PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

It was great to see a few new faces at the February Association Meeting – thanks for coming! Election of board officers will take place at the March meeting – don't miss it. Your voice in the leadership for Park #1 is important, so attend and vote for the individuals you feel will best serve our community. On a disappointing note, Association Treasurer, Terri Jo Oller, has decided to step down. She was an efficient record keeper and a valued member of the executive board; we will miss her talents, input and meeting participation. Thanks Terri Jo for serving with such great dedication. She reiterated the fact that she and Chuck will continue to support all social activities.

Thank you Denny and Chuck for the delicious roast beef pot luck dinner in February. And a special shout out of appreciation to those who volunteered to clean up afterward. Wonder why it is always the same people??? We all eat the meal so we all need to take a turn in the cleanup process. That's all I'm saying.

Activities planned for March are a Breakfast on March 9 and the annual Spring Dance on March 15. Watch your tubes for detailed announcements and ticket information. We welcome everyone in Lake Haven to these events. It's important that we support each of the three parks in their entertainment activities – we are one community.

Carolyn will once again host the March Corned Beef & Cabbage pot luck dinner. Be sure to sign up early as this is always a sold-out event. As always, bring your place setting, beverage of choice, and a dish to share. Erin go bragh.

Ron Chauncey, Ken Lueck and Paul Watts have plans to rearrange the garage so we can more easily store and retrieve items for the annual sale. Thanks guys!

We had a Hot Dog Night in February – first one in ages. Great turnout and as always Chuck burned our dogs just the way we like them.

Don't hold your breath, but after over a year of asking, we should have an updated Park Phone Directory. We so appreciate Bob Aikin who input all the data into EXCEL so the publisher just had to push a button to print. ELS informed the HOA that updating the phone book is not their responsibility and will not be involved in future updates even though they have all the vital information and been doing it since day one. Such is life.

There have been a few instances of misusing the Lake Haven Happenings Facebook Page. It was designed to advertise events and to share useful data; not as a venue to voice complaints. We appreciate your cooperation in posting only relevant information on this site.

It is imperative that every resident adhere to the rules regarding parking. ELS has authorized an outside service to monitor parking throughout the park; offenders run the risk of having their car towed.

Congratulations to the newly elected HOA Board Directors. Every resident who attended was updated on current issues and future plans.

Happy St. Patrick's Day – enjoy celebrating this festive day. Remember there are only two types of people in the world – the Irish and those who wish they were.

About 34,000 people are expected to attend this year's 28th annual Dunedin Mardi Gras Parade and Festival, which includes musical performances. It runs from 4 to 10 p.m. Tuesday and then spills over to local pubs and restaurants until closing time. Parade attendees are advised to stake out a spot along the parade route early since some attendees begin arriving shortly after lunchtime. The procession begins at 7:00 p.m. in front of the Dunedin Stadium, runs along Douglas Avenue and ends near Skinner Boulevard. Food truck Court, as well as other vendors, will line Main Street. The parade features floats and of course our very own Mardi Gras King and Queen. VIP Lounge Tickets available, which includes unlimited beer and wine.

We had a very successful White Elephant Sale in Treasure Cove. We would like to extend a great big Thank you for all are volunteers for all their hard work to make this fundraiser such a great success. The Bake Sale was amazing and was our biggest earner by far. Hopefully you had a chance to come and enjoy the chocolate covered strawberries, homemade carmelcorn or Oatmeal raisen cookies, etc. etc. etc. And the Raffle was fantastic as well. So many vendors participated, and to all of them we would like to say a Big Fat Thank you.

By now you have probably already received notice about our March event in Treasure Cove. It didn't make the calendar because this newsletter was due in the midst of preparing for the White Elephant Sale. So always keep an eye on your tubes and on Lake Haven Happenings for additional information pertaining to Treasure Cove.

On behalf the New Board in Treasure Cove, in is our pleasure to serve you.

MARCH HAPPENINGS 2019

Spring is just around the corner and unfortunately so is the end of the season here in Park 3. Before the seasonal residents head home we are looking straight into a very busy March. The association meeting will be held on March 5th at 10 am. Please note the day change to Tuesday again this month. It is an important meeting as ballots will be distributed for nominations for some of us that do not wish to retain our spot on the board. These ballots will also be distributed to each resident as we know it is difficult for some to attend the meetings.

The very next Saturday we will be holding our Spring sale. This is a very important event and we certainly appreciate any and all volunteers in any way. The bake sale and raffle are a huge part of the sale. The committee has been working on the raffle for most of the year and have numerous gift cards or certificates that can be yours. Please take any and all gently used clothing, furniture, appliance, gift items etc. to the clubhouse as quickly as possible.

The following Monday we will come right back with our delicious corned beef and cabbage to celebrate St. Patrick's Day as only we know how. Don't forget to sign up and a dish to share is always appreciated.

Please watch your information tubes throughout the month for the details on the March dance and of course our end of year brunch.

Thank you for all of your support this past season and to those that will be leaving us for the summer to go back to friends and family, be safe and we will see you next year.

Linda Parker, President Park 3 Association

Monthly

Credit Education Month. Know your credit score, review your budget, and make a plan to pay off debt. This month, focus on your personal and professional finances while you research the tools and services that can help you manage your credit.

Employee Spirit Month. The holidays are over, but cold and flu season is still here, tax time is around the corner, and the weather leaves much to be desired. Boost workplace morale and engagement by giving employees a reason to celebrate this month. Cater lunch or provide a tasty snack to show workers how much they mean to you. Spread good news and encourage others to do the same. Whatever you decide, do something. Your staff deserves it.

International Mirth Month. Keynote speaker, author, and self-proclaimed “Jollytologist” Allen Klein developed this month’s theme as a way of encouraging others to find humor in the mundane and stressful occurrences of life. Beat back the end-of-winter doldrums by infusing a healthy dose of mirth to your home and workplace.

Spiritual Wellness Month. Shift the focus to yourself to keep your spirit nurtured, and encourage others to do the same. It can be as simple as pushing back from your desk each day at 3 p.m. to observe a minute of quiet reflection and deep breathing, or creating a meditation station in an unused cubicle where you can retreat to enjoy a few minutes of quiet and space.

Weekly

National Write A Letter of Appreciation Week, March 1–7. When was the last time you wrote a letter to let someone know just how much they mean to you? Now is the time to do just that. You don’t have to limit yourself to writing only one.

Girl Scouts Week, March 10–16. Show your support for girls and young women in your community as they take on projects and tasks to develop their leadership and stewardship skills.

Welllderly Week, March 18–24. They say age is nothing but a number, so don’t let those digits be an excuse for slowing down. Staying active and engaged is the key to healthy life regardless of your age. Encourage seniors in your family and community to keep busy and move about. Help them find activities and resources to promote a greater sense of well-being.

International Week of Solidarity with People Struggling Against Racism and Discrimination, March 21–27. Attend programs and lectures in your area to elevate your awareness of problems and inequities created by prejudice.

Americans prefer to stay at home

Planning a vacation overseas this year? You're not exactly alone, but you're not in the majority. As reported on the NerdWallet website, a survey by Priority Pass found that only 14 percent of Americans plan to leave the United States for a vacation this year. Forty-five percent said they'd prefer to stay in the U.S.

The survey included 10,000 people in nine countries. Overall, 32 percent of respondents said they expect to go abroad for their holidays. Among other travel-related findings from the survey:

- **Americans are least likely to spend a cash gift on travel.** If given \$300, U.S. residents are least likely to use it to help pay for a trip. People in the United Kingdom and Mexico are most likely.
- **Americans spend more on travel.** Although they travel less, Americans have the highest per-person budget for overseas travel.
- **Americans don't share.** Finally, the survey found that Americans are least likely to share their travel memories on social media, or recommend hotels, airlines, and transportation services than residents of other countries.

We're still looking at our phones on the road

We all know the dangers of texting while driving—or do we? A survey of drivers in Philadelphia, as reported on the Fox 8 website, found that 75 percent admit to using mobile devices behind the wheel.

They're not all kids, either. Although 91 percent of millennials reported using a smartphone or other device while driving, so did 79 percent of Gen Xers and 64 percent of Baby Boomers. What are they doing? Reading text messages or emails (48 percent), updating or checking social media (23 percent), and recording videos (18 percent). Only 9 percent of drivers in the survey said they use a "Do not disturb" app on their phones while driving.

Arithmetic is where you have to multiply—and you carry the multiplication table in your head and hope you won't lose it.

These drawing games can spur your brain

Drawing can spur your creativity. You don't have to be a Picasso. Just try some of these games with your friends (from the My Modern Met website):

- **The Exquisite Corpse.** In this game, developed by the 20th-century Surrealist artists, one person begins a drawing at the top of a sheet of paper, then folds it over or covers it up so only a bit of the bottom is showing. The next person continues the drawing, folds it down, and so on. Unfolding it to reveal the completed drawing should produce surprises, laughs, and even some ideas.
- **Paper Telephone.** One person writes a short, descriptive phrase on a piece of paper, then passes it to the next. He or she then draws a picture based on the phrase. The next person looks only at the picture and then writes a phrase or sentence describing it. The following person then draws a picture of that phrase, and so on. By the end, the final picture and the original phrase may have nothing to do with each other.
- **Blind Contour.** In this exercise you (and a partner) draw something around you, but without looking at the paper—just the subject of your drawing. Keep your pen or pencil on the paper at all times. You might be surprised at what you see.
- **Scribbles.** One person scribbles on a piece of paper, eyes closed. The next person has to turn that doodle into a drawing. This forces your mind to make sense of nonsense.

A simple exercise for imagination

Your subconscious mind can help you exercise your imagination. Try this technique (used by Thomas Edison):

Ten minutes before you go to sleep, organize your thoughts. Think about a problem you're trying to solve, or ask your brain a question. Keep thinking about this as you drift off to dreamland. Then, during the first 10 minutes after waking up, write down whatever pops into your head. You'll often find that your brain has answered your question during your sleep. In the morning your mind is looser, and you're more likely to remember dreams and connect them to your daytime reality.

INVENTION, STRICTLY SPEAKING, IS LITTLE MORE THAN A NEW COMBINATION OF THOSE IMAGES WHICH HAVE BEEN PREVIOUSLY GATHERED AND DEPOSITED IN THE MEMORY; NOTHING CAN COME FROM NOTHING.

He broke bones in his neck plus other injuries. He has **NO** insurance and he is the sole provider for his family. ANY donation you may be able to help with will be **GREATLY APPRECIATED!!!**

Credit card donations gratefully accepted over the phone. For more info call 727-548-8460.

THANK YOU SO MUCH for anything you may be able to do!
