## To our valued Residents at Lake Haven,

We would like to thank you for your patience and understanding while social distancing during the COVID-19 outbreak. We are anxious to get back to business as usual, however, the safety of our community is very important. We will continue to follow direction from our local authorities until further notice. We are doing everything we can to stay prepared for the day we are able to open amenities and our office for walk in use, but until then we are able to communicate through the ways listed below.

### Office Communication:

- The Lake Haven office undergoes many phone calls a day, if you do not get an answer please leave a message and your call will be returned.
- You can also reach out to our office by email: lakehaven\_mgr@equitylifestyle.com or lakehaven@equitylifestyle.com
- If you have an after-hours emergency, you can call Ivan at 727-262-0804.
- If you would like you can also write a note and leave it in the drop box outside of the office by the front door.
- Please do not wait on a request because you want to deal only with the manager. Many requests and questions can also be resolved by the office administrative assistant.
- Insults; threats; bad language; false tales; gossip; loud and threatening speech are not approved office communication.

\*\*\*Please ask our office about EFT payments. This is the easiest and best way to pay your rent while social distancing. We are more than happy to get you all set up!

Sincerely,

Lake Haven Management

As we journey together through the uncharted territory of COVID-19, remember these words of strength:

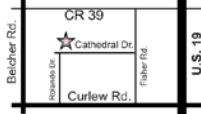

*So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand. Isaiah 41:10*

*For God has not given us a spirit of fear, but one of power, love, and sound judgment. 2 Timothy 1:7*

Our prayers are with those affected by COVID-19, as well as all health care workers, first responders, and those on the frontlines. Please use "sound judgment" and follow the guidelines set for us so that you may stay safe and stay healthy.

## PARADISE ISLAND UPDATE

*Pat Walker, Association Secretary*

---

Who was that masked man??? No, I'm not watching a rerun of The Lone Ranger, someone just spoke to me from six feet away and I'm not certain who it was. Is this our new normal? In spite of how much I complained, I long to have the "old normal" back – I believe we all do. No home confinement, no empty shelves at grocery stores, no frightened looks if I cough or sneeze, no panic about the lack of face shields or plastic gloves....just normal complaints about the weather and Florida drivers. Soon this pandemic will be a thing of the past and we can once again physically visit with friends, un-padlock the clubhouses for social events and activities and even swim in the pools – I'm looking forward to that glorious day.

However, the restrictions were imposed to protect us from the virus, and aren't we lucky to have modern technology which keeps us connected while apart. Religious services are available live on Facebook, families can Zoom and be a part of special celebrations, and social media allows us to remain up-to-date on what's happening with family, friends, our local community, our nation and the world. We still have much to be thankful for – let's remember to count our blessings one by one.

The weather is beautiful and we can still go out for a walk or a bike ride. No more lame excuses, we now have the time to exercise since we have thoroughly cleaned our houses, rearranged cupboards and cleaned out closets. As a result, I've amassed a pile of things to donate...when is the next White Elephant Sale??

As it appears from today's mid-April perspective, there will be no activities during May; even the Kentucky Derby Race has been postponed to Labor Day. If safety conditions improve perhaps there will be a cookout on Memorial Day, but that is not a commitment, just a hope – watch your mail tubes for any updates.

If you believe in the power of prayer, please include the medical professionals and support staff, everyone involved in the food chain from farmers to truckers to grocery clerks, scientists and testing labs, President Trump's Coronavirus Task Force, and especially those afflicted with this terrible virus and their families.

Looking forward to happier days when this COVID-19 pandemic is in our rear view mirror. Until then, stay safe – we will get through this and be stronger for it.

Hoping to fulfill the line from Sweet Caroline and be "reaching out, touching you" soon.

On a sad note, I'm sorry to report that our neighbor in Unit #66 Carol Ferguson passed away at home during April. Carol was a home body and attended few social events so many of us did not know her well. We are unaware of any extended family; all her immediate family had predeceased her. We extend condolences to her friends.

On Memorial Day, please fly your flags in remembrance of all the brave men and women in the armed forces who gave their lives for our freedom. It is debt we can only repay by being good citizens and passing forward every kindness we personally receive.

GOD BLESS AMERICA

## Treasure Cove Happenings-Park 2

*Lori Witkin-Mocerino, President*

April Showers bring May flowers ... and for Park 2, we not only get May flowers but we also get a brand new Board of Directors for the rest of 2020! A notice has been delivered outlining the changes, so be sure to check your tubes. We look forward to some festive gatherings with some new ideas once the restrictions for the COVID-19 have been lifted. Our monthly meetings will start up in the Fall so watch your tubes for further information closer to September.

Park 2 has some new additions. We welcome Gary in 230 and Grace and Marsha in 240. We look forward to having you join us for all of our events.

It's been a tough few weeks for everyone in the world and social distancing has been lonely for many. If you know of any residents of Park 2 that are having difficulties please be sure to reach out and help them. If any of the Park 2 Board Members can be of assistance to anyone, please let us know. We are happy to run errands, pick up supplies at the store or just visit from a distance. It's not fun being alone and we hope everyone continues to be a good neighbor.

On another note, we were recently made aware that the lock to the Park 2 garage had been tampered with and broken. The sad take-away is that the person(s) responsible for this damage also stole all of the medical supplies that were being stored in the garage. So, we ask all residents from all Parks – if you have any medical supplies, i.e., walkers, commodes, canes, etc., that you are not using and would like to donate, please call Tom Coots (501)617-538-3531 so he can make arrangements to get them from you to start a new stockpile of supplies. These supplies are given to any Lake Haven resident in need and all you have to do is reach out to Tom.

Stay safe and healthy and let's hope the COVID-19 does not infect anyone in Lake Haven and we get through this quickly!

## May Days

---

**Hug Your Cat Day, May 1.** You should be doing this every day, but in case you're not, today is the day to show your kitty some affection.

**Learn to Ride a Bike Day, May 2.** Slap on the training wheels if it makes you feel better. The point is, just get on a bike and go for a spin.

**No Diet Day, May 6.** You don't have to follow the latest trends to change your relationship with food. Start today with a commitment to live a healthier life by decreasing your consumption of junk foods.

**Letter Carrier's "Stamp Out Hunger" Food Drive, May 9.** Check with your local postal carrier and station to find out what items they are accepting during the largest national food drive in the U.S.

**Stay Up All Night Night, May 9.** Reconnect with your inner child and have some fun as you stay up (and out) well past the time when the streetlights come on.

**Mother's Day, May 10.** She carried you in her womb for nine months, and that did a number on her back. Now give her some flowers and take her out to brunch. It's the least you can do.

## How to set reasonable goals

---

Setting a goal is important, but setting a good goal is what really counts. What is a good goal? A good goal usually has a few definable characteristics. Good goals are:

- Specifically focused.
- Neither too hard, nor too easy.
- Shared and agreed upon with others who will be working on them.
- Written down and visualized.

**Global Civility Awareness Month.** This is an opportunity for schools, community organizations, businesses, and people throughout the world to promote dignified, respectful behavior in their daily interactions with others. Take up the charge and be your best, well-mannered self every day, this month.

**Mental Health Month.** It's estimated that one in five Americans has some form of a mental health issue. Get the facts and get help for yourself or a loved one. Education and action will help to diminish the stigmas surrounding these diagnosable and treatable conditions.

**National Good Car-Keeping Month.** Clean it out. Get it tuned up. Change the oil. Rotate the tires. Take time to make sure your car has undergone necessary repairs and is up to date on scheduled maintenance.

**National Meditation Month.** Learn to quiet your mind, focus on your breathing, and appreciate the stillness. Now exhale. Find a class, app, or audio recording to guide you through the process of meditation and discover the benefits it can have on your health and well-being.

## Weekly

---

**Choose Privacy Week, May 1-7.** The American Library Association and libraries across the nation will help educate and raise public awareness regarding privacy concerns in our digital age. Check your local branch and learn how to safeguard your information and identity.

**Update Your References Week, May 3-9.** Now is good time to check in with the folks providing your personal and professional job references. Make sure their job titles and contact information are accurate. In the event you have to put yourself out there, at least you'll know the people who are looking to hire

**Teacher Appreciation Week, May 4-8.** The school year is almost over, so there's no better time than the present to do something nice for the people who take on the job of educating your kid. Check with your local PTA to find out what you can do to honor the special teachers at your child's school.

## If it's not the flower, it could be the flour

National Allergy and Asthma Awareness Month serves as a reminder to tackle your spring cleaning projects to maintain a safe environment for optimal health.

There's no better time than the present to address these areas:

- **Around the house.** Shampoo carpets and upholstery, clean window treatments, vacuum out corners and crevices, and address those areas in your home where dust, mold, and allergens could be lurking and waiting to trigger an asthma event.
- **In the kitchen.** If you or someone in your family is one of the 32 million Americans with a food-based allergy, you'll want to check your pantry and cupboards. After you toss out all the expired food items, take time to review the ingredients of those remaining for known allergens such as wheat, dairy, eggs, soy, nuts, tree nuts, fish, and seafood.

Here are a few more areas you'll want to check for allergens that might be hiding in plain sight:

- **Your child or grandchild's room.** Make sure stuffed animals and bean bag toys aren't filled with nut shells, crayons are soy-free crayons, and play dough is the wheat-free version.
- **Fido's corner.** Your dog loves those biscuits and bone treats you give him, but if they contain peanut butter or milk by-products, more sensitive members of your household might have adverse reactions.
- **The bathroom.** The biggest culprit here might be your shampoo, conditioner, soap, or lotion, so read the labels carefully.

*As I get older, I think about the quality of my life and a balanced way to enjoy that. That's true wellness—being well from inside out.*

*—Anna Kaiser*

## Limit your spending to stay on budget

When you're saving, you have to pay attention to the small stuff. Here are three simple strategies to help curb your spending and cut down on unnecessary expenses.

- **Be your own barista.** Skip the lines, the strain on your budget, and the extra calories by brewing your own coffee at home. In fact, bring your own soda, juice, and any other beverages you like to drink throughout the day.
- **Organize a lunch swap.** One day you make and bring lunch for yourself and a co-worker. The next day, she does the same for you. Don't have a lunch buddy? No problem, brown bag last night's leftovers instead of grabbing takeout.
- **Shop smart.** Use coupons and hit up the sales. Stock up on your favorite shampoo, personal items, and shelf-stable foods so that you won't have to pay full price in the future.

## The neighborly thing to do

It's a good idea to keep on good terms with your neighbors and be—well—neighborly. Here are a few tips that will help you do just that.

- **Make a good first effort.** When new neighbors move in, go over and greet them. Bring food or another small gift.
- **Help out.** Lend your neighbors items they might need—and also make sure you return things you borrow in a timely manner. When your neighbors are going out of town or dealing with a crisis, offer to walk the dog, water plants or pick up mail.
- **Never pop in.** Always call first.
- **Be respectful.** If you live in a neighborhood of early-to-bedders, keep the noise down at appropriate hours.
- **Establish rapport.** Organize block parties, park cleanups, and other community events as a way to connect and bond with your neighbors.

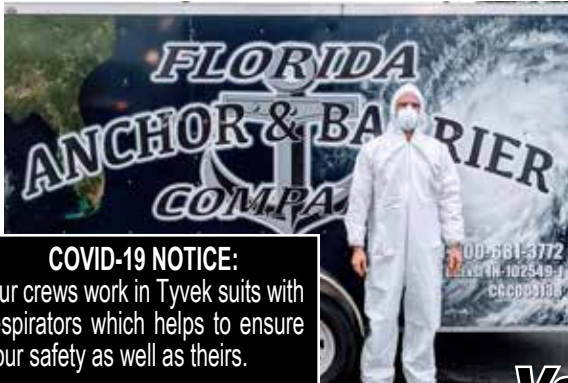

*Politeness and consideration for others is like investing pennies and getting dollars back.*

## A rare second chance

---

It's rare that second chances come our way. Yet when they do, we're often foiled by others' unwillingness to allow us to redeem ourselves. Here's a tale of one man's strange odyssey from throwing love away to picking up the pieces.

He was in the hospital for heart bypass surgery. He was not a model husband or father: He'd fueled his last 20 years with alcohol and routinely abused his wife. Now, his heart had stopped beating, and because a doctor's job is not to judge, the attending surgeon worked for three hours to revive the 70-something-year-old man.

The effort was successful with one mysterious exception: The man suffered a brain injury during the resuscitation and could no longer remember the last 20 years of his life. In fact, he was convinced he was a 50-something-year-old man—had the strength and energy of one—and began behaving as such.

And something else happened when the clock turned back: He stopped drinking and he stopped abusing his wife. He now treated her with love and respect. After a few months, he began to recall about 10 years of his past life, but that didn't nudge him back into his old habits. For the next year, his family had the opportunity to know him and love him as a model father and husband. And then one night, this second chance at love and life unexpectedly ended: The man died in his sleep.

His legacy? A message to love as well as you can, whenever you can, as much as you can.

*The great use of life is to spend it for something that will outlast us.*

—*William James*

*Seek connection, not attention. It lasts longer.*
