FROM THE EDITOR

By Ann Curry (Lot 1015....acuria10@gmail.com....727-420-6518)

Update: As I was getting ready to submit the Voice today, I got word that all activities at the clubhouse were being canceled as of today March 16, 2020 due to the virus until further notice. As I was told, the pool is open, so enjoy it. But it is open only to Lincolnshire Residents until further notice. So even though the calendar in here shows scheduled activities please watch for updates on Facebook and elsewhere like the Laundry Room for when things will get back to normal. Pray to God for a quick end to this pandemic.

I've had all sorts of topics running through my head this week about what to say in the Voice for April's Editorial. As the world and this pandemic situation has kept evolving by the minute, I realized whatever I wrote would be either irrelevant or out of date by the time you guys read this. So I've chosen something that is near and I guess dear to millions of people around North America. I'm including of course our Canadians friends. That is TOILET PAPER. It was invented in 1857 by Joseph Gayetty. In 1935 Northern Tissue introduced splinter free toilet paper, meaning up until then it had splinters??!! Ouch! In 1942 the 1st 2ply paper was created in the UK, but not widely accepted until after WWII.

In the last few days, as things have spiraled and hoarding of cleaning and paper products have increased, I've truly wondered how we have become so preoccupied with the toilet paper. The virus doesn't have a side effect that creates an increased need for it. I haven't heard of any diarrhea from it. We still have plenty of trees to make it from. I guess it's just a comfort and convenience thing. ... Consider the alternative before TP. Corn cobs, catalogs (we don't many anymore).

So as I wished my friend on Facebook a Happy Birthday today, I mentioned that I'd thought of Tping her house in celebration, but thought better of it. It might cause a disturbance as people would flock to it and steal it off her property!!!

Sounds kinda crazy doesn't it.

So go to the beach and the pool. Enjoy the outdoors of Florida while it's not too hot. It is said the virus doesn't like UV rays and humidity. Observe 6 ft. rule when talking to others. Wipe everything down daily that you put your grubby paws on like refrigerator doors, door handles, your mouse, tv remote, cell phone, light switches. Change clothes after being out in public, and I guess that means more clothes washing. Makes sense though as sitting in restaurant, church, a car etc. may get infected when you brush against or sit. And then of course wash those paws constantly, and sing Happy Birthday while doing it.

- *This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 12th of the month for publication.*

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

Time to leave the winter season behind. Our entertainment committee and the other event chairpersons did a great job keeping everyone busy throughout the season. March events included the new “Night at the Races.” Thanks to Bill West & company. Everyone had a great time, and plans are to do it again next year. As of this writing we are still rehearsing for our first in park dinner theater. Hopefully we will have a great report and photos to share next month – and maybe videos posted on our Facebook page as well.

It is difficult to report so far in advance as we post articles before events, but we are hoping everyone enjoyed the park picnic with our entertainer “Jelvis” as well.

We know that there are many of our snowbirds who have already headed to their summer homes, and we wish them all well, and safe travels to all the rest who will be heading out this month. We are planning a fun filled summertime here in the park as usual, with at least 1 event every month. “Stay tuned” for further announcements.

Pancake Breakfast

By Jamie Doucette (Lot 267)

The February Breakfast had a great turnout with over 140 served. Fun and fellowship were the order of the day and compliments to the chefs were abundant. We offer sausage or ham, plain or blueberry pancakes or French toast, and orange juice, coffee or tea. It's still a great deal at \$3.00. We'll also have our Lincolnshire Draw (not a 50/50 as all money goes back to the winners). Winners from February included Harold Wurtz x2, Paul Edwards x2, Judy Artish, Ellen Hallett, and Patty Ernst. 7 winners at \$48.00. Congratulations to all.

Tickets for the next breakfast in April will be available for the two Wednesday morning coffees before April 4.

Remember to bring your own dishes and cutlery. See you for breakfast.

Line Dancing

By Ellie Sliter

Another winter season has passed and line dancing has had another successful run. Since November we have had a number of regulars and a great number of newcomers come out for some gentle aerobics and fun. At last count, a total of twenty-seven residents and guests joined us this season. Our last line dancing session was on Tuesday, March 31 and I would like to thank Ann Heller for running the music for us and joining in when she was able. I hope you all had fun and I am already looking forward to returning in November when I hope to see you all on Tuesdays at 10 a.m. in the clubhouse.

Welcome to Lincolnshire

By Vicki Marentette (Lot 950.....282-2382) Donna Wurtz (Lot 938.....459-0394)

Thanks to all who attended our meeting on March 15. Also thanks to our volunteers. The next meeting will be held in June. We are giving Donna time out to go on a big cruise. In the meantime, please us know of any new residents. We would like to welcome them before our next meeting.

Watch for the date of the next meeting in the June Voice.

Thanks, Vicki Marentette and Donna Wurtz

Sunshine and Sympathy

BY: Francis Byrne (lot 483.....776-7144)

Another month has flown by. Prayers do work!! It was so good to see Jane Pastva walk in to coffee recently. We're wishing her a continued speedy recovery. Next on the sunshine side, Nancy Haley's son Andrew and daughter-in-law Heather gave birth to a daughter on February 29 (leap year). She is named Cardiff Skye Haley and was 7lbs. 4 oz. and they reside in California. Congratulations to the Parents and the proud Grandma.

On the Sympathy side, Dan Gicie, Lot 527, passed away in February after suffering many years with cancer. He will be missed. God rest his soul and deepest sympathy to his family.

Our dear friend, Susan Bogle, Lot 326, passed on after several years of illnesses. We all give heartfelt condolences to daughter Kim and the rest of the family. She finally has peace.

Please keep me posted of all news so I can share it with you all. Just be sure of the accuracy. Spring is just about here. God bless you and see you at coffee.

CLEAN YOUR CUPBOARDS AND PANTRIES

BY RITA SULLIVAN (Lot1550)

I can't believe it's almost time to part ways for the summer!! When you are preparing your home for the time away, please clean your pantry of food that is unused or will go out of date. If it won't be edible when you return...please give it to me for the **RCS Food Pantry**. You can drop it off at Lot 1550. Just put it on the bench and I will take it to the Pantry. It may be only a little bit, but in past years it has totaled nearly 300 lbs. So give it a whirl.... and thank you for all you do all year!!!!

ASTRONOMY FOR SPRING AND SUMMER

By Sandy Pongratz (Lot 1022)

What is that in the western sky shining so brightly just after sunset? It is the lovely planet Venus. As the Moon goes thru it phases, it makes its rounds and eventually pairs up with Venus and is a beautiful sight because the moon will be in a small crescent phase. Brilliant Venus, although it is a round planet, reflects so much sunlight it will look like a very bright star! So look in the west for a very bright star like object. As the new moon begins its new phase, both objects will be close together for two consecutive nights.

Our winter constellations are now setting west and summer constellations are rising in the east. As we say goodbye to Orion the Hunter we can welcome Sagittarius. The heart of the Milky Way lies in Sagittarius. If you are in dark skies, a good pair of binoculars will reveal many star clusters and nebulae as you slowly scan around it.

LIBRARY

By Cynthia Varga (Lot163)

If anyone has small thin bookends they no longer use, I have a need for them. They can be dropped off at my home or dropped in the book drop cabinet.

Next, in spite of my many requests to not do so, when you finish a book, people are still reshelving them. **DO NOT RESHELVE IT**. Put it in the book drop cabinet! If you'd like to help, please contact me and I'll show you my system.

FOOD PANTRY BAKERY

BY Ann Curry (Lot 1015.....727-420-6518.....acuria10@gmail.com)

For the last 8 months or so, some of you have heard about or seen bakery being dropped off at the clubhouse Thursdays around 11:30 pm. I volunteer at a Food Pantry at Abundant Life Ministries on Belcher Rd. I work with the day old bakery stuff that is donated by Publix and other Restaurants. What I bring here is some of the stuff that is left over at the end of the morning. It varies a lot because of what is donated to the Pantry. It is brought here as a good will gesture to all of you, hoping that it is also shared with some that are on fixed incomes and have need to stretch that income. Please try to do so...

Lincolnshire Facebook Page

We have reached our goal of over 400 likes for our facebook page. Facebook reports that we have 421 likes, and reached over 600 people the week this article is being printed.

With many more new owners in the park we should reach even more in the near future. Spread the word to your friends. It's a good way to spread news in the park. The page can be found at: www.facebook.com/LincolnshireResidentsClub.

Let's keep it going. Tell your friends, and make sure to leave comments or just a "like" on the posts.

Dial Directory and Database

By Donna Wurtz (#938 509-1182.....e-mail to: momshse@aol.com)

Thanks to everyone who gave us phone numbers and information for the next addition of the "YELLOW BOOK." Updates have gone to the publisher. If you are new and haven't turned in your information, you will not be listed in next year's edition. The deadline has come & gone. Typically we receive the new edition around the end of April. Books are distributed to residents who are in the park at that time, and additional copies are left with your block captains to be distributed when part time residents return to the park in the fall.

Remember, the Dial directory is only published once each year. The next directory is already in the works. The directory is not produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed in the Voice, please let us know

Thank you for your cooperation.

LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC.

P.O Box 1822, Largo, FL 33779

BY Allyn Webert, Secretary, Treasurer LHOA (Lot1438.....847-975-1043)

YOU NEED TO KNOW!

By this printing all homeowners would have just received the yearly notice from the park owner concerning rent, compactor fee and the property tax pass-on charge. The property tax pass-on is allowed by Florida statutes for rental mobile home parks like Lincolnshire. This has been in existence for several years. Each homeowner is responsible for 1/464th of the difference in the property tax paid from the basis year of 2006. Our park owner makes the charge to each homeowner once a year in July along with the rental increase. Other park owners may blend it into the rental increase or have 12 month installments. The Board does not recommend putting the pass-on tax in our lot rent. Property taxes are based on the value of the property (including the land) owned and is assessed by local or municipal governments. Resident owned parks also see increases and those charges are seen in increased maintenance fees. The Board is surprised by the number of new homeowners who have no knowledge of this pass-on tax until they receive the yearly notice. Your Board of Directors ensures that this pass-on is calculated correctly each year.

The Board will also exercise our right by Florida statute to schedule a meeting with the park owner or his representative concerning the rental increase notice, property tax pass-on and other issues deemed important to affected members. This meeting must occur before the rental increase takes effect on July 1st.

The 2020 Annual Meeting took place on February 18th. Sadly attendance was less than expected. The Board appreciates those who did come, receive a yearly report from the Board and ask questions. In addition the Secretary provided an update on proposed legislation effecting mobile home parks throughout Florida. Our lobbyist, the FMO (Federated of Manufactured Home Owners of Florida) has been very active this year in advocating for mobile homeowners.

If you are reading this and are not a Member **please** take the opportunity to join. **Ensure** your voice can be heard and also have a vote. The Association strength is in its membership and let's always maintain that. The Board is also a remarkable resource for issues mobile homeowners may have. The Board are all certified as trained and attend other informative meetings.

Board meetings occur monthly, usually the 2nd Sunday of each month and posted in the "Voice" and laundry room. Members are always welcome at Board meeting. Member meetings will resume next December.

LHOA has been in existence for 25 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend.

LINCOLNSHIRE PET KREWE

Ann Curry & Sadie {Lot 1015....727-420-6518....acuria10@gmail.com}

This month's pictured dog is Max, a Sheltie who lives on 10th street with his owner Kathy.

Dog Aggression

Sadie has been with me for about a year now. She is a rescue and has been surrendered twice before we got her. Shitz Tsus are companion dogs and so can become very attached to you. I've noticed with all the extra dogs in the park this winter, that she hangs back, and sometimes jumps forward at the other dog aggressively as we stop to visit on the street. We are trying to stop this behavior, but since I don't know her history (she is 7 yrs.old), it is difficult. Luckily, she's so small that picking her up or pulling her back is usually easy, but I still am watching for cues to learn why this is happening.

There are many reasons why a dog may act aggressively toward another. She may be afraid, she may be stressed because her space is being violated. She may feel the need to dominate. At 9 lbs., she's smaller than most other dogs and so may want to assert herself with her posture and bark.

She may be protective of me. These small breeds were often bred to be protective of their royal owners as they were always present when they were in public and sometimes were actually used as guard dogs with their sensitive hearing. Lhasa Apsos are a good example of this. They were often used as inside guard dogs for the Dali in Tibet.

Sometimes, what we perceive to be aggression may be the result of hyper energy, eagerness, or natural inquisitiveness. Therefore, in dog-to-dog aggression cases, it is important to understand what our dog is feeling, and what he is trying to say.

Sometimes, instead of trying to be too protective, allow the dogs to work it out between themselves. When Sadie acts out in front of a dog and I see the other dog stand quietly, I then stop her and then try to allow her to get a sniff and then...all is well. Everyone gets their sniff and moves on. No big deal.

Just another day in dog world.

A Nurse's Self Care Toolbox #22

By: Allyn Webert, RN. (Lot 1438)

Last month, March, I went over 4 vital steps in using food (sugar.) What we eat, how much we eat, when we eat (a big deal) and movement soon after we have eaten. This month's target is the damage high blood sugars create and testing blood sugar. Medications to mediate the effects of high blood sugar will be in the May edition.

Blood sugar is absolutely needed for life along with oxygen. Our body cells use both to make the energy needed to do their job. The sugar in the blood gets through the cell "door" by insulin, a hormone produced in the pancreas, which drop kicks the sugar into the cell. A field goal and 3 points millions of times a day everywhere in our body. The blood vessels especially arteries (the smallest pass by each and every body cell) are sensitive to a blood sugar level that stays higher and longer in the blood than usual. Higher blood sugars remaining longer than normal are absolute irritants to the lining the blood vessel. Over time the lining becomes inflamed especially the very small vessels and often becomes "plugged". The blood supply slows and may just stop. That is not good whatsoever! The end result can and usually is damage to vital organs like the eyes, heart, kidneys, arteries in the lower legs, nerves and much more. The hard part to swallow is the damage can be undetected until the damage has started. Another reason to see our physicians on a regular basis. Not just when we are sick.

Basically there are 2 types of diabetes. Type 1 is where the pancreas ceases to produce insulin or very, very little. Found mostly in young people. Why, they didn't live to middle age. No cure yet but they take insulin in various ways either continuously by an insulin pump or injections up to 6 times a day. Life expectancy almost quadrupled, wow. Type 2 can be best described as pancreas fatigue over time. Almost always too much sugar at the wrong times without any upcoming need (movement.) Remember how we were designed, get up, eat, move, eat move and repeat until dusk. Eat a balanced meal!!! Prediabetes is simply a warning that our blood sugars remain elevated but just below graduating to diabetes. You don't want that diploma!

There are 2 basic blood tests for sugar. Yes, blood as that is where we find it. HgbA1c or just "A1c." started about 20 years ago. It measures on a scale of 5 to 16. It is the average "weight" if I can say that of the sugar in the blood over the last 90 days. 5.5 to 6 is normal and the higher the number the higher the average sugar load. Sort of knowing your average driving speed over 90 days. Normal, speeding or reckless. On the spot glucose monitoring with a home meter is exactly what it is, right now. Blood sugars on a monitor should be below 110 starting 2 hours after we have eaten or in the morning before we eat by 8:30 AM. Elevated right after we eat. Our physicians will tell us when to test, usually fasting (before we put anything and I mean anything in our mouths and swallow) or 2 hours after we have eaten (tells them how we cope with the sugar absorbed from what we have eaten.) People who just test anytime to see what their blood sugar is are wasting a valuable test strip for sure. Next month, medications and treatments. Chew well my friends.

VETERAN'S CORNER

By Robert Behm ,LTC retired Army (Lot 775.....401-207=9317)

Recently I have been asked by many in the park why the Veterans in the park are so upset because the owner of Lincolnshire decided that we could no longer fly the POW/MIA Flag at the pool. I guess to answer that question I would have to give you a brief history of the POW flag and why it is so special to our Veterans here in the park and across the USA.

The POW/MIA flag was created for the National League of Families of American Prisoners and Missing in Southeast Asia and officially recognized by the United States Congress in conjunction with the Vietnam War POW/MIA issue, "as the symbol of our Nation's concern and commitment to resolving as fully as possible the fates of Americans still prisoner, missing and unaccounted for in Southeast Asia, thus ending the uncertainty for their families and the Nation."

The original design for the flag was created by Newt Heisley in 1972. The National League of Families then-national coordinator, Evelyn Grubb, wife of a POW, oversaw its development and also campaigned to gain its widespread acceptance and use by the United States government and also local governments and civilian organizations across the United States.

In 1971, while the Vietnam War was still being fought, Mary Helen Hoff, the wife of a service member missing in action and member of the National League of Families of American Prisoners and Missing in Southeast Asia, recognized the need for a reference symbol about U.S. POW/MIAs, some of whom had been held in captivity for as many as seven years.

The flag is black, and bears in the center, in black and white, the emblem of the league. The emblem was designed by Newton F. Heisley, and features a white disk bearing in black silhouette the bust of a man (Jeffery Heisley), watch tower with a guard on patrol, and a strand of barbed wire; above the disk are the white letters POW and MIA framing a white 5-pointed star; below the disk is a black and white wreath above the white motto: "You are not Forgotten." The POW/MIA was flown over the White House for the first time in September 1982. The flag has been altered many times; the colors have been switched from black with white – to red, white and blue – to white with black; the POW/MIA has at times been revised to MIA/POW.

On March 9, 1989, a league flag that had flown over the White House on the 1988 National POW/MIA Recognition Day was installed in the U.S. Capitol rotunda as a result of legislation passed by the 100th Congress. The league's POW-MIA flag is the only flag ever displayed in the rotunda, and the only one other than the Flag of the United States to have flown over the White House. The leadership of both houses of Congress hosted the installation ceremony in a demonstration of bipartisan congressional support.

On August 10, 1990, the 101st Congress passed U.S. Public Law 101-355, recognizing the National League of Families POW/MIA flag and designating it "as a symbol of our Nation's concern and commitment to resolving as fully as possible the fates of Americans still prisoner, missing and unaccounted for in Southeast Asia, thus ending the uncertainty for their families and the Nation." Beyond Southeast Asia, it has been a symbol for POW/MIAs from all U.S. wars.

...continued on page 34

On November 7, 2019, the National POW/MIA Flag Act was signed into law, requiring the POW/MIA flag to be flown on certain federal properties, including the US Capitol Building, on all days the flag of the United States is flown. Previously, the flag was only flown on Armed Forces Day, Memorial Day, Flag Day, Independence Day, National POW/MIA Recognition Day, and Veterans Day.

This is why the POW/MIA flag means so much to us Veterans as it represents our Family Members and Fellow Veterans that got left behind and are unaccounted for. To us it is a symbol and a reminder that we as Veterans will never forget.

I have been told that people think the owner must be unpatriotic but have also been told he said that none of his other parks fly two flags so he told the managers to take it down. Several years ago while sitting as a board member on the HOA representing the park on a discussion on rent increases I presented the owner with a power point slide of all his parks in FL and the amenities that they have vs ours and showed him that we were the most expensive Lot rents of all his parks and paid for our water and sewer. His answer to me was that we pay the most because we are his flagship park. So, I challenge Mr. Rickert since we are your so-called Flagship Park and thus, we have the Honor of paying the highest Lot Fees and other fees of all your parks. Then do the patriot and right thing and let us fly our POW/MIA Flag as we have been doing here for the last several years. It would mean a lot to your Veterans that live here in Lincolnshire. For those of you who asked I hope this answers your question.

Bob Behm, LTC (RET) Army

SHUFFLEBOARD

By Jamie Doucette (LOT 267 727-475-9933)

Once again our shuffle board season is wrapping up. Congratulations to the first place winners Team #9 under Captain Betty Ames, Doug Ames, Pierre Gagon, Pat Gagnon, Joyce Jenkins, Doug Pollett and Toots Miller. Team 2 under Captain Brian Sliter and Team 3 under Captain Joanne Power tied for second place. It was a good year and we had a lot of fun, mad some new friends and managed to get the season in without having to use a rainout date. It was a good year all around. The banquet was held on March 25 and a great time was held by all.

Anyone interested in joining a team next year can contact me to have your name included in the fall. See you at the courts.

Watch the calendar for nights to play at clubhouse, usually Tuesday, Wednesday, Thursday & Friday.

REMEMBER THERE ARE NO CARD GAMES ON THE NIGHTS THAT ANY SCHEDULED MEETINGS ARE HELD. The noise carries from the back to the front of the hall making it hard to hear.

Tuesday is called Game Night because there is more variety to what is played.

Bring your favorite game equipment, snacks and drinks. Sometimes people show up and want to play a game but there aren't enough cards or pieces, so be prepared by bringing your own stuff from home.
