EDITOR'S NOTE: The master Birthday and Anniversary lists as well as the Centerfold Calendar of Events are kept in the park office computer. If you catch an error or omission in the birthdays, anniversaries or event notices, please notify the office so the information can be updated on their system. Please remember to turn in your RESIDENT'S PROFILE as the new computer software needs your current info.

EDITOR'S NOTE

Turn in your Resident Update Form (to the office) to insure your birthday and anniversary is included in our monthly listings. In an effort to improve the centerfold calendar content, MaryLou Fraher has volunteered to help coordinate times and dates for park events with Sharon Shedd. We now have a Calendar Events Team, our very own Calendar Girls! If you are planning an event that involves using the clubhouse, you must make those reservations with Sharon at the office. Other social event times and dates, can go through MaryLou as well as Sharon. Hopefully all events will now be posted in the PIPER centerfold. Last but not least, let us be the first to wish you a “HAPPY ST. PATRICKS MONTH”, from the PIPER and all the hard working volunteers who hand deliver the park’s monthly newsletter directly to your door each month.

PIPER COLUMN RENAMED

Editors comment; For the past few issues, Dick Duclow has been submitting a column named “Thoughts from the Geezer”. Since he recently was elected President of the R.O. Board of Directors, I took the liberty of renaming his column. Here is his effort for March under the new heading.

FROM THE PRESIDENT'S DESK

by Dick Duclow

The new year is in full swing, hard to believe it’s March already. We’ve had two open houses, January 18th and February 15th. The final phase of the side walk repairs is scheduled and the new enclosed parking area for the security cart is up and running (I hope). The new Communications Committee is hard at work and coming up with great answers to keep everyone in the park informed. The maintenance crew has done a marvelous job of keeping the park looking fresh and attractive.

Lake Highlander is looking sharp with new “stop” signs, new “10 MPH” signs, new “dead end” signs, new “no dogs allowed” signs and we are well on our way to having new street and lot number signs to keep our neighborhood looking fresh.

St Patrick’s Day is closing in and I’ve got to get my green scotch (that even sounds unappetizing) ready for all the celebrations.

The new seating capacity for the clubhouse hasn’t caused any problems and everyone seems to like the way the updated floor and paint scheme brightens up the interior.

Enjoy the month and give me a wave when you see me driving my golf cart around the park. Until next month, ENJOY!!

ST. PATRICKS AT LAKE HIGHLANDER

As this is being written, one of Lake Highlander's favorite leprechauns is a bit under the weather. Lou Lorenzetti organized the last few St. Paddy's dinners in the clubhouse, featuring corned beef and cabbage along with side dishes of fun and music. Lou can't do the dinner this month so Butch Partington and "Brownie" Brown have stepped up and will be this year's hosts. Following the 5PM dinner, the "Doral Kitchen Band" from Doral Village in Clearwater will be front and center on the Lake Highlander stage. This fun group will be putting on a show featuring many old time Irish tunes, led by Former Cruise Ship entertainer; "Irish" Eddie St Hilaire.

St. Patrick's dinner and musical sounds like another Social Club winner.

Speaking of Leprechauns; "Alfie" O'Riordan formerly of Cork City Ireland, (just south of Dublin and only 5 miles from Blarney Castle) who now resides at Lot #269, sent in a favorite photo of his late wife Kitty. Standing next to Kitty is a rather famous customer of the O'Riordans, they were all out celebrating St Paddy's Day a few years ago.

(I don't think he is Irish but I bet everyone knows him, and Alfie reports he is a very likable guy and a good tipper to boot).

Alfie and Kitty helped manage the Brae Burn Country Club in Newton, Mass. and got to meet several celebrities before retiring to Lake Highlander. While living in Ireland, Alfie was The President of the Irish Basketball Association, traveling with the team throughout the continent. Each County in Ireland sponsored a traveling team. Alfie admitted he was not tall enough to make the team but loved the sport and got involved with their administration. While traveling he got to meet many European sports and political celebrities including the President of Ireland and the Lord Mayor of Cork and as you can see in the photo Mohammed Ali.

GUESS WHO

Chances are pretty good you know this handsome young man. However, like the rest of us he has changed a bit since this photo was taken. Have a guess then check further along in this issue for a look at how our "MYSTERY GUEST" looks today.

HIGHLIGHTS OF FEBRUARY SOCIAL CLUB MEETING

submitted by Gloria MacMillan

- *March 7, 2015 White Elephant sale*
- *March 15, 2015 St Patrick's Dinner and entertainment by Doral Kitchen Band*
- *March 21, 2015 Farewell to our Snowbirds Dance*

The new board held it's first Social Club meeting at 7 PM Feb 2nd and we want to thank all our wonderful members that attended on such a chilly evening. The following is a brief recap for those of you that could not attend.

1. Memorials were discussed and it was decided that if asked by the family, the Social Club will provide coffee and cookies. If the family wants any food items they are to be provided by the family at their own expense. Darlene Johnson advised that she needs a volunteer (or 2) to serve as the liaison for the family, the park and the Social Club. This position is basically to help the family make the memorial arrangements. Darlene will continue to visit our folks in the hospital, care centers and in their homes as well as serve as Memorial Chaplain. Thank you Darlene for all you do
2. In order that we give everyone that wishes to volunteer an opportunity, a VOLUNTEER list will be posted in the clubhouse and kept up to date by 1st VP Rachel Savage. Rachel will make sure that we are rotating the list for each event going forward. We look forward to seeing many new faces this year.
3. We need volunteers to form an EVENT PLANNING COMMITTEE- the hope here is that we will have so many suggestions from you all that there will never be a dull moment in this wonderful place that we all call home (whether a full time or part time resident). SO, when you're out and about and there is some entertainer or band or DJ or magician or whatever- please let us know so we can bring those folks here to us for all to enjoy. Get their cards, or names and telephone numbers and bring that info back to the committee or a board member.
4. Butch and Brownie have graciously accepted to run the St Patrick's Dinner while Lou Lorenzetti continues to get well. Thanks Butch and Brownie and we miss you Lou- get well soon!

If anyone wants to get in touch with me (Social Club Pres) via email, my email is: gmacmillan47@gmail.com. I would love to get your ideas and suggestions. Together we can make the 2015/16 season one to remember- We cannot do it without your help

WINE AND CHEESE FUN FOR EVERYONE

Clubhouse Happy Hour Team

Everyone's favorite barmaids, MaryLou Fraher, Beth Martin, Susan Zerbe and Joy Adams served up another afternoon Clubhouse Happy Hour on February 11th for a large gathering of Lake Highlanders. The ladies were assisted by almost all of their hubbies with only one (a golfer) missing in action. This event has become a regular "MUST ATTEND" party featuring cheese and crackers

washed down with the BYOB beverage of choice. Glasses, finger food plates and napkins are provided for a pleasant selection of cheese and tasty variety of crackers and pretzels. Several tables are set up with table cloths and appropriate centerpieces and there is even some ice on hand to chill your drink, all this for only \$2.00 per person. The 4:30 to 6:30 time frame is perfect for winding up a busy day of retirement activities. The absolute best feature of Happy Hour is the wonderful opportunity it provides to mingle with neighbors you may have not met before. Dust off your name tags and get yourself a ticket to the next Wine and Cheese Happy Hour, you are bound to meet some interesting folks.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

- ❖ The Clubhouse capacity was adjusted by the Fire Inspector to only permit 162 seats for any event.
- ❖ Park speed limits have been lowered to 10 MPH. Please observe new limit to avoid the necessity of installing speed “humps”.
- ❖ Treasurer Rhodes reported the following; the mortgage pay down account currently stands at \$644,767.00. He projects \$850,000.00 will be available at the end of 2017. He also reminded the members that Reserve funding will switch to the Pooled method following the recent members vote. Reserve account underfunding for 2014. was approved by the members. The State of Florida did a review of park accounting methods, following a letter of complaint from a resident. The government responded and announced their approval of the accounting methods currently in use by the park office.
- ❖ Sales and Marketing Chair, Susan Zerbe announced that 19 homes and or lots were sold during 2014. She also reported that the Dunedin Chamber of Commerce is sending prospective buyers to the park. The Lake Highlander Web site has been upgraded; MaryLou Fraher, Susan Zerbe and Albert Towle are sharing Web Master duties.
- ❖ Safety and Security Chair Dennis Lapointe is seeking additional Security Cart volunteer drivers for the summer months. Yellow “NO PARKING” lines have been painted at several corners within the park. Please remember to stagger car parking to allow emergency vehicles free and easy access.
- ❖ Questions from members; Past President Don Hanson related some current legal costs that came up when he added a relative’s name to his membership certificate and coach. The office is currently searching for more affordable legal firms willing to handle closings. The Park Manager’s State Management Certificate does not include handling real estate closings. Coaches are now legally considered real estate, and their sales are no longer handled as automobile transactions.
- ❖ Members meeting adjourned and a special R.O. Board meeting convened for the election of new board officers for 2015.
- ❖ Elected to the Executive were: President Dick Duclow, Vice President Dennis Lapointe, Secretary Gloria MacMillan and Treasurer Robert “Dusty” Rhodes.

New R.O. Board Members sworn in

JANUARY PANCAKE BREAKFAST

The shufflers were at it again on a chilly January morning. They were serving freshly flipped flapjacks, while serving up sizzling sausages, organic orange juice and rich flavorful coffee and tea. Another big crowd enjoyed this sumptuous breakfast while visiting with friends and neighbors. Thanks to our park shuffle boarders who have made this a monthly event during Snowbird season.

Pancake cashiers; Nancy Killham and Franci Duncan

The Pancake Crew (Tony Sparks and Arthur Duncan, missed the photo)

This event has been one of the park's most popular and well attended social events. The low price of only \$3.00 per person adds to the attraction.

HIGHLIGHTS FEBRUARY R.O. WORKSHOP

Editor's note; Residents attending workshops may contribute their comments and suggestions to assist the Board of Directors prepare for the next R.O. meeting.

- ✧ Treasurer "Dusty" Rhodes announced he is in the process of implementing a fully funded Pooled reserve fund. Monies will be switched from the former Component method following a members vote. The move will eliminate the current method that requires using two bookkeeping systems. The 2015 Reserve account will be fully funded without any further maintenance increase.
- ✧ Treasurer Rhodes also commented on a recent situation that saw a resident write a letter of complaint to Tallahassee concerning what they considered "incorrect park bookkeeping". Their concerns were found to be incorrect. However the park had to hire a lawyer to sort out the situation. Treasurer Rhodes feels in the future if legal costs are incurred and the charges are discovered to be unfounded, the legal and court costs should be passed on to the person or persons who created the situation.
- ✧ Following a discussion concerning the current number of R.O. Board Members, President Duclow appointed Director Dennis Lapointe to investigate reducing the number of R.O. Board members from the current nine to either seven or five members. This situation came up following the last election when there wasn't a need for a vote. Only 3 residents stood to fill the three vacant seats. All were acclaimed to office without a vote.

NEWCOMERS WELCOME 2015

Hello to many of our new residents

A large mixture of old and new residents enjoyed a meet and greet session in mid January. The new residents were all introduced and spoke briefly about themselves and how they discovered Lake Highlander. Mistress of Ceremonies, Judy Hespelt also called on Board members who were present and all the Social Activities club leaders to speak about their roll in the community. The committee served punch and cookies while folks mingled and enjoyed the evening.

NEWEST MEMBER “HOLE IN ONE CLUB”

Don Redshaw from North Bay Ontario nailed his first ever hole in one a few weeks ago. Don is spending the winter at #78 and was playing with the park Friday Morning League at Country Way Golf Club when he shot his first ace. The league coordinator, Ron Work presented him with a trophy (see photo) at a recent Coffee Hour as a memento of the occasion.

A LOOK BACK 10 YEARS (ITEMS FROM THE FEB. 2005 PIPER)

- 6 candidates were running for 3 R.O. Board seats.
- A new POOL table was delivered to the Multi Purpose room.
- Several (sane & sober) residents have spotted a small gator living in the lake.
- The Social Club donated and installed a revolving lighted mirror ball for the clubhouse
- A Canada Night Dance was held featuring music by “Carlo”.
- Bonnie Enberg was elected President of the Hobby Club.
- The Red Hats had a luncheon meeting at the Belleview Biltmore.

A SUGGESTION FROM THE EDITOR

Apparently, R.O. Board elections do not create much of a stir in Lake Highlander. Our last election saw just 3 people “throw their hat in the ring” for three vacancies and thus each person running was automatically acclaimed to office. Since people are not clamoring for a Board seat, perhaps we should have another look at the Pros and Cons of electing a smaller number of R.O. Board Directors (7- or- 5 would work). The City of Dunedin manages to do just fine with 5 councilors. Does our little community of 290 some homes really need nine Board members serving 3 year terms? Especially, when there are not sufficient candidates to require a regular election. If you think this idea has merit, contact a Board member and let them know how you feel.

RICK CHAPMAN SHOW BIG HIT

Submitted by Gloria MacMullan

What a good time was had by 109 of our residents when impressionist Rick Chapman made an appearance at our Clubhouse in January. He did impressions of Jack Benny, John Wayne, Ed Sullivan and Willie Nelson just to name a few. He sang songs as Dean Martin, Willie Nelson, Frank Sinatra Jr, Roger Miller and many other stars and had lots of back up singing going on in the audience.

Rick enlisted the help of some of our residents to perform in several skits that were "too funny for words!" It was 2 hours filled with singing and lots of laughter. Stay tuned folks, we are busy at work putting together this years' events. The Lake Highlander Social Club extends their thanks to everyone that came out to join in the fun and to Rick Chapman for his talented performance. We sure hope to see everyone at the next event

A big cast of local comedians helped put on the show

WALKING THE CAMINO

Larry and Marie-Etta Farella

The Farella's have spent the past 4 winters here in Lake Highlander at #196. One night they decided to watch a movie and selected THE WAY, starring Martin Sheen. The movie described the famous and challenging Spanish long distance "Walk the Camino" adventure that people around the world take to refresh their souls. The Camino is the world's third most visited pilgrimage, only Rome and Mecca have more annual pilgrims. Larry and Marie-Etta fell in love with the Camino concept and decided to attempt the adventure as a senior citizen life style challenge. Training started right away as they prepared for the epic event. They got in shape by taking long walks, which also gave them time to break in

new hiking boots and other gear. Soon they found themselves on an airplane headed for Spain. The full Camino walk is 420 miles and starts in France. The Farella's discovered a shorter walk was available, 130 Kilometers (80 miles), would do as a starter. It took them about a week to complete the long arduous journey along a trail in northern Spain, from Sarria to the Basilica in Santiago. Each night along the way they stayed in humble village accommodations before getting back on the trail the next morning.

Rather than pack all their belongings, they arranged to have their luggage moved ahead by car to the next evening's accommodations. This saved lots of heavy carrying but it made it

impossible to not complete each daily leg of the Camino. Too tired? Too bad! Keep walking. The first two days were in heavy rain and put a serious damper (pun intended) on their high hopes. But on they slugged, mile after weary mile. 13 miles on day one and 12 miles on day two, finally the rain stopped and they still had 55 miles to go. . The weather cleared and our adventurers did the last 5 days in pleasant weather, enjoying the sights, smells and companionship along the way. They met many other pilgrims “walking the way”; cyclists, hikers and even some folks on horseback, all shared smiles while making their way to Santiago where you receive the official “Compe Stella” certificate of the Camino completion.

Now comes a Lake Highlander connection to “Walking the Camino”. Larry and Marietta arranged to obtain sponsors for their walk and made a significant donation to their favorite non-profit charity, “Kennedy’s Cause” following the trip. Kennedy’s Cause accepts funds to further research for Lymphatic Malformation. Park residents Laddy & Roseann Hubbard, Lot # 285 and Dick & Linda Unverhau Lot #114, share a 17 year old granddaughter, Kennedy Hubbard, with this condition. What better way to raise funds for such a worthy cause than walking the Camino, just like in the movie. Last September, People Magazine honored Kennedy in its “Hero’s Among Us” issue, prompting TV personality Katie Couric to invite Kennedy to appear on her national TV show. On February 10th, Larry and MarieEtta gave a talk in the clubhouse about Kennedy’s Cause and their Camino walk. The presentation included a video and walk souvenirs as well as information about the non-profit organization started by Kennedy and her family. Proud Grandparents Laddy and Roseann Hubbard arranged invitations to the clubhouse event, following the presentation refreshments were served to a large audience of Lake Highlanders. Kennedy’s other grandparents, Dick and Linda Unverhau were unable to attend in person (Dick is “up North” having back surgery) but they witnessed the event via a live web camera hookup and sent their thanks to the organizers and donors.

You can check out Kennedy’s Cause on line at “kennedyscause.com”

Next time you’re out for a walk stop in at #196, Larry and Marie-Etta have some wonderful Camino stories they love to share.

SUPER BOWL PARTY

Park Bookie, “Lucky” Bob Reynolds put on another successful Super Bowl Party in the Clubhouse. Bob’s famous mystery Super Bowl pool sheets were filled early and then people spent several hours trying to figure out if they won or not. The mathematical spread sheet makeup of the pool continues to bewilder his customers. However he was handing out prize money envelopes all week so we all figure he must know what he is doing and besides the snacks were tasty and it was a terrific game!

NEWCOMERS RECEPTION

Submitted by Judy Hespelt

T rue to tradition the evening of the Newcomer's Reception was cold and blustery but just as true to tradition the friendly folks of Lake Highlander turned out in force to offer a hearty welcome to our newest residents. I want to thank everyone who joined in that night. Dennis Lapointe and Myron Paris brought greetings and a welcome on behalf of the Lake Highlander Board. Many of our activity leaders gave a brief over view of and an invitation to join their groups. The PIPER took lots of pictures, Kay Weyant kept the punch flowing and Pat Kasprzak made sure the cookie trays were full. The most important job was done by each resident who introduced him/herself to and talked with a Newcomer.

Nearly thirty new residents attended and it was interesting to hear them tell a bit about themselves and why they choose Lake Highlander. "The park is lovely", "the Blue Jays train nearby" and "interested in Hammock Park" were just a few of the reasons given. But the friendliness of the people was the top reason! That friendliness was very much in evidence at that party.

Thank you again to all who turned out and helped in anyway.

LAKESIDE LASSIE

by Loche Kline

Have you ever seen, heard or done something that was "so BAD that it was FUNNY?!?" Sometimes a "groaner" makes us smile or laugh and serves a very useful purpose. It's really true that we do and feel much the same emotions as those around us. For example, even if it's a stranger who smiles in passing, we naturally smile back. If someone is yawning, don't you have to stifle yawns, as well?!? When another is heartily laughing out loud, I find myself chuckling and joining the laughter, even when I have no idea of why they are tickled. Such things are just naturally contagious!

I believe that most of us are at our best when we are amused. Humor is said to reduce stress. Also, the cliché that "laughter is good medicine" is well known. I have even heard that a good joke can shed light on a serious situation and that it can help clarify and express complex feelings. It might well be a fact that the lack of a sense of humor can do the opposite! If you find yourself or someone around you trapped in a mood where relatively small challenges become giant problems, why not try using a sense of humor to help turn the situation around. We've all heard the saying "Laugh and the world laughs with you". While, probably not a cure for unhappiness, I'd like to include here a few "BAD" examples of humor:

* "Why do chicken coops have 2 doors? Because if there were 4 doors it would be a chicken sedan!"

* "A Russian named Rudolf woke up one morning, looked out the window and announced "It's raining." His wife said, "No dear, it's sleeting."
He replied, "Rudolf the Red knows rain, dear!"

* "Why do seagulls fly over the sea? Cause if they flew over the bay they'd be bagels!"

* "How did the scarecrow win the Nobel Prize? He was outstanding in his field!"

I received a cute forwarded email recently that I'd like to share from Lakeside Lassie: "Keep a SMILE on your face ~ And a SONG in your heart! A smile - is a sign of joy. A hug - is a sign of love. A laugh - is a sign of happiness."

AN ENGLISH LESSON

"Lexophile" is a word used to describe those that have a love for words, such as "you can tune a piano, but you can't tuna fish", or "to write with a broken pencil is pointless." The PIPER has a look at some other interesting "lexophile" statements...Groaning is optional

- When fish are in schools, they sometimes take debate.
- The batteries were given out free of charge.
- A will is a dead giveaway.
- A boiled egg is hard to beat.
- When she saw her first strands of grey hair she thought she'd dye.
- Police were summoned to a daycare center where a three-year-old was resisting a rest.

LAFF A LITTLE

A woman and a baby were in the doctor's examining room, waiting for the doctor to come in for the baby's first exam. The doctor arrived, and examined the baby, checked his weight, and being a little concerned, asked if the baby was breast-fed or bottle-fed.

'Breast-fed,' she replied... 'Well, strip down to your waist,' the doctor ordered.

She did. He pinched her nipples, pressed, kneaded, and rubbed both breasts for a while in a very professional and detailed examination.

Motioning to her to get dressed, the doctor said, 'No wonder this baby is underweight. You don't have any milk.'

I know,' she said, 'I'm his Grandma, but I'm glad I came.'
