PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

Happy autumn – yea, the weather will start to cool down; what a welcome relief after the long hot and steamy summer. But no hurricanes, so it really was a good summer from that aspect. A few of the “early” snowbirds have returned, welcome back Jane Brown and Elaine Bostelaar. Lucy Dennis came back and then left again – this time permanently. After 34 years in Lake Haven, Lucy and her family decided she should move back to Michigan. We will miss her as she was a faithful and active member of the Association, Hobby Club and social gatherings. I know all the musical groups she was a part of will miss her too. Bye, Lucy, we wish you well; when you build snowmen with your great-grandkids, think of us and shiver. Hope you were able to attend the Pizza & Trivia night. Trivia has become a very popular event at some local restaurants so we thought we would give it a shot. If we were able to pull it off and everyone enjoyed it, perhaps we will consider a monthly trivia night as one of our social events. The association officers are working hard at identifying activities that are more current and perhaps more appealing to our newer residents. Times they are a’changin and we’re trying to change with them. The Columbus Day Italian Dinner and the November Brunch are on our upcoming social schedule and we encourage you to come. If anyone has a creative idea for entertainment to add to either event that would make it more enticing, let me know. I have gotten a number of positive responses from the travel questionnaire recently distributed and am hopeful to get something booked very soon. If you included your email, you will get a personal update, if not there will be a bulletin board posting. Latest update from our very own hobby club: what have the ladies been up to? Well I’m happy to tell you they have been crafting away in preparation for their annual Arts & Craft sale scheduled November 15. So get ready to be awed by their handiwork which will be on display and ready for purchase in our clubhouse. Start saving your unused salable items for our annual Community Sale which will be held Saturday, January 31, 2015. This is a major event and one which takes a lot of hard work and coordination, but the results are well worth it. All income goes into our park treasury to be used for community events. We take small furniture items, linens, knickknacks, kitchen ware, jewelry, small electronics (no TVs), decorative items, tools.....you get the idea. Got something to donate you can’t store until then? Call Lei Crance or me for pickup. There are a couple of new residents to welcome: Chad Alves is renting #31, and Dan Kingsmeyer was finally able to join his spouse Suzie Moore in #93. Both are working folk. October initiates weekly scheduling of both Wii Bowling on Tuesday nights and Bingo on Thursdays. We’ll have Hot Dog Night too – it may be the final one as the swimming season winds down. Wendy in #27 will have the tickets to Italian Night; they are \$7 each with a purchase deadline of October 8. Everyone loves spaghetti and meatballs, so join us. You will receive the 2015 rental announcement letter from ELS by October 1. Please be assured that the HOA Board members will schedule a meeting with ELS management to review the terms and conditions. We will call a membership meeting when we have something substantive to report. Have a fabulous month.....enjoy the cooler breezes.

LAKE HAVEN TREASURE COVE HAPPENINGS!

Written By an Anonymous Ghost Writer for Bob Scott, President, Park 2 Association

HAPPY HALLOWEEN, October 31st – and here’s your annual warning:
 If you walk through the Lake Haven parks tonight,
 You’re sure of a big surprise.
 If you walk through the Lake Haven parks tonight,
 You’d better go in disguise.

For every Lake Haven ghost that ever there was,
 May gather by the lake because,
 Tonight’s the night they haunt the place
 And look for eerie applause.

And, if you see a witch upon a big stick,
 Riding through the air,
 She’ll fly around, then drop to the ground,
 And give you an awful scare!

So if you walk through the Lake Haven parks tonight,
 You’d better not go alone.
 Be careful as you pass the vacant coaches.
 It’s safer to stay at home.

HAPPY HALLOWEEN, October 31st

The tropical storms and hurricanes that usually develop this time of the year have so far left us alone. Let’s count our blessings but do not become complacent. Our annual hurricane season began June 1st and is not over each year until the last day of November. Hurricanes have been known to develop even in December. The month of September

is the peak of the hurricane season and new tropical waves are still developing off the

coasts of Africa and then moving across the Atlantic Ocean with the potential of growing into storms and hurricanes. It's best to stay alert and be prepared for the worst.

New residents may not know that there are dumpsters behind the club house in Park 1 for the use of all Lake Haven Residents. Thanks again go to the residents in Park 1 who landscaped that area and when needed sweep and clean up to keep the area looking presentable. You can help when putting things in the dumpsters by picking up anything you may drop. All residents are also reminded not to leave items that are too large to go in a dumpster. The City of Dunedin will not pick them up. You must take them to the county dump yourself.

Next month our "winter only residents should begin to return. With that in mind, Park 2 Association President, Bob Scott, will again call our monthly association meetings to develop plans for the next six months or so. The meetings will be on the first Monday night of each month at 7:00 p. m. in Club House 2 starting in November. It will also soon be time to elect our officers and directors for 2015. Please talk to Bob Scott if you'd like to serve on the Board of Directors for next year either as an officer or as a director.

I want to again remind everyone to save any clean and usable household items, dishes, books, jewelry, clothes etc. that you can't use or no longer want. Our annual White Elephant Sale, to enhance the association treasury, will be in March and we need items for the sale. It's the monies raised from this once a year sale that pay for most of our activities and lets us keep our membership dues low. Please contact Bob Scott if you have furniture and other large items that need to be picked up and stored until the sale.

I know it's also early but please mark your calendars now for our annual association Christmas dinner on December 10th. A choice of prime rib or chicken masala will be served and the cost is \$15.00 for association members and \$25.00 for non-members. Tickets will go on sale in November.

Also in December, bills will be placed in the mail boxes for the Home Owners and Park 2 Association dues. The Park 2 association is a social organization but as result of a change to the Florida Statutes regarding Home Owners Associations, our HOA will no longer be able to represent the Lake Haven home owners in rent negotiations with the park owner unless at least 50% of the home owners are members of the HOA. Dues are \$5.00 per lot for the year beginning January 1; Park 2 dues are \$5.00 per person.

LAKE HAVEN PARK III ASSOCIATION NEWS

WOW! Summer is over and we are starting to see our friends from the North return to Park III. You will no doubt see some noticeable changes and improvements that took place during the summer. The calendar of events is filling up and the coming season promises to be both fun filled and entertaining. And, we are looking forward to welcoming our new neighbors to become active in the social functions of the Association.

We will kick off the season with our first Association Meeting on November 4, at 10:00 A.M. at the Club House. As always coffee, juice and pastries will be provided. We hope that as many residents as possible can attend. It is a perfect time to welcome each other back. And, be sure to bring a “new neighbor” along to get acquainted. We have some important updates and news from ELS that will be reported.

The first Pot Luck Dinner will be on November 10. Mike and Linda Parker will be hosting and the signup sheet will be posted one week prior. As a reminder to our new residents the entrée is provided by the Association and we ask that you contribute a side dish, your drink and your own table service.

This year we will be conducting a more intense membership drive. Please watch your mail boxes for the notice that explains how the membership works, why you should become a member, and what your dues include as a member of Lake Have Park III association include.

The Pre-Christmas Sale will be held on November 22. We will start accepting donations and making contacts for volunteers on October 15.

The Thanksgiving Dinner will be held on November 27. More information will be provided.

Sadly we must report that Carl and Evelyn Steelman have sold their home and are moving back to Jefferson City, Missouri to be closer to their family. Carl and Evelyn have been at the center of every activity at Lake Haven Park II for nearly ten years. Evelyn served as President for several years and under her leadership the Association grew in every aspect--membership, activities and financially. Every resident in Park III owes them a big debt of gratitude for all they have done for all of us. **THANK YOU SO MUCH....** you will be truly missed and best of luck and continued happiness to both of you.

*Looking forward to a great year,
Linda Parker, President*

Water and Swimming Safety

From the Red Cross

A recent Red Cross survey found that eight out of ten Americans are planning water activities such as going to the beach, pool, water park or boating or fishing this summer. A third (32 percent) of all Americans plan to swim at a place without a lifeguard. The Red Cross has launched an anti-drowning campaign this summer that promotes swim lessons and safe swimming.

If a trip to the beach is part of someone's plans, the Red Cross has ten tips that will help beachgoers stay out of harm's way:

1. If someone plans to swim in the ocean, they should always check weather conditions before going in the water.
2. Swim only at a lifeguard protected beach, within the designated swimming area and listen to all lifeguard instructions.
3. Always swim with a buddy and always swim sober.
4. Young children and inexperienced swimmers should wear a Coast Guard-approved life jacket.
5. Everyone should enter the water feet first if they can't see the bottom or don't know how deep the water is.
6. Be aware of the danger of rip currents. If caught in one, swim parallel to the shore until out of the current. When free, turn and swim toward shore. If unable to swim to the shore, call out for help, float or tread water until free of the rip current and then head toward shore.
7. Limit the amount of direct sunlight received between 10:00 a.m. and 4:00 p.m., and wear a broad-spectrum sunscreen with a protection factor of at least 15. Reapply often.
8. Stay hydrated. Drink plenty of water regularly, even if not thirsty. Avoid drinks with alcohol or caffeine in them.
9. Protect the eyes by wearing sunglasses that will absorb 100 percent of UV sunlight.
10. Wear beach shoes. The sand is hot and can burn someone's feet and glass and other sharp objects can cut them.

More water safety information is available at redcross.org.

10 Benefits of Growing An Herb Garden

By Elissa Rodrigues, Monthly Media Staff Writer

My Grandmother was an excellent gardener. You name it, she could grow it - from gorgeous roses (several varieties) to blueberries, tomatoes, peppers, zucchini, she even had an apple tree! Unfortunately, unlike her, my thumb happens to be more brown than green. This Spring, however, I'm giving it another try. I'm a Realist, so instead of growing an entire salad, I'm starting with an herb garden. Here are 10 benefits that may convince you to do the same!

1. Fresh herbs are always available. This may seem obvious, but you'll be surprised how creative you'll get with everyday vegetables, dips and dishes when you have fresh ingredients at your fingertips.
2. It's good for you. Adding fresh herbs boots vitamins and nutrients to your diet, and don't forget that gardening is a great calorie-burner with all that digging, bending and stretching. Talk about a double-benefit!
3. Save money. Fresh herbs can be expensive and wasteful when you buy a whole bundle, and only use a few snips for a recipe. Not to mention, stores may not always have the variety you're looking for, and specialty stores mean higher prices.
4. Educational. Growing an herb garden is a learning experience for adults and children, and kids will love to help out! From a new gardening technique to trying out new recipes, you'll be surprised how much you'll learn.
5. No boring dinners. Add a few new herbs to chicken, fish, potatoes, vegetables - or your regular party dip, and it goes from bland to wow, and you can experiment with new combinations nightly.
6. Relieve stress. Tending to or just visiting an herb garden - and breathing in all that aroma - can do wonders for stress levels. So make yourself a cup of (fresh) mint tea, and relax!
7. Share the wealth. Having your own herb garden means you'll have more than enough, so be a good neighbor (and friend), and share your bounty with others! Tie on a recipe to a fresh bunch, or jar your own dried herbs and voila you've got the perfect hostess gift.
8. Exotic variety. There are 30 varieties of basil. Who knew? Your regular grocer only carries the most common sweet basil. Choose your own exotic variety, whether it's dark opal basil, cinnamon basil, anise basil, Italian basil, or globe basil to name a few.
9. Curb appeal. Adding an herb garden can give your landscape real curb appeal - it's lush and well tended-to. If you don't have room for a full herb garden, just add them to shrubs. They blend in beautifully.
10. Good, clean fun. Dirt aside, it'll brighten your day to watch your fresh garden grow, and it may inspire you to branch out to fruits or vegetables. With all those herbs, you know you'll have the salad dressing covered!

For some flavor inspiration, some herbs to try are: basil, bay leaf, chives, dill, garlic, parsley, sage and mint (which makes delicious tea by the way!) Be creative, and plant what you'll use. For more tips, visit <http://www.gardeningknowhow.com>. Happy gardening!
