PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

Can you believe the holiday season is almost here? So much to do in so little time...decorating, shopping, partying.....and the list goes on. In Paradise Island we'll be kicking off November with a soup, salad & dessert pot luck. My mouth is watering already – I could live on soups! The ingredient combinations and creative recipes are endless. I can hardly wait to sample each and every one. Bring your soup bowl and join the slurping .

This month, your Happenings should be packed with special flyers 'cause so many things are in the works for November but details stilled to be finalized at the deadline date for publication. Here are some of those planned special events to watch for:

- **Brunch In Paradise:** We're putting on a really big spread for this three park event, so take just a bite of food with your morning meds so you can enjoy what our wanna-be chefs have prepared. I voted for a "wake up your taste buds" beverage, but don't know if I'll win that option. As always, Wendy #27 will sell tickets. Be sure to get yours before the cut-off date.
- **Hobby Club Arts & Crafts Sale:** The club has a couple of options available for the sale site and date. Whichever choices are decided on, everyone is invited to take advantage of this opportunity to check out what our Crafty Ladies have been up to this year. Hint, hint – great time to buy that special someone a unique holiday gift, and you won't even have to leave Lake Haven – such a deal!
- **Christmas Dinner Party:** Very important – if you plan to attend this annual catered affair (and who doesn't?) you must purchase your ticket from Wendy by the deadline date indicated on the flyer. The caterer requires the final attendee count two weeks in advance. Denny Wolff and his committee have extended every effort to make this a very special night; we hope you will take advantage of this opportunity to spend quality time with your community friends and family.

Sorry I messed up on the October Italian Dinner.....things can unfortunately change between publication deadlines and the actual events. Justifiably, I got flack because of the changes but, fingers crossed, it finally came off well and no one got too rattled. I would promise to not mess up again, but we all know that's not going to happen. I'm falling on my sword and admitting mea culpa.

Wii bowling has started, let the good times roll! Bingo has really been going great, attendance is way up and the game prizes have increased accordingly. The semi-annual Bingo Blow Out was held as a pre-Halloween event on the 30th. Lots of spooky treats

....continued on page 6

– and a few spooky people – showed up. A fun time was had by all – but more so by those blest few who somehow seem to win an inordinate number of the prizes each week. How do they do it? Must have been born under a special star is my only conclusion. Give them some competition and join us on Thursday nights. All the prize money is given out every week – those of us who do the work do not take a financial cut; heck, we hardly ever even win one of the games.

Most of our seasonal residents will be returning this month – yea! We’re always glad to see them and to have someone different to hang out with – not that we don’t like hanging out with our year-round friends, but you know what I mean (I hope). So, welcome back y’all.

We have new residents in #5 and #122. If you are a neighbor, stop by to welcome them to our community. We extend our condolences to Troy Haltom #84 on the passing of his wife Annette. Our sympathies to the family of Cliff Adams #47 who also passed away in October.

I saw this on “the net” and couldn’t resist sending it on: “Feel free to dance like no one is watching because everyone is on their cell phone and no one is watching.” It’s a whole new generation, and I admit I don’t understand the need to constantly be “connected”.

Have a great month and enjoy the cooler breezes. Don’t forget to weed your yards – that applies to me too.

LAKE HAVEN TREASURE COVE HAPPENINGS!

Written By an Anonymous Ghost Writer for Bob Scott, President, Park 2 Association

THANKSGIVING is November 27th. Much is said about what the Pilgrims had to eat for their day of thanks giving but have you ever wondered what they didn't have. Culinary historians tell us that most of today's classic Thanksgiving dishes weren't served in 1621. For example, potatoes (white or sweet) would not have been featured that year and neither would sweet corn nor bread-based stuffing; no coffee or tea, probably just water to drink. Entrees would have been native birds including wild turkeys, deer, fish and shellfish. With so many different meats, there is no explanation as to how the big, ungainly turkey became the centerpiece around which our entire meal is built today. Anyway, **HAPPY THANKSGIVING** to each and every one of you!

Our monthly potluck dinner this month will be, as usual, at 5:30 p.m. on Sunday, November 2nd.

We'll also have our Association Dinner on Sunday, November 16th at 5:30 p.m. Just bring yourself and whatever you'd like to drink. Watch your mailbox for more details. As usual, reservations are required for the association dinner.

Our annual association Christmas dinner in the club house is also coming up on Wednesday evening, December 10th at 6:00 p. m. Entrees will again be Prime Rib or Chicken Marsala. Tickets will be sold from mid-November to December 6th. The cost is \$15.00 per person for association members and \$25.00 for non-members. After dinner we'll play "Christmas Trivia" with prizes for the winners. See Bob Baker, Lot 280 to make reservations and get your tickets.

President Bob Scott has called the first association meeting of the winter season for 7:00 p. m. on Monday evening, November 3rd in the club house. All dues paid association members are encouraged to attend. One item on the agenda will be to appoint the nominating committee for association officers and directors for 2015. Please see Bob Scott or a member of the nominating committee if you'd like to serve on the Board of Directors in one of these positions.

President Bob again reports that we need items to sell at our annual White Elephant Sale which enhances the association treasury. The sale will be in March and we desperately need items for it. It's the monies raised from this once a year sale that pay for most of our activities and lets us keep our membership dues low. Please contact Bob Scott if you have larger items, especially good usable furniture, which need to be picked up and stored until the sale.

....continued on page 10

...treasure cove happenings from page 9

We also need volunteers to decorate the pool area with garland and Christmas lights in early December as well as to decorate inside the club house. A man is also needed to supervise the white elephant sales in March in the shuffle board court (tools, furniture, electrical items etc.). Please see Bob Scott if you are willing to “step up to the plate”.

While park management provides for mowing the grass and edging, maintaining flower beds etc. around our homes is the responsibility of the homeowner. Now that the weather’s a little nicer, many residents have been seen outside weeding and replanting flowers around their homes. Their efforts are much appreciated as they do improve the appearance of our park.

For those homeowners who are new to mobile or manufactured home living in Florida, you should have received last month your annual Mobile Home Registration Notice from the Office of the Pinellas County Tax Collector. Mobile and manufactured home registrations must be renewed each year and the fee for doing so paid by December 31st. If you live in a single wide you will receive one notice. If you live in a double wide you will receive two notices. Upon renewing your registration and paying the fees, you will receive one or two decals to display on a window at the front of your home so that decal (or decals) can be seen from the street. Mobile home parks are subject to drive through inspections by law enforcement and those homeowners who do not display current decals are subject to being fined.

Finally, next month the association treasurer will start collecting park association dues and also the Lake Haven Home Owners Association dues. All residents may belong to the Park 2 (Treasure Cove) Association. Annual dues are \$5.00 per person. Only home owners may belong to the Lake Haven Home Owners Association whose annual dues are \$5.00 per lot. Please watch your mail box in December for your bill.

LAKE HAVEN PARK III ASSOCIATION NEWS

WELCOME BACK! It’s great to see many of our friends moving back for the winter. As usual the summer at Lake Haven III was hot and quiet, but still, the time seemed to fly by and it seems like only yesterday that we were all having fun together. Those of us who live here year round as well as everyone who is returning are ready for a season filled with renewed friendships, enjoyable activities and an all-around good time. You have surely noticed several of the improvements that took place. New pool furniture, new benches, new and remodeled homes, and painting and landscaping all took place during the summer.

Smoking declines, but cigarettes still embedded in U.S. culture

Americans seem to be getting the message about the dangers of smoking, but cigarettes don't seem likely to vanish anytime soon. According to a recent Wall Street Journal article, although the U.S. adult smoking rate has decreased from 40 percent to 20 percent in the last 50 years, 40 million Americans still smoke today.

One possible reason for smoking's persistence? Menthol cigarettes, which make up 31.4 percent of the market, up from 28.7 percent in 2008. Scientists say that menthol has a cooling effect on the throat and mouth which makes starting easier—and quitting more difficult.

Thanksgiving Day comes, by statute, once a year; to the honest man it comes as frequently as the heart of gratitude will allow.

AFFORDABLE VAPOR BARRIER

Have You Looked UNDER Your Home Lately? **PROTECT YOUR HOME**

Fix Small Problems Today Before They Cause Serious Damage!

We will inspect and photograph any issues, showing you pictures of the underside of your home. Damaged & worn vapor barriers can create high energy costs and allow mold & mildew to grow and weaken your sub floor creating "Soft Spots". Keep Mold, Moisture & Animals out of your Home.

Repairs will be made quickly and include a 20 Year Transferable Warranty!
