PRESIDENT’S MESSAGE

By Susan Zerbe

When driving into Lake Highlander upon our return from Pennsylvania, it was a joy to see all the changes and additions which have enhanced the beauty of our community. The new perimeter fencing, the addition of new benches and gliders around the lake, the removal of the lake fencing, new lights at the pool, and the stones placed around the trunks of trees are all positive improvements. A huge thank you to extended to all who have worked on these projects.

In November, you received a survey asking for your opinion on a variety of different aspects of our community. If you have not already done so, please take some time to complete the form and return it to the office by December 18th. Your input is important to the board and the information received from this survey helps guide future decisions made by the board. Opportunities such as completing a survey and participating in Open Forum at board meetings assists the board in governing with the residents as opposed to governing over the residents.

It’s that time of year to take pause and reflect upon the closing of another year and to look forward to the possibilities of the new year. I wish you a wonderful holiday season, good health, and safe travels if heading elsewhere during the holidays.

UNOFFICIAL NOTES OF THE LHRO BOARD MEETING OF November 8, 2018

- ✓ All directors were present. The meeting was called to order at 10:00 a.m. The Pledge of Allegiance and a moment of silence were observed.
- ✓ Prior to the open forum, President Susan Zerbe said there will be three vacancies in the board of directors. Being involved on the board is an excellent way to learn about the park and to serve the park. Interested persons must submit a letter of intent to the office by November 30, with a profile [resume] being due by December 7.
- ✓ President Zerbe also mentioned that questions regarding items displayed at residences have been asked. Our attorney was consulted who said that we cannot deny an individuals' freedom of speech.
- ✓ Open forum
 - o Kay Byrne, lot 309, asked if a liaison from the board could sit on the Social Club board. Susan said it would be something for the board to discuss.
 - o Karen Judson, lot 184, expressed her gratitude to the office for their support after some bricks were stolen from her property.
- ✓ The minutes of the October meeting were approved by the board.
- ✓ Manager's report:
 - o The trash compactor in the maintenance area will be replaced. The current compactor will be taken away by the city of Dunedin within the next four weeks.
 - o The main drain in the pool [a Virginia Graeme Baker drain which is required by law after a young girl of that name was entrapped underwater by the suction of a spa drain] was installed in 2010. It needs to be replaced. The pool will be shut down for about a day in December for that purpose. At that time the tile in the pool will be regROUTED.
 - o The chair committee has a selection of four different chairs and will display them for public opinion.
 - o The white flags around the park represent ball valves which have been inspected. It was a very thorough inspection. Two ball valves must be replaced. Two others must be fixed. Several others need new handles. The valve replacement and repair will probably take place in January. Only sections of the park will be affected at any one time. Robo calls will go out to those who will temporarily be without water.
 - o Bruce De Waters and Beth met with our engineer to begin the process of selecting a contractor for street repairs. The engineer has worked with the seven contractors who will be receiving RFPs [Requests for Proposal]. He cannot give a personal recommendation on any of them due to his continued work with them. By the end of next week, the RFPs will be sent out. Beth will also send out supplemental RFPs for the following: Concreting the maintenance area [when the cost is lumped into the paving it will be more economical], new curb around the lake, and speed humps [permanent asphalt humps – smoother and longer than the current speed bump]. The hope is that the contractor will be selected in January. The proposed start date will be

Continued on page 10

in March and will take about two weeks. The contractor will control traffic during the paving. No resident will be prevented from getting in or out of their home.

- ✓ Treasurer's report
 - o \$39,974 in surplus as of the end of October [income over expenses]. There are still some outstanding payments due [the generators and other projects].
 - o We are trending in the right direction for expenses according to budget.
 - o Total assets are \$1,274,031
- ✓ \$479,244 operating
- ✓ \$544,189 capital reserves
- ✓ \$223,598 cash on hand
 - o We are financially ready for the roads with our reserve monies.
- ✓ Sales and Marketing Committee report
 - o There are seven homes for sale – 5 are listed with the park, 1 with a realtor, and 1 is a private sale.
 - o Cathy Quast will replace Mary Lou Fraher as the head of the Sales and Marketing Committee.
- ✓ A job description of the needed webmaster will be posted.
- ✓ President Zerbe thanked the Long-Range Planning Committee for its work in readying the residents' survey.
- ✓ Unfinished business
 - o The propane tanks have not been installed near the generators due to a lack of an easement around them. A new plan has been sent to the city. Fred Wimmer was told that should take 7 to 10 days.
- ✓ There was no new business.
- ✓ The meeting was adjourned at 11:00 a.m.

- o Rita and Ron Teeter have volunteered to host the Thanksgiving Dinner. All were reminded to sign up if they are attending.
- o The Christmas luncheon will be at Bon Appetit on December 6. Sue Stevens is in charge. 11:30-3:30; \$28/person plus a cash bar.
- ✓ Election of officers: A sign-up sheet can be found on the bulletin board in the back of the clubhouse. The nominating committee consists of Jerry Santerre, Kay Byrne, and Steve Schultz
- ✓ Karen Judson said the festoon lights in the clubhouse will be replaced by Thanksgiving per Beth Carroll. Beth and Karen went through all the closets and they will be reorganized, trying to accommodate everyone.

They will be visiting nursing homes to provide afternoon entertainment, decorating the clubhouse for Christmas, and putting on the fashion show in the spring. Their name may change, and they will meet one to two times a month on Monday afternoons.
- ✓ The Arts & Crafts Fair will be on December 1st. It will take the place of coffee hour that week.
- ✓ The next Social Club meeting will be on December 3.

ART/CRAFT FAIR

Submitted by Lynn Marro #256

The fall Art and Craft Fair is **Saturday, December 1st** from 9 AM to 1 PM. There will be many Lake Highlander vendors as well as several outsiders offering a great variety of wonderful items. It will be a great place to do some Holiday shopping or to buy something for the folks taking care of snowbirds' up-north homes. While there will be NO COFFEE HOUR that day, yummy Sunshine Bakery donuts and coffee will be available for sale at 9 AM and hot dogs, chips, and lemonade around 11 AM. Hope to see all of you there!

On October 11th, our resident ventriloquist and magician, Lowell Tauszik from Lot 109, left for Bangkok, Thailand for a two-week mission trip. Lowell and his wife have been there four times before. This time, he was asked to teach English to children during their school break. The English “camp” was held at the Baptist Student Center.

Flying from Tampa to Atlanta to Seoul to Bangkok takes about 30 hours in total, and their time zone is 12 hours ahead of ours. Lowell left here on Thursday evening and arrived in Thailand on Saturday at noon.

The Baptist Student Center is a popular school for learning English, and their evening classes are well attended by adults of all ages. Through those classes, Thai people also learn about the Christian faith. As a result, a church was started there called New Vision. Since its inception, that congregation has planted eight more churches.

On Sunday, Lowell attended church at New Vision, then on Monday, the camp began. He was responsible for teaching about a dozen children. Some topics he covered were introductions and telling others about yourself, how to give step-by-step instructions, and how we use technology. The key focus was to get the children engaged in English conversation.

Magic Show

Lowell and the English class

In addition to the camp, the Baptist Student Center also featured a magic show by Lowell on Saturday afternoon. The second half of the show was focused on teaching about the Bible and the Christian faith. It was well attended and a fun event for a wide range of ages.

This trip was not just about the camp. Lowell also had the opportunity to work with another church, Calvary Baptist. He spoke during the Sunday service and taught an evangelism workshop later in the afternoon. He was also able to go with a

couple church members to take food and visit two Muslim refugee families from Pakistan. And he was asked to teach one evening at one of the New Vision church plants, called Church of Joy.

All in all, the trip was very successful. Considering that only .07% of the population in Thailand is Christian, the church is strong and growing, and Lowell always finds it encouraging to see their faith in action.

DALE ANDERSON AND FRIENDS VARIETY SHOW

By Beck Holender, #80

On the evening of November 3rd, Lake Highlander residents were entertained by the Dale Anderson and Friends Variety Show. Mr. Anderson's wife, Cathy, was his assistant. Dale is a ventriloquist who introduced us to a variety of characters with names such as Big Les, Professor Dimwitty, and Joey Harris, to name a few.

Dale asked for a volunteer from the audience. One of our new residents, Phil Willix, "willingly" volunteered. He was crowned with a long, blond wig and given five romantic words to sing on cue while an Elvis impersonation of "I Can't Help Falling in Love with You" was being sung. Kudos to Phil for being such a good sport – he has hit the ground running in our park.

During the intermission we enjoyed some fall desserts of apple and pumpkin pies and a sugar-free cake.

Later in the show, Dale asked for another member of the audience to join him, along with Joey Harris, in a card trick. Judy Walling volunteered. The card game was fun, and we couldn't figure out how Joey selected the card Judy had picked. Maybe Joey had help from the man standing next to him?

There was also group singing, jokes from the "friends", volunteers, snacks, and a lot of laughter. Something for everyone.

TIPS FOR LIVING WITH MACULAR DEGENERATION

On Thursday, November 1, low-vision consultant Judith Hawley spoke at the Lake Highlander clubhouse and gave tips on living with macular degeneration. She has been living with macular degeneration for over 66 years, having been diagnosed at age 11. Judith gave some excellent tips which are reported here.

*Judith Hawley sharing tips
to the LH audience*

Glare can be a significant problem for those suffering a vision loss. Wearing a visor or a hat with a brim can reduce the glare and allows one to use their vision at a maximum. Finding the right shade of sunglasses for your vision is worth researching. You may find that a gray tint works better for you than brown. Or perhaps you would do better with a pinkish shade. Try on the various shades and ask if you might take them out of the store into the sun to find the best tint for you. A shield above the glasses and on the side noticeably reduces glare. Attractive styles of this type of sunglasses can be found at Walgreens or the Oldsmar Flea Market. Also explore the best positions for your inside lighting such as moving a table lamp or reducing the amount of light above your bathroom mirror.

Keep working at it until you find the best lighting and position of lighting that reduce the glare you may experience.

Contrast is very important for the low vision individual as you lose your depth perception. Try using a light-colored dinner plate with no center pattern and a placemat or tablecloth which has a darker color. This allows you to see the edge of your plate more clearly and helps you see the food on your plate. If you have trouble finding your phone, place it on a light-colored cloth or doily to allow it to stand out, especially if you have dark colored furniture. Yellow edging strips are very helpful to place on the edge of your steps whether indoors or outdoors. You need to be able to see the contrast from one step to the next without falling. And be sure to hold onto the railing as you go up and down the stairs, never letting go of the railing until you are off the last step.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Michael Crofts
FL Licensed Independent
Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

By Jan Schultz

The bell tolled eleven times at 11:00 a.m. on Monday, November 12 at Lake Highlander. The ringing of the bell signified the time of the signing of the World War I Armistice 100 years ago. This year the observance was on November 12 rather than November 11 because the holiday fell on Sunday. A large crowd was gathered by the flags on this solemn occasion.

A portion of the attendees

Harold Lewis was the emcee of the event. A prayer of blessing was given by Darlene Johnson. The singing of the *Star Spangled Banner* was led by Steve Schultz and O Canada was led by Dennis LaPointe. The Pledge of Allegiance to the American flag was led by Harold Lewis.

A short Ceremony of Remembrance for those men and women from Canada and the United States who fought and died for our countries was presented. Darlene Johnson gave a prayer of remembrance. Dick Duclow read the history of the origin of the bugle call Taps. After that, flags were lowered to half-staff by the flag party consisting of Bud Howell, Nevin Hart, Dick Kline, Bob Frazier, and Neal Sargeant. The flag lowering ceremony was accompanied by Taps, played by Justin from the University of South Florida. A moment of silence was observed and then there was a reading of *Act of Remembrance* by Harold Lewis. The Canadian wreath was then laid by Ron and Rita Teeter and the American wreath was laid by Neal and Cathy Sargeant. The flag was then raised.

and Harold Lewis*

Following that ceremony, all Lake Highlander veterans present, or their widows, were honored with a poppy. Each veteran was recognized separately as they stated their branch of service, rank, unit, and any remarks they wished to give. Poppies were pinned by Kay Byrne. Escorting the veterans were Joan Duclow and Dorsey Latza.

At the conclusion of the ceremony, residents were invited into the Mess Hall (AKA Clubhouse) for a lunch of beans and hot dogs. Much thanks to Butch Partington, Cathy Quast,

Coldest place in the world

You may think it's cold where you live right now—if you're in the northern hemisphere, at least—but scientists have located the absolute coldest spot on Earth. No surprise—it's in Antarctica.

The National Geographic website reports that satellite data have identified an ice sheet in the middle of the southern continent with a temperature of minus 144 degrees Fahrenheit. This breaks the previous record for the chilliest place on the globe—minus 128 degrees, recorded in 1983 at the Russian Vostok Station close to the South Pole. At that low temperature, breathing itself is dangerous—more than a few breaths would make your lungs hemorrhage.

Chances are we won't find any colder places. Increases in greenhouse gases and water vapor in the air have scientists expecting a rise in temperatures across the Antarctic of three to four degrees in the coming years.

Next time around

A student spent a semester abroad to learn about life in a different culture. Each day he left the home of his host family to walk several miles to the school for his classes. Along the way he'd pass a river.

Seated near the bank of the river was an old man. He was there every morning and also in the evening, no matter the time. He was also there on the weekends, sitting and staring off into the horizon, not interested in the comings and goings of the world around him.

After several weeks, the student's curiosity got the better of him. He approached the man and initiated a conversation. Eventually, the student asked the man why he sat by the river all day long.

The man explained that he believed in reincarnation and that his soul had been reborn many times. He said that life was filled with many lessons and that one might be reborn and faced with the same lessons many times before ascending into a different life the next time around.

He went on to say that some lifetimes were good, others were not. "This life is neither beautiful nor challenging, nor interesting nor exciting," the man said to the student. "I'm content to sit out this one."
