Lakeside Lassie looking forward to FLORIDAYS

My cousin, in Michigan, went to a Jimmy Buffett concert recently and I continually had "sand between my toes" and "Margaritaville" on my mind! We, here in Ohio, had endured 20 consecutive days of rain, so we were ready for some "changes in latitude", and YES... "changes in attitude", as Jimmy would have musically put it!

Of course, after the storms we should look for rainbows. Being farmers, Dick and I see the beautiful arched colors and the pot at the end of the rainbow in the form of amazing field crops this season. I will attach below a photo of Dick standing in a field of corn on July 4th. The "Old

Farmer's Almanac" has always said that corn should be "knee high by the 4th of July". Thus, in our area we will certainly will be "searching for our lost shaker of salt" for sweet corn a little earlier this summer!!! Dick says to just serve his dozen ears with a "Cheeseburger in Paradise"... "with lettuce and tomato, Heinz 57 and French fried potatoes..." There is nothing "spoiled" about this Ohio farm boy! LOL!!!

Some of you might remember the days when we used to have music playing out at the Lake Highlander swimming pool!?! We could request tunes that suited the occupants and the day. Sometimes it was Big Band, occasionally Ethnic, and often Golden Oldies music. Usually Bob Reynolds was the person who cranked up the system and turned on the speakers. Russ Latimer sang and danced about "wearin' out his flip flops" and Betty Pratt was known to "splish splash" to the music. While at water aerobics, Fran LaBree's recording declared "kick, kick, kick, kick...now doesn't that feel wonderful?!?!?" In the meantime, Jim Conner was "a big fish out of water" who religiously belly flopped into the pool. And Flo Ganey, the Polar Bear, never missed exercising her "Jayne Mansfield" legs while faithfully doing daily laps. Many of us enjoyed the fun of sharing our voices and swimming in sync to the sounds. I think that checking into once again providing the opportunity for music in that fun pool area is worthy of consideration.

This is Lakeside Lassie counting the time until we're all "back to livin' Floridays, blue skies and ultra-violet rays".... Jimmy Buffett style!!!

From Gloria,

What a BLAST July 4th was! I wish to extend my gratitude to all my "helper bees" who made this day such a success. Let me give you all a brief recap.

We started the day at 9:30 with coffee hour, went right into a Corn Hole tournament (Bob and Joan Bernier put this together) with 17 2 man teams. The Shedd's, Billy and Sharon were the winners. Then at 4 PM we had a decorated cart parade through the entire park, 19 carts and 2 bikes participated and everyone did a fantastic job decorating. The winner of the parade was anyone who had a flag on their vehicle so needless to say EVERYONE was a winner. YAY!

At 5 PM we had an old fashioned hot dog and hamburger dinner cooked by our master chef's, Bob B and Butch P. These guys deserve so much credit for cooking for 75 people in the 95% Florida sun. All the dinner guests brought a side of salad or fruit or dessert and I gotta tell you it was a spread to rival any other spread we've ever had. After dinner starting at 6, we had a DJ named Bandstand that played in the lanai and they were terrific. We had at least 30 folks in and out of the pool dancing and singing until 8:30PM. Whew, what a long and glorious day it was to celebrate America's birthday and the camaraderie that is found all throughout Lake

Highlander. We are indeed extremely blessed to live in this magnificent place and I thank God and all of you for allowing me the opportunity to be a part of it.

We also had a pancake breakfast on the third Thursday of the month and a "Casserole Pot Luck Dinner" and a movie (Liar Liar) on Sunday July 19th.. We will have another \$2.00 pancake breakfast on the third Thursday of August and a \$3.00 "Build a Sandwich event" for which the date will be posted on the bulletin boards so stay tuned folks.

One last thing, thanks to our Welcoming Committee, we have some beautiful new canvas tote bags and lighted key chains with our swans and Lake Highlander imprinted on them at a cost of nearly \$800.00. These items will be welcome gifts that will be presented to our new residents.

The Social Club has made the decision to sell the tote bags for \$5.00 and the key chains for \$2.00 during Saturday coffee hours and during all the different events held in the club house.

I leave you all with best wishes for Good Health and Love and Laughter in your lives, life can be so short and we all know that so enjoy each day and each other.

A good time was had by all for our "old Fashioned 4th of July party! The day started with coffee hour and followed by "Corn Hole" competition.

Now for a good “old fashioned” picnic dinner with hot dogs, hamburgers and lots of extras! Butch Partington and Bob Bernier really did a great job at the grill.

Has anyone seen Ed's burger?

And what's a 4th party without some music?

A little off key!

Let's end a great day with some fun in the pool!

TALK OF THE TOWN

TWO
Barbers Now To
Serve You

MEANING OF THE FLAG FOLDING PROGRAM

The flag folding ceremony represents the religious principles of which our country was originally founded.

The portion of the flag is the canton of blue, which denotes honor, and contains the stars, which represents the states from which our veterans served in uniform. The canton field of blue dresses from left to right and is inverted only when draped as a pall on the casket of a veteran in uniform, who has served our country honorably.

In the Armed Forces of the United States, at the ceremony of evening retreat, the flag is lowered, folded in a triangle fold and kept under swatch throughout the night, as a tribute to our nation's honored dead. The next morning it is brought out and, at the ceremony of reveille, it is run aloft as a symbol of our belief in the resurrection of the body.

The *first* fold of our flag is a symbol of life.

The *second* fold is a symbol of our belief in the eternal life.

The *third* fold is made in honor and remembrance of the veteran departing our ranks and who gave a portion of life for the defense of our country to attain peace throughout the world.

The *fourth* fold represents our weaker nature; for as American citizens trusting in God, it is Him we turn in times of peace as well as in times of war for His divine guidance.

The *fifth* fold is a tribute to our country, for in the words of Stephen Decatur, "Our Country, in dealing with other countries, may she always be right, but is still our country, right or wrong."

The *sixth* fold is for where our hearts lie. It is with our heart that -- "We pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation, under God, indivisible, with liberty and justice for all."

The *seventh* fold is a tribute to our Armed Forces, for is through the Armed Forces that we protect our country and our flag against all enemies, whether they be found within or without the boundaries of our republic.

The *eighth* fold is a tribute to the one who entered into the valley of shadow of death, that we might see the light of day, and to honor our mother, for who it flies on Mother's Day.

The *ninth* fold is a tribute to womanhood, for it has been through their faith, love, loyalty and devotion that the characters of the men and women who have made this country great have been molded.

The *tenth* fold is a tribute to father, for he, too has given his sons and daughters for the defense of our country since he or she was first born.

The *eleventh* fold, in the eyes of Hebrew citizens, represents the lower portion of the seal of King David and King Solomon, and glorified, in their eyes, the God of Abraham, Isaac and Jacob.

The *twelfth* fold, in the eyes of a Christian citizen, represents an emblem of eternity and glorifies, in their eyes, God the Father, the Son, and the Holy Spirit.

When the flag is completely folded, the stars are uppermost, reminding us of our national motto, "In God We Trust".

After the flag is completed folded, and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington and the sailors and marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for us the rights, privileges and freedoms we enjoy today.

From the President's Desk

The sidewalks are finished, the speed humps are in, the aerators should be moved/installed by the time you read this, and hopefully the sewer pipe replacement will be underway!! Whew.

We found a pleasing way to dress up the fence along Falcon Drive and have painted the sections on either side of the entrance and installed heavy duty slats to get feedback from the residents on how it looks.

During sidewalk repair we found that on the west end of the property some of the sidewalks had been poured on top of old sidewalks! In some areas the cement was 10" thick.

The new coach is up on lot 41 as well as the new coach on lot 97.

We had a FANTASTIC 4th of July cookout with hamburgers, hot dogs and all the trimmings PLUS great desserts. There was a corn hole tournament, a bicycle and golf cart parade and, of course, a pool party. All in all a great day.

As a final note I must mention that a problem of a couple who lure you into their coach with promises of "killer" hors d'oeuvres and fail to deliver!! More on this next month.

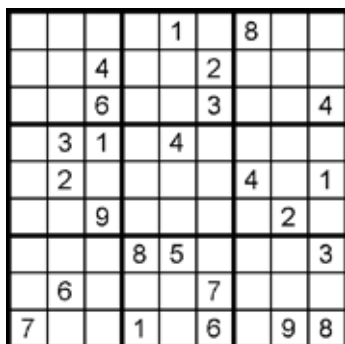

My apologies to Ed Hughes and Terry Moran, this article was supposed to be in the June issue.

Disabled Parking Permit Holders: Are You Tired of Feeding Parking Meters?

By Ron Anderson

My wife and I enjoy visiting St. Petersburg, or occasionally Tampa, to go to a restaurant or whatever. We were told that as disabled parking permit holders we do not have to put money in parking meters. That's nice, but a prudent person will check out such a statement. Here is the straight story directly from the Florida statutes:

FS 316.1964 Exemption of vehicles transporting certain persons who have disabilities from payment of parking fees and penalties.—

(1) A state agency, county, municipality, or any agency thereof, may not exact any fee for parking on the public streets or highways or in any metered parking space from the driver of a vehicle that displays a disabled parking permit or a license plate ... if the vehicle is transporting the person who has a disability and to whom the disabled parking permit or license plate was issued.

(2) The driver of a vehicle that is parked as provided in subsection (1) may not be penalized for parking, except in clearly defined bus loading zones, fire zones, or access aisles adjacent to the parking spaces for persons who have disabilities, or in areas posted as "No Parking" zones or as emergency vehicle zones, or for parking in excess of the posted time limits.

(5) Notwithstanding subsection (1), when an on-street parking meter restricts the duration of time that a vehicle may be parked, a vehicle properly displaying a disabled parking permit is allowed a maximum of 4 hours at no charge; however, local governments may extend such time by local ordinance.

Tampa holds to the four hour limit but St Petersburg allows disabled parking all-day, but not overnight parking. Affected persons might wish to take a look at the cited Florida statute to see other limitations concerning parking when there is a street fair, or a convention, or whatever taking place.
