## Director's Corner

---

**R**ecent events have made all directors much more aware and involved in infection control activities. Hand cleaner is available in each building. Disinfection of handles and faucets is taking place on a regular basis. Special gloves are being used for food service. Each resident can help by staying home when ill and practicing food hand cleaning technique when using common equipment in the hall and at the pool. Since we are all in the highrisk group by virtue of our ages, let our community be a model of prevention.

*Betty Luciano*

## MORE DIRECTOR'S CORNER

---

*Mandy Bruce*

**W**e are already past year end and by the time this printed many of you have left for the season. Hoping those who leave for the summer have safe travels and wherever you hang your hat this summer season, I wish you nothing but the best.

Now for the numbers:

Our operating cash was down by \$11K for the month of February. Would have been significantly less if we had paid the insurance and pool heater replacement bills of \$20K and \$8K respectively. March will show another decrease and then we should see our operating cash begin to flatten out throughout the summer barring any unforeseen circumstances.

Our Reserves sit at \$472K with our average rate of return at about 2.15%. As you know there was a reduction in the Fed rates. We luckily were able to renew a CD at 2.2% just before that reduction was announced. Phew...just made it.

Our revenue over expenses for the month of February was a net expense over revenue of \$11K. This predominantly due to our water bill at \$19K. Our water bill is paid every other month, so not unusual.

Over all we are right in line with our projected budget with the exception of the upcoming pool heater replacement to be paid in March.

Seems bizarre to think this will be my last "Director's Note". As I leave the board, I feel confident I have left our community as financially strong as I could, given our current maintenance fee structure, overall expenses and reserve funding parameters.

I want to thank you for all your support during my tenure. It really was a pleasure serving on the board even with some of the adversity the board experienced at times. We have a great community with remarkable talent and people willing to give of themselves. That's why we continue to be a strong family. As I stated in the past, I will continue support our community in any capacity the new board sees fit.

## Flea Market

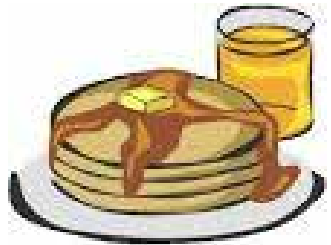

Gerry Near]

Every year when I write this article, I remind myself not to single anyone out with my thank yours because if I named everyone I owed a thank you to it would fill the whole bulletin. I don't have that problem this year. I want to thank each and every one of you who worked on Friday. At 8:40 am when everyone was asked to go to their table it was clear we were going to be short staffed on some tables. One was even empty. A problem? Are you kidding me? This is Lake Seminole!!! We made it work. We kept an eye on the tables next to us and filled in when needed. Of course, I wasn't at all worried. We always have known we have the most fantastic volunteers. We just proved it once again.

The net amount from the Flea Market is \$3,992.00. We will never remember how much we made but we will never forget how much fun we had.

## PANCAKE BREAKFAST MARCH 14, 2020

No one can say that older people are set in their ways. At least it can't be said about the people at Lake Seminole Resort. I am so pleased that our 104th pancake breakfast and our very first take out breakfast was well supported by the residents of LSR.

The results were better than one on the committee anticipated. Thank you all. We sold 273 meals and turned over to the Social Club \$1105.00.

May our breakfast in January 2021 be the normal and much more social and all of us be healthy.

Bob Osgood

# Listing Your Home for Sale

Board of Directors

**L**asereno Inc. has requirements that must be completed and approved before the sale of your home can be completed as per Rules and Regulations (section 12) and the Bylaws, dated April 2018, article 15. Requirements for you to undertake to ensure timely closure on any sale include:

- Notify the Park office as soon as your home is listed either privately or with a realtor.
- Direct the potential buyer and his/her real estate agent to contact the Park office immediately.
- Potential buyer must complete a background check, obtain and complete the buyer's package and be interviewed by two board members. The buyer must be approved by the board of directors.
- Upon approval of all requirements the closing can commence and the share in Lake Seminole Resort can be issued.

Failure to follow these required steps can delay the selling process and the subsequent issue of the share to the buyer. In addition, please note that when adding or removing a name on your share, Lasereno Inc. must also be notified to ensure the required process is completed. Thank you for your cooperation.

# MAINTENANCE NOTE

Gloria Monchilov

**R**egarding planters in front of our houses. This year 5 planters on 102nd Way have cracked and fallen forward, needing to be replaced or repaired.

These planters are 50 years old, so gravity has pushed the packed soil down and forward to push the bricks. Before this happens to yours, simply remove some soil in your planter and loosen the rest, to take the pressure off the brick. It should last for another 50 years.

## Our Website!

---

To comply with new state regulations, and to move into the 21st Century, we have a new website that will help us keep in touch whether you are in Florida or anywhere in the world. There is a computer in the card room for anyone who wants to access the LSR website and does not have the ability at home. We would like to have your lot number, so please look at your property tax bill or ask Marlaine to look it up before you register.

1. To get registered, please go to [www.LakeSeminoleResort.org](http://www.LakeSeminoleResort.org). In the upper right-hand corner, click on “Register”. Please enter your information as best as you can. (You do not need to add city, state and zip for your LSR address.)
2. I will get an email asking to approve your registration.
3. You will get an email back when that has been approved. (Check your SPAM folder.) Click on the link within the approval email and you can change your password. Your default user name is the email address you used.

If at any time you’d like to change anything, click on “Your Profile.” You can add a photo of yourself, couple or family; change your profile information; update your phone number; change your user name or password, etc. You can also have a separate profile, within the same account, for your spouse but it’s not necessary.

On this website, you will find important documents for residents, events and photos; as well as contacting the board and filling out requests. Please note that anyone not logging in (those who do not reside here) cannot access the resident directory or documents. There is a computer you can use in the meeting room, off the card room. Please remember to log out before closing the window. Do not turn off this computer, simply turn off the monitor.
