Presidents Report

Lou Goodwin

The Board of Directors would like to thank everyone who has supported us during the season, both at our meetings and all of the functions. We have had a successful year and hope that it only gets better. There will be some functions for our full time residents during the summer months. We are hoping to have a good turnout. Everything will be printed in the media as well as posted on all of the bulletin boards. For those of you that are not here and want to know what's happening you can view the newsletter on line at www.monthly-media.com. Wishing everyone a healthy, safe summer and hope to see our snowbirds in the fall.

HOW MANY OF YOU REMEMBER!

The Bulletin Board

Cece Bell

I am requesting that the **posters** be kept to normal letter size (11x8 ½”), articles be kept to a minimum and if there is excess paper please cut it down to just show the information needed, and date your article on the top.

PENCILS: Please replace pencils in their receptacle after use.

Thank you to the people who are supplying pencils. We appreciate it very much.

As for the hall bulletin board re: Sales and Rentals **please date your notes. Non-dated notes will be trashed. The “for sale” items will be taken down after one or two months.**

Since there is not enough room on the existing boards to post all articles, I have moved the TRIPS and OUTSIDE ACTIVITIES information to the hallway side.

Thank you for your cooperation!

LIBRARY

Barbara Fenning

We are trying to update the clubhouse library and would appreciate donations of books, hard or soft cover and current magazines. All new residents are encouraged to visit our library that is located in the back of the clubhouse. Please leave any donations on the table located to the right as you enter. **Also PLEASE bring the books back to the library within a reasonable length of time as there have been many missing.**

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

Thanks to our residents who fly our American Flags. I hope to see others do the same, even if it is a small flag placed in your garden, porch or patio. Kudos to 6th Street for flying the most flags. It looks so nice when I ride down that street. **Remember to replace a Flag that is torn or faded.**

EVERYBODY'S TALKING!

Cece Bell

CHESS CHEATER: People find all kinds of ways to cheat. In Italy a competitor in a prestigious chess tournament thought he could pull the wool over people's eyes. Arcangelo Ricciardi, ranked 51,386 in the world, used a hidden camera and Morse code to increase his chances of winning. He drew the referee's attention when he started winning. The ref noticed he seemed to be operating something from his armpit, and he was blinking a lot. Turns out he was using the camera and Morse code to communicate with an accomplice, who likely was determining his next moves on a computer. Ricciardi was kicked out of the tournament.

LUCKY FIND: As if finding a \$20 bill on the street wasn't lucky enough! Hubert Tang found the bill outside San Francisco International Airport, and decided to use it to try for more good fortune. He bought two lottery tickets with his found money and – you guessed it – he won \$1 million. At first he didn't think it was real, but lottery officials confirmed the win. A bartender, Tang normally didn't play the lottery, but now says he might use some of his winnings to randomly leave \$20 bills for others to find.

Helen "Nellie" Taft, 1861-1943

William Howard Taft's wife was the first, first lady to own and drive a car, to ride in her husband's inaugural parade, to support women's suffrage, to publish her memoirs, to smoke cigarettes, and successfully lobby for safety standards in federal workplaces.

Aluminum Cans

The aluminum can barrels are for aluminum cans only. If you choose to add your garbage and trash to your bag of cans please just toss it in the dumpster rather than in the barrels. **PLEASE RINSE YOUR CANS before placing in recycle bin, as they are attracting bees. Residents do not want to be bitten when using the dumpster which is next to the recycle cans.** Thank you.

RECYCLING SUGGESTION

Bobbi Paye

While I know that recycling is not a part of the waste removal provided by in our park, did you know that recycling is available just out the exit of 69th Street and across East Bay Drive on the road behind Tri City a little farther south and closer to Publix. Go down the first lane between Publix and buildings to the North and turn left to get to them. It is zero sort recycling, so flattened cardboard, newspapers, magazines, plastic bottles, cans, glass, etc. can be placed in the recycling containers. No plastic bags are allowed.

OF COURSE, THE LAPLAZA ASSOCIATION APPRECIATES YOU LEAVING YOUR ALUMINUM CANS AT THE DUMPSTER FOR OUR COLLECTION

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Events Chairpeople

Ann Santos

Most of the entertainment has been booked for the season. We still need help with organizing, decorating, maybe come up with a theme for some of our dances. You can offer to chair an event or volunteer to help. It probably sounds like a lot of your time will be taken up, but that is not necessarily the case. If you want more information as to what you would need to do or if you have ideas to toss around, you can contact a board member or Ann Santos at 727-535-5797. You may even find out how much fun you will have.

Created by Colleen Talbot

La Plaza residents now have our own Facebook page that residents can join by sending a request through the Group page. It is a closed Group so only people who have been approved can be added. Also, this group is not intended for complaints, but to advertise upcoming events, reminders to residents, for sale items, etc.

DID YOU KNOW???

Cece Bell

POLECAT FACTS: Polecats are native to Europe and are related to ferrets, weasels, otters, and badgers. Like a skunk, these mammals can secrete a foul-smelling liquid when threatened. The ferret is the domesticated descendent of the polecat.

BIG APPLE SUBWAY: America's New York City has the largest mass transit system in the world. There are 468 stations and 842 miles (1,355 km) of track. The first underground section opened in 1904.

HAIR WE GO: People of Asian descent have hair that is more elastic and grows faster than that of most others. Warm weather stimulates hair growth, but on average, hair grows about one centimeter (0.39 in.) every month.

ON THE LIGHTER SIDE

- Why should you never tell a pig a secret? Because they love to squeal.
- Ringmaster: "The two acrobats just got married."
- Clown: "Was it love at first sight?"
- Ringmaster: "Yes. They just flipped over each other."
- Chris moved to Hawaii and said, "I wanted to spend my vacations at home and still enjoy myself."
- Secret: What we tell everyone not to tell anyone.
- I was up all night wondering where the sun went when it set...finally it dawned on me.

La Plaza MHP Residents --- Join the FMO

George Silverman

FMO is the Federation of Manufactured Home Owners of Florida. It represents MHP residents at the state capital in Tallahassee.

Each year as the state legislature meets in Tallahassee someone suggests that Sales TAX should be charged on our monthly lot rent. If that were to happen, our rent would increase an average of \$462.00 a year on lot rent of \$550.00 a month. Don't you think it is worth the \$25.00 per year membership in the FMO to have a lobbyist in Tallahassee to warn and help us avoid sales tax being collected on our monthly rent?

Please consider supporting the FMO with your membership. Yearly membership dues are \$25. You can join online at www.fmo.org or see George Silverman unit #612, 727-754-6774 your La Plaza MHP representative to the FMO.

NON PERISHABLE donation of Food for Grace House

Louise Hecker

Due to health department rules, Grace House can no longer accept food items that are open. We will still collect unopened food items (non perishable). You can put them in the red tubs in the club house, or drop them off at our unit # 240.

Ours thanks to all our residents who have always been so generous.

If you have any questions please don't hesitate to call us.
Bill and Louise Hecker (536-6963).

Thanking you in advance for your assistance.

“If you once forfeit the confidence of your fellow citizens, you can never regain their respect and esteem. It is true that you may fool all of the people some of the time; you can even fool some of the people all of the time; but you can’t fool all of the people all of the time.” ~Abraham Lincoln

Did you know that April is also...

ASPCA Month. The American Society for the Prevention of Cruelty to Animals was the first humane society established in North America, and today it's one of the largest in the world. The ASPCA's mission, as stated by founder Henry Bergh in 1866, is "to provide effective means for the prevention of cruelty to animals throughout the United States."

Global Child Nutrition Month. Sponsored by the Global Child Nutrition Foundation, whose mission is to expand opportunities for the world's children to receive adequate nutrition for learning and help them achieve their potential. "We envision a future where school meals sustainably nourish all children and help them, their families, communities, and nations to thrive," reads its vision statement.

National Autism Awareness Month. Launched by the Autism Society nearly a quarter-century ago, this event is a nationwide effort to promote autism awareness, inclusion and self-determination for all, and assure that each person with autism spectrum disorder is provided the opportunity to achieve the highest possible quality of life.

National Kite Month. Every year in April, kite enthusiasts across North America celebrate the history and the future of the world's favorite pastime by letting their kites fly. April was chosen as National Kite Month because as the first month in spring, it's when most kite fliers are starting to bring their kites out of the closet and prepare for warm weather and summer fun.

National Youth Violence Prevention Week, April 3-7. A campaign to raise awareness and educate students, teachers, school administrators, counselors, school resource officers, school staff, parents, and the public on effective ways to prevent or reduce youth violence.

National Robotics Week, April 8-16. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology affects society, advocate for increased funding for robotics technology research and development, and inspire students of all ages to pursue careers in robotics and other science, technology, engineering, and math-related fields.

Animal Care and Control Appreciation Week, April 9-15. A week of appreciation and recognition for the hard-working men and women who risk their lives and devote huge amounts of personal time and resources while serving the public as well as animals in need.

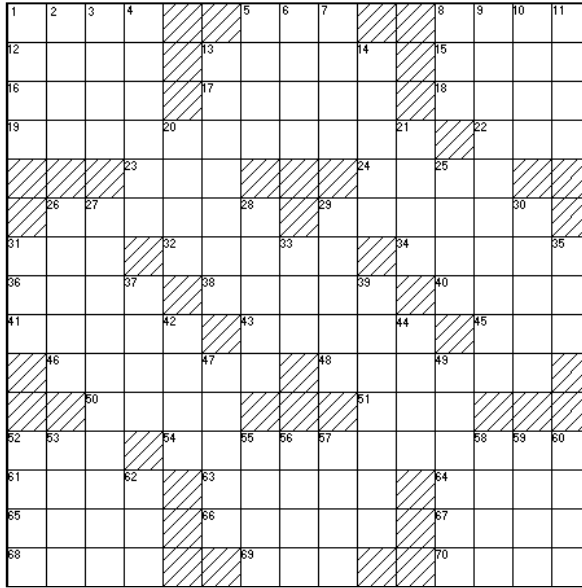

Money Smart Week, April 22-29. Money Smart Week began as a coordinated effort of the Money Smart Advisory Council, a diverse group of more than 40 Chicago-area organizations working together to promote personal financial literacy.
