## Lakeside Lassie predicts “fog” !!

I'm sure that many of you have looked with amazement at fog, especially at this time of the year, as it cloaks our surrounding often during the early morning hours. Frequently, later in the day, in Florida, "sea fog" literally rolls in and surprises and leaves us in awe, as well. One of the wonders of such sights, is how the white stuff settles.... sometimes very low along the ground, sometimes high above our heads, and sometimes it even seems to hang in mid-air, with clearing below and sunshine above! Seeing such a phenomena makes my mind work overtime and to even wander. When fog is part way up and part way down, I'm reminds of the saying "it's not the destination, but the journey..." The bottom area can represent the beginning, when we are born. The clear top is the ending. Heaven! It's the foggy space in the middle that is ours to fill in.

I have been keenly aware of the "filling in" part during the last few years. We plot, we plan, we move forward into our foggy future with confidence. But when we get to that space in time that is our future, it often is nothing like what we expected. The surround-

ings may be familiar, but the furniture has all been moved around and the party guests aren't the ones that we thought would be there.

We all fill our "foggy middle" area in different ways. Of course family interests and home duties take up a large portion of our mid-way pursuits. Spending time with friends and pursuing hobbies are other important pastimes. Take a moment and think about your own "in between" activities. Traveling? Cooking? Golfing? Reading? Maybe volunteer projects are on your list?! Some of you are probably protesting that you don't really have a "volunteer project" but rather help out here and there. That is being overly humble, no doubt, because all efforts, even a smile and a kind word, make a difference in the lives of others. I truly believe that nearly everyone has filled in some of their "foggy part in the middle" with beautiful caring deeds. And I'm sure that our world, and more precisely, Lake Highlander, is a better place because of the genuine caring efforts expressed by our residents.

Please know that our community offers lots and lots of opportunities to volunteer, such as doing for our neighbors, serving on committees, helping at the office and participating during special events where additional help is always needed and appreciated. Don't hesitate to let your interests be known!

This is Lakeside Lassie saying, I hope that the foggy part in the middle of your life's journey is filled with caring deeds and beautiful realities. And when you look back, may the only parts that are still foggy be those that you prefer remain just that way!

## SUMMER PANCAKE BREAKFAST

On a beautiful Thursday morning on August 28th, about 50 residents from the Park joined Butch Partington and his crew for a lovely pancake breakfast. Butch closely overlooked the preparations and everything went off as smoothly as a well-oiled buggy. Bob "The Spoon" Reynolds handled the bag of premix and added just the right amount of water. Butch started flipping pancakes, but soon turned the job over to "experienced" Gloria Macmillan. A great time was had and we will do this again next summer!

# 2014-2015 LHRO BOWLING LEAGUE

Rita St. Laurent and Warren Bowman

It will not be long before the balls start rolling and the pins start falling. The LHRO bowling league begins on Tuesday October 14, 2014 at 11:45AM at Dunedin Bowling Lanes. Where else do you have the opportunity to experience frustration, pleasure and disappointment all in one afternoon> The price for all this is \$9.00. All are welcome whether you have not bowled in 40+ years or never bowled at all. Anyone interested in joining us for a fun afternoon or should you have any questions about the league you should contact Rita St. Laurent or Warren Bowman.

## GRUMPY REALITY

1. As I let go of my feelings of guilt, I am in touch with my inner sociopath.
2. I have the power to channel my imagination into ever-scaring levels of suspicion and paranoia.
3. I assume full responsibility for my actions, except the ones that are someone else's fault.
4. In some cultures, what I do would be considered normal.

5. My intuition nearly makes up for my lack of wisdom and judgment.

6. I need not suffer in silence while I can still moan, whinger, and complain.

7. When someone hurts me, I know that forgiveness is cheaper than a lawsuit, but not nearly as rewarding.

8. I am at one with my duality.

9. Blessed are the flexible, for they can tie themselves in knots.

10. I will strive to live each day as if it were my 50th birthday.

11. I honor and express all facets of my being, regardless of state and local laws.

12. Today I will gladly share my experience and advice, for there are no waster words

than "I told you so!"

13. A scapegoat is almost as good as a solution.

14. Just for today, I will not sit in my living room all day in my underwear. Instead, I will move my computer into the bedroom.

15. I will no longer waste my time reliving the past; I will spend it worrying about the future!

16. The complete lack of evidence is the surest proof that the conspiracy is working.

17. Before I criticize a man, I walk a mile in his shoes. That way, if he gets angry, let's a mile away and barefoot.

## Tongue In Cheek Dept:

## HAVE YOU HEARD THESE?

### THE FOUR STAGES OF LIFE

1. You believe in Santa Claus.
2. You don't believe in Santa Claus.
3. You are Santa Claus.
4. You look like Santa Claus.

### COUGH CURED

John was a clerk in a small drugstore but he was not much of a salesman. He could never find the item the customer wanted.

Bob, the owner, had about enough and warned John that the next sale he missed would be his last.

Just then a man came in coughing and he ask John for their best cough syrup. Try

as he might John could not find the cough syrup. Remembering Bob's warning he sold the man a box of Ex-Lax and told him to take it all at once.

The customer did as John said and then walked outside and leaned against a lamp post.

Bob had seen the whole thing and came over to ask John what had transpired.

"He wanted something for his cough but I couldn't find the cough syrup. I substituted Ex-Lax and told him to take it all at once" John explained.

"Ex-Lax won't cure a cough!" Bob shouted angrily.

"Sure it will!" John said, pointing at the man leaning on the lamp post.

"Just look at him. He's afraid to cough!"

### NEW SET OF CLUBS

Bill and Ralph step up to the first tee box.

Bill says, "Hey, guess what! I got a set of golf clubs for my wife!"

Ralph replies enthusiastically, "What a great trade!"

### WHICH DOG IS SMARTER

A couple of dog owners were arguing about whose dog is smarter.

"My dog is so smart," says the first owner, "That every morning he waits for the paper boy to come around. He tips the kid and then brings the newspaper to me, along with my morning coffee."

"I know," says the second owner. "How do you know?"

"My dog told me."

## Welcome Back Friend

After 2 yrs. away we welcome back Connie Wagner #286. Connie was Valedictorian when she graduated in 1958. She met Don while Attending the University of Penn. She always wanted to be married and a year later she got her wish. They had 3 children in 5 years! Donald Carson, then Wendy Marie and Christen is the baby. I'll bet not everyone knows that Connie loved being in the theater. She was a Marsh Curtain Caller!! She had parts in "South Pacific, Bloody Mary and Mame". Connie and Don vacationed in The Keys for 18 yrs. She loved Mallory Square. She loved to play miniature golf. In 1990 Don and Connie decided to spend their vacations here in Lake Highlander and bought # 286 which was formerly owned by her father? On her 1st visit to the pool Carolyn Maxwell asked her for her "pool pass"!! She became friends with Sharon Mezio. One of her funniest stories is when she was home in NJ, the t.v. show Jeopardy was on 1 hour earlier than here. Little did Adam Mezio know that when he sat and watched Jeopardy with his mom and she knew all the answers (after a call to Connie). One of her favorite things is jewelry. She sold jewelry in the keys as well as a shop in Oldsmar. Maybe that is why the social committee put her in charge of the jewelry for the "White Elephant Sale". She really showed her talent in displaying and selling all the trinkets for 13yrs. What a special lady Connie is. She has survived breast cancer not once but twice. Just goes to show you what having good people and prayers can do. Does anyone remember the Mardi Gras Parade here around the lake?? Well that is one of Connies' favorite memories. Well you would not have recognized her or Liz Greatorex in the golf cart decorated to be "The Garden of Good and Evil". So many memories, so many friends. When asked what she misses the most her answer is the 4 c's cat, computer, car and cigarettes. With a tear in her eye she also said that she remembers fondly her friends that have passed on. She will tell you how lucky she is to have so many friends here that like to visit her. If you would like to reminisce with Connie you can visit her on her porch or at Bonnies Breakfast on Friday mornings. Have you seen her riding around in her golf cart? Get out of the way! Let me leave you with this quote from her (which I really couldn't wait to share)

"For every privilege there is an obligation."

I am so lucky to know her and I am sure you are too! Welcome home old friend.

A woman walked into the kitchen to find her husband stalking around with a fly swatter

"What are you doing?"  
She asked.

"Hunting Flies"  
He responded.

"Oh. ! Killing any?"  
She asked.

"Yep, 3 males, 2 Females," he replied.

Intrigued, she asked.  
"How can you tell them apart?"  
He responded,  
"3 were on a beer can,  
2 were on the phone.

Thanks again Al!!!

## The sound of anger

---

A young student of Zen visited a wise and renowned master. Wanting to show off his enlightenment, he sat down and said: "The mind does not exist. The true nature of the universe is emptiness. There is no realization, no delusion, no sage, no mediocrity. There is nothing to give and nothing to be received. Is this not right, master?"

The master, smoking quietly, said nothing. Suddenly he gave the student a smack on the head with his pipe.

The student grew quite angry. "Why did you do that? I came here seeking to discuss wise matters with you, and you simply hit me in the face with your pipe? How could you do such a thing?"

"If the mind does not exist," the master asked, "where did this anger come from?"
