On the Cover

Halloween dance was a lot of fun this year and attendees outdid themselves with some fantastic costumes. The Spider Lady won with her costume and best group costume was the Three Blind Mice. Even the ones without costumes had fun and the food, drink and music flowed.

From the Editor

Ann Curry, (Lot 1015.....acuria10@gmail.com 727-420-6518)

By now most of our Snow Birds are back and the fun around Lincolnshire is full steam ahead. We have acted like the turkeys we ate and stuffed ourselves. And we have gotten through the US mid-term elections mostly in one piece, although there seemed to be some issues. When we Seniors were growing up, our parents tried to teach us manners, values and morals. If we rebelled, there were strong and sometimes painful consequences. I know some still teach these things to our children, but in the name of Political Correctness, it has all been turned upside down and shaken up in our schools and in public. We are constantly being reminded on Social Media and our Cable News of their opinions, not the facts, until it begins to become fact. It has polarized a lot of people on one side and the other. Our children see this and imitate, and it does have an effect as children grow up and become parents.

I am only one person and Lincolnshire is only one community, but it is a microcosm of the country. Even here, there are divisions and angry words. Facebook has been crazy and there is some unfriending going on. I propose this. Let's treat each other with respect, but don't look the other way when you hear or see something you think is radical. Each of us, try to moderate what you're thinking. Do and say unto others as you want them to say to you. Listen to each other and think before responding to something you don't agree with or like. Don't blurt out a retort. Discussion is good. Be self-reflective. Be kind. I'm not trying to be political, in fact I'd rather not label myself with a D or an R, but let's respect the President for the office, at least. It's easy to be critical but much harder to be correct.

Don't wait for someone to tell you to help another one in need. Do it without being told. Pick up after yourself in the park. If you are walking your dog and forgot a waste bag, take one from the emergency bag holders around the park. They are in white containers on almost every street. If you see people speeding on the street tell them to slow down. Uh, but that also applies to you. Dispose of your garbage in the proper receptacles. If the bulk dumpster isn't up there, take that chair or grill home and wait until it is. Don't put old TVs, tires, paint and such up there. Take it to the proper disposal place. In other words, don't pass the buck. Take personal responsibility. And last, smile and greet one another, even if only a wave. Just sayin'.

- This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 12th of the month for publication. For December, we will need the articles by the 10th because the publisher needs it sooner.....

Entertainment Committee

By Susan Bogle (586-1420) and Linda Casey (581-5257)

We had a wonderful Welcome Back Dance with great music as well as seeing all the familiar faces; and a fun time was had by all! December is our busiest month by far and we have a lot happening just for you, starting with the decorated coach competition, the decorated golf cart parade, the Christmas Social, and last but not least—the Christmas Dance. All of the details for these upcoming December events will be discussed on Wednesdays at Coffee Hour (9:00 – come early for doughnuts and to purchase your tickets) as well as being displayed on posters in the laundry room and at the Clubhouse. The Entertainment Committee would like to wish everyone a very Merry Christmas and a Happy Holiday season; and we hope to see everyone come out and enjoying all the activities. We plan these events for your enjoyment and fun; and are always open to new ideas & suggestions.

The Lovely Ladies of the Entertainment Committee,
Linda Casey, Susan Bogle, Dar Burke, Betsy Miozzi, Judy Low, and Kimberly Bogle.

Annual Resident Carport Sale

By: Harold Wurtz (932.....459-0394)

Hope you read this before it's too late!! December 1st is the date for our annual carport sale by residents in the community. By now you should have already signed up in the office if you are participating in the sale, but if you get this edition before the date and still want to take part, get your dollar in quickly to have your home marked on the map. The purpose of the charge is to help pay for the advertising. Residents who do not register will be assessed \$5 on the day of the sale if they take part without the advance payment.

If you take part in the sale and have some leftover items – consider storing them for a while and donating them to the Bazaar to help out the resident's club.

Recipes! Recipes!

By Betsy Miozzi, Donna Wurtz, Ann Curry, Ginny Peterson Pam N., Lynne Horsberger

Great News! We have streamlined our setup with a company named Morris Cookbooks. They have an online website called typensave.com. To submit recipes, go on the website. Type in **user name: lincolnshire and password: grape211**. Follow directions to enter your name and the recipe. Whal-lah! You've submitted your recipe! We would like to get this to the publisher in mid-December or January. We have collected 140 so far.

Pelease put your name on the recipe. We have more than 20 without names. This is from people current and former involved in Lincolnshire. You can't be complimented on a good recipe if we don't know who you are! The un-named recipes are listed on the site right now. So look and if you are one of those, let us know and we will add your name. Otherwise, the recipe will be dropped before going to the publisher.

Welcome to Lincolnshire

By: Joanne Power (lot 218...rad4rd@hotmail.com, 727-408-5881): Donna Wurtz (lot 938, momshse@aol.com, 727-509-8112)

Our next New Owners' Orientation session is scheduled for Thursday December 6th at 6:30 pm.

If you are new to Lincolnshire, or haven't been able to attend a previous session, please join us at the Clubhouse. You will receive a wealth of important and useful information about our park and our community. Existing residents are more than welcome to attend as well. You may be surprised to learn something new.

Also, we are asking everyone's help to please keep your eyes open for new neighbors and let us know their lot numbers so we can extend personal invitations where possible.

Hope to see you all there.

LADIES SALAD LUNCHEON

By LINDA DOUCETTE (LOT 267.....727-475-9933)

The time has come around again to plan for our famous Lincolnshire Ladies Salad Luncheon. Once again this year it will be held on SATURDAY, January 26th, at noon in the Clubhouse.

You can sign up at coffee on Wednesday mornings or the signup sheet will be in the posted at the laundry room early in January 2019.

The ladies of Lincolnshire are notorious for serving the most amazing salads and desserts.

Those who prefer not to bring either can provide a monetary donation of \$10 which will be used to supply place settings, decorations and prizes. Table service will be provided and water to drink, if you prefer any other beverage please feel free to bring it along.

Our theme this year will be “Rock and Roll is Here to Stay”. We will be having an awards ceremony to recognize women who have contributed to the history of music. No requirement to dressup, but if you’re so inclined don’t hesitate to get out some of your

“Glitz and Glamour” and maybe get your picture taken with some of the music legends who have been invited to attend.

Remember if you’re bringing a salad, tray or dessert it should be large enough to feed ten people, and if you’re able to provide ingredients or recipes on an index card that would be appreciated by people with dietary restrictions.

Come out and join us for some Good Company, Great Food, Lots of Fun and Prizes, Prizes, Prizes. Last year we handed out \$1000.00 in cash prizes and well over \$200.00 in gift prizes. Remember also to bring your \$\$\$\$ for our draws.

Rudy’s News

By Rudy Curry and his Mom Ann (Lot 1015.....727-420-6518))

Well, here I lay by Mom’s side, resting from all that good food on Thanksgiving. I’m just chillin’ as they say. Lots of new and old snowdog friends to meet and greet. I’m keeping my eyes and nose on a swivel! Lost some old friends too recently. Clyde on 10th and Sonny on 5th Julio on 12th and Fatty on 11th passed over the bridge and then Tuffy flew up to Minnesota with his Mom Bonnie. But then hello to Midget, Charlie, Sassie, Miss Leah, Cocoa and I’m sure others whose names escape me right now. I think it’s time for Mom to get off of her computer and take me for a walk. Please read on for a really good article about pet transport. Merry Christmas!!

 Health Insurance Agent

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

DID YOU KNOW?

Buying and Selling Your Home

By Allyn Webert (Lot 143.....847-975-1043)

I'm sure that most owners like myself didn't think too much, if any, on selling our coach after we first moved in or for a good deal of time thereafter. We looked forward to years of winter vacations and for a few owners year around living. Perhaps an investment for the future too.

Many are surprised that our coach is registered with the Florida DMV like a vehicle or historically a trailer home. Coaches similar to ours used to have a front hitch, axles and could be moved. Today those are called RV's and homes here are called coaches, manufactured or park homes. Even the pedestal (posts with electric meters) found in the original section of the Lincolnshire Park support 4 coach homes are reminders of past mobility of trailers. Visit an RV park and you will see newer versions of the pedestal. The newer part of our park has transformers (distributors of electricity) and meters on the rear of the coach. Lots have both potable (house) and non-potable (well) water access. The risers and spigots coming out of the ground in the back usually between 4 lots is non-potable well water. Some owners have added water lines to the coach for irrigation too.

All States have statutes (laws) that pertain to all different types of dwellings and Florida is not any different. The Florida Statutes that govern our 55+ rental mobile home park are found numerically under 723. Below are specific provisions under Chapter 723 on the rights to sell our homes. I won't give the whole provision as available online.

A. Florida Statute Chapter 723.058, was enacted in 1984 provides that: "No mobile home park owner of subdivision developer shall make or enforce any "Rule, Regulation or Rental Agreement" which denies or abridges the right of any mobile home owner or owner of a lot in a mobile home subdivision to sell his or her mobile home The park owner of subdivision developer shall not exact a commission or fee with respect to the price realized by the seller unless the park owner or subdivision developer has acted as agent

B. Florida Statute Chapter 723.061(2) (e): Failure of the purchaser, prospective tenant, or occupant of a mobile home situated in the mobile home park to be qualified as, and to obtain approval to become a tenant or occupant of the home, if such approval is required by a properly promulgated rule.

A Nurse's Toolbox #6

By Allyn Webert, RN. (Lot 1438.....847-975-1043)

Hopefully everyone has survived the first dose of holiday parties and dinners with much more to come here in Lincolnshire. I may have stretched the metal spring on my classic style bathroom scale a little bit.

In the November issue I had promised to begin laying out over the next several months on how our bodies were designed in the first place relating to food and exercise (movement.), next on what has seemingly gone wrong causing weight gain and diabetes, frustration, and finally some practical help on how to gain some control. At the end my goal is help you understand how we were designed, how that compares to our lives now and lastly how to start a change to better habits. Easy and hard at the same time.

It perhaps wasn't one single day in time but between 200-250,000 years ago we as humans (Homo sapiens) finally rolled off the assembly line of life. That assembly line had actually begun eons before we landed. I wasn't there.

So what were we and the world like then that would sustain us? Our brand new body (all of it) was specifically designed to survive each and every day. Geez not a very simple task at all. Basically we were male and female, thin or muscular depending on the abundance of food and amount of movement needed to find food each and every day. Our skin was purposely dark in the beginning to limit the amount of a necessary vitamin (D) produced with help by the sun. We were very strong, could climb trees and walk for miles. We also didn't speak much because there wasn't a language. Language was simple and to the point I would think. We were built to survive and did.

Food was very abundant and mostly year round. Food is really packaged sugar that becomes energy for every cell in our body to do a specific job (including fat believe it or not.) Food travels into our stomach, down the small intestine where almost all the sugar is removed, the large intestine and you know what follows that I'm thinking. This is called our digestive or GI system. It is unbelievable! Our GI system is a conveyer belt from one end to the other. However the system can break down (read next month's article on what can go very wrong.)

So where was the food that we needed every day and multiple times a day (I'll explain that later?) Actually it was everywhere. On or under the ground and in the trees. There was fruit, veggies, grains and if you were extremely lucky some animal protein lying on the trail. Remember we didn't know how to hunt yet so protein was just a spontaneous find and very irregular. Except for the protein, food was fresh and ready to eat. Food spoiled quickly so it was "find and eat." Pretty simple recipe to me.

So what was our day like way, way back then? No calendar and no weekends. The secret to getting in control of our metabolism is hidden in plain sight right here, believe me. At dawn we would begin to venture out of hiding (and I truly mean hiding as no weapons yet.) We in a group would begin to move out, finding food usually within an hour. Our body was demanding food for sugar and calories! We hadn't eaten for at least 10 hours. Our body was using what

sugar remained from the previous day and some from fat to sustain us. Food was very abundant. So we ate. Probably sat for a bit as we do now after eating a meal. We were feeling happy. **Then!** We did something **absolutely extraordinary**, we stood up and walked farther on. For our next meal! We walked (moved!) This sequence happened every 3-4 hours throughout the day. Somewhere close to dusk we began to find the same or another safe place to sleep. Curfew was darn early then! Next day, you guessed it, same plan. Day after day. It was our quest! We are here because the search for food and safety was relentless.

Next month we look at what has gone wrong for many of us. I ask each of you to see how your day compares to what was described above. Do you eat in the early morning, relax, move for 3-4 hours and eat a small meal again? Just think about how closer you can get to how we were designed to live. Until next month, chew well my friends.

Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938... 459-0394...bigchees99@aol.com)

First of all – a reminder: our annual Travel Club meeting will be held on Thursday Dec. 20 at 4 PM. Marie from Advantage Cruises will be supplying refreshments for the meeting. The purpose is to inform everyone of new possible trips for the remainder of the season and for next season, as well as to gather information about ideas that residents may have for future trips. For new residents who don't know – YOU are the reason we put these trips together, and everyone here is a member of our travel club. If you don't travel much, or if you travel often – we want you to feel part of our group. We have found that the trips, accommodations, and transportation are always top notch, and a step above others.

Trips still available for this year include Kennedy Space Center, Murder Mystery Train, and Myakka River State Park. Space Center and Myakka are both day trips, and the Mystery train is an overnight with a stop at the casino. All are great trips that have been requested because of their popularity, and are close to being sold out. Don't miss out – sign up now.

As you read this article we will have completed the cruise to Panama. Still looking forward to our Christmas Cruise, and the Annual Cancer Cruise. They are sold out.

Introducing a requested trip to Key West: Folks have been asking for this one Jan 12-15. We will spend 1 night in the Miami area, then 2 nights in Key West. On the return trip home, we will visit Everglades Safari Park.

"Ha ha ha, Biff. Guess what? After we go to the drugstore and the post office, I'm going to the vet's to get tutored."

PANCAKE BREAKFAST

By Jamie Doucette (LOT 267.....727-475-9933)

December 8th will be the first pancake breakfast of the season. We are looking forward to getting our griddles heated up and seeing you all again at breakfast.

We offer your choice of sausages or ham, pancakes-blueberry, cranberry or plain, or french toast, orange juice and coffee or tea.

Still a great deal at \$3.00. Tickets will be available at coffee hour on Wednesday mornings for two weeks before December 8th. We will also be selling tickets at the breakfast for

Lincolnshire Draw (not a 50/50 because we give all the take back to the winners).

Please remember to bring your own dishes and cutlery. See you for breakfast!

How to safely transport your pet in the vehicle

Article by Dr. Sonja Olson, emergency medicine.....Blue Pearl Veterinary Partners

Whether going to the park, traveling on a road trip or just taking a drive – our pets are often passengers in our vehicles. As we buckle our seatbelts, it's important to keep in mind that pets must also be constrained in the car for safety. Dr. Sonja Olson, a senior clinician in emergency medicine with BluePearl Veterinary Partners, provides safety tips for transporting your pets in a vehicle.

In most cases, your pet is safest in the backseat of the car. It's important to have a form of confinement to prevent your pet from flying forward during an accident or sudden stop. For cats and dogs under 15 pounds, it's recommended they are crated. Any type of crate is fine – just be sure to secure it behind either of the front seats rather than in the middle. For medium and large dogs, consider a barrier such as a car hammock or grate to keep them confined to the back seat. I use a seat belt attached to his harness.

Keep in mind one of the most dangerous ways to transport a pet is by having him in your lap. Not only is this distracting, but it can also cause crushing damage to the pet if the airbag deploys.

You should never leave your pet alone in a car. Even if it doesn't seem terribly hot or cold outside, temperatures can be extreme inside. This is a surprisingly common and totally preventable cause of many medical emergencies treated in Blue Pearl hospitals.

To sum up: Confine your pet in a crate or a barrier, don't place your pet in your lap or in the truck bed and don't leave him alone in the vehicle. In an accident, you want to be as safely prepared as possible.

Lincolnshire Bazaar 2019

By Barb Leek (317-508-3773..... #106). Diane Gallik. (330-671-4931..... # 365)

It might seem too early to be thinking about the Bazaar, but in reality it is heading our way before we can finish saying "Merry Christmas and a Blessed New Year!"

The date is February 2nd 2019. That gives us just a month after the holidays to regroup and gather goods for the sale. Then don't forget to scrub a dub- dub on each item you donate. Sparkling clean items are our trademark!

If you have served as an area chair in the past but wish to change areas, please call either Barb or Diane. If you would be willing to chair an area, please let us know. Areas include Jewelry, Home Décor, Books, Linens, Household Goods, Electronics, and Baked Goods.

If you are new to the park and need more details, either of us would be more than willing to answer your call and give you any information you might need. Items we do not take include clothing, shoes, TVs and Christmas.

We are always thankful for all who share their time to make the Bazaar a success. If you never have helped before, this is a good year to step up. Our two work days will be Feb.1 and Feb. 2. Announcements will be made weekly at Coffee Hour.

We have topped \$5000.00 in sales the last two years!! Well.....barely! But that is AMAZING! All profits go to the Residents Club and benefit each one of us by allowing event tickets to remain reasonable!!

2019 GOAL?.. \$5,025.00!!! I think I we can! I think we can!! I know we can!!!

President Trump's Call for Budget Cuts May Affect Military Pay, Tricare

1. President Trump's recent call for a 5 percent cut across every federal department includes the
2. Defense Department, Defense News confirmed in an Oct. 27 report. What does all of this mean for service members and retirees? Potential reductions could mean:
 - A military pay raise for fiscal year 2020 that is below the Employment Cost Index
 - Another possible push to reduce the calculation for Basic Allowance for Housing (especially with regard to dual military couples)
 - And increases in TRICARE fees for beneficiaries.

Digital Records Will Lead to Faster Disability Claims Decisions, VA Says

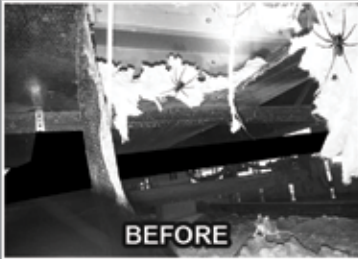

3. The Department of Veterans Affairs has completed a major effort to replace millions of paper files on benefits and disability claims with easily scannable electronic records in the ongoing battle to cut the backlog of cases. In a release Tuesday, VA officials said that a "significant modernization effort" over the last 21 months led to the removal of 7.8 million paper files from 60 locations within the department in the switch to electronic claims processing systems. "This will lead to faster claims decisions for veterans," the release said. In a statement, VA Secretary Robert Wilkie said the effort "will not only improve VA's claims process, it will also lead to quicker decisions for veterans because millions more records will be available electronically." Once the paper files are inventoried, officials say they will be scanned into the VA's Veterans Benefits Management System. Officials said in the release that going from paper to digital will also save money, citing the removal of millions of paper files from the Records Control Division (RCD) of the Records Management Center (RMC) in St. Louis. The VA is now working with the General Service Administration, which owns the complex that houses the Records Management Center, to return the leased warehouse space for the paper files to the GSA, according to the release. The move, officials said, will save nearly \$1.8 million per year. The VA's announcement on the removal of the paper files followed on a report last month from the VA's Office of Inspector General which found that VA officials had "significantly understated the number of claims awaiting decisions for over 125 days." In early September, the VA estimated the number of backlogged claims and benefits cases at about 86,000, but the IG's report said that the VA's estimate only covered about 79 percent of the cases that should have been listed as backlogged, or awaiting decisions for more than 125 days. "Ineffective oversight and training due to lack of national performance and training plans for Claims Assistants resulted in inaccuracies that also affected the backlog," the IG's report added. In response to the IG's report, VA officials said they were "reviewing how best to supplement or adjust reporting on the ratings-related backlog."

active-duty troops at the southern border, military and Customs officials said Monday. Several hundred troops from Fort Knox and Fort Campbell in Kentucky are already on the move into southern Texas, said Air Force Gen. Terrence J. O'Shaughnessy, commander of U.S. Northern Command. "By the end of the week, we will deploy over 5,200 soldiers to the southwestern border," he said. O'Shaughnessy said the plan is to deploy the additional troops first to Texas and then to Arizona and California in support of U.S. Customs and Border Patrol. The troops will be in a support role, limited only because of the Posse Comitatus Act. They will be able to assist with Logistics, Surveillance ETC. Although they will be armed they cannot legally shoot, detain or arrest but can assist the border patrol.

Monthly Mania: It Pays (Up to \$100) To Patronize the Advertisers in Your Newsletter

THOUSANDS manufactured home residents have won over **\$145,600** since our contest began. It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or mail your paid receipt to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). This month's cash winners are:

SHUFFLE BOARD

By *JAMIE DOUCETTE* (LOT 267.....727-475-9933)

Once again our shuffle board season is warming up. Our league will start on January 9th but in the interim we will be shuffling on Wednesdays, starting on November 28th at 12:30 for fun! If you're new here, and would like to learn to shuffle or if you're a seasoned player who wants to practice your game and teach some new players the game, come on out. If you're not already signed up to play, there will be a signup sheet in the laundry room soon. We are expecting this to be a fun filled season and are looking forward to having a lot of our regulars back and hope to have room for some new players as well. I expect by mid-December our Team Captains will know who their players are and what the schedules are. The teams will be posted in the laundry room and in the shuffle board shed.

See you at the courts!
