## PARADISE ISLAND UPDATE

*Pat Walker, Association Secretary*

It's February – the month Cupid sends his arrows flying – better duck or you will be hit with a feeling of overwhelming love. You may even be forced to accept bouquets of roses, boxes of chocolates, and dinner invitations – what a terrible fate! Well ladies, it's going to happen to someone so why not us? We're brave and strong and can take the stings of whatever Cupid has in his quiver. I say bring it on!

January started out a bit chilly.....make that downright cold! Brrr. Of course, everything being relative, our northern friends thought we were a bunch of wimps. They failed to consider the fact that their homes are better insulated, and they have real winter clothing while we have only windbreakers and stylish – but not fur lined – knee-high boots. Still we are grateful the cold was merely a brief respite and we were not forced to dig out of snow banks or face the icy wind from the Atlantic.

Thanks to Denny Wolff and Chuck Oller who treated us to a delightful pork loin roast for pot luck dinner. With all the side dishes and a delicious birthday cake we were stuffed to the gills, but enjoyed every caloric bite.

The annual Community Sale was a great success thanks in no small measure to the hard work of Coordinator Lei Crance, all the women in the Hobby Club, and the many other volunteers who gave their time and talent to this endeavor. The sale is a lot of work but everyone working together makes it fun. THANK YOU ALL SO VERY MUCH! Now a slight break in the action before we start collecting for next year's sale.

Carolyn Bailey and her team will host a Country Breakfast on Saturday, February 17, all Lake Haven residents are invited. Folks do love their biscuits and sausage gravy, so be sure to get your ticket early so you don't miss out on a possible heart attack.....just kidding, Carolyn – you do use non fat milk, don't you?

The Annual HOA Members Meeting is scheduled Tuesday, February 20, at 7PM in Clubhouse #1. All home owners are invited to attend, but only those with paid membership can vote, so if you have not paid annual dues, please do so before the meeting. Bylaws stipulate that two members of the Board of Directors serve one year terms, so there will be an election conducted at the meeting. Those serving one year terms are eligible to be re-nominated if they are willing to remain on the Board. Any resident with a paid HOA membership is eligible to run. Please let either HOA President Lei Crance, your park president, or me know if you have any interest in serving our community in this capacity so that your name can be placed on the ballot.

**HAPPY ST. VALENTINE'S DAY**

XOXO  
FEBRUARY  
♡

**H**ello Lake Haven Park 2 neighbors. Sending Valentines greetings to all, with Love, AND WISHES FOR health, happiness and prosperity in the year ahead.

**Treasure Cove Goings-On**

It is our hope that all have been staying warm in the chilly weather we've been experiencing here in Mid-Florida, and hope that February is going to be filled with warmer weather. Please take care on the roads in this Winter Season, I do believe all our Northern friends have joined us & the traffic is crazy.

Also, because we sometimes forget, Park 2 will now be reminding you of events. You may have noticed signs at the entrance(s)/exit(s) of Treasure Cove and the Lake Haven 580 access. These signs will only be posted when an event is coming up. Please help us in making sure that our signs are taken care of.

Wow, February already, crazy how fast time flies. And for our friends & family in the North, brrrrrr! We had a great January in Park 2, sharing a charming New Years Day Dinner together with Champaign toasts and lots of chatting about our plans for the year to come. The sandwiches and salads were a perfect choice for the day. It was a good turn out, and great to see so many coming together as a community. And of course, our Saturday Night Dance Party on January 20th, fun.... fun... fun... we had some delicious appetizers and yummy homemade desserts. All 3 parks were in attendance and we had a great sing along DJ that was enjoyed by all. Lots of dancers on the dance floor, and of course, lots of chair dancing, so fun! Another great night out that we all enjoyed together in the Lake Haven Park 2 Clubhouse. The more the merrier, come join us next time!

As we look forward to the Month of February, we have a couple of things to remember. After a very successful Mardi Gras last year, we will again be having a Mardi Gras Party in Park 2. It will be on Saturday, February 10, 2018, look for the flyer for more details, or ask any of the Board members. We will be having entertainment and in will be a Mardi Gras theme. For those that attended last year, it was a blast. So please look for the flyers. We look forward to seeing you all!

And last but not least, our Rummage-Bake Sale (White Elephant Sale) will be On Saturday, February 17, 2018. This already has been advertised with Tampa Bay Times and in Happenings (which is distributed to 60 plus communities). This is a good time for spring cleaning! Please put your donations in the back corner of the clubhouse. If you have larger items, please put them in the back corner of the shuffle board court, away from the windows. And please remember, we will be looking for volunteers and asking for bake sale items. This is a big fundraiser for us.... Please help us make this a GREAT SUCCESS!

In closing, enjoy this month of Love and stay warm!

Written by Terri Salzburg

## February Happenings 2018

January came and went with several well attended and fun filled events for the Park 3 Association. These events take time and organization and there is no better reward than to have a full house and being able to sit and visit with all of our friends and neighbors, not only in Park 3 but others who support our events.

February is jam packed as well. We will start off with the association meeting the 7th. Mark your calendar and plan to attend. We try to bring to the table any new information about the community, the upcoming events and a chance to visit with our neighbors and enjoy a cup of coffee and a pastry. You do not have to be a member or a homeowner to attend the meetings and hopefully will entertain the thought of joining the association and sharing the social events with your neighbors.

For this month's potluck on the 12th we have decided to bring to you an Italian night. We will be serving Baked ziti, Lasagna and a Seafood pasta along with a slice of yummy garlic bread. As always the potluck is free for members and just \$5.00 if you choose to bring a guest. Please remember to provide your own table service, your beverage of choice and a dish to share. In this case we would appreciate an appetizer, salad or a desert. Hope to see you all there.

The spring dance this year will be held on the 21st and feature the always popular "Happy Days"! Remember these tickets go fast so watch for the notice in your information tubes. The association will once again be providing a variety of hot and cold hors d'ouvres, wine, beer & soft drinks.

The annual HOA meeting is scheduled for February 20th at 7pm in the Park 1 clubhouse. There will be a reminder for this date as well as a notification should it change.

As many of you know I will be stepping down at the end of this season. There is a nomination sheet posted in the clubhouse should you choose to nominate yourself or another member. Remember you must have their permission to put their name on the ballot. The vote is scheduled to be at the April meeting. If there are any questions please feel free to contact me by phone and I will try to answer any questions you may have.

Remember watch your information tubes for reminders or changes for any of the events.

All of the BBQ's are rain or shine. If we have to move inside we are always prepared to do that. Again these events are free to members and just \$5.00 for guests. A dish to share is always appreciated but certainly not necessary.

Linda Parker, President Park III Association

## Interstellar asteroid is a first

---

**A**steroids can be found throughout our solar system, but astronomers have recently discovered one in interstellar space. The Science News website reports that the object, first believed to be a comet, is approaching the solar system at an unusually steep angle. Dubbed A/2017 U1, the asteroid is about 400 meters across and traveling 25.5 kilometers per second on a slingshot path past the sun. Astronomers plan to measure the colors in its reflected light to determine what it's made of and seek clues to its origins.

## Red sky in Asia mystery solved

---

**I**t's a centuries-old mystery: In the year 1770, skies over Asia turned a bright red for nine days. The cause of this unusual phenomenon has never been identified. Now, though, scientists believe they have an answer.

As reported on the Slate website, researchers recently uncovered a collection of 111 contemporaneous documents from that time, and learned that the red sky had lasted longer than previously thought (just two days) and was much larger as well.

Scientists' conclusion: The effect was created by an aurora caused by solar activity, sparking the longest geomagnetic storm in recorded history.

A similar aurora was observed on two nights in 1859 by a massive solar storm known as the "Carrington Flare." Analysis of records of sunspot activity in 1770 suggests that the Asian aurora was caused by sunspot twice as large as those that created the Carrington event.

If such an event happened today, it would likely have catastrophic effects, knocking out satellites crucial to communications and GPS instruments.

## New mineral found on Martian surface

---

**N**ASA has discovered evidence of an ironoxide mineral on the surface of Mars, the Science News website reports. The mineral, called hematite, was detected by spectral analysis of photos taken by the space agency's Curiosity rover in an area known as the Vera Rubin Ridge.

Curiosity zeroed in on a rock dubbed "Christmas Cove," and used its dust removal tool, a wire-bristled brush, to uncover an area some 2.5 inches across.

Observations made the rover's Mast Camera (Mastcam) and its Chemistry and Camera (ChemCam) confirmed the presence of the hematite, a mineral that may provide information about ancient environmental conditions on the red planet.

---

## Can beet juice keep your brain young?

---

**B**eet juice may keep your brain young and fit, according to an article on the Runner's World website. The article cites a study reported in the *Journal of Gerontology: Medical Sciences* that found that a shot of beet juice an hour before exercise can have positive benefits to brains as they get older.

In the study, 26 sedentary men with an average age of 65 participated in six weeks of exercise. Some took daily shots of beet juice; others received a placebo. The participants walked on a treadmill three times a week for six weeks, building up to 50 minutes per session at increased effort. Comparing MRIs from before and after the trial, researchers found that the group that drank beet juice had significantly higher levels of "community consistency" within their brains.

The nitrate in beet juice, which converts to nitrite and then nitric oxide in the blood, has a strong positive affect on responsiveness in blood vessels, which in turn can increase the amount of oxygen reaching the brain and boost aspects of cognitive function.

---

## Make sure drinking glasses are safe

---

**T**ake a look in your kitchen cabinet at your drinking glasses. Do you have decorative glasses for water, wine, beer, or whatever you drink during the day? They may be hazardous to your health.

The Medline Plus website reports that researchers at the University of Plymouth in the United Kingdom analyzed more than 70 new and used drinking glasses and found that seven out of 10 tested positive for lead or cadmium—both toxic metals.

Lead was found in all colors and goldleaf designs. Cadmium was found in the highest concentrations in red enamel.

Lead in children's bodies can cause growth and developmental difficulties. Cadmium can cause cancer. Studies have also linked it to bone softening and kidney problems.

---

## Keep deadly chemicals out of your body

---

**T**he list of chemicals that can cause cancer is intimidating, and keeping them out of your food can seem like an impossible task. The Fox News website, though, offers these tips for keeping your food and water free of toxic chemicals:

- Buy a water filter. A good filter can remove many cancer-causing chemicals.
- Eat organic foods. You'll cut your exposure to pesticides and other chemicals and support an industry that doesn't pollute the environment.
- Bring your own mug. Foam cups from most coffee shops contain styrene, which gets pulled out when in contact with hot liquids. Take your own travel mug when you go out for coffee, tea, or other hot beverages.

## Even cats get the blues

---

If the cold weather, lack of sunshine, and short days of February have you feeling out of sorts, imagine the havoc it's playing on the lives of our animal companions. Confined indoors and longing to feel the earth beneath their paws and a gentle breeze ruffling their fur, our pets can get depressed and a bit stir crazy this time of year.

Talk to your vet if you notice changes in your pet's eating, activity, and sleeping habits to rule out the possibility of an illness. Be on the lookout for an increase in destructive behaviors such as chewing and scratching that can be an indication of boredom or anxiety. The same holds true for repetitive behaviors such as excessive meowing or barking.

If your pets are otherwise healthy, a little extra attention may help to alleviate their winter doldrums. Introduce a new toy into the mix or add a few extra minutes of playtime to their daily routine to help them stay stimulated and active. Consider baking up a batch of natural dog biscuits or growing a patch of cat grass to give pets a treat that will show them that you're thinking of their well-being.

## A tireless fighter for a cause

---

Born Feb. 15, 1820, Susan B. Anthony devoted her life to the fight for social justice and reform. She began her activism as a member of the American Anti-Slavery Society in the years leading up to the civil war. In 1866 she founded the American Equal Rights Association with Elizabeth Cady Stanton, and the pair embarked on a mission to secure civil liberties for all citizens regardless of their gender or race. This work would lead Anthony and Stanton to found the National Women's Suffrage Association, where they continued to advocate for women's voting rights.

Anthony died on March 13, 1906, 14 years before her work would be realized. In 1920, the 19th Amendment was added to the U. S. Constitution, giving women the right to vote. In 1979 the U.S. Treasury Department honored Anthony by placing her image on the dollar coin.

## Happy Fat Tuesday

---

This year the revelry of the carnival season will culminate on Tuesday, Feb. 13, in celebrations around the world before the start of Lent.

In the United States, the city of New Orleans is the capital for all things Mardi Gras, which is French for "Fat Tuesday." Although the city has roots deeply centered in French heritage, it was not the first American city to host this event. French-Canadian explorer Pierre Le Moyne d'Iberville is rumored to have held the first Mardi Gras in a location about 60 miles downriver. Years later, settlers along with French soldiers would continue the practice by donning masks and enjoying festivities in the newly established town of Mobile, Alabama.

**727-599-5439**

## A child's interpretation

The children had just learned the story of Adam and Eve in their Sunday school class and were drawing pictures in the time that was left about the day's lesson. The teacher walked around the room smiling and nodding, but grew puzzled when she reached Kevin's desk.

"What's this?" she asked looking over his picture of three people in a car.

"That's Adam and that's Eve," Kevin explained pointing to the stick figures in the back seat. He pointed to the figure behind the wheel and said, "And that's God driving them out of the garden."

## Who's there?

A man answered a knock at his door and found a giant cockroach standing on his porch holding a pie. "Can I help you?" The man asked.

The roach threw the pie in the man's face and ran away.

The next day, the man encountered the same roach on his porch. Before he could say anything, the roach slapped the man in the face and ran off.

When the doorbell rang the following day, the man looked through the peephole and saw the roach standing on the porch holding a bouquet of flowers and an index card with the word "SORRY" scrawled on it.

The man cautiously opened the door. The roach lunged at him, bit him on the arm and ran off laughing.

Worried about the bite the man called his doctor and told him what happened. "Do you think I'll be OK?" he asked.

"I don't know," his doctor replied, "I'd heard there was a nasty bug going around."

*Money is a needful and precious thing, and when well used, a noble thing, but I never want you to think it is the first or only prize to strive for. I'd rather see you poor men's wives, if you were happy, beloved, contented, than queens on thrones, without self-respect and peace.*

*—Louisa May Alcott*

## Did you know that February is also...

**Black History Month.** This monthlong celebration of the accomplishments of African Americans throughout history began in the early 20th century as a result of the efforts of Dr. Carter G. Woodson and the organization he founded, The Association for the Study of African American Life and History.

**National Children’s Dental Health Month.** Highlighting the practices and benefits of good oral hygiene and their effect on health and well-being. The theme of the American Dental Association’s 2018 campaign is, “Brush your teeth with fluoride and clean between your teeth for a healthy smile.”

**Creative Romance Month.** Not big on candy and flowers? Plan the perfect rendezvous with your valentine. Consider an overnight stay at a bed and breakfast, a day hike at a scenic location, or a romantic movie marathon. Let love inspire your imagination to express what’s in your heart.

**Great American Pie Month.** What better way to spread love and happiness than with a freshly baked pie? It doesn’t matter if it’s sweet or savory. If February has you snowed in, you’ve got plenty of time to perfect your crust-making and lattice-weaving skills.

**Burn Awareness Week, Feb. 4-10.** The American Burn Association devotes the first full week of the month to raising awareness and education about safety issues in an effort to prevent burns.

**International Networking Week, Feb. 5-9.** The first business week of February is a time for members of businesses, communities, and governments to meet, exchange ideas, and forge partnerships.

**National “Wear Red” Day for Women’s Heart Health, Feb. 5.** Heart disease is the No. 1 killer of women in United States. Raise awareness of heart health issues and disease prevention by wearing something red on this day.

**World Radio Day Feb. 13.** Before social media, podcasts, or cable television, families gathered around the radio to listen to news of the world, popular music, and radio plays. This day marks the anniversary of the United Nations international broadcasting service established in 1946.

**National Tell a Fairy Tale Day, Feb. 26.** Some have morals that help guide our actions and others are filled with magic where goodness triumphs. Reread a classic, share your favorite with a group, or discover a new one on this day.

## Help somebody

---

**W**hile he was serving in the Navy during World War II, an unfortunate accident resulted in the death of several of Thomas Cannon's shipmates. Because Cannon's life was spared, he felt a duty and purpose to be in the service of others.

Over 33 years, Cannon gave away over \$150,000. He made donations to people in his hometown of Richmond, Virginia; most of them had been profiled in the local newspaper. He'd often mail \$1,000 checks to the staff of the paper with instructions about who should receive the money. His charity helped support a local group that volunteered in the elementary school, a woman who started a youth center in her low-income neighborhood, and an orphaned teen who was active in his community.

Cannon never owned a fancy house or drove a flashy car. His \$20,000-a-year salary as a postal worker allowed him to provide the necessities for his wife and sons, while his generous spirit inspired him to help others who were not as fortunate.

Though his benevolence garnered him a certain amount of accolades, Cannon made it clear that he didn't want the bureaucracy of a foundation to carry on his work, nor to have his name commemorated in any way once he was no longer living. Cannon suggested the best way to honor his memory would be for others to just "Help somebody."

## Find your own path

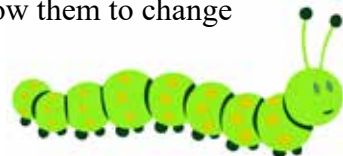

---

**F**rench entomologist Henri Fabre once conducted an experiment that illustrates why it's best to distance yourself from the crowd and follow your own path.

Fabre observed the actions of a group of processionary caterpillars that travel in a line head to tail with no clear sense of a destination. Their path is determined by the "leader" ahead of them.

Fabre lined the rim of a flowerpot with an unbroken chain of caterpillars. Inside the pot he placed a plethora of food. Without breaking the chain, the caterpillars began their slow track around the rim of the pot. There was no way to distinguish the leader in this group, and the caterpillars kept moving around the rim of the pot at a steady pace.

After several days, the caterpillars—who had never stopped their trek—began to die and fall off the rim. All the while, the food they needed lay inches away. This thoughtless mass movement caused them to lose even the most basic instincts to allow them to change their behavior in order to survive.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

George Lordstrom, Saint Petersburg, FL
