## EDITOR'S NOTE.

---

Another winter season has slipped into springtime and as you read these words and enjoy the photos, Mary and I will be heading back to the 1000 Islands for the summer. My co-editor, Sharon Shedd will take on the duties of writing and editing the next 6 issues and I'm sure she would love to hear from you with some of your interesting stories. Things tend to slow down just a bit in the summer so Sharon will look forward to getting your emails with articles for the next 6 PIPERS.

Special Thanks to our newest columnist, Lynn Marro, her monthly column titled "FOOD FOR THOUGHT" has been very well received. Many thanks also to Loche Kline who has retired from writing after several years of producing the "Lakeside Lassie" column. We certainly have room for a second column if someone out there has the writing itch; why not give it a try. Perhaps interviewing a neighbor who had a interesting pre-retirement occupation or someone who managed to be a little bit famous would be a good place to start.

Stay well, we will see you in the fall. Terry

## R.O. PRESIDENTS MESSAGE

by Gerry Killham

It's time to say so long to all our Lake Highlander friends. We are off to our northern home. Hopefully when we arrive there the snow will be finished for this season. It becomes increasingly difficult to leave our Florida home. It seems we just arrived and we are packing to leave.

This Season has been the best weather I can recall in all our years at Lake Highlander. I can't remember when the pool has been enjoyed so much and everyone in the Park seemed to spend much more time outside socializing.

We are fortunate to have such a beautiful park to return to each Fall and that's because we have such wonderful group, owners and renters, who really care and take pride in our Park. Thank you to everyone and an especially big Thank You to the residents who stay all year and take such good care of park while we Snowbirds are away.

Enjoy the summer, take good care. We miss you and look forward to seeing you in the Fall, all the best.

## ANNUAL PICNIC SUCCESS

text and photo by Mary Lou Fraher

What do you get when you have tubs of fried chicken, pans of delicious home-made salads, and over 100 happy residents - another successful end-of-season Lake Highlander picnic. This year's picnic was held April 6 at Philippe Park. A strong wind kept the temperatures at a very comfortable 70 degrees but did not keep the line dancers from doing their thing to music by Bob Birchmore. A 50/50 drawing and sing-along followed the meal.

## HIGHLIGHTS SPECIAL R.O. MEETING RE; HOME & CERTIFICATE SALES

❖ Approximately 150 homeowners were in attendance, along with Park Attorney Steve Nickoloff.

❖ V.P Doug Stewart acted as moderator. He opened with the following quote, ***"You are all guaranteed to get your \$24,000.00 back"***.

❖ The thrust of the meeting was to explain why home sales in Lake Highlander now are advertised and sold with the home and share (membership certificate) listed as one price.

*...continued on page 10*

Our by-laws had referred to the share as a separate \$24,000.00 item. Florida State law has superseded our bylaws and now the entire package consisting of home and share are taxed by the State at a 7% rate when the sale is completed. Coach & Share must be sold together, however, the owner sets the package price. You are no longer limited to asking a set amount (\$24,000.00) for your share. You can roll it into the home price and arrive at any figure you think is appropriate. The price of your home must include the total purchase price, home and share.

❖ Questions from the floor included;

1. May extra names be placed on the share? **Answer** YES.
2. If a coach is removed from my lot, may I sell the share (membership certificate) for any price I think is fair? **Answer**, YES
3. Is the owner or his or her heirs responsible to continue paying the maintenance fee and real estate taxes until the coach is sold? **Answer** YES.
4. Are there different laws governing Mobile Home Parks and Co-Operative Parks like Lake Highlander? **Answer**, YES.
5. If a homeowner become incapacitated and asks a relative to sell the coach/share, how does that person proceed? **Answer**, the L.H. office will furnish names of several Title Companies and Law firms that have successfully acted for absent home owners. The office does not get involved any further than identifying professionals to help.

## MORTGAGE TEAM ANNOUNCES SEARCH RESULTS

---

**A**t a special R.O. Board meeting held on March 30, the team assigned the task of finding a new mortgage deal came through with flying colors. Ending a 2 year effort begun by retired Treasurer Dusty Rhodes and completed by current Board members, Susan Zerbe, Michel Bergeron and Doug Stewart, a new mortgage vendor has been selected. Before bringing their results to the full board of directors, the park accountant Lorri Kidder reviewed things and gave the search team's choice a stamp of approval. If all goes as planned, a motion will be made at the April 12 R.O. meeting to start toward a deal with Mortgage Brokers Crown Capital who will arrange a new mortgage with Symentra Insurance Company. Current working projections see things finishing up with a 15 year fixed rate mortgage at 4.56 % interest. The resulting new mortgage will allow annual prepayments (without penalty) if the board feels they want to do that. All in all we will have a substantially lower monthly mortgage payment freeing up cash to fully fund reserve accounts as a hedge against future assessments.

## CANCER FUND DRIVE

---

Joan Bernier has announced a “to date” total for the 2017 park Cancer Fund Drive. Joanie was under the weather this year so pinch hitter, Debbie Carveth stepped up to the plate to run this year’s appeal for funds. As of March 25 Debbie’s team has collected \$3,250.00 with a few donations still to come. Joan has been heading up this activity for 10 years and during that time collected well over \$28,000.00 to help in the fight against cancer. Thanks to all who helped Debbie with the 2017 drive and special extra thanks to those who sent along a check.

## HIGHLIGHTS OF APRIL R.O. MEETING

*notes by Lynn Marro*

---

❖ President Killham opened the meeting with the Pledge of Allegiance and also announced a quorum was in attendance.

❖ An OPEN FORUM was offered but there were no comments from the members

❖ Director Susan Zerbe gave a comprehensive report of the Swan Replacement Committee’s findings. A Swan dealer has been identified and contacted for a firm price and shipping details. A delivered price FOB Tampa International Airport is \$1,200.00 for a pair of young female swans, pinned to prevent flight. The Committee identified several items that will require further study.

1. A permanent holding pen should be built to provide some protection during storms as well as making removing the swans from the water much easier.

2. The Committee provided a detailed drawing of the enclosure, as well as a conceptual drawing showing how the enclosure would blend in with its surroundings.

3. A swan handling group will maintain the swans after receiving training from the Regal Swan Society.

4. A “Disaster Plan” will be on file

5. The Committee suggested NO FISHING signs will be posted on the lake.

❖ Board members reviewed the report and followed through with many additional questions and comments. Director Zerbe answered all the Board’s questions using facts gathered to date by the Swan Committee.

❖ Members were given an opportunity to make comments. They overwhelmingly favored new swans over continued fishing on the lake. It was also brought to the Boards attention that if the average swan costs remain at \$2,000.00 per year, it would cost each household .56 cents per month. Director Zerbe (who is also the R.O. Treasurer) assured the Board that the cost was not going to be a problem.

❖ President Killham indicated the Board was not prepared to make a decision on the swan question at this time.

❖ The Swan Replacement Committee will continue to gather facts concerning swan replacements.

*...continued on page 14*

❖ **MANAGERS REPORT;** 1, Several types of park directories are being studied to replace the one at the front entrance near the flag poles. The Board directed the manager to proceed with her planning for a rebuilt directory. 2, All the palm trees used to replace missing trees have been planted. 3, The floor in the pool room has been damaged by the items that were stored there waiting for the white elephant sale. The manager suggested placing the future of the pool room in the hands of the Long Range Planning Committee.

❖ **\*\*\*OLD BUSINESS,** Patsy Perry asked what was happening with upgrading the wooden fencing and general appearance of the maintenance area. Park Manager replied that other projects have higher priorities

❖ **NEW BUSINESS ;** Following a discussion, the Board decided to install new security cameras at the same time the new directory is built. This all will all take place after the new mortgage is finalized.

❖ **TREASURERS REPORT,** Susan Zerbe announced that Symentra Insurance Company will carry the new park mortgage. The interest rate is quoted at 4.56%. as a fixed rate for 15 years. The mortgage arrangements are expected to finalize in June. As planned, the Pay Down Account will be applied against the mortgage.

❖ There were no further committee reports  
Meeting adjourned at 11:30.

## **PARK GOLF CHAMPIONS**

*submitted by Bob Bernier*

**T**his year's winning golf team with a sparkling score of 58, three under par, sparked by long ball hitter Don Janes on the hard 14th hole with a birdie putt. Pictured left to right, Larry Farella, Scottish Jim McNee, Don James and Ron Teeter. Well done!!!!!!!!!!!!

## **MORE PICNIC NEWS**

*submitted by Roseann Hubbard*

**W**e would like to thank everyone for attending our picnic held at Philippe Park. There were around 150 people there. It seemed that all attending were enjoying themselves and appreciating the park. Thanks go out to Bob Birchmore for all the great music, so the line dancers could show off their talent and people could have a sing along.

We also want to thank the people that helped with their homemade salads. The terrific potato salad was made by Betty Pyenta and her helpers, Debbie Modesto, Carol Kirpatrick, Bert Leger, Joyce Szyński, and Donna Flint. Thanks go to Lois Gatlin for her great potato salad. The pasta salad was made by Linda Unverhau and Roseann Hubbard. The delicious baked beans were made by Lou Lorenzetti and Genevieve. Carol Weibel made the oh so popular Cole slaw. Also thanks go to Butch for all the shopping and running all over that he does for us.

Everyone, please have a great summer.

## HIGHLIGHTS APRIL SOCIAL CLUB MEETING

---

- 1st. V.P. Kay Byrne filled in for President Brown
- Margaret French gave the invocation.
- 2nd. V.P. Roseann Hubbard led the Pledge of Allegiance
- Secretary Louise Shoknsnyder read the March minutes, they were approved as read.
- Treasurer Judy Walling gave the financial report. Several inconsistencies have been corrected, including a bank error of \$733.00 which has been resolved in our favor. The Club bank balance as of March 31 was \$11,408.13.
- OLD BUSINESS; a propane tank safety storage cage has been located. It will cost approximately \$350.00.
- NEW BUSINESS; It was announced that Eugene “Brownie” Brown will not be available to chair the 2018 White Elephant sale. The Board is considering the elimination of furniture sales at the 2018 White Elephant.
- Comments from the floor; Pat Kasprzak mentioned that the furniture pickups and storing of furniture for the sale is very labor intensive and she thinks we should eliminate that part of the sale. Alternatively, she feels storing and picking up for 4 months ahead of time is too much. Perhaps only picking up and storing for 30 days prior to the sale would make things easier. . Doris Lapointe feels more people should know what the club is deciding and suggested making their plans known at coffee hour. Lynn Marro suggested having donors deliver their own furniture to the sale site on the day before the sale. The Chairwoman then decided the sale details will need more study. The final sale particulars will be announced in the fall.
- Susan Zerbe, speaking on behalf of the Wine and Cheese organizers, commented that the Wine and Cheese parties have become very popular. At the last two parties, the organizers rented three hi-top stand-up tables which got lots of use. She then asked the Social Club Board if they would purchase 3 tables for this and other clubhouse and pool social events. The tables would cost approximately \$300.00. Dennis Lapointe made a motion that the Social Club purchase the tables at a cost of \$300.00. Jean Gard seconded the motion. Much discussion followed. Karen Judson objected saying the R.O. Board should buy equipment for the clubhouse as they actually own the property. Butch Partington suggested the tables could be rented for each event. Rental would be \$39.95 for 3 tables. Gloria MacMillan asked the members to consider storage if 3 new tables were purchased. The Chair asked for a vote and it was a tie. She then suggested the matter be voted on at the November meeting when more members would be in attendance.
- The meeting adjourned at 7:45.
- **Editors Note, On April 9th. the PIPER received word that 3 individuals had purchased the tables and will store them when they are not in use.**

## MIKE JOINS THE STAFF

Park Maintenance has added a 3rd maintenance technician to our park staff. Mike Barbara came aboard a few weeks ago and is often seen riding shotgun with Dave who is showing him the “ropes”. Word has it that Dave has asked for fewer hours so Mike will pick up the slack when that happens. Mike lives in Palm Harbor and was born and raised in the area. He proudly stated that he is in fact a Third Generation Floridian. His family roots in Pinellas County go back 100 years so he sure won’t get lost coming to work.

Mike is a bachelor who enjoys “Off-Roading” in his spare time. His off road equipped Toyota truck gets lots of looks when it’s parked at the maintenance building. Fishing and hunting take up the rest of his off work hours and he can often be found fishing in the surf off Honeymoon Island.

Mike studied architecture when he finished High School but soon discovered his love of outdoor work as opposed to sitting at a desk all day long. Before arriving at Lake Highlander, Mike worked for a landscaping company where he learned how to operate heavy equipment, including tractors and forklifts as well as welding, and assorted gardening/landscaping skills. Recently, he spent several days making landscaping improvements on the island. Looks like Park Management has found us a winner with multiple skills and a friendly, positive attitude. Welcome aboard Mike. Give him a wave next time he goes by on the maintenance department’s red mule 4 wheeler.

## WHITE ELEPHANT SALE VOLUNTEERS THANKED

*Pizza, subs and salad for all*

Volunteers who helped put on this year’s White Elephant sale, enjoyed pizza and subs along with a beverage of choice at a March 16th pizza party in the clubhouse. Hosted by the Social Club, approximately 65 people showed up for tasty snacks. There were many happy faces as the late afternoon affair meant; nobody had to make dinner that night.

## FOOD FOR THOUGHT

Submitted by Lynn Marro #256

**M**y sister-in-law's mother was a great southern cook. At one of the family's gatherings she made a delicious cake she called a "wash day cake". She said it was an easy dessert to make on the day she did the wash (laundry for us northerners) for her family of seven. Her recipe started with a yellow cake mix to which she added powdered sugar. When I asked her how much powdered sugar she said "Lordy, honey, I don't know. You just stick your hand in the box two times." Needless to say, I never made "wash day cake". However, here is a recipe from another great southern cook I know.

### Chocolate Éclair Cake (To me from Pat)

- a 9x13 pan with a tight-fitting lid
- 45 graham cracker squares
- 2 3.4 oz. boxes of vanilla instant pudding and pie filling\*
- 3 cups of milk
- 1 9 oz. container of Cool Whip

## ISLAND HOLE IN ONE

Saturday, March 18 was a beautiful day for golf; overflow galleries of park residents were thrilled with attempts at landing a hole in one on the island.

*Lots of ooos and aaahs from the big crowd.*

Champs for closest to the hole were Kay Wyant, lot #242 and Cliff Chiassion, lot #107

## GERRY AND SISTER WIN CORN HOLE TOSS

Following the Island Hole in One contest, the Social Club set up the new oversized party barbecue and served lunch for all the spectators. The annual Corn Hole Toss Tournament took place under a dazzling Florida sun. Organizer Bob Bernier sent out several teams for timed sessions. The games were still under way when the photographer went home to write up the story. Gerry Killham and his sister Lenore won the event with a late afternoon playoff..

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## **SAINT PADDY'S WEEK 2017**

**T**his year the Open House street party location changed from O'Kasprzak's to O'Butlers but everything else sounded just the same. Shown here are the porch musicians for the evening affair; Allan Stewart, Joe Kasprzak and Allan's son also named Allan.

On Saint Patrick's week Sunday, the Social Club put on a delicious corned beef and cabbage supper. The hall was packed with green clad Irishmen and women enjoying a wee drop while waiting to be fed and entertained. Butch Partington oversaw the affair and outdid himself with a delightful traditional dinner. Joy Skeie's dance troop entertained the gathering with some very lively Irish step dancing. Unfortunately the sound system acted up and the music didn't reach the entire audience. But luckily, the dancer's enthusiastic moves made up for the lack of sound. Steve Schultz led a sing along after dinner and the crowd left with a smile on their faces and a song in their heart. Mistress of Ceremonies, Roseann Hubbard gave a valiant effort but she also was let down by the clubhouse sound system. Those of us sitting at the back of the room could see her lips moving but the sound system just didn't do its job (again). Well done to all who helped put on this successful event.

### ***THANKS A BUNCH***

*L to R, Kathy Burgan, Marge Harnish, Gail Beaudreau, Linda Latimer, Joy Skeie, Kathy Hartwell, Millie Beaulieu and Terry Lucas.*

Joy Skeie's 2017 dance group said thank you with flowers and hugs on March 22. Joy teaches the group new dance moves twice weekly during the winter season.

After polishing up their routines (under Joy's careful eye) the dancers often entertain at Park Social events. Joy has been giving lessons for umpteen years and says she still gets a kick out of it.

## GREAT GIFT FOR MOM

*Submitted by the Latimer Family*

---

Here is a summary of my mom's EPIC birthday celebration for your newsletter. I've attached the family picture in front of the helicopter.

The whole family joined Linda Latimer in Las Vegas to celebrate her 80th birthday on March 4th. They stayed in the Paris Casino with a great view of the dancing fountains of the Bellagio, and Linda and Russell also enjoyed the Brooks and Dunn/Reba McEntyre show at Caesar's Palace. The highlight was a helicopter ride over Hoover Dam and on into the Grand Canyon for a picnic. When asked how she did gambling, Linda replied, "What happens in Vegas stays in Vegas!"

This year's donations totaled \$3,225.00, bringing our 10 year donation total to \$28,601.00. Let's hope our contribution to research finds its way to help Aggie Bowman and Theresa Brown in their fight against cancer. My heart is overjoyed at your generosity.

# LAFF A LITTLE

**A** tough old cowboy counseled his grandson that if he wanted to live a long life; the secret was to sprinkle a pinch of gunpowder on his oatmeal every morning. The grandson did this religiously to the age of 103. When he died, he left 14 children, 30 grandchildren, 45 great grandchildren and a 15 foot hole where the crematorium used to be.
