PARADISE ISLAND UPDATE

Pat Walker, Association Secretary

My goodness, the holiday season is already bearing down on us! How can it be the month of November again so quickly?? Wasn't it just yesterday that we were complaining about the unbearable summer heat and humidity, not to mention moaning and groaning about all the rain? Time, please stand still for a while and let me catch up.

As I write this, we are very thankfully escaping a direct hit from Hurricane Michael receiving only some wind gusts and showers; our fellow Floridians to the north are not quite so lucky and we certainly wish them well. A season without even the hint of a local hurricane was certainly welcomed by all of us in Lake Haven. Sadly, a small number of Lake Haven units damaged by last year's hurricane are still in need of repair which hopefully will be accomplished soon.

Thank you Denny Wolff for slaving over a hot oven to prepare the October potluck which was thoroughly enjoyed by all. The November potluck dinner will be hosted by Carolyn Bailey who will once again tantalize us with the heavenly aromas and succulent tastes of roast turkey and all the trimmings. She will roast the turkeys and prepare the dressing and gravy, we will provide the side dishes. Come prepared to dine in style. I might even bring a china plate – plastic seems far too gauche for this festive meal.

How about the Oktoberfest with entertainment provided by Happy Days! Wasn't it great? Our gratitude to the organizing committee and to Chuck Oller who worked his usual magic on the BBQ grill. It's always a fun occasion when the Happy Days duo performs – their upbeat performance kept us laughing and dancing the whole evening.

Several of Lake Haven's "artists" turned out for another fun paint party led by Jennifer Proctor Simon. Rather than mandalas, Jen took us in an altogether different direction and we painted a fun picture of rock people – dressed in dots of course. Such fun to see the different interpretative results. What a hoot – thanks Jen!

Alert – alert – alert!!! The 8th annual Hobby Arts & Craft Sale is Saturday, November 10 from 9AM-1PM in the Paradise Island Clubhouse. Come one, come all. These crafty ladies have been working all year creating serious and fun items for your visual and purchasing pleasure. Seriously, you are all invited to drop by to see for yourself how creative these ladies are, and should you desire to purchase an item – or better still, several items – for yourself or for gifts, we would be honored. The crafters receive no compensation for their handiwork – all sales revenue goes to the hobby club treasury and is used to purchase craft supplies and for charitable giving.

As is our annual tradition, starting November 1 through 15th we will accept donations of non-perishable food items for the Dunedin Cares Food Bank. This Thanksgiving outreach

program benefits needy residents in Dunedin. The Hobby Club donates a substantial number of canned hams; additional food donations from all three parks is greatly appreciated. Boxes are available in the Paradise Island Clubhouse to accommodate your donations. Many thanks for your participation and support of this worthy cause.

We will need volunteers to decorate the clubhouse and pool area for the holiday season. Meet at the clubhouse at 9AM on Saturday, November 24, to participate. To show appreciation, a light dinner meal will be provided by the Association for the volunteers at 6PM that evening.

Weekly bingo attendance has been on the increase; we are pleased that this activity is once again gaining momentum and enjoyed by so many attendees from all three Lake Haven parks. Just to give the players a heads-up, there is a “special” bingo night on the horizon. You won’t want to miss it. The date will be announced on an upcoming game night.

After a long hot summer with lots of rain, some flower beds appear to be in dire need of weeding. With temperatures more moderate, now is a good time to ensure properties are in compliance with Lake Haven Rules & Regulations.

Look forward to seeing returning snowbird residents and meeting newer residents at the monthly Association Meeting on Saturday, November 3rd. Be sure to note the activities hosted by all three parks posted on the calendar page of the monthly HAPPENINGS magazine, and watch for reminders and activity flyers in your white mail tube.

One more thing, tickets for the annual Christmas Party will go on sale during November. This is an extra-special catered event with entertainment which you won’t want to miss.

HAPPY THANKSGIVING

November Happenings 2018

Well, welcome to November! I certainly do mean welcome. We are all going to have a busy month welcoming not only our winter residents but our many new neighbors. There has been a tremendous turnover in Park III of Lake Haven Community this past six months. It is a little overwhelming to know where to start to invite our new residents to get to know the community and our winter activities. So I will just start by saying “Hi” my name is Linda Parker and I have had the privilege of being named president of our association. We are a strictly a social organization that likes to come together at our clubhouse or around the pool and have some pretty good meals and conversation. Some of the events involve a combined effort, such as our monthly potlucks and barbeques. Others you can just sit back and relax and let our board and committee entertain you with some tasty bites and good entertainment.

Beneath your mailbox attached is what we refer to as an information tube. We are not allowed to put materials in your mailbox for all of the obvious reasons. It is very important to check your tube when you get your mail. You should have received a calendar of events for the entire year, and our “Ten Reasons to Join the Park 3 Association. Water Aerobics on Monday’s and Thursday’s at 9:30 still seem to be going strong. No need to sign up, just show up.

LRC has been changed to Sunday nights this fall. LRC is a very simple dice game and everyone is welcome to come. Just bring your own beverage of choice and rob your piggy bank of quarters for a fun evening. If you have any questions please contact Kay Tupper @ #504.

The flyer and invitation to the Thanksgiving Day dinner will be out shortly. Tickets will be available for just \$8.00. The details will be included in the flyer.

Once again thank you to everyone for supporting the “gift shop” this summer. It will be closed down to get ready for the pre-Christmas sale and make room for our events in the Clubhouse this season.

Linda Parker, President Park 3 Association

Monthly

National Gratitude Month. You don't have to wait for Thanksgiving to show your gratitude and appreciation. There's something to be grateful for every morning you wake up. This November, challenge yourself to greet each day with an attitude of gratitude.

National Healthy Skin Month. Summer is long gone, but you should still be wearing sunscreen and taking other steps to keep your skin hydrated this time of year. Make an appointment with your dermatologist for a skin check and find out what you should be doing to ensure that the largest organ of your body stays healthy.

National Inspirational Role Models Month. What better way to show our gratitude this month than by honoring those who've offered us the foundation of a good example? Keep that legacy alive by committing to passing along that example to others.

National Novel Writing Month. If penning a novel is on your bucket list, this is the month you can check it off. You have 30 days to crank out a masterpiece of 50,000 words. For inspiration, ideas, and more information, visit: <https://nanowrimo.org/>.

Weekly

American Education Week, Nov. 12–16. Each year the National Education Association highlights the value of our public school system and the tireless efforts of those involved with it. This is an opportunity for parents and community leaders to learn more about their local schools and get involved to ensure their ongoing success.

National Hunger and Homeless Awareness Week, Nov. 10–18. Since 1975, the week before Thanksgiving has been designated to raise awareness to the issues surrounding hunger and homelessness. To learn more, or find volunteer opportunities in your area, go to <https://hhweek.org/>.

National Game and Puzzle Week, Nov. 18–24. What better way to entertain the crowd during the week of Thanksgiving when several generations of family converge under one roof? Grab a deck of cards for a friendly game of Go Fish, dust off the checker board for a tournament with bragging rights until next year, or help your Aunt Liz work a crossword puzzle. Make your home “Game Central” this week.

National Deal Week, Nov. 19–25. The day before Thanksgiving kicks off the holiday shopping season. This week many retailers will offer deep discounts on just about everything imaginable. Whether you prefer to shop online or stand in line at a store at 3 a.m., make sure you get the best deal possible.

A heartfelt request

Emma came home from work one Tuesday evening with no idea how her life was about to change. Mixed in with her daily mail was a handwritten note addressed simply to “neighbor.” The handwriting on the envelope and the note inside was in a shaky hand that reminded Emma of her late grandmother’s penmanship.

The return address on the envelope was for a house across the street that Emma believed to be vacant. The curtains were always closed and in the few years since Emma and her family moved into the neighborhood, they never saw anyone enter or leave the house across the street.

The note inside the envelope read:

Dear neighbor,

I see you with your family and you seem like a very nice person. I was wondering if we could be friends. I am 93 years old and no longer have any family. I am very lonely.

The note was signed by a woman named Allison.

In just a few lines Emma was reduced to tears. She thought of her own grandmother, who she’d just buried a few months ago, and how the loss of her passing was still present. Then she thought about how much loneliness and courage it would take for an elderly person to reach out to a complete stranger, hoping to make a connection.

The next day, after Emma sent her kids off to school, she walked over to Allison’s house and knocked on the door. She was greeted by a petite older woman with dazzling blue eyes. For the next few hours they got to know a little about each other over a pot of coffee and warm banana bread. Over the next few years Allison became a surrogate grandmother to Emma and her family.

As we embark upon this festive season of feasting and holiday observances, let us remember that the person in the next cubicle, living down the hall or across the street may be left out of these good times. Reach out in the spirit of friendship and inclusion to warm the heart of a lonely person through a selfless act of kindness.

Fortunately, somewhere between chance and mystery lies imagination, the only thing that protects our freedom, despite the fact that people keep trying to reduce it or kill it off altogether.

Medicare has very strict rules prohibiting the enrollment into most products via door-to-door sales. Still many seniors are experiencing unsolicited calls and visitors. Making a decision about your health coverage is important and should be done every year, but not by someone who shows up on your doorstep or is cold calling you. At Best Plan Choice, we encourage you to find out how good a full-service health agency can be for you. We work directly with individuals, groups and communities to bring our services to you, at your request.

During the annual enrollment season for Medicare health coverage (Oct 15-Dec 7) we host seminars with free coffee and dessert (see our enclosed insert or call 855-BOOMER65). Throughout the year, we are available to present every available plan, assist you with customer service issues or become your agent if you need one.

Are you debating if you need Medicare Part B? We can show you how to save money on your Part B premium each month. Do you need financial assistance? We can help you apply for Medicaid or extra help for the high pharmacy costs you may have. Is your spouse still working to provide health insurance for you? We may have options which will start their retirement sooner. We will provide a complete needs analysis during a personalized appointment so you can make the best plan choice for you. As always, our services are without charge or cost to you. Call us at Best Plan Choice, where Clients become Friends, and Friends become Clients!

Busy as a bee—even when the bees are sick

Honeybees are hard workers—even when they're sick. The (e)Science News website reports that researchers using radar technology have learned that honeybees continue to seek and collect honey for their hives even when they're suffering from infections or viruses.

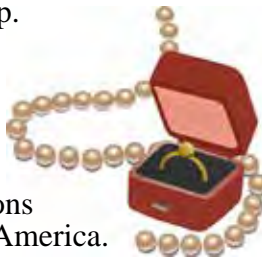

The scientists mounted tiny, lightweight transponders to bees' thoraxes, enabling them to track individual bees using a radar signal. Studying the flight paths of 78 bees, the researchers found that although the sick bees didn't fly as far or as long as their healthy counterparts, they continued their search, suggesting that bees are hardwired to seek and procure honey even when they're ill.

Copper bracelet suggests vast ancient trade network

An ancient copper band unearthed with cremated human remains in Georgia suggests that Native Americans may have traded across greater distances than previously was thought, according to the EurekAlert website. The band, a little wider than a bracelet, came from the Great Lakes region some 1,500 miles away. Scientists were able to determine the band's origin because copper sources have a unique chemical makeup.

The fact that the Native Americans were cremated is also significant, because cremation was unknown in the Southeast United States during the time period the bracelet dates from—some 3,500 years ago—but was commonly practiced in the Great Lakes region and other northern regions. This suggests that our ancient ancestors may have had connections across large distances, allowing for wide trading networks across North America.

The question is one of judgment. For the distinguishing element of science is not intelligence but judgment. Or perhaps it is simply luck.

—John M. Barry

Take a cold shower—for better health

Showers keep you clean, but a cold shower can be good for your health. An article on the Success website spells out the benefits of taking cold showers:

- **Immunity.** Scientists believe there's a correlation between cold showers and increased production of an amino acid called glutathione, which boosts the immune system, gets rid of toxins, and eases stress.
- **Better skin health.** A hot shower removes important oils from the skin, making it dry and itchy. Cold showers reduce skin inflammation. They also prevent your hair from becoming brittle.
- **Muscle recovery.** There's a reason why athletes soak in ice baths after a tough game. The cold water helps speed their recovery time and relieve soreness quicker.
- **Better moods.** Cold showers may prevent depression, according to researchers at Virginia Commonwealth University. Decreasing the temperature of your water and then spending two or three minutes under cold water sends a lot of electrical impulses from the nerves in your skin up to your brain, which could have an anti-depressive effect.

Climate change strategy a mixed bag

Scientists scrambling for a solution to the problems caused by climate change have come up with an intriguing idea: shooting tiny particles high into the atmosphere to scatter the light of the sun.

The Science magazine website reports that sulfur dioxide gas can cool down temperatures by reacting to water vapor and forming droplets that scatter sunlight. It happens during major volcanic eruptions, such as the eruption of Mount Pinatubo in the Philippines in 1991 and the eruption of El Chichon in Mexico in 1982.

Scientists have used computer modeling to project the effect of injecting light-scattering aerosols into the stratosphere.

Unfortunately, the probable results appear mixed. Although the model predicted that corn harvests would increase 6.3 percent due to reduced heat, other crop yields would fall because of diminished sunlight, and the strategy would likely have no effect on yields for crops like soybeans, rice, and wheat. Scientists continue to study the theory in hopes of finding a viable approach to managing climate change.

Sharpen your mind to learn better

As we grow older, learning and remembering new information can grow more difficult. Here are some tips to help you stay on top of the knowledge game and keep you learning as you age:

- Focus on concentrating. Distractions are the bane of any learning attempt. If you're attending a seminar or training session, for example, sit near the instructor and maintain eye contact with him or her. Try not to fidget; simply relax into the session and let your focused attention do the job.
- Say it out loud. Read aloud the material you're trying to learn and repeat out loud the facts you want to retain. This way, both your eyes and your ears are delivering information to your brain.
- Tame frustration. If you're getting frustrated over material you're trying to learn, remind yourself that getting emotional will only hamper your ability to retain information. If you have to, step back and take a break.

Rich folks share their advice

Want to get rich? There's no guaranteed path to wealth, but these billionaires have shared on the Cheat Sheet website some of their thoughts on achieving financial success:

- Mark Cuban, owner of the Dallas Mavericks: "Save your money. Save as much money as you possibly can. Every penny you can. Instead of coffee, drink water. Instead of going to McDonald's, eat mac and cheese. Cut up your credit cards. If you use a credit card, you don't want to be rich. The first step to getting rich requires discipline. If you really want to be rich, you need to find the discipline. Can you?"
- Warren Buffett, CEO of Berkshire Hathaway: "I will tell you the secret of getting rich on Wall Street. Close the doors. You try to be greedy when others are fearful, and you try to be very fearful when others are greedy."
- Eli Broad, founder of KB Home: "No one ever made a million bucks by being cautious or timid or reasonable. I was 22 years old and recently married when I had the crazy idea that I should give up my career as a CPA and become a homebuilder. I didn't know anything about building houses. Sometimes the craziest ideas are the ones that yield the greatest payoffs."

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
