A NOTE TO OUR MEMBERS FROM JIM HENRY

THANK YOU

On behalf of myself and my family, I want to thank you for your expressions of sympathy and for all the great food you brought to my home to comfort us at the loss of my beloved wife, FRANKIE. We moved here 27 years ago and have made so many good friends in the Park. Frankie worked when she first came down from Indiana at the Plumbers Union 111 in Pinellas Park as their Office Manager for many years. After that she became the Secretary to the board Board of Laserreno for eight years. She was very passionate about our Park and worked hard for the betterment of the Park. FRANKIE for many years suffered with COPD. The Lord called her to rest on July 24. She will be remembered by her family and many of you as being compassionate and that she always put her family first. Because of this we decided Frankie would like to have her Memorial Service in Indiana at the yearly Family Reunion. We will not have any Service at the park in Florida. We trust you understand our decision and once again we all thank you for the support and prayers at the loss of Frankie

To express your sympathy and view her obituary online, visit www.NationalCremation.com and click on Frances Elizabeth.

Thank you note from Judith Friend

A note to thank each and every one of you thoughtful neighbors for your contributions of food and clothing before you leave to go north.

Pot Luck Dinner on Sept. 4th

There will not be a pot luck dinner on the last Tues. in August, there will be a pot luck dinner on Monday Sept 4th celebrating Labor Day. This will be at 4:30. Please bring a dish to pass, your eating utensils and your beverages. As in other Pot Lucks there will be delicious food and desserts and a chance for everyone to visit with their friends.

Sharon Gee

Farewell to Summer

We will soon be saying farewell to summer and welcoming returning friends, meeting new people and making new friends. Hopefully everyone has enjoyed the summer and had time to rest. As you return, some of the activities to look forward to are golf, shuffleboard, Monday morning exercise, bingo, water aerobics, Swedish Weaving and quilting.

Sharon Gee

FACTS TO REMEMBER FOR THIS SEASON

It is hurricane time. Please remember if you go away for any length of time. Bring any items that are not tied down in your area inside. These things can blow in the strong wind and break windows and do much damage (for example, flower pots, lawn furniture, bikes).

Sharon Gee

NEIGHBORHOOD WATCH EMERGENCY CALL 911 PINELLAS COUNTY SHERIFF 727 582-6200

By: Butch Thomas

It is the mission of Lake Seminole Resort Neighborhood Watch through the assistance and cooperation of the Pinellas County Sheriff's Department to actively communicate, educate and involve our residents. By working together we can develop crime awareness, continuous observation and an effective reporting system to keep our community safe. We must be aware, informed and actively take steps to protect ourselves, our property, our neighbors and our community.

Once again in our area there are numerous reports of thefts at gas stations. The unique setting of the gas station catches victims totally by surprise. These thefts can occur while the victim is pumping gas or paying inside the station leaving their vehicles unlocked. This type of crime can happen in a matter of seconds.

Do not become one of these unfortunate victims.

- Pick gas stations that are well lit and have video surveillance at the pumps.
- Always remove the keys and lock all doors when pumping gas or going inside the station.
- Keep all valuables out of plain view in your vehicle.
- Pay attention to your surroundings.
- Don't let your cell phone distract you.
- Be Safe, Lock It Or Lose It.

Labor Day

For America's workers, Labor Day marks more than the end of summer. It's a reminder of the struggles we have won—and those that lie ahead.

A NOTE TO ALL RESIDENTS FROM SHARON

I have listed August and September Birthdays. Last month I mixed them up. (Sorry) therefore both months are included in this bulletin.

I have been told by our members that some of the birthdays are not correct. I did not list these dates, however I will do all the birthday updating as needed. Please email me with required changes. Working together, hopefully we get them correct. Thank you

Sharon Gee

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
George Lordstrom, Saint Petersburg, FL

Chocolate may be good for your heart

In case you're looking for an excuse to eat some chocolate, consider this: It may reduce your risk of irregular heartbeat.

An analysis of some 55,000 adults from Denmark found that eating 2-6 ounces of chocolate a week was associated with a 20 percent decreased risk of atrial fibrillation, or A-fib, otherwise known as an irregular heartbeat. A-fib can compromise blood flow in the upper chambers of the heart—the atria. People with A-fib are five times more likely to suffer a stroke, according to the American Heart Association, and have twice the risk of a heart-related death.

Moderate consumption of chocolate, especially dark chocolate, appears to reduce that risk, although binging on larger amounts can obviously lead to weight gain and associated problems.

Carbon monoxide safety tips for your home

Carbon monoxide (CO) is a colorless and nearly odorless gas that's created by the incomplete burning of solid, liquid, and gaseous fuels. Appliances that burn LP gas (liquefied petroleum), oil, coal, kerosene, coal or wood may produce carbon monoxide. Carbon monoxide is also poisonous to animals and people. Symptoms of its effects include:

- Headache
- Fatigue
- Shortness of breath
- Nausea
- Dizziness

To prevent CO poisoning, take these precautions:

- Buy and install a CO alarm. Make sure it is listed with Underwriters Laboratories or that there is information on the package that indicates that it meets the requirements of IAS 6-96 standards. Follow the directions for placement and installation.
- Install appliances properly. Most of them should be installed by a professional.
- Practice good maintenance. Have your heating system (furnaces, flues, and chimneys) inspected and serviced by a professional every year.
- Burn charcoal outdoors only. Never burn it in a tent, home, garage, vehicle, etc. Don't use portable fuel-burning camping equipment indoors or inside tents, etc.
- Make sure you turn off fuel-burning engine equipment when you are inside a garage or basement. Just having the doors open does not ensure your safety.

We Need Cover Pictures! Send in Your Interesting Photos!

Did you know that September is also...

Blood Cancer Awareness Month. Lymphoma is a type of blood cancer that occurs when lymphocytes—white blood cells that help protect the body from infection and disease—begin behaving abnormally. Lymphoma may develop in many parts of the body, including the lymph nodes, spleen, bone marrow, blood or other organs. This year’s theme for Blood Cancer Awareness Month is “Light it Red for Lymphoma.”

National Child Awareness Month. During National Child Awareness Month, a wide array of organizations set aside their individual agendas to focus on the bigger picture of children in America today and what can be done to address their growing challenges and needs tomorrow.

National Cholesterol Education Month. National Cholesterol Education Month is a good time to get your blood cholesterol checked and take steps to lower it if it’s high. It’s also a good time to learn about lipid profiles and food and lifestyle choices that will help you reach your personal cholesterol goals.

National Piano Month. A good month to sign up for piano lessons. Although invented around the year 1700, the piano took several decades to become a favorite of composers and performers alike. In the 19th century the instrument grew larger and more powerful. At the same time, the instrument became the primary source of home entertainment, and learning to play the piano became an important part of childhood education.

Substitute Teacher Appreciation Week, Sept. 3-9. Five days dedicated to the hundreds of thousands of education professionals who fill in at the schools every day across the United States. This nationwide event is recognized by the U.S. House of Representatives, schools, and school districts around the country.

National Suicide Prevention Week, Sept. 10-16. High schools, colleges, and universities can create their own activities for National Suicide Prevention Week. These locations are ideal to promote public awareness of the goals of suicide prevention, educate the public about the prevalence of suicide, and involve young adults in prevention activities.

Child Passenger Safety Week, Sept. 17-23. Car crashes are a leading cause of death for children up to 13 years old. Many deaths and injuries can be prevented by proper use of car seats, boosters, and seat belts. Getting safety information and car seat instructions to parents and caregivers is crucial to saving young lives.

What to eat? The choices can be confusing

Americans trying to eat healthy have lots of choices, but all those options can be confusing. The CNN website reports that 78 percent of respondents to a survey by the International Food Information Council Foundation said they're not sure what foods they should eat and which they should avoid.

The survey of slightly more than 1,000 American adults found that almost 60 percent named food that's "high in healthy components or nutrients" as one of their top three factors for choosing a "healthy" food, followed by food that's free from artificial ingredients, preservatives or additives (just more than 50 percent). Choices that are "part of an important food group that I need to build a healthy eating style" rounded out the list of foods health-conscious folks are looking for (nearly 50 percent).

The U.S. Food and Drug Administration considers food that can be marketed as "healthy" as having low levels of total and saturated fat, sodium, and cholesterol, and at least 10 percent of the daily requirements for vitamins, fiber, and other nutrients.

Millennial women take less vacation than men

Americans workers have a reputation for not taking all the vacation they have coming. Among them, millennial women seem to take the least: Only 44 percent used all their vacation time in 2016, according to a survey reported on the Mic website, compared with 51 percent of their male co-workers.

What's behind the gap? Thirty-seven percent of millennial women said they want to demonstrate full commitment to their jobs, but only 32 percent of men surveyed expressed the same feeling. Moreover, 35 percent of the women said they feel guilty about taking time off, compared with 25 percent of the men.

Overall, 53 percent of the 7,331 millennials surveyed left unused vacation days, with 55 percent of Gen Xers and 52 percent of Baby Boomers forfeiting vacation days.

Teens: Not glued to social media

Most of us imagine that today's teens do nothing but sit around with their smartphones texting each other, checking social media, posting images to Instagram, and the like. That stereotype, like most, isn't true. An Associated Press-NORC Center for Public Affairs Research survey of teens recently found that 58 percent voluntarily take breaks from social media for various reasons:

- Getting in the way of work or school: 8 percent
- Tired of conflict and drama: 24 percent
- Tired of keeping up: 20 percent

Stoke your optimism to stay on top

Successful people are optimistic. They're not idiots—they see the challenges, but they don't lose their confidence. Take a look at some of the characteristics of “intelligent optimists” that you can learn:

- Don't deny problems. You can't pretend difficulties don't exist, but you can live with them while looking for ways to change things.

- Accept reality. Though solving problems is vital, recognize what you can't change. Don't get too wrapped up in trying to fix things you can't influence.

- Don't bury negative thoughts. Everyone has them—“This will never work,” or “Am I wasting my time?” Instead of trying to ignore them, accept them as internal messages but remind yourself that you can overcome them.

- Look for solutions. Remember that many problems spring from attempts at solving a different problem. Searching the background can provide clues to resolving the current difficulty.

Heaven and hell

A big, burly samurai came to a Zen master and demanded, “Tell me the nature of heaven and hell.”

The Zen master looked him in the face. “Why should I tell a scruffy, disgusting, miserable slob like you? A worm like you, do you think I should tell you anything?”

Consumed by rage, the samurai drew his sword and raised it to cut off the master's head.

The Zen master said, “That's hell.”

Instantly the samurai understood that he had just created his own hell, black and hot, filled with hatred, self-protection, anger, and resentment. He saw that he was so deep in hell that he was ready to kill someone. Tears filled his eyes as he put his palms together to bow in gratitude for this insight.

The Zen master said, “That's heaven.”

There is only one thing that makes a dream impossible to achieve: the fear of failure.

—Paulo Coelho

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$136,000** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:
