## NFL CHAMPIONSHIP 2017

---

**W**HAT A GAME!!!! And I'm not even a football fan! Anyway, 100 people enjoyed the camaraderie and a meal of lasagna, coleslaw and rolls. Many thanks go out to many people for making it a success. This is the first time lasagna had been served as it was always the labor intense chili which took at least 2 days of work to get ready.

Thanks to Jerry Gillis for printing the tickets. Barb New for helping me sell the tickets. Mario Zammit, Dan Jackson, Paul Westbury, Steve Touchette and Don New for table set up. Mario with Bill Anderson's input on TV set up. Richard Hawley for printing the pool tickets.

Dan Jackson and Nelson Slansky for selling the pool tickets.

Last, but not least, my kitchen helpers! ( Special thanks to Jane Salituri who was my right hand guide while Robbin was away.)

Janet Westbury, Cathy Westbury, Joanne Davis, Vicki Williams, Gail Waddell, Lynda Baker, Robbin Hawley, Jane Salituri

Next year, it is up to someone else to take the reigns.

Thanks to all.

Jackie

## "Evening in Paris"

---

**T**hank you to everyone that attended the ladies' luncheon and fashion show! We appreciate your support and all of the kind words we have received. Thanks to Macy's for providing the fashions and the perfume gift basket. Great big thank you to our awesome models: Debbie Fuller, Gail Waddell, Joanne Davis, Joanne Meyers, Missy Leshko and Wanda Lenneville. You looked beautiful and your hard work with setup, serving and cleanup is very much appreciated! Thank you to the golfers that helped set the tables for us. I also want to thank the most hard-working, talented, creative committee: Cheri Watkins, Mandy Bruce, Marilyn Koeth. You guys make the event such a success! It's been a good ride!

Kim Grierson

## Finger Food and Games Day

---

**T**hank you Ladies for making Finger Food and Games Day a big success. Thanks to Caroline Astrella, Julie Laughland, Donna Polin, and Joyce Corley.

The food as always was very delicious. Hope to see you all next year.

## New Lake Seminole Resort Social Club Website

---

In 2015, through a town hall meeting, initiated by past President, Lynne Sheridan, it was clearly indicated that there was a need to provide more communications, at all levels using social media of some kind. As a result, the Club embarked on a mission to create a propriety website. By January 2017, through the expert knowledge of Sally Bright, [lsrsocialclub.org](http://lsrsocialclub.org) was born. Although in its infancy, the Webmaster, Mario Zammit, envisions this website to be filled with all social activities within the community, including, but not limited to, the social calendar, upcoming event advertising, past events highlights and other miscellaneous tidbits. On a separate secure portal, by way of a password, the business of the social club would be available to the membership. A lot of work still needs to be done...but as the ball starts rolling and picking up momentum, this will become the “go to” for Club information in the future. But for now, we continue to use our boards and this Monthly Media. Current President, Betty Luciano sees this as an exciting milestone in developing a very active membership.

Mario Zammit  
Club Director/Webmaster

## Pizza Party

---

There was a full house for the Pizza Party on January 29. We served up 80 pizzas provided by Pizza Your Way located at Pinecrest Golf Course. I would like to thank Cathy and Bill Wackerman, Lois and Dan Jackson, Connie and Mario Zammit, Vicky and Marty Williams, Claire and Bob Osgood, Wanda Lenneville and Barb and Steve Touchette for helping us make this event a success. Madeline Bright was the lucky winner of \$101 for the 50/50 Draw.

Joanne and Jeff Davis

## Monthly

---

**American Red Cross Month.** For more than a century, the American Red Cross has harnessed the generosity of the American people, mobilizing the nation in the wake of disaster. The American Red Cross and its international partners have served during crises across the United States and around the world. During American Red Cross Month, Americans celebrate the nation's humanitarian spirit and recommit to providing relief and hope in times of crisis.

**Brain Injury Awareness Month.** Sponsored by the Brain Injury Association of America, which conducts an awareness campaign each March. The theme for the 2017 campaign is "Not Alone," providing a platform for educating the public about the incidence of brain injury and the needs of people with brain injuries and those in their families.

**Music In Our Schools Month.** An annual celebration of music educators, students, and communities nationwide, all promoting the benefits of high-quality music education programs in schools. Music In Our Schools Month began as a single statewide event in New York in 1973 and grew to become a monthlong celebration of school music in 1985.

**Women's History Month.** Women's History Month had its origins as a national celebration in 1981 when Congress requested that the president proclaim the week beginning March 7, 1982, as "Women's History Week." Throughout the next five years, Congress continued to pass joint resolutions designating a week in March as "Women's History Week." Since 1995, Presidents Clinton, Bush and Obama have issued a series of annual proclamations designating March as "Women's History Month."

## Weekly

---

**Professional Pet Sitters Week, March 1-7.** An annual observance that honors professional pet-care providers, seeking to educate the pet-owning public about the advantages of professional in-home pet care and encourage pet-loving entrepreneurs to explore professional pet sitting as a viable career.

**Dental Assistant Recognition Week, March 5-11.** Dental assistants are a key part of the dental practice year-round. During Dental Assistants Recognition Week, dentists in the United States and Canada celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with top-quality dental care.

**Women in Construction Week, March 6-12.** The focus of Women in Construction Week is to highlight women as visible members of the construction industry. The National Association of Women in Construction's thousands of members across the country raise awareness of the opportunities available for women in construction and emphasize the growing role of women in the industry.

## Tough interview

---

**S**inger/songwriter and Nobel Prize winner Bob Dylan is known for his idiosyncratic and iconoclastic ways. His sometime guitar partner Bruce Langhorne tells a story of one time the two were being interviewed on a talk show in 1965.

Les Crane, the interviewer, was getting frustrated with Dylan's brief, uninformative answers to his questions. So at one point, when Dylan joked, "That's a nice tie, though," Crane pointed out that Dylan never wore neckties, and then gave the musician his tie to calm the tension.

Dylan responded by saying he liked Crane's boots. Crane didn't turn them over. Instead he said, "Hey, Bob, that's a nice harmonica." But Dylan refused to give it up.

## Hotel concierges go above and beyond

---

**H**otel concierges have to deal with some pretty unusual situations sometimes. Here are some of their most outlandish stories, from the Huffington Post website:

- One guest in a London hotel requested wild goat's milk for his bath. The concierge had to take a cab to Wales (£600) to buy the milk (£50). Then the milk had to be heated for the bath, and the concierge also had to supply 50 bottles of Evian water to wash the milk off after the bath.
- A bride-to-be spilled coffee on her satin wedding dress, and the concierge spent hours washing the stain out and then drying the dress with a hand dryer, consoling the bride all the while.
- One guest asked for 20 pounds of ice to be delivered to his room for his penguins.
- A couple checking into a luxury hotel in New York for their wedding asked for a life-size chocolate statue of themselves.
- A crew of commercial filmmakers asked the concierge to find them a trained monkey for their shoot when the monkey they had originally arranged for didn't show up.

## Technology changing our TV habits

---

The days of the whole family sitting around the TV watching the same show are over. We're still watching programming, but the options have boomed. According to The New York Times, the average American adult watches five hours and four minutes of TV per day, most of it live programming—about four and a half hours, with another 30 minutes coming from DVRs. That sounds like a lot, but it's actually down by 19 minutes from two years ago.

Most live programming is watched by people over 50. People 24 and under view about two fewer hours of live TV and DVR programming per week than they did in 2015. Millennials (25- to 34-year-olds) watch an hour less per week than that, down from 27.5 hours to 26.5. Viewers between 35 and 49 now mostly watch about 22 minutes less live programming per week.

Approximately 50 percent of U.S. households have subscriptions to online streaming services like Netflix or Hulu. With tablets increasingly common—58 percent of U.S. homes have at least one—time spent consuming media on them has risen 63 percent from 2015.

## Books: Not going away

---

Since the rise of e-books and e-readers like the Kindle, pessimistic pundits have predicted that the physical book would soon become obsolete. That isn't happening yet, though. A study from the Pew Research Center found that 73 percent of Americans have read at least one book in the last 12 months (a number unchanged since 2012), and most of them are reading print books: The survey found that 65 percent of Americans picked up a physical book when they read in the past year, far more than those who read at least one e-book (28 percent) or listened to an audiobook (14 percent).

## We're living in a yoga nation now

---

Everyone seems to be into yoga these days, and the numbers show that it's growing in popularity. A 2016 survey by the Yoga Journal and Yoga Alliance found that some 36 million Americans practice yoga, up from 20.4 million in 2012. Yoga practitioners spent \$16 billion on classes, clothing, and equipment in 2016, an increase of \$10 billion from 2012.

Women make up 72 percent of yoga enthusiasts, although men are catching up. The survey found that 34 percent of Americans—approximately 80 million people—say they're likely to try yoga for the first time in 2017. The main reasons for doing yoga? Flexibility (61 percent), stress relief (56 percent), general fitness (49 percent), improved overall health (49 percent), and physical fitness (44 percent).

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit [MortonPlantValveTrial.org](http://MortonPlantValveTrial.org).

## Fresh or frozen? The choice is yours

---

**M**om may tell you over and over again to eat fruits and vegetables that are fresh, but nutrition experts say that frozen produce isn't necessarily inferior. According to *The New York Times*, most nutrients are surprisingly hardy: Iron, for example, stands up to freezing quite well, and fiber does its job whether it's frozen or fresh.

Scientists at the University of California-Davis analyzed the vitamin content in several different varieties of fresh and frozen produce, including blueberries, broccoli, carrots, spinach, and strawberries. They found no significant differences between fresh and frozen items, and even discovered that frozen broccoli contains more riboflavin—a B vitamin—than the fresh selection. Similarly, frozen blueberries have more vitamin C than fresh.

Experts recommend looking for produce frozen using the IQF process—individually quick frozen—for the highest quality.

## Watch for these sources of illness while traveling

---

**T**raveling has enough hassles—check-in lines, lost luggage, bad airline food—without adding germs to the mix. Be safe by watching out for these common sources of germs and bacteria that can make you sick when you travel (from the CNN website):

- Washroom stall locks. In one test, airport stall locks were found to have an average of 70 colony-forming units (CFUs) per square inch. Use soap and water or a good hand sanitizer after touching them.
- Seatbelt buckles. Clean your hands after buckling up. Airplane belt buckles can have up to 230 CFUs per square inch.
- Lavatory flush buttons. These can get pretty nasty, containing 265 CFUs per square inch (although overhead vents and tray tables have more).
- Drinking fountains. Thirsty? Maybe buy a bottle of water instead. The buttons on airport drinking fountains have been found to hold 1,240 CFUs per square inch.
