# PRESIDENT'S LETTER

by Chris Green

---

Composing this letter is remembering last month and May was definitely a month of memories.

We enjoyed the Mothers' Day luncheon while we remembered and appreciated our own mothers (and the women who mothered us).

Our Memorial Day Tribute gave us pause as we remembered WHY we are free. We were reminded to REMAIN Proud Americans.

May has given me many reasons to smile too. We have become an even more active community with movie outings and sporting events (shuffleboard is a sporting event - right?). The 7PM meetings at "The Bay" have so many new members (lol). We have even had secret meetings to discuss new activities because we enjoy more than cards and bingo.

The rain did not dampen our spirits - just made us more determined than ever to live life to the fullest.

Kindness Matters!

# WE CARE

by Dorothy Ravener

---

Jim Jenkins and Jim Sullivan are in hospital.

(Please note that the location AND condition of the residents named above can be temporary and may change at any time. We can only do monthly updates in the DOMEI for WE CARE but we still want you to be informed.)

## In memoriam

Our sincere sympathy goes out to Lona Britt on the loss of her son Ron Britt, and brother to Nancy Britt Bucko.

Our sincere sympathy also goes out to Dorothy Burns (Canada) on the loss of her husband Aubrey.

***Editor's note:*** I do my best to provide a photo of those who have recently passed away by using the JG directories I have on hand. However, these are not always up to date or not available. If you would like a photo of your recently deceased loved one appear in the DOMEI under IN MEMORIAM, please forward a .jpg photo to [jgdomei@hotmail.com](mailto:jgdomei@hotmail.com) in a timely fashion.

## **MEMORIAL DAY**

*by Sandy Rassmussen*

---

**T**he 2018 Memorial Day gathering was at 11:30am on May 28th at the Clubhouse. Giving a tribute to fallen soldiers, along with past and present Veterans living in and visiting Japanese Garden.

A Big thank you to Vince Salvage and Mark Rassmussen for a Memorable Tribute and lunch provided for 65 residents and family.

A thank you to Dorothy Ravener for her commentary of the Tribute of Veterans and sharing the definition of Memorial Day versus Veterans Day.

Two prints were provided for signatures of fallen soldiers along with the "Homecoming" print by Rick Kelly symbolizing all Veterans. All Veterans or family of Veterans were encouraged to sign the print of appropriateness and these will be framed and hung on the stage in the Clubhouse. These prints will be available on Veterans Day for signatures also.

The "White Table" was displayed between the two tables of veteran memorabilia and pictures of Veterans. Lunch consisted of chicken salad croissants, cole slaw, chips, veggies & dip and a sheet cake. So, a shout out to Sandy Rassmussen and Chris Green for all their help in the kitchen.

## **WELCOME WAGON**

*by Sandy Rassmussen*

---

**M**ay Welcome Wagon Wednesday was on the 30th of May at the Clubhouse from 5pm to 7pm. We had 23 people attend, no new residents. We had planned on Bingo by the pool but due to rain, activities were set up in the Clubhouse. Activities included fun Bingo with Mark Rassmussen calling numbers. A Big Thank you to Chris Green and Sandy Rassmussen for donations for prizes including wine and candles. After 5 games of bingo food was served consisting of hotdogs, beans and chips with lots of cake, goodies and drinks. Thanks to all who donated goodies. Thank you Evonne for your help in the kitchen. We had a discussion reviewing new information on the start of hurricane season and updated hurricane shelter information, along with notifying residents of tax free week for hurricane supplies and what that consists of.

All residents are welcomed to participate, goodies to share are always appreciated. Look for posters regarding the July Welcome Wagon gathering including free music and other fun activities. Any questions, please feel free to contact Sandy Rassmussen (612) 432-7874.

## SHUFFLEBOARD

by Sandy Rassmussen

---

Shuffleboard has been meeting on Tuesday evenings at 7pm. We have grown from 4 participants to 20, growing weekly. Thank you to Betty Harrison, Janet and Bob Episcopo for managing and organizing our new fun activity. We have folks coming each week to watch, practice and learn the game, then come and participate the next week. A large shout out to Mark Rassmussen for his prepping of the court each week. Please feel free to come and join us, knowing shuffleboard is not a requisite- just wanting to have fun and a little exercise is all that is needed.

## **BIRTHDAYS & ANNIVERSARIES**

*by Bet LeBrun, Editor DOMEI*

---

**L**et's face it, all of us have birthdays and some of us also have anniversaries. Some people like to celebrate their birthdays and anniversaries with a huge crowd, others not so much.

BUT...like it or not, there is ONE day a year that goes by when we have a birthday and/or anniversary and it would be nice if people were aware of when your special day is. Receiving a phone call, a text message, a greeting card or even a visit from someone that knows it's YOUR special day always is appreciated.

None of us likes getting old but it's a fact of life and there's nothing we can do about it - so we may as well make the best of it and have fun.

That is why I would like to start publishing birthdays and anniversaries in the DOMEI. I don't need the year you were born - just the date. I will publish a list every month of those who have an birthday and/or anniversary for the upcoming month. (Examples: John Jones Birthday August 8; Bryce & Shirley Johnson 49th wedding anniversary August 20) The August DOMEI would have a list of those with AUGUST birthday and/or an anniversary.) And let's not forget milestone birthdays! Turning 60, 65, 70, 75, 80, 85, 90, 95 or even 100 is something to celebrate.

If you wish to participate, send me your name, event date of birthday or anniversary at [jgdomei@hotmail.com](mailto:jgdomei@hotmail.com) - you can send it now even if your special day is in February as I would like to start compiling a list a.s.a.p.

## **MOTHER'S DAY**

*by Florence Miller*

---

**O**n Sunday, May 13th, the Social Club held a luncheon to commemorate the occasion. We had a larger turnout than the two previous years. Fifty-five people came together to honor mothers. Women were free but men were charged \$5.00 each for a scrumptious lunch of chicken salad or roast beef croissant sandwiches with lettuce, tomato and pickle. On each table were bags of potato chips and a plate of cut fresh fruit.

Dorothy Ravener gave a brief history of Mothers Day origination and recited a couple of poems. Chris Green drew names and handed out door prizes.

This was followed by choice of either cheesecake or key lime pie.

A good time was had by all.

A big THANK YOU to my hard working committee members: Judy Bossie, Margo Hill, Phyllis LePage, Rita Williams, Becky Collins (tickets), Dorothy Ravener and Chris Green. And for Charlotte Thompson and others who pitched in to help clean up!

## ALUMINUM CANS = DOLLARS

by Bet LeBrun

---

**D**id you know that every time you put an aluminum can in a recycle bin, someone else gets money for it? It may not be much if you only recycle a couple of cans but in the long run, it adds up.

For instance, if we were to take all the empty aluminum cans after an event at the Japanese Garden Clubhouse, crush them, accumulate them and then bring them to a recycling depot, we would get money for doing that! (I'm more than willing to bring them to the depot.)

It may not be a whole lot (1000 cans will net about \$12 - \$15 as scrap aluminum) but whatever dollar amount we get, it's free money.

Before I left to go back up north, there was talk about a cage to be placed close to the recycling bins and a can crusher installed for those of you who want to minimize the size of the cans that we'll be transporting to the recycling depot.

I was able to pick up a rigid can crusher at a garage sale for \$5 and here it is:

So, start saving your cans!! (If you crush them flat by stepping on them, you will minimize the space to store them until I arrive in the fall!)

Come one folks - help YOUR Social Club make some extra money!

## KARAOKE

by Bill Roberts

---

**C**ome out every 2nd Saturday of the month and enjoy music with "Mr. Bill" at the Clubhouse. You can show your musical talents by singing songs accompanied by Karaoke music and lyrics. No need to be a pro to sing - just bring your snacks and beverages. Enjoy the company of friends and have a good time. There will be a 50/50 with half going to the winner and the other half going to "Mr. Bill" to pay for his time, music and equipment. Starts at 7:00pm and ends when the evening ends.

## DOMEI

by Chris Green

---

I just want to apologize to any resident who did not receive the May DOMEI. I underestimated the number of permanent residents and the people who leave a little later. I also want to thank Becky Collins and Judy Bossie who took it upon themselves to actually drive around and count (what a concept!).

Saturday March 16, 2019	St. Patrick's Day	OPEN

You will notice that certain events have OPEN spaces and we are asking people to consider chairing one of these events. We would love to have new people involved! You are given a budget to work with and plenty of support/information from former chairpersons and volunteers.

More information will be included as the event approaches. As always, keep checking for posts on the Bulletin Board & the emails from Japanese Garden Social Club.

Volunteers spend countless hours working on your behalf; this is why we are always requesting more help. And, this is why we need you. When everybody does a little, it keeps others from having to do a lot. Spreading out our responsibilities makes things easier and a lot more fun for all.

## MY HEP-C ADVENTURE - PART 3

by Mel Moen

**A**lrigh! The fight begins! In this next Part of my Hep-C Adventure, I am going to briefly describe what I went through in my first round of treatments for the Hep-C virus.

My Hep-C doctor, Dr. Fern, wanted to start me on a 6-month round of treatments. At that time, the treatments for "my type" of Hepatitis-C had a cure rate of around 30%. Because I had no insurance to pay for these treatments (the prescriptions alone were over \$5,000 per month), I asked Dr. Fern about any alternatives. He told me that considering the stage of the virus at that time (without a cure), my life expectancy was about 5 years.

(Note: Don't let that 30% scare you! Treatments have improved a great deal, since then!)

He also told me that, if I were not working, he knew of a fund that he could probably get me into, and that would pay for about half of the treatment costs. I was really struggling to work, so I quit my job (on Doctor's advice) and we started planning for the treatment. The treatment consisted of ONE pill every day, ONE shot (which I injected into my stomach) each week and weekly visit to the doctor for blood draws and checkups.

After about 3 months, my body was not dealing very well with the medication and my Hep-C viral-load started testing zero, so Dr. Fern ended the treatments. He told me that if it did not reappear within 3 years, he could then declare it CURED! However, if it is going to reappear, it would normally do it within the first year after the end of treatments.

(Note: When the viral-load tests zero, it does not necessary mean that it is totally gone. It just means that it is either gone or it is so low that the test cannot detect it.)

After a few months to recover from the treatments, I got a job with a consulting company whose health insurance did not have a pre-existing clause. Since the Hep-C could possibly reappear and because of the damage that had been done to my liver, I made sure that I had health insurance. That first round of treatments - even with the help that I received from the fund - had eaten up all of my regular savings and a big chunk of my retirement savings.

The assignment I was working on at that time was out-of-state. That made it hard to do my regular blood draws to check on my viral-load. The good part of this assignment was that the money was very good. In addition to my salary, they paid a generous living allowance. I was hopeful that I could recover financially.

After a few months on this new assignment, I wasn't feeling very well. I told myself that it was because of the extra stress brought on by being away from home. However just to be sure, I made arrangements with a doctor in that area to have a blood draw and send the results to Dr. Fern.

You guessed it! The Hep-C was back!

To be continued...

# IMPORTANT INFORMATION FOR ALL

by Bet LeBrun, Editor DOMEI

**T**hanks to Dorothy Ravener, I have prepared helpful information which I have taken from the Florida Consumer eNEWSLETTER.

## 1 - Hurricane Preparedness Tips

Hurricane season is June 1 through November 30. Weather experts predict that the 2018 hurricane season will be "slightly above average." Hurricane Irma served as a stark reminder that it is imperative to prepare your family and home for potential hurricanes.

**Have a Plan** – Prior to the threat of a disaster, families can create a personalized Family Disaster Plan at [FloridaDisaster.org/GetaPlan](http://FloridaDisaster.org/GetaPlan). This site provides checklists and important steps to take before, during and after the disaster.

**Home Repair** – Be cautious of repair businesses or individuals who solicit door-to-door in the wake of a hurricane. Check each contractor's address, license and complaint history prior to hiring by calling the Department of Business and Professional Regulation at 850-487-1395, or visit their website at [MyFloridaLicense.com](http://MyFloridaLicense.com).

**Food Safety** – Power may go out due to storm winds, potentially affecting food storage. Get food safety tips at [FreshFromFlorida.com/Divisions-Offices/Food-Safety](http://FreshFromFlorida.com/Divisions-Offices/Food-Safety).

**Generator Safety** – Portable generators are useful during power outages, but they can also be dangerous. Carbon monoxide poisoning can occur from generators or grills when they are used indoors, in partially enclosed spaces, or near vents or windows that allow fumes to enter your home.

Visit [Carbon Monoxide Safety Toolkit](#) for more information.

## 2 - Elder Abuse

Abuse can take many forms, among them frauds and scams. Below are some scams that target senior citizens:

- **The IRS Phone Scam** – A scammer posing as an Internal Revenue Service (IRS) agent calls unsuspecting seniors, claims that they owe money and threatens a lawsuit. The IRS will never call to inform you of a pending suit.
- **Medicare Fraud** – Someone may pose as a Medicare representative to get seniors to provide their personal information, which is used by the scammer to bill Medicare and pocket the money.
- **Tax Fraud** – A criminal files taxes using a stolen Social Security or Employee ID number to collect a victim's tax return.
- **Internet Fraud** – Pop-up browser windows simulating virus-scanning software will fool victims into either downloading a fake anti-virus program or an actual virus that may gain access to Grandparent Scheme – Scammers pose as the victim's grandchild and describe a dire situation involving the grandchild with instructions on how and where the grandparent should send money.

Remember - don't fall victim of a scammer!

*...continued on page 30*

### 3 - Typosquatting

Seniors are encouraged to educate themselves on how to avoid scams and fraud. Technology opens up a new avenue for scams, including "typosquatting."

Typosquatting occurs when scammers trick web surfers into downloading harmful computer viruses and providing personal information. They can also trick vulnerable children into viewing adult content.

These scammers set up web addresses that resemble legitimate addresses but contain a common typo, such as ending a web address with ".cm" instead of ".com." If a user mistakenly types in the wrong address, they may be directed to a website containing viruses and malware, or a website that is designed to gather personal data for scammers.

Consumers can help protect themselves from typosquatting scams by taking the following steps:

1. Always double-check the web address before entering a website to help avoid bogus sites that aim to steal personal information.
2. Use a search engine. If you are not sure of a certain website address, consider using a search engine like Google or Bing. Search engines, such as Google, have algorithms help point you in the right direction; and
3. Be wary of links found in social media posts, which can often lead to typosquatters. Look for red flags in the web address, including:
  - Extra text following a ".com," such as [`www.example.com-\(text\)`](http://www.example.com-(text));
  - A misspelling of the company's name; or
  - Typos in the domain (.com, .gov, .org, etc.), such as the web address ending with ".cm" instead of ".com."

Spotting fake websites is not always easy. If you realize you have entered one of your passwords on a typosquatter's site, change your password immediately.

### 4 - Product Recalls

# LAUGHTER IS THE BEST MEDICINE

by Bet LeBrun, DOMEI Editor

**W**ith all the goings on in the world, I thought I would lighten the mood with some chuckles. I hope some of them put a smile on your face.

## Hearing Better Now

An elderly man was having hearing problems and went to see a specialist. The doctor fitted him with some hearing aids that brought his hearing back to full strength.

After a few weeks the man came back to make sure the new equipment was working properly, which it was.

The hearing specialist said, "It all seems perfect. Your family should be delighted you can hear everything now."

"Oh no," the man responded. "I haven't told any of them. I just sit quietly, listening carefully. I've changed my will four times."

## Write It Down

A couple in their nineties are both having some short term memory loss.

While in for a checkup, the physician says that physically they're okay, but since they're having trouble remembering things, they might want to start writing things down.

Later that evening they're sitting and reading, when the husband gets up.

"Would you like anything from the kitchen?" he asks.

"Some vanilla ice cream," his wife replies.

"Okay."

"Shouldn't you write it down so you don't forget it?" she asks.

"Don't worry, I won't forget."

"Well," she says. "A few raspberries on top would be great. You want to write that down?"

"I've got it, honey. A bowl of vanilla ice cream with raspberries on top."

"And chocolate sauce, too. Maybe you'll forget that. Want me to write it down for you?"

A little miffed, he replies, "I've got it! Ice cream, raspberries and chocolate sauce. I don't need it written down, for gosh sakes!"

He waddles out to the kitchen. A half hour later, he comes back with a plate of ham and scrambled eggs, and gives it to his wife.

She stares at the plate a few seconds, then says, "You forgot my toast."

## Chocolate covered Peanuts

A tour bus driver is driving with a bus load of seniors down a highway when he is tapped on his shoulder by a little old lady. She offers him a handful of peanuts, which he gratefully munches up.

After about 15 minutes, she taps him on his shoulder again and she hands him another handful of peanuts.

She repeats this gesture about five more times. When she is about to hand him another batch again he asks the little old lady, 'Why don't you eat the peanuts yourself?' 'We can't chew them because we've no teeth', she replied.

The puzzled driver asks, 'Why do you buy them then?'

*...continued on page 34*

The old lady replied, 'We just love the chocolate around them.'

### **Funeral Arrangements**

An old man, Mr. Goldstein, was living the last of his life in a nursing home. One day he appeared to be very sad and depressed. Nurse Tracy asked if there was anything wrong.

"Yes, Nurse Tracy," said Mr. Goldstein, "My private part died today, and I am very sad." Knowing her patients were forgetful and sometimes a little crazy, she replied, "Oh, I'm so sorry, Mr. Goldstein, please accept my condolences."

The following day, Mr. Goldstein was walking down the hall with his private part hanging out of his pajamas, when he met Nurse Tracy.

"Mr. Goldstein," she said, "You shouldn't be walking down the hall like that. Please put your private part back inside your pajamas."

"But, Nurse Tracy," replied Mr. Goldstein, "I told you yesterday that my private part died."

"Yes, you did tell me that, but why is it hanging out of your pajamas?" asked Nurse Tracy.

"Well," he replied. "Today's the viewing."

## **Reduce arthritis pain without surgery**

---

**A**rthritis is the leading cause of disability among U.S. adults over 55, in many cases requiring surgery to replace troubled joints. You don't have to resort to joint replacement all at once, though. These simple steps from Dr. Victor Romano, an orthopedist and author of *Finding The Source: Maximizing Your Results—With and Without Orthopaedic Surgery*, can help you deal with arthritis before surgery becomes necessary:

- Wear good shoes with arch supports. Over time, the arches in feet tend to fail. Arch supports can help with the alignment of your feet and improve the alignment of your knees, letting your feet better serve as shock absorbers for the knees.
- Exercise daily. Try at least a 20-minute program that includes stretching, aerobic activity, strength training, and balance.
- Wear a hinged knee brace for better support. You don't have to wear it all the time, but it can help during sports or other strenuous activity.
- Watch your weight. Lower weight decreases the stress on your joints and helps with mobility. Eat nutritious foods and cut your intake of sugar, which can cause inflammation of your arteries and joints.
- Take care of your bones. Calcium, vitamin D, and weight-bearing exercises can reduce arthritis pain and build up your bone density. Should you need replacement surgery, greater bone density will help your artificial joint last longer.
