## PARADISE ISLAND UPDATE

*Pat Walker, Association Secretary*

It's beginning to look a lot like Christmas – all we need is snow, oops that's a four letter word we're not allowed to use in Florida. The Christmas lights are all aglow and the festive seasonal decorations are up – we are ready and waiting for Santa's arrival. What a joyous season of the year, I think it is everyone's very favorite, it certainly is mine.

I hope you purchased your ticket to the Christmas Dinner and dance – it is always a gala affair and this year's party will not disappoint. So put on your holiday garb, break out your dancing shoes and get ready to celebrate. Many thanks to Lei, Kendra and Marcia for making all the arrangements.

We had a great turnout for the pre-Thanksgiving Day dinner.....no surprise there, after all, who would turn down a free meal? Again, thanks to all the ladies who baked and cooked up this holiday feast for everyone to enjoy. And we especially appreciate those of you who donated to the annual food collection for Dunedin Cares Food Bank. In addition to all the individual donations, the Hobby Club donated \$100 for canned hams. This month, we are inviting all Lake Haven residents to participate in the collection of new unwrapped toys for the children of those families who rely on Dunedin Cares for their food supply. This will be our 4th year collecting toys for these underprivileged children. We have been told that for some of the kids, these will be their only gifts, so we will appreciate your generosity. Just leave your donations under the tree by the stage and the Hobby Club will deliver them along with an additional \$100 dollar donation from the Club.

Speaking of the Hobby Club, a shout-out to all of you who supported the 9th annual Arts & Craft sale. We appreciated those who just stopped by to admire and comment on the various displays, and we especially appreciated those who found something to purchase. The money made from the sale is used to purchase crafting supplies and for charitable donations made throughout the year. Thank you so much for your support. If you enjoy any type of crafting, come join us on Tuesday mornings.

I would be remiss if I failed to thank those volunteers who showed up on Saturday morning following Thanksgiving to decorate the clubhouse and pool area. Seems it is always the same folks who show up year after year; you are the best! And for those new residents who pitched in – what a blessing you are - Thanks a bunch!

November proved to be busy month, in addition to the above events, the second Big Bucks Special Bingo night was a huge success; sell-out crowd, dessert overload, lots of prizes, and as always, crazy games. We'll do it again in the spring. Try it some Thursday night, you might even find you enjoy it. There will be no bingo the week of Christmas or New Year's as many residents are away or have company visiting.

There will be a monthly Association meeting on December 7th, but the membership voted to forego the monthly pot luck dinner due to all the special events. At the December meeting we will be taking nominations for 2nd Vice President, so please make an effort to attend.

January is just around the corner and our annual Community Sale will be Saturday, January 25. We will be taking donations of saleable items after the Christmas events. No mattresses, bed pillows, heavy furniture or old-style TVs. Details will be announced by flyer.

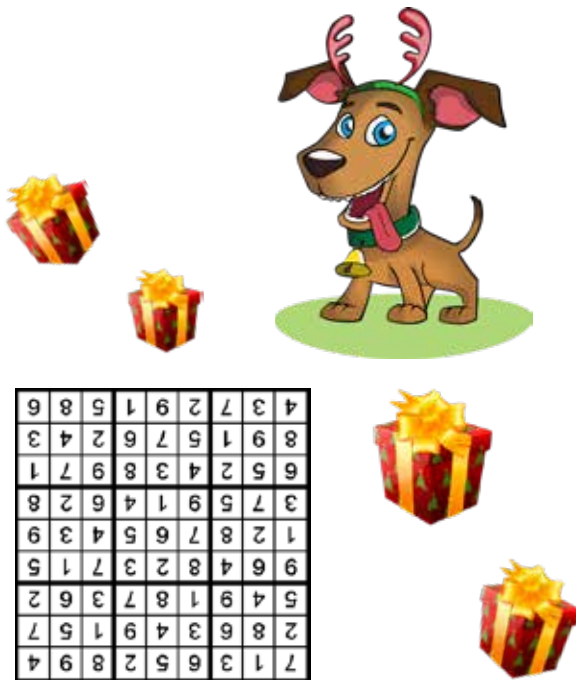

REMINDER: No parking on the sidewalk or grass at any time; no street parking after 10:00PM. Violators are subject to being towed and we don't want anyone's holiday spoiled by incurring a towing fee.

Please remember to check your mail tube for event flyers and special announcements.

The Association officers thank you for your continued support and extend best wishes for a Merry Christmas, Happy Hanukkah, and safe and prosperous New Year.

## Treasure Cove Happenings – Park 2

Well, it's November 2019 – my, oh my, where has this year gone!

We acknowledge our Veterans and thank each and everyone of them for their service and dedication to our great country – the United States of America! We are very fortunate to be living in the greatest country in the world and are thankful to all that have and will keep us safe.

We had a successful Halloween Party with lots of fun and great food. Thank you Lori, Susan, Terri and Linda for the wonderful spread you put out, especially our spooky Halloween treats – they were very tasty and came in very “handy” – haha! Thanks to all those that participated and attended our party, it was a great turn-out as always. The games were tons of fun and we laughed till we hurt. The magician got our attention as he did his card tricks that were pretty amazing. Look forward to some more exciting entertainment as the season goes on.

Thanksgiving is right around the corner but we will have already eaten and cleaned up by the time this is read by all. Our planned Thanksgiving party included great food as always and some new entertainment – music bingo! We will report next month on all the fun we had. Hope everyone's Thanksgiving was great and nobody dared to get on the scale at the end of the weekend!!!

As we head into December, please be sure to contact Lori (254), Susan (501) & Terri (211) to get your tickets to what we anticipate should be a fabulous Christmas party with lots of wonderful food, again, and lots of dancing and music and some other great surprises. Please watch your tubes for flyers for all the information. Any question, please find one of us.

We welcome our new friends Lynn & Gary Bancroft (280) a/k/a Sue & Chopper! We all look forward to meeting and greeting them as they get settled in their new home – Welcome!

## Notes from Park 2 Assoc. Board

We have a new Medical Equipment Staff Sergeant, Mr. Tom who is in 501. If anyone is in the need for any medical equipment, please see Mr. Tom and he will be very happy to assist you.

Also, if anyone hears that a resident is ill or passed on, please let Mr. Tom know as he is also leading the Park 2 Bereavement Committee and he will see the resident/family to offer his assistance.

Word has come from management that some changes are in the works regarding certain rules pertaining to home rentals, new revised parking rules and 360 home inspections. Please be sure to walk around your property and if anything is out of place or is in need of repair, attend to it before the inspection so you get a clean report.

As many of you have already either been told or have seen, the maintenance crew is not doing the trash pick-up anymore. We now have a third-party company doing it and for the most part, no complaints. One guy drives a truck and another guy walks behind with a trash can and they keep in touch via telephone – he is not talking to his friends! Just wanted you to know.

Also, as you do your clean-up of your home, if you have any slightly used items/clothes/furniture, the White Elephant sale is February 15th, 2020. Be sure to watch your tubes for all upcoming information and if you have anything to donate, please contact Lori, Susan & Terri and we will assist you with getting the items.

Enjoy the holidays folks and we look forward to maintaining a pulse, staying in good health and keeping our bones and joints properly lubricated as we grow older and we usher in 2020! Wow, 20 years from the millennium when everyone thought our computers would crash with Y2K!

# YOUR ANNUAL TRADITIONS SHOULDN'T INCLUDE CHRONIC JOINT PAIN.

**W**ell gang, the season is underway! The regular meetings began on November 6th. The attendance was 37 members.

We had the pleasure of welcoming new members. Let’s all make these new friends feel right at home: Joe McGinty in 505, Michelle Gregory & John Strack in 486, Jeannine Paquette in 461, Mona and Rob Peacock in 508. By the way folks, if you become aware of a new resident, please let someone on the board know so that we can properly welcome them.

On the medical front, it’s a real pleasure to report that Chickie (our Board Treasurer) is on the road to real recovery. Chickie has been through a long and painful stretch. Having her back and up to speed adds a special flavor to every meeting.

There is a “sad” note...Bascetti’s, a favorite watering hole & restaurant has been sold to new owners. As you new members know, it’s one of our Membership Supporters. Please wait for further information before “using” the Bascetti’s gift.

For those of you who asked, yes, the heat is on in the Park Three pool. Perhaps it’s too comfortable. Richard Lilley reported that three Aerobic class members dozed off in the Washing Machine session.

We’re pleased to hear that the Park Three Pre-Christmas Sale was a great social and financial success. Kay (and Don) Tupper have become gifted merchants. They insist on saying, however, that the volunteers really make the difference. Kudos to Kay and a hearty “slap on the back” to all the helpers.

Just a FYI for many of you that missed the November meeting, there is a proposed By-Law Amendment offering “Associate” Membership to residents of Parks One and Two. The proposed Amendment wording is posted in the clubhouse. Voting will take place at the December 11th meeting.

Hard to say how the Thanksgiving Dinner could have been more successful. Friendships made stronger, friends made “funnier” and the realization of how fortunate we all are made the day near perfect!

A tiny note about the very successful Pot Luck Dinner on Veterans’ Day. My sincere thanks to all of you for the many, many, good wishes.

And, finally, reservations for the Christmas Dinner Dance are at a “high pitch”. If you wish to go, NOW is the time to give Glo Biggs a call – maybe even too late. Good luck!

A Merry Christmas and Happy Hanukkah to all with hopes for a New Year of Peace

## December Days

---

**World AIDS Day, Dec. 1.** World AIDS Day is an opportunity for people worldwide to unite in the fight against HIV, to show support for people living with HIV, and to commemorate those who have died from an AIDS-related illness.

**International Tea Day, Dec. 15.** Enjoy your favorite cup with a friend.

**Ugly Christmas Sweater Day, Dec. 20.** You know you've got at least one. Grab your least attractive Christmas sweater and show off your lack of good fashion taste.

**First night of Hannukah, Dec. 20.** Gather together to light the first candle on the menorah.

**Christmas, Dec. 25.** The highlight of the year to children young and old.

## Da Vinci's bridge design would have worked

---

Leonardo da Vinci is known for such paintings as "Mona Lisa" and "The Last Supper," but he was also a masterful engineer. According to the LiveScience website, in the 16th century he designed what would have been the longest bridge in the world at the time, connecting Constantinople to a nearby area called Galata over the Bosphorus Sea. He was responding to a request for proposals from Sultan Bayezid, the ruler of the Ottoman Empire.

Da Vinci's bridge was never built, but modern researchers from MIT have built a 3D replica of the bridge, using materials and construction equipment that would have been available in the 16th century. They found that da Vinci's design, using only a single arch, would have been structurally sound, thanks to compression that would have held the bridge's stones together. Leonardo was a true Renaissance man.

# Happy Puppy

Our pets make us happy, or we wouldn't have so many of them. Thirty-three percent of U.S. households have a dog, 11% have a cat, and 14% have both. The 2018 General Social Survey looked at the connection between pets and overall happiness.

The survey found that 36% of dog owners describe themselves as happy, and 18% of cat owners said the same. (Twenty-eight percent who have both a dog and a cat agreed)

Does that mean you'll be a happier person with a dog as opposed to a cat? Not necessarily. The survey found that dog owners are more likely than cat owners to be married and own their own homes, two factors that influence happiness and life satisfaction. Dog owners are more likely to engage in outdoor physical activity, another factor in overall happiness.

Whatever kind of pets you have, enjoy them and they'll bring you lots of happiness.

## Monthly Memos

---

**N**ational Drunk and Drugged Driving Prevention Month. Drinking and driving can make the holiday season deadly for drivers, passengers, and pedestrians. National Drunk and Drugged Driving Prevention Month seeks to spotlight the dangers of driving under the influence of alcohol, drugs, or both. According to the National Safety Council, more than 40,000 people died in alcohol-related traffic accidents last year, so this year, stay safe during the holidays.

- **National Safe Toys and Gifts Month.** In recent years, the U.S. Consumer Product Safety Commission (CPSC) has created a robust toy safety system, requiring testing by independent, third-party laboratories around the world, imposing some of the most stringent toy standards in the world, and more. These combined efforts continue to foster the confidence of American families as they prepare to shop for toys this holiday season.
- **National Tie Month.** December is the month to honor the most required yet maligned strip of cloth that's an essential part of business attire—the necktie. Neckties give people the chance to add a little spice to their classy, professional look. A nice necktie speaks volumes about a person's sense of style and even gives people a little look at his or her personality. So this month, give a little extra respect to the people who are professional, classy, and trendy in their favorite ties.

## Awareness Week

---

**N**ational Handwashing Awareness Week, Dec. 1–7. Avoid colds and flu during the winter months by following the four principles of hand awareness: Wash your hands when they are dirty and before eating; don't cough into your hands; don't sneeze into your hands; and above all, don't put your fingers into your eyes, nose, or mouth.

- **Older Driver Safety Awareness Week, Dec. 2–6.** Older Driver Safety Awareness Week aims to promote understanding of the importance of mobility and transportation to ensuring older adults remain active in the community—shopping, working, or volunteering—with the confidence that transportation will not be the barrier stranding them at home.
- **Kwanzaa, Dec. 26–Jan. 1.** A weeklong celebration observed in the United States as well as other countries with populations of African descendants, Kwanzaa is a holiday that honors African culture in not only the African American community but also in the world African community.

---

**Life it is not just a series of calculations and a sum total of statistics; it's about experience, it's about participation, it is something more complex and more interesting than what is obvious.**  
—Daniel Libeskind

---

## Santa by another name

---

**S**anta Claus has been a fixture of Christmas for centuries. But he goes under many different names: Kris

Kringle, St. Nicholas, Father Christmas. Here's what the "jolly old elf" is called around the world:

- Brazil: Papai Noel
- China: Shengdan Laoren
- Hungary: Mikulas
- Italy: Babbo Natale
- Netherlands: Sinterklaas
- Portugal: Pai Natal
- Russia: Ded Moroz
- Sweden: Jultomten
- Turkey: Noel Baba

---

## One-liners

---

**A** few jokes for when you want to lighten the mood:

- I asked God for a bike, but I know God doesn't work that way. So I stole a bike and asked for forgiveness.
- I want to die peacefully in my sleep, like my grandfather. Not screaming and yelling like the passengers in his car.
- Light travels faster than sound. This is why some people appear bright until you hear them speak.
- If I agreed with you, we'd both be wrong.
- The evening news is where they begin with "Good evening," and then proceed to tell you why it isn't.

## Find the suspect

A police officer was testing three people who wanted to become detectives on their skills in recognizing a suspect. She showed the first man a picture for five seconds and then turned over. “This is your suspect—how would you recognize him?”

“That’s easy—we’ll catch him fast because he only has one eye!”

The police officer frowned. “That’s because the picture I showed is his side profile.” Annoyed by this ridiculous response, she flashed the picture for five seconds at the second man. “This is your suspect. How would you recognize him?”

The second man smiled. “Ha! He’d be too easy to catch because he only has one ear!”

The officer grew angry “What’s the matter with you two? Only one eye and one ear are showing because it’s a picture of his side profile! Is that the best answer you can come up with?”

Extremely frustrated, she showed the picture to the third man and in a very testy voice asked, “This is your suspect—how would you recognize him? Think hard before giving me another stupid answer.”

The third man looked at the picture intently for a moment. “The suspect wears contact lenses.”

The policeman was surprised. “Wait here for a few minutes while I check his file.” She left the room and went to her office, checked the suspect’s file on his computer, and came back with a beaming smile on her face.

“Wow! I can’t believe it. It’s true! The suspect does, in fact, wear contact lenses. Good work! How were you able to make such an astute observation?”

“That’s easy,” the third man replied. “He can’t wear regular glasses, because he only has one eye and one ear.”
