday thereafter
- November 9 Red Kimonos luncheon - O'Keefes
- November 11 - Veterans Day
- Nocember 16 Super Bingo
- November 19 Luau
- November 23, Thanksgiving Dinner

PRESIDENT'S LETTER

Kathy Troll

I feel very blessed to be writing this letter. On September 9th, our lives and emotions were turned upside down. We were in Hurricane Irma's direct path. Mandatory evacuation was announced for our beautiful community. Where do we go, what do we do, and what do we bring along with us streamed through our minds. After packing our belongings, we turned around and looked at our homes and said to ourselves, "what, if anything, will be left when we return"? Fear of the unknown and the uncertainty lingered with all of us for the next 48 hours. Most of us were able to keep in touch during this time. Upon returning, one by one, we gave a sigh of relief! Many had damage and we were out of power until late Wednesday night. Upon reflection, we were all blessed to have been spared the major wrath from this historic hurricane. I think that I speak for most of us that a real sense of community shone through in so many ways. Park Management kept us up to date on every front. A heartfelt gratitude to our park manager Steve for going door to door checking on every resident to ensure their safety and patrolling our community during and immediately following the storm. Thank you to John, Joe and Mark for all of their tireless work in restoring our community to a sense of normalcy! Thank you to Nancy Britt-Bucko for keeping all of our residents informed with her postings and photos on Facebook. Thank you to our Snowbirds for your care and concern during and after the storm. There are many others to thank for their efforts to help their fellow neighbors in their time of need. We are here, and we are strong!

Now, on to our Social Club. Our activities are now in full swing. Please check the Domei, the Social Club bulletin board and the website for our following events; Veterans Day, Luau, and Thanksgiving. As always, we are in need of volunteers for all of our upcoming events. Please contact me or Connie Hobbs if you are interested in helping. Our next General Membership meeting will be immediately following Coffee Klatch on Saturday, November 11th. A very blessed and happy Thanksgiving to all.

.....
There is a sacredness in tears, they are messengers of love.

APPRECIATION and a Big THANK YOU

Patty Booth

I have been meaning to write this for a long time, but now I'm glad I waited until after the hurricane.

The lawn areas, bay and dog park have never looked better since our management team started cutting the grass.

Also most importantly; Steve, John, Joe, Mark and Pat Murphy really went beyond expectations before, during, and after Irma. Before the storm, Pat sent out up to date emails to let all of us know what we were facing and gave us suggestions on what to do.

Steve, John, and Joe stayed during the storm. They drove around the park during the storm to make sure the park was safe from looters and checked on everybody's house. After the storm there were a lot of trees and branches all over the park. They worked in very hot and humid weather and cleaned everything up in an unbelievable amount of time. Steve opened his home to refrigerate medications and recharge cell phones and golf carts.

Thank you so very much Japanese Garden Management for what you do.

If you see these guys out working, stop and give them a thank you and maybe a cold bottle of water.

The only history worth a damn, is the one we make here and now (Henry Ford)

So, there she sat - scared and in tears - as the First Responders drove by -- even though she had called more than once begging for evacuation assistance. (This was a 90 + senior lady waiting in front of her home.)

The heroine of our story NANCY BUCKO !!!!

who saw this, called the First Responders and **demanded they return**. You can bet they did!!!

Thanks, Nancy -- your friends and neighbors are proud!!!

IMPORTANT NOTE.. AFTER THIS WONDERFUL ACKNOWLEDGEMENT OF NANCY'S CONTRIBUTION TO THE COMMUNITY. SHE HAD HEART VALVE SURGERY!!
ALTHOUGH SHE MAY BE WEAK AND NOT UP FOR VISITORS... WE AS A COMMUNITY SHOULD SHOW OUR APPRECIATION TO HER... PLEASE... LET HER KNOW HOW MUCH YOU CARE!! (relay this info by personal notes or to her dear friend Pat Racine)
This is an example of our residents, friends and neighbors, being unselfish and caring. Let's show her how much we care.

Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

MANAGEMENT CORNER

Steve Lyle

Management wants to thank Terry Sullivan for his help in cleaning up the Park after the hurricane. His assistance was invaluable. We can't thank him enough. Thank you Terry!!

THEY DID IT AGAIN

Annette Wilson

Athankless, unappreciated job. Our Management crew. They "hunkered down" down and rode out a major hurricane, for our protection. Sure they could have left and come back when the storm passed. But they did not. Before the storm, they went to each property to make sure there was no potential for flying projectiles. (did you notice things moved, but not from the storm) After the hurricane, they helped residents with their demolished car ports and porticos. They got busy with clean up immediately afterwards. "Just doing our job" does not seem to cover it. But a big thank you is a start. Let them know how much appreciated they are

TO ALL PARK RESIDENTS

Pat O'Donnell

I have to give a well-deserved warm thank you to the guys who not only kept the park safe but, stayed without air (like most of us) and cleaned up the park so fast! I stayed close and drove thru and took licence plate numbers of people I thought iffy. If anyone had any theft, I can turn these plates no's into the police. I believe this is a reality check for all of us. This could have been much worse, I can only imagine how the people in Puerto Rico are doing. Please pray for them and anyone who was in the path of these latest hurricanes. I saw electric company trucks from Canada here. The power is the biggest thing to anyone in the South. We have roads to get into our state. Without power, there is no gas, travel, clean-up, communication, and without a road to drive in? yeah, you're pretty much SOL. We have to do our best to prepare. If you're going to stay for a cat 3 or 4 hurricane, have at least 2 generators, 100 to 200 gallons of gas, a boat, and hope you make it thru the wind. Given the hype of Irma, many people left Florida. I know of people who drove to Louisiana and Tennessee just to find a motel or hotel. That's over 800 miles 2 days before. Let's continue to pray for Florida and prepare.

.....
Scars remind us where we have been, they don't have to dictate where we are going.

LOOK FOR DONATION BUCKETS

Sandy Rassmussen

Many of us are proud of our state of residence before moving to Florida. With this pride as residents we would like to display our individual state flags in a structured simultaneous manner, making a beautiful display of pride.

The Park would like to display our state flags in the park. As Residents we would be providing flags and material to display. We were able to obtain a full set of US Flags for a reasonable price. Sandy R is coordinating with residents and Management on state flags needed within the park. The office has provided all states of residents prior to moving into Japanese Garden. There are a variety of Providences and other Countries noted, if you acknowledge these areas as your home place, please feel free to bring a 3'x5' flag to wave of any other location than the 50 US States.

There will be a poster in the community room identifying all flags that will be displayed. At this time there are no intent of purchasing Canadian providence flags, please feel free to bring one down on your return this fall. Please feel free to contact Sandy R to see if your country or providence flag has been purchased. Please look for donation buckets or contact Sandy R to make a donation of a flag or monies to this project.

Also, our Veterans are honored in multiple ways a year in our great USA. Here at Japanese Garden we are very aware of the ultimate sacrifice families and individuals have given for the love of freedom and country. Along with those who continue to serve and relive memories of years served.

We show our respect by grooming an area of military flags, displaying a memorial plaque for those who have served in our armed services. Due to wear and tear our memorial plaque is in need of replacing. There will be donations taken for a new plaque to replace the worn one. Estimated cost of this plaque is \$100.00.

Any questions or concerns, please contact Sandy R 612/432-7874 or Kathy T.

RUMMAGE SALE 2018

Sandy Rassmussen

**Although January seems a long way off, it is not too soon to start thinking about our annual rummage sale. We welcome your good used items that you no longer need. Once again, I would like to see our volunteers wearing a red T-shirt/blouse if at all possible on the day of the sale. The red shirts along with our name badges make us easily identifiable to the public.

**Last year we utilized a storage area, for our items, across the highway. Paid with our raffle monies, so \$600.00 we did not have to use from our budget or funds raised during event. We will be doing this again this year, so look forward to ongoing raffles at Events and 50/50 at Saturday Koffee Klatch.

** Also food at the event was a hit, so this will also continue, so look forward to a Bake Sale and Lunch; we will be looking for volunteers to bring food for the volunteers, during set-up on Thursday and Friday.

**Collection of items will be the same as last year. Collection days will be Saturdays after Koffee Klatch 10-Noon by the Rassmussens, on your driveway. Again we are asking, if possible, to please keep your large items at your place until January pick-up. Please make sure all donated items are clean, in good working condition and are bagged or boxed securely. When donating linens, please mark size (sheets/blankets/tableclothes). Look for list of Volunteers needed on the board by the pool. We will be having volunteers and residents buy from the sale on Friday night, different from last year.

**Dates for items to be picked up from residents drive-way Oct-Dec. 10am-12

October 21

November 4, 18

December 2, 16, 30

January 11th (4-6pm) 12th (9-11am)

**Items we are unable to pick up: mirrors, mattress and boxsprings, old computer monitors and broken items. Large items and appliances will be picked up in January. This list may be subject to change, determined by committee member.

Questions, please feel free to contact Sandy Rassmussen, 612/432-7874.

"MORE THAN WORDS CAN EXPRESS"

Sandy Rassmussen

Record breaking numbers behind Hurricane Irma. "Hurricane Irma has wreaked havoc in Florida after devastating islands throughout the Caribbean. Meteorologists have described it as one of the most powerful hurricanes ever recorded - 185 mph lifetime max winds." Over 400 miles wide, engulfing the entire state of Florida. These are the words we heard from Aug 30-Sept 10th. There was a mandatory evacuation of our homes on Thursday Sept. 7th. Florida had started the evacuation of the Florida keys the beginning of the week, the roads were packed with people moving North, gas stations had no gas, airports were jammed, no food in grocery stores..... What to do?... We decided to leave. On our way out of the park on Saturday A.M., the Police with buses showed up to transport people out of thier homes to shelters. Steve, Joe and a handful of residents stayed behind -- to ride out the storm. Many of us made the choice to leave and prayed for the safety for those who chose to stay.

For those who have not been in a hurricane, this is a snapchat of our life during the largest hurricane recorded. As many of you know, papa Don, Mark's dad is 86 years old and lives with us; he suffers many health issues, needing machines. The hurricane had us scared, especially when electricity is needed for his health.

We were registered at the local shelter since Thursday, then Meteorologists said Irma was going to be a cat 4 or 5, directly hitting Clearwater. We got nervous on our ability to deal with the devastation after the storm. There were so many people who stayed in Florida and around the area, but by the end of the week you couldn't go North...roads were clear, but no gas. Saturday we decided to head to the east coast to a parking ramp since there were no hotels. Thank God we were invited to an extended family's home (whom we had never met) with hurricane shutters, food and a generator. With both of our cars packed with what we felt were our most needed belongings, we left the park. We genuinely felt we would not have a home to come back to. During that long weekend, there were a number of us that continued to text as long as we could, making sure all were safe and documenting where we were. Mark kept in contact with Steve and Joe along with a handful of other residents who chose to stay in their homes, bless thier hearts. They then assessed a lot of our homes after the storm. I have to say I was scared for the brave folks who stayed behind. Monday came, Irma shifted and the park was standing; we were delighted and feeling very grateful. So the next challenge was to return to Clearwater, it took us almost two days for a 2 hr drive. Downed trees, power lines, distraught family and no communication made it very difficult. We finally saw our home on Tuesday at noon, no electricity, no phone service or internet.

Thank God our home was intact, along with our friends' homes, our park had bumps and bruises but people were safe.

Park Management definitely stepped up for the residents in the park and for those who returned. Steve helped folks in many ways; one was allowing folks access to his generator with a charging

...continued on page 32

table; people were able to charge their cell phones and golfcarts at the time. Some had thier refrigerators plugged in to provide ice for others. When we returned, we helped staff clean out residents' refrigerators of spoiled food. Everyone stepped up and checked on the elderly that stayed in the park. John and Joe patrolled the park, watching over our community. We even witnessed the local police officers coming in to charge a home bound resident's cell phone for her. After the devastation in Florida the good people definitely showed up. I feel so blessed that many of them reside in our own Japanese Garden.

I want to thank the brave folks again for keeping our park safe and giving us, who weren't here, a sense of comfort about our homes. Thanks again to all who helped others with comfort by words, a detail or two, or being a presence in the park. So many were grateful for the generator use, charging phones allowed communication at times with family. Many of us had stress with family and children concerned about our safety, wanting us anywhere, but in Clearwater.

Having folks who think of others first, and go the extra mile in giving comfort in so many ways, is more than mere words of gratitude can express.

Thanks again to Steve and his crew for the amazing cleanup within the park-- This community truly feels like a family.
