# Listing Your Home for Sale

Board of Directors

**L**asereno Inc. has requirements that must be completed and approved before the sale of your home can be completed as per Rules and Regulations (section 12) and the Bylaws, dated April 2018, article 15. Requirements for you to undertake to ensure timely closure on any sale include:

- Notify the Park office as soon as your home is listed either privately or with a realtor.
- Direct the potential buyer and his/her real estate agent to contact the Park office immediately.
- Potential buyer must complete a background check, obtain and complete the buyer's package and be interviewed by two board members. The buyer must be approved by the board of directors.
- Upon approval of all requirements the closing can commence and the share in Lake Seminole Resort can be issued.

Failure to follow these required steps can delay the selling process and the subsequent issue of the share to the buyer. In addition, please note that when adding or removing a name on your share, Lasereno Inc. must also be notified to ensure the required process is completed. Thank you for your cooperation.

## Interfaith Food Pantry

Hello LSR residents

As many of you know, a number of us have been contributing to the Interfaith Food Pantry. Thank you for those who have participated in this endeavor. As you know, the Food Pantry is now holding a drive-by pick-up for supplies on Thursdays.

Having worked at the Pantry in the past, I know the need is great. With so many people out of work, more are served each week.

Now that the holidays are coming, there will be an even greater need. When I was working at the Pantry, our busiest time was always the weeks leading up to Thanksgiving and Christmas. Please continue to donate. Cash donations are always accepted if this is your preference.

There is a box in the hall, or food can be dropped off at my house. If you are unable to get out, I would be happy to come and pick-up anything you wish to give. All donations are welcomed. The list of needed supplies is included below.

Thank you,

## Our Website!

---

To comply with new state regulations, and to move into the 21st Century, we have a new website that will help us keep in touch whether you are in Florida or anywhere in the world. There is a computer in the card room for anyone who wants to access the LSR website and does not have the ability at home. We would like to have your lot number, so please look at your property tax bill or ask Marlaine to look it up before you register.

1. To get registered, please go to [www.LakeSeminoleResort.org](http://www.LakeSeminoleResort.org). In the upper right-hand corner, click on "Register". Please enter your information as best as you can. (You do not need to add city, state and zip for your LSR address.)
2. I will get an email asking to approve your registration.
3. You will get an email back when that has been approved. (Check your SPAM folder.) Click on the link within the approval email and you can change your password. Your default user name is the email address you used.

If at any time you'd like to change anything, click on "Your Profile." You can add a photo of yourself, couple or family; change your profile information; update your phone number; change your user name or password, etc. You can also have a separate profile, within the same account, for your spouse but it's not necessary.

On this website, you will find important documents for residents, events and photos; as well as contacting the board and filling out requests. Please note that anyone not logging in (those who do not reside here) cannot access the resident directory or documents. There is a computer you can use in the meeting room, off the card room. Please remember to log out before closing the window. Do not turn off this computer, simply turn off the monitor.

### Health care is changing—will consumers adapt?

**H**ealth care is becoming more dependent on phone calls and artificial intelligence to treat patients instead of relying primarily on in-person appointments. The public may not be ready, though. A Harris poll, reported on the Xtelligent website, found that only one in five consumers would trust AI-generated health care advice, although responses were different between generations. Among adults 18–34, 22% say they would trust AI guidance, but only 10% of adults 65 or older say the same.

When it comes to phone appointments, a third of consumers actually prefer receiving health care advice over the phone, compared to 30% who prefer in-person visits, 25% who prefer online advice, 6% who prefer mobile apps, and 5% who prefer AI. Women are more likely to prefer the use of a phone for health care advice than men (36% to 28%).

The AI market for health care is expected to increase at a compound annual growth rate of 50.2% between 2018 and 2025, from \$2.1 billion in 2018 to \$36.1 billion by 2025.

## More attention to health during outbreak

---

**T**he COVID-19 outbreak has Americans paying more attention to their health, according to a study by Rally Health, Inc. Its survey found that 43% say the outbreak has motivated them to focus on their overall health more than before. Forty-nine percent are more aware of their physical health, and 44% are paying more attention to their mental health.

Many people are striving to take more control of their health these days as a result. Twenty-four percent are eating more healthfully, 21% are exercising on a more regular basis, and 21% are paying closer attention to their mental health — depression, stress, and the like.

## December Monthly

**Buckwheat Month.** Despite its name, buckwheat is not a type of wheat—in fact, it’s not technically a grain at all. Buckwheat is one of the six pseudo grains that are not part of the Poaceae cereal family but are considered grains due to their similar uses from a culinary and nutritional perspective. Buckwheat has a rich history in Asia, where it is used for traditional noodles such as soba, and in Eastern Europe, where it is used to make a type of porridge called kasha.

### **National Impaired Driving Prevention Month.**

Sponsored by Mothers Against Drunk Driving. Take personal responsibility this holiday season by making a plan for a safe ride home before your celebrations begin. Designate a nondrinking, unimpaired driver. Take a taxi, a bus, or a train. Use a rideshare app like Uber. If you’re a host, provide an alternative to your guests, such as festive, nonalcoholic drinks.

**National Tie Month.** Neckties originated when Croatian soldiers wore silk scarves; at the time, they were called cravats. Take a selfie in your favorite necktie and post a picture of yourself rocking that business-professional-with-a-little-bit-of-edgy-personality look.

**Universal Human Rights Month.** Universal Month for Human Rights began in 1948, when the United Nations wrote a document called the Universal Declaration of Human Rights. This happened after the Second World War, because the UN wanted to prevent future atrocities. It created the document to properly define what human rights would be protected universally.

## Weekly

**National Handwashing Awareness Week, Dec. 6–12.** Handwashing is more important than ever these days. Remember to wash your hands when they are dirty and before eating; do not cough into your hands; do not sneeze into your hands; and do not put your fingers into your eyes, nose, or mouth.

**Hanukkah, Dec. 10–18.** The Jewish Festival of Lights remembers the rededication of the second Jewish temple in Jerusalem in 165 BCE.

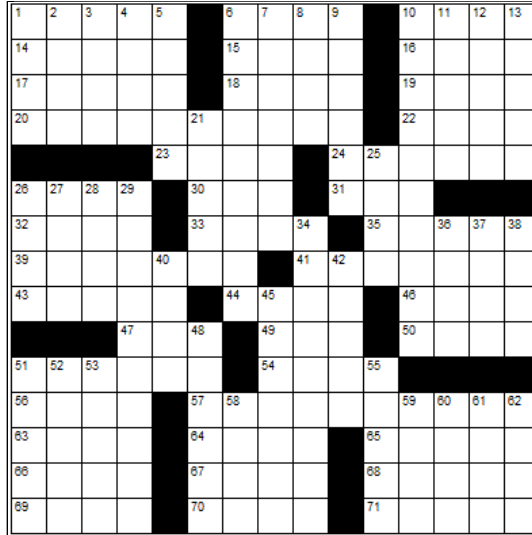

**Gluten-Free Baking Week, Dec. 13–19.** This special time brings awareness to the predicament of dealing with gluten allergies around the holiday season. People allergic to gluten should not have to go without the savory deliciousness of all kinds of desserts.

**Kwanzaa, Dec. 25–Jan.1.** A celebration based around seven major principles which are, according to its founder Maulana Karenga, a communitarian African philosophy: unity, self-determination, collective work and responsibility, cooperative economics, purpose, creativity, and faith.
