PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

It has arrived – the happiest time of the year! This has been a long and difficult year, one that most of us hope we never experience again in our lifetime. As I write this column, COVID numbers are spiking again, but I’m thinking positively and am confident the worst is behind us. A vaccine is nearly ready for distribution! What a wonderful time for that to happen. And with Christmas upon us and a brand New Year just around the corner there is definitely a rainbow on the horizon.

I hope everyone had a wonderful Thanksgiving, unfortunately with the Corporate ELS-imposed restrictions we were not able to celebrate the occasion with our traditional Turkey Pot Luck Dinner. Instead we held a free Membership Dinner but Pizza, though it was delicious, was a far cry from roast turkey and all the trimmings. The executive team is grateful to all of you who faithfully support our efforts to make the best of what is far from an ideal situation.

Thanks to all of you who turned out to support the Hobby Club’s 10th annual Arts & Crafts sale. Needless to say, it was different this year as ELS would not approve opening it to the public. Can’t wait for “normal” times to return.

Our Christmas Dinner Party is off-site this year as we could not accommodate all the clubhouse restrictions. It was certainly sad to not see the clubhouse bedecked in all its holiday splendor, but with most of the pool furniture stored inside, and no on-site seasonal events, we determined it was not worth the effort. We’re not being scrooges and saying “bah humbug” – it was just a decision based on the unusual circumstances. Wait until next year! Hopefully the new executive team will make up for it with something spectacular.

Thanks to all of you who supported the food drive for Dunedin Cares Food Bank. In keeping with what has been a tradition these past few years, we will collect toys for needy children during December that will also be distributed by Dunedin Cares. If you can participate, bring new, unwrapped toys to Clubhouse #1 and leave them on the stage. Lei and I will deliver them to the Food Bank on the 15th. Your generosity is so appreciated during this period of great need. Remember, your toy might be the only gift a needy child receives.

I want to give a shout-out to Steve Black who went around the neighborhood to volunteer his handyman services to anyone who needed assistance preparing for Hurricane/Tropical Storm Eta. Such a thoughtful and much appreciated gesture; Steve & Lynne are a wonderful addition to our Paradise Island community.

The terms of our current executive board are quickly drawing to an end. Association President Lei Crance appointed VP Marcia Lilley as Chairperson of the Nominating Committee. The committee’s responsibility is to identify members willing to run for election to the board.

They approached many of you who, at least initially, declined the opportunity to serve. Marcia later distributed an official Nomination Form to residents in an effort to ensure every resident had an opportunity to identify a potential nominee – including themselves. Nominees will be announced at the December meeting; voting will take place at the January meeting. Those who attended the November Meeting heard Marcia describe what would happen to community events and activities if no one stepped forward to serve on the board – there would be none; all group social activities would come to an abrupt halt.

The Park #1 Association was officially organized in 1966 and has undergone minor changes over the ensuing years. Perhaps – because of changes in lifestyles of newer residents – it may be time to again consider changing how the Association is structured and to identify different social activities to sponsor. New leadership, with membership approval, would have an opportunity to make agreed upon changes to the bylaws.

Perhaps you just want to live your life and not be involved – that is certainly your prerogative – but it is my fervent hope that it is not the case. Most of us – particularly those who have lived here more than five years – moved into Lake Haven to experience a community-focused life style – which includes membership meetings (so your opinions/concerns can be heard) and participating in group social activities. If the community lifestyle is one of the deciding reasons you moved here too, I encourage you to consider stepping forward and become actively involved. I hope our community won't allow 54 consecutive years of tradition come to an end. The future of the Paradise Island Association is in your hands.

ELS has not yet given approval to hold our annual Community Sale. In the interim, we are proceeding with plans based on the assumption that it will ultimately be permitted. ELS has concerns about allowing non-resident attendance during a COVID period, and on how to ensure everyone adheres to wearing masks and following social distancing protocols. However, Park Management has stated that the clubhouse cannot be used as a “drop off” point for sale donations. If you have something to donate, please call either Lei or me to schedule a mutually convenient time to meet you at the garage. As the January 30th date nears, we will be requesting volunteers to help with set-up, working at a sale table, and clean-up activities. Since many of our “regular” Community Sale volunteers are snowbirds who have elected to not return this season due to COVID concerns, we need the support of the entire park toward this effort. Revenue from this sale provides funding for the major portion of our social activities.

Extending prayers and best wishes for a healed nation, good health, peace and joy during this very special time of the year and beyond.

TREASURE COVE-PARK 2 HAPPENINGS

Greetings Everyone! Well as they say- tis the season but WAIT! Let's not overlook Thanksgiving. The smell of that turkey and all the fixings going all through the house- then the pies. What's your favorite? Can't go wrong with apple right? So good! It's a little different this year as a lot of us are unable to be with our family and/or friends. We will hold them close in our hearts as we sit down to dinner and ponder on all that we're thankful for. The Board wishes each of you a very Happy Thanksgiving!

Now as we move forward into the holiday season let's celebrate! We can socialize again! How wonderful is that? There's so much to look forward to and we hope to see as many as possible. As usual we will take every precaution for safety.

Park 2 has chosen to sponsor and donate to the "Silver Santas of Pinellas County". This program was created by Better Living for Seniors which is affiliated with the Area Agency on Aging of Pasco-Pinellas, Inc. We have a number of "Tags" which have been completed by Seniors and includes five items each Senior has requested. If you are able to donate any of the following gifts, which need to be *New and Unwrapped*, please either drop them to Lori No. 254 or call Lori at 727/474-3121 and we will arrange to come and pick it up. ***Donations need to be completed by December 3, 2020 so that we can separate the gifts into the proper bags.*** We thank you all in advance and look forward to many donations. All duplicate donations will be brought to the donation center.

Tickets are \$12.00 for Members and \$15.00 for Non-Members. Please see Lori (254) or Susan (501). We look forward to having a wonderful evening of fun, music and good food!

Our next Park 2 Membership Meeting will be held on Saturday, December 12, 2020 at Clubhouse 2 at 10:00 am. All Members and those wishing to become a Member are welcome to attend. We will have donuts/pastries and ask that you bring your own drink of choice.

“GOSSIP FROM GUANA”

Ralph Crance, President

Hi folks!

Another exciting month has come and gone along with ETA! Park Three Association (sometimes called the “The Party Park”) opened the season on the fourth of last month. The meeting was not as well attended as the ones to which we are accustomed. Four members came as well as the board. Please come to the December 2 meeting at 10:00 am in Park Three Clubhouse to interact with your neighbors (all socially distanced), be updated on any upcoming events and to offer any suggestions.

Plans for our usually crowded entertainment schedule are on hold. Notification for each event will be distributed as they are finalized.

The November news of the medical developments for Covid-19 are especially encouraging. Hopefully, we’ll be getting more news this coming month. Kudos in advance to the Public/Private Partnership in dealing with this condition. Hopefully, we can look forward to the return to normal times.

Safe travels to those of you visiting extended family over the holidays.

Merry Christmas and Happy Hanukkah!!

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are isolated from other patients. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycare.org/emergency)**

December Monthly

Buckwheat Month. Despite its name, buckwheat is not a type of wheat—in fact, it’s not technically a grain at all. Buckwheat is one of the six pseudo grains that are not part of the Poaceae cereal family but are considered grains due to their similar uses from a culinary and nutritional perspective. Buckwheat has a rich history in Asia, where it is used for traditional noodles such as soba, and in Eastern Europe, where it is used to make a type of porridge called kasha.

National Impaired Driving Prevention Month.

Sponsored by Mothers Against Drunk Driving. Take personal responsibility this holiday season by making a plan for a safe ride home before your celebrations begin. Designate a nondrinking, unimpaired driver. Take a taxi, a bus, or a train. Use a rideshare app like Uber. If you’re a host, provide an alternative to your guests, such as festive, nonalcoholic drinks.

National Tie Month. Neckties originated when Croatian soldiers wore silk scarves; at the time, they were called cravats. Take a selfie in your favorite necktie and post a picture of yourself rocking that business-professional-with-a-little-bit-of-edgy-personality look.

Universal Human Rights Month. Universal Month for Human Rights began in 1948, when the United Nations wrote a document called the Universal Declaration of Human Rights. This happened after the Second World War, because the UN wanted to prevent future atrocities. It created the document to properly define what human rights would be protected universally.

Weekly

National Handwashing Awareness Week, Dec. 6–12. Handwashing is more important than ever these days. Remember to wash your hands when they are dirty and before eating; do not cough into your hands; do not sneeze into your hands; and do not put your fingers into your eyes, nose, or mouth.

Hanukkah, Dec. 10–18. The Jewish Festival of Lights remembers the rededication of the second Jewish temple in Jerusalem in 165 BCE.

Gluten-Free Baking Week, Dec. 13–19. This special time brings awareness to the predicament of dealing with gluten allergies around the holiday season. People allergic to gluten should not have to go without the savory deliciousness of all kinds of desserts.

Kwanzaa, Dec. 25–Jan.1. A celebration based around seven major principles which are, according to its founder Maulana Karenga, a communitarian African philosophy: unity, self-determination, collective work and responsibility, cooperative economics, purpose, creativity, and faith.

'Tis the season: What we're celebrating this month

December is a month of holiday celebrations crossing different cultures and nationalities. Here's a quick snapshot of what people celebrate, and why:

- **Hanukkah.** An eight-day Jewish holiday beginning this year at sundown the day before Dec. 10, Hanukkah celebrates the rededication of the Temple of Jerusalem after the Jewish victory over the Maccabees in 165 BCE. Each night, families light one candle on the menorah, observing the traditional story of how the one-day supply of oil for the temple's eternal flame burned for eight days.

- **Christmas.** This Christian holiday, observed on Dec. 25, celebrates the birth of Jesus between the years 7 and 2 BCE. The date may have been chosen to correspond with the winter solstice, or to coincide with a Roman holiday honoring the sun during the same period. Christmas became a federal holiday in the United States in 1870.
- **Kwanzaa.** A seven-day celebration of African heritage and culture, Kwanzaa is observed from Dec. 26 to Jan. 1. Activist Ron Karenga created Kwanzaa in 1966 to emphasize African-Americans' shared history and experience. The name Kwanzaa is derived from "matunda ya kwanza," a Swahili phrase meaning "first fruits."

Try these alternatives to pricey wrapping paper

If you never seem to have enough wrapping paper for all your presents in December, or if you just don't want to head out to the store for yet another roll of high-priced, tissue-thin paper that will end up in the trash, consider these options for saving money and helping out the planet:

- **Newspaper.** Last week's newspaper—especially the comics section with all its colors—can serve as a wrapping substitute. A few ribbons or bows can dress the package up.
- **Recycled paper.** Save the wrap after the present has been opened. Large sheets can be reused easily.
- **Cloth.** If you have scraps of old clothing lying around (clean, of course), use those in place of paper for a homemade look.
- **Gift bags.** Save small paper bags with handles to stuff an assortment of gifts into. Again, you can dress them up with bows, photos, or shapes clipped from colored paper you may have lying around the house.

Numbers In The News

Health care is changing—will consumers adapt?

Health care is becoming more dependent on phone calls and artificial intelligence to treat patients instead of relying primarily on in-person appointments. The public may not be ready, though. A Harris poll, reported on the Xtelligent website, found that only one in five consumers would trust AI-generated health care advice, although responses were different between generations. Among adults 18–34, 22% say they would trust AI guidance, but only 10% of adults 65 or older say the same.

When it comes to phone appointments, a third of consumers actually prefer receiving health care advice over the phone, compared to 30% who prefer in-person visits, 25% who prefer online advice, 6% who prefer mobile apps, and 5% who prefer AI. Women are more likely to prefer the use of a phone for health care advice than men (36% to 28%).

The AI market for health care is expected to increase at a compound annual growth rate of 50.2% between 2018 and 2025, from \$2.1 billion in 2018 to \$36.1 billion by 2025.

More attention to health during outbreak

The COVID-19 outbreak has Americans paying more attention to their health, according to a study by Rally Health, Inc. Its survey found that 43% say the outbreak has motivated them to focus on their overall health more than before. Forty-nine percent are more aware of their physical health, and 44% are paying more attention to their mental health.

Many people are striving to take more control of their health these days as a result. Twenty-four percent are eating more healthfully, 21% are exercising on a more regular basis, and 21% are paying closer attention to their mental health — depression, stress, and the like.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
