## PARADISE ISLAND UPDATE

*Pat Walker, Association Secretary*

Welcome spring! The few days of “freezing” temperatures we experienced in February and March reminded me of the reason I decided to remain domiciled in Florida; most of the country got hit hard with cold wind and tons of snow while we (at least me) complained about a few cold days. Yet the cool brisk air was often a nice break from the 80 degree temps we had been experiencing so early in the year, and provided an opportunity to break out sweatshirts and long pants.....except for our Canadian residents who never seem to feel the cold.

The bi-annual election of officers for the Paradise Island Association was conducted at the March meeting. Our executive team for 2019 & 2020 is:

President: Lei Crance – Lot #79	1st VP: Steve Ray – Lot #126
2nd VP: Paul Watt – Lot #80	Treasurer: Richard Crance – Lot #79
Secretary: Pat Walker – Lot #53	

I would like to take this opportunity to heap accolades on Carolyn Bailey, Irene Haskell and Terri Jo Oller who served us well over the past several years as Association Vice Presidents and Treasurer. They were instrumental in the smooth running of our Park Association and made significant contributions in both planning and implementing social events. THANKS MUCH! After years of a mostly all-female board, having three men on the executive team might take some getting used to – guys often process ideas differently from the distaff side of the house; but we don’t anticipate any problems, we women are very flexible. Just joshing, no condescension intended – these are three great guys who have already invested their time and talents in our community.

Another fabulous, mouth-watering Corned Beef & Cabbage pot luck dinner was prepared by Carolyn Bailey with able assistance from Terri Jo Oller and Irene Haskell. A full-house crowd enjoyed this annual traditional meal. Terri Jo and Kendra Perenyi will host a meatloaf dinner for April – as always, sign up early, you won’t want to miss it.

The annual Spring Dance turned into a real dance party with contests and prizes. Music by Carlo never fails to get everyone out on the dance floor – great night! Thanks to Lei Crance and her committee for a wonderful time.

We do love Carolyn’s biscuits and sausage gravy and there was no scarcity of it at the Country Breakfast. Many who attended went back for seconds heaping it next to the scrambled eggs and sausage links. Talk about your carb overload....I’m not stepping on the scales or having my blood tested for weeks.

Janel Balogh held a demonstration on how to make a DIY seasonal door wreath to the Hobby Club members; the ladies are now anxious to test their creative skills on their own so I would not be surprised to find a few wreaths in their November Craft Sale. As she does every year, Janel hosted the Hobby Club’s annual Baby Shower for the Bay Area Pregnancy Center. The ladies brought beautifully wrapped gifts plus the Club donated \$100 for diapers. Thank you, Janel, we so enjoy supporting to this organization.

A couple of special events are scheduled for April that you won't want to miss – a free Steak Dinner for current dues-paid Association Members on Saturday, April 13; bring your beverage and a steak knife, everything else is provided.....a sign-up form will be posted on the bulletin board. A Taco & Trivia Night will be held Wednesday, April 24. A flyer with ticket information will be forthcoming. We're experimenting with a week-night event to determine future feasibility.

A huge thank you to Ron Chauncey, Paul Watt and Ken Lueck for remodeling the storage garage. What a fantastic improvement! It's so clean and organized that we're reluctant to start stashing Community Sale items in it. Great job, guys.

At the April meeting we will vote on amendments to Paradise Island bylaws. See you at the meeting on April 6th – bring your coffee cup.

We wish our residents of Jewish faith a Happy Passover, and to those of Christian faith, a Blessed Easter.

## LAKE HAVEN HOA UPDATE

---

Following the annual HOA meeting, the newly elected Board Directors met to elect board officers. That meeting was held on March 6 and resulted in the following:

HOA President	Lei Crance	Lot # 79
HOA Vice President	Jim Grant	Lot #219
HOA Treasurer	Ralph Crance	Lot #402
HOA Secretary	Pat Walker	Lot # 53
Director	Terri Salzburg	Lot #211
Director	Steve Ray	Lot #126
Open Seat		

The open director position resulted when Linda Parker's term as Park #3 President ended in March. The newly elected Park #3 President is Ralph Crance who was a current board member, therefore to meet the seven member requirement one Director position needed to be filled. This position will be filled by appointment as governed by the bylaws; the appointee will serve until the next election in February 2020.

By the time this update is published, Community Manager Karen White will have resigned from ELS. If Regional Manager, Natalie Philabaum, has not already hired a replacement, she will provide temporary staffing with managers from other ELS parks. Karen worked diligently for Lake Haven residents and did much to improve the common areas and to address many of our issues. We wish her well. Prior to her departure, she hired Joel as the new Lake Haven Maintenance Supervisor.

The HOA Board will conduct its quarterly meeting with ELS Regional Management on April 10. The Park Presidents will keep residents updated on any commitments to improve our community that resulted from this meeting.

## Treasures Cove Going Ons -

*Hello Treasure Cove*

---

**O**h April is here, all the plants are in bloom & the weather is amazing! It is hard to believe we are already entering the fourth Month of 2019, but life is good and we love it here in Florida!

Treasure Grove had a great March! As we look back, we are happy to have so many people here this time of year that we love to see and boy are we having fun. Our St. Patricks' Day Party was amazing and everybody that attended really enjoyed it. I know the games were a big hit and the music was great to. Its heartwarming to see so many Treasure Cove neighbors really enjoying the day.... We are here for you! And the food, WOW! Everybody really enjoyed the traditional St. Patricks' Day Food... the Corn Beef was cooked perfectly, the Potatoes and Cabbage were so delicious, and the dessert of course... YUM! Everybody loved it. A special Thank You to our cooks, they are amazing!

As we look forward to our next event in April, know that the Board in Treasure Cove works hard every day to keep making life better and better. More and more have been coming to the events, and that makes the Board in Treasure Cove so happy. It is great to see that our positive changes **have** improved your lives.

Did you know that we have these upcoming Holidays in April – Who knew ☐ Just more to celebrate ! April 7th is an interesting day.

- APRIL 1: NATIONAL FUN AT WORK DAY. Good luck with this one.
- APRIL 2: INTERNATIONAL PILLOW FIGHT DAY. ...
- APRIL 2: NATIONAL FERRET DAY. ...
- APRIL 2: NATIONAL LOVE YOUR PRODUCE MANAGER DAY. ...
- APRIL 5: NATIONAL DEEP DISH PIZZA DAY. ...
- APRIL 6: SORRY CHARLIE DAY. ...
- APRIL 7: INTERNATIONAL BEAVER DAY. ...
- APRIL 7: NATIONAL BEER DAY.

And don't forget that April 1st is Aprils fools days. Don't be fooled ;)

And Easter is on April 21st. As we look forward to celebrating Easter in our own way, let us all remember that its only about Easter Eggs, Easter Bunnies and Chocolate but about joy, peace and hope.

# NOTES FROM THE “KEY”

Ralph Crance, Acting President

Well! Our March meeting began with a note of dismay and disappointment. As many of you know, Linda Parker (& Mike) have been talking about “stepping down” from the Presidency of our Park Three Association. It became a reality March 5th. As expected and understandable, her decision was met with sadness and some protest. In my case, almost tears! Amid the gang of volunteers, I have emerged as your Acting President. The goal I will set is that, with your help, we can come close to the high standard Linda has set over the past five years.

Graciously, the present Board Members have agreed to stay on. If you have a question or concern, feel free to call:

Ralph Crance	President (Acting)	727-754-3093
Tim Biggs	1st Vice President	315-723-3907
Kay Tupper	2nd Vice President	319-530-4510
Lisa Mobley	Secretary	936-204-1379
Chickie Thomas	Treasurer	727-953-3528

All reports of the Guana Cay Season Sales are super! Estimates of \$417,000 are NOT correct, but \$3,000+ is super.

Special thanks to Kay Tupper and her White Elephant Warriors and muchas gracias to Lei Crance from Park One who helped from beginning to end.

Thank you to Don Tupper and Bill Battle for the delicious Corned Beef and Cabbage potluck. Our BBQ, as always, a fun event with our barbeque grillers, Don Tupper and Dan Hannigan. Both events enhanced by the wonderful side dishes prepared by Park Three chefs.

As the month moves on, most of our friends from our northern neighbor (Canada) will be leaving for home. We wished them a Fond Farewell at our always well-attended March Poolside brunch with the hope the next six months fly by before their return.

That’s about it.

**National Cancer Control Month.** Health agencies and nonprofits across the country have a singular focus this month: to raise awareness of the risk factors and prevention measures associated with many forms of cancer. Go to <http://www.cancer.org> to find information and resources.

**National Lawn Care Month.** It's the time of year when some of us get obsessed about the best way to mow, fertilize, and irrigate the grass. Find a neighbor to mentor so that the grass will remain green on both sides of the fence.

**Occupational Therapy Month.** People recovering from a debilitating injury/illness have probably benefited from the services of an occupational therapist. Yet these professionals also work with children, the disabled, and aging populations to assist them in developing skills that allow them to live more independent lives. Learn more at <https://www.aota.org/Conference-Events/OTMonth/what-is-OT.aspx>

**National Straw Hat Month.** The warmer temps this time of year are the perfect reminder to change our headgear to something more fun, fashionable, and lightweight. Remember to wear a wide brim during springtime gardening projects to protect sensitive skin of the scalp, face, and neck from harmful UV rays.

## Weekly

## How to help a friend with depression

---

One in six people will experience serious depression during their lifetime, and knowing what to say and how to act around them can help them cope with the condition better. From the HuffPost website come these suggestions for helping friends and family deal with their depression:

- **Listen.** Don't offer solutions nor try to "fix" things. Most people with depression have heard suggestions. They mostly just want someone to listen to them.
- **Help out.** Many people with depression find themselves unable to perform everyday, routine tasks. Offer to do some household chores that they can't handle.
- **Make specific offers.** Don't just say, "Is there anything I can do?" Instead, volunteer with specific suggestions: "Can I do your laundry?" or, "Would you like me to take you grocery shopping?"
- **Be patient.** Try to remember what they're going through. If they're sad, frustrated, or lethargic, don't insist that they feel better. Reassure them that you still care about them.
- **Send a quick text.** A joke or cartoon can brighten your friend's day and signal that you're thinking of him or her.
- **Don't take things personally.** Depressed people sometimes resist efforts to help. They may withdraw into themselves and shut others out. Don't abandon them. Remember that it's the depression talking, not the person inside.
- **Offer reassurance.** Don't be a Pollyanna, but remind them that they're good people and strong enough to get over this. Even if they don't respond, hearing such reassuring words will help.

- **Tell them it's all right.** Don't blame them for their depression, nor let them blame themselves. Tell them that it's OK not to feel OK all the time.

- **Share small gifts.** Bring a treat or some flowers, or send a card letting them know you're thinking of them. A small gesture can mean a lot to someone who's depressed.

## Avoid Alzheimer's with these tips

---

**A**lzheimer's disease is the sixth-leading cause of death in the United States and the only one in the top 10 that cannot be prevented, treated, or cured. However, growing evidence indicates that people can reduce their risk of cognitive decline by making key lifestyle changes. From the Alzheimer's Association come these tips for keeping your mind healthy as you age:

- **Break a sweat.** Engage in regular cardiovascular exercise that elevates your heart rate and increases blood flow to the brain and body. Several studies have found an association between physical activity and reduced risk of cognitive decline.
- **Hit the books.** Formal education in any stage of life will help reduce your risk of cognitive decline and dementia. For example, take a class at a local college, a community center, or online.
- **Fuel up right.** Eat a healthy and balanced diet that is lower in fat and higher in vegetables and fruit to help reduce the risk of cognitive decline. Although research on diet and cognitive function is limited, certain diets, including Mediterranean and Mediterranean-DASH (Dietary Approaches to Stop Hypertension), may contribute to risk reduction.
- **Catch some z's.** Not getting enough sleep due to conditions like insomnia or sleep apnea may result in problems with memory and thinking.

## Questions when you select assisted care

---

**W**hen you're choosing an assisted care facility for an elderly relative—or for yourself—you've got a lot of factors to consider. The U.S. News & World Report website offers this list of questions to ask before making your selection:

- What are your medical needs?
- How much does the facility cost?
- Is it conveniently located for you and your family?
- What activities and amenities are available?
- How is medical care delivered?
- Is the community open to questions from would-be residents and family?
- What makes this facility different or better than others?

# Life is born, then dies, on the moon

Excitement was high when China announced that it had successfully grown cotton on the lunar surface—cotton seeds planted in a “mini-biosphere,” according to the Newsweek website, using a sealed container filled with water, soil, and air, that was carried to the far side of the moon in its Chang’e 4 lander. Scientists also added yeast, fruit fly eggs, and seeds including cotton, rapeseed, and potato.

The Chinese National Space Administration reported that the cotton seeds had sprouted—a significant achievement. However, the next day the CNSA reported that the sprouts had died over the lunar night. The deaths weren’t unexpected—the seeds require natural light from the sun.

It’s not considered a failure, though. Controlled growth of plant life on the moon increases hopes that someday humans will be able to build a sustainable base on Earth’s lunar partner.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
