Knock, knock who is there? Not a health agent.

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

PRESIDENT'S LETTER

by Chris Green

Hello from behind the Elephant Ear!

I think our General Membership Meeting on Nov 10th during Koffee Klatch is important enough to take up "my" space since we haven't met in so long.

- There is unfinished old business that will be wrapped up by Bet LeBrun and Sandy Rassmussen.
- You can expect to hear from Marcelle (and maybe Cal) about the rummage sale.
- We will be asking for your opinion/vote on the time/day of Koffee Klatch as well as other subjects brought up at the board meeting as new business and important to you!

Of course this will be the time to **SPEAK UP** about **YOUR** ideas/concerns. Everyone wants a vital community and social club and **YOUR** idea may be the spark!

Corrections cannot be made if we aren't aware of issues. If you don't want to speak at the meeting - write it down and give it to a member of the Board - it will remain confidential.

We still need more DOMEI deliverers - there will be a sign up sheet available.

See you soon - November 10th is just around the corner!!!

Kindness Matters

WELCOME WAGON WEDNESDAY

by Sandy Rassmussen

All residents are welcome to participate; goodies to share are always appreciated. Look for posters regarding Welcome Wagon gathering including free music and other fun activities. **Welcome!** The next Welcome Wagon will be November 28 from 5pm to 7pm. Any questions, please feel free to contact Sandy Rassmussen (612) 432-7874.

VETERAN'S DAY

by Carolee Kingsbury

November 11th is on a Sunday this year. The doors will open at 10:30 and the program will start promptly at 11:00. There will be lunch following so please sign up on the Bulletin Board as I need to plan on the food I will need.

RUMMAGE SALE - 2019

by Marcelle Rouse

It is time once again to talk about our annual Rummage Sale which will take place on Saturday January 12, 2019. Set-up for the sale will begin on January 11. Donations have been plenty and we have had to rent a storage unit to hold furniture. Victor Medeiros and Mark Rassmussen have offered to help with those pick-ups – thank you!

The rummage sale is a very important event for the Social Club because it helps fund the many wonderful events that you enjoy throughout the year. We will need a lot of volunteers to make this event a success. Many of us have Japanese Garden shirts and it would be nice to see our helpers wear one for the sale. If you don't have one, that's fine. You might consider ordering one from Judi MacAskill when she gets back to Florida or by email at thej lady@gmail.com

ACCEPTED ITEMS include kitchen wares, small appliances, lamps, home decor, knick knacks, linens, furniture and more. Please mark the sizes of the bed linens, tablecloths and curtains. Clothing in excellent condition will be accepted in November when we get back to Florida.

ITEMS NOT ACCEPTED are large heavy items such as sofa beds, mattresses and bed pillows, washers, dryers, refrigerators, stoves and freezers. We also cannot accept computer monitors, PC towers, big old TV's or unframed mirrors.

Remember only certain items will be accepted. This is not a dumping area for unwanted items listed above. Please make sure all donated items are in good working condition, clean, and

JAPANESE GARDEN SHIRTS

by Judi MacAskill

I have been approached to see if it would be possible to order polo/golf shirts with the Japanese Garden logo again this year. Last year, in addition to the navy and light blue, we also ordered red which everyone really liked.

I will place the order earlier this year so the shirts can be **delivered in time for the Rummage Sale** on January 12th. The minimum order is for 12 shirts so hopefully there will be enough people that want one to place an order.

For your information - These are good quality shirts made of ultra cool and dry fabric.

IMPORTANT: Cutoff date to place order will be December 16th and I will place the order with the printer the next day.

Polo/Golf Shirts with Embroidery

\$22.00 per shirt (2 XL)

FLAGS

by Sandy Rassmussen

Switching the flags around the pool area for the fourth time and we have had a lot of compliments on how the flags brighten up the area. The fourth round of flags include the 46-50 US states and Nova Scotia, a Canadian Province. US State flags of JG residents are Oklahoma, New Mexico, Arizona, Alaska and Hawaii. Again, if anyone wants their home country flag around the pool, please give to the Rassmussens (612-432-7874) to put in the rotation. The next rotation will be November 4.

NOVEMBER 3RD AND DECEMBER 1st, 2018

by Charlotte, Sandy and Sharon

Here is one more reminder for the upcoming park's **Holiday Boutique** on November 3rd and **Arts and Crafts Bazaar** on December 1st from 8am to 5pm.

- The November 3rd Holiday Boutique is for all the residents here in Japanese Garden and of course, any relatives who might be visiting you. Some of us will be north for the holidays and will miss the December Art Show so we decided to have this little celebration to include them. Come before Koffee Klatch to shop early or during & after Koffee Klatch.
- The Arts and Crafts Bazaar on December 1st is being advertised publicly. There are almost 20 artists (including our park favorites) sharing their artwork and crafts.
- As December 1st is a Saturday, we will have Koffee Klatch where there will also be donuts. All the vendors will have their crafts and artwork set up for you to see and buy. You are all welcome to walk around, visit, enjoy and purchase anything that might interest you.
- Throughout the day, we will be raffling art pieces and baskets of goodies. Tickets will be sold at the door if you want to take a chance at winning.
- There will also be a Bake sale.

Come and join us for coffee on December 1st, stay for the Art Show, raffles, Bake sale and join us for lunch. (Lunch will be available for a small fee.) **Remember – this is an all day event!**

Through this bazaar, the raffle, lunch sales, Bake sale – it is hoped that this event will generate some funds for YOUR Social Club.

We hope you enjoy the day!

JAPANESE GARDEN "COMMUNITY GARDEN"

by Sandy Rassmussen

Plectranthus amboinicus, OR

CUBAN OREGANO once identified as *Coleus amboinicus*, is a semi-succulent perennial plant in the family Lamiaceae with a pungent oregano-like flavor and odor. It is native to Southern and Eastern Africa. It is widely cultivated and naturalized elsewhere in the tropics where it is used as a traditional medicine, spice, and ornamental plant. [1] In Thailand, where its leaves are sometimes eaten with meat salad, it is called (/huu-seua/, 'tiger's ear') for the distinctive shape of its leaf.

The leaves are strongly flavoured and used for stuffings of meat and poultry, beef, lamb and game. The herb is used as a substitute for oregano to mask the strong odors and flavors of fish, mutton, and goat.

Traditionally, the herb is applied externally as a mosquito and insect repellent, likely due to

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

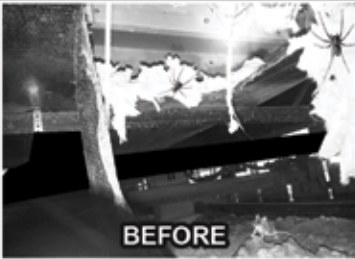

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

BIRTHDAYS & ANNIVERSARIES

by Bet LeBrun, Editor DOMEI

Birthday this month

Happy belated 64th birthday Lilian Henry - October 17th

Anniversary this month

Sory & Dana Bemis - November 7th

Let's face it, all of us have birthdays and some of us also have anniversaries. Some people like to celebrate their birthdays and anniversaries with a huge crowd, others not so much.

BUT...like it or not, there is ONE day a year that goes by when we have a birthday and/or anniversary and it would be nice if people were aware of when your special day is. Receiving a phone call, a text message, a greeting card or even a visit from someone that knows it's YOUR special day always is appreciated.

None of us likes getting old but it's a fact of life and there's nothing we can do about it - so we may as well make the best of it and have fun.

That is why I would like to start publishing birthdays and anniversaries in the DOMEI. I don't need the year you were born - just the date. I will publish a list every month of those who have an birthday and/or anniversary for the upcoming month. (Examples: John Jones Birthday August 8; Bryce & Shirley Johnson 49th wedding anniversary August 20) The August DOMEI would have a list of those with AUGUST birthday and/or an anniversary.) And let's not forget milestone birthdays! Turning 60, 65, 70, 75, 80, 85, 90, 95 or even 100 is something to celebrate. If you wish to participate, send me your name, event date of birthday or anniversary at jgdomei@hotmail.com - you can send it now even if your special day is celebrated in another month as I would like to start compiling a list a.s.a.p. C'mon folks - it won't hurt a bit!

PERSONAL EXPERIENCE

by Anonymous

I would like to share a personal experience with my friends about drinking and driving. This might save you the cost and embarrassment of being arrested for DUI.

As you know, people have been known to have unexpected brushes with the authorities from time to time, often on the way home after a "social session" with family or friends. Well, this year, it happened to me. I was out for the evening to a party and had more than several margaritas coupled with a bottle of rather nice red wine. It was held at a great Mexican restaurant. Although relaxed, I still had the common sense to know I was slightly over the limit.

That's when I did something I've never done before...I took a taxi home. On the way home there was a police roadblock but since it was a taxi they waved it past and I arrived home safely without incident. These roadblocks can be anywhere and I realized how lucky I was to have chosen to take a taxi.

This was a real surprise to me, because I had never driven a taxi before. I don't know where I got it, and now that it's in my garage I don't know what to do with it. So, anyway, if you want to borrow it give me a call.

National Gratitude Month. You don't have to wait for Thanksgiving to show your gratitude and appreciation. There's something to be grateful for every morning you wake up. This November, challenge yourself to greet each day with an attitude of gratitude.

National Healthy Skin Month. Summer is long gone, but you should still be wearing sunscreen and taking other steps to keep your skin hydrated this time of year. Make an appointment with your dermatologist for a skin check and find out what you should be doing to ensure that the largest organ of your body stays healthy.

National Inspirational Role Models Month. What better way to show our gratitude this month than by honoring those who've offered us the foundation of a good example? Keep that legacy alive by committing to passing along that example to others.

National Novel Writing Month. If penning a novel is on your bucket list, this is the month you can check it off. You have 30 days to crank out a masterpiece of 50,000 words. For inspiration, ideas, and more information, visit: <https://nanowrimo.org/>.

Grab a deck of cards for a friendly game of Go Fish, dust off the checker board for a tournament with bragging rights until next year, or help your Aunt Liz work a crossword puzzle. Make your home “Game Central” this week.

Take a cold shower—for better health

Showers keep you clean, but a cold shower can be good for your health. An article on the Success website spells out the benefits of taking cold showers:

- **Immunity.** Scientists believe there's a correlation between cold showers and increased production of an amino acid called glutathione, which boosts the immune system, gets rid of toxins, and eases stress.
- **Better skin health.** A hot shower removes important oils from the skin, making it dry and itchy. Cold showers reduce skin inflammation. They also prevent your hair from becoming brittle.
- **Muscle recovery.** There's a reason why athletes soak in ice baths after a tough game. The cold water helps speed their recovery time and relieve soreness quicker.
- **Better moods.** Cold showers may prevent depression, according to researchers at Virginia Commonwealth University. Decreasing the temperature of your water and then spending two or three minutes under cold water sends a lot of electrical impulses from the nerves in your skin up to your brain, which could have an anti-depressive effect.

Climate change strategy a mixed bag

Scientists scrambling for a solution to the problems caused by climate change have come up with an intriguing idea: shooting tiny particles high into the atmosphere to scatter the light of the sun.

The Science magazine website reports that sulfur dioxide gas can cool down temperatures by reacting to water vapor and forming droplets that scatter sunlight. It happens during major volcanic eruptions, such as the eruption of Mount Pinatubo in the Philippines in 1991 and the eruption of El Chichon in Mexico in 1982.

Scientists have used computer modeling to project the effect of injecting light-scattering aerosols into the stratosphere.

Unfortunately, the probable results appear mixed. Although the model predicted that corn harvests would increase 6.3 percent due to reduced heat, other crop yields would fall because of diminished sunlight, and the strategy would likely have no effect on yields for crops like soybeans, rice, and wheat. Scientists continue to study the theory in hopes of finding a viable approach to managing climate change.
