## On the Cover

This month's cover: Residents of Lincolnshire continue to enjoy fun times all year. Here Ruthie Kaser, Lynne Hershberger, 2 of the organizers of our "post" Cinco De Mayo Dance, try to hide behind their disguises. The dance was a hit. See the article for more details

## From the Editors

By Harold & Donna Wurtz (#938,.....459-0394..... bigchees99@aol.com)

Harold & Donna

June already. It's hard to believe. "Time flies" they say when you are having fun, and here every day in paradise just comes and goes faster than we can blink. Lots of activities continue here in Lincolnshire. Cinco De Mayo, Luau. Pot Luck, Pool, Aqua Babies (even out to breakfast together) Cards, and more.

Keeping active and eating right. That's the beginning, but it's time to add another important part of our plan to be "younger next year" The overall plan is to stay feeling 50's well into our 80's. If you missed the first 2 parts, you can still read about them in the last 2 issues of the voice. The next important part of our plan is relationships, and it is a very important part of staying healthy.

Relationships take on many forms. Of course if someone is married, there is their spouse, and possibly children and grandchildren. It is important to interact with those who we care for as much as possible. If you are single without attachments, you will still need to cultivate relationships for your own well-being.

Again, these attachments may come in many forms. Friends that you make in the community, (perhaps those Aqua babies?) friends who you work with, either actually at work of some kind, or as volunteers for the benefit of others, or organizing activities.

And of course we can't leave out the benefits of relationships with our pets. Dogs, cats, even birds can be helpful in this respect. The worst thing is to retreat within ourselves as we age. Go out - - - find someone - - - volunteer - - - - get a pet and care for it and accept the unconditional love they provide. You will find your life more fulfilling, and the happiness you find will add to the years of life's enjoyment.

# From the Desk of the President

By Brian Sliter (#574, 812-7903)

I'm writing this article on Tuesday May 16th  
The LUAU will be held on June 17th and there will be six performers with the excitement of a FIRE DANCE. Harold is still working on the food menu.

We saw the post on Facebook of the Post Cinco De Mayo Dance. By looking at the pictures, those of us that weren't there can plainly see that fun was had by all. On a sad note, I must mention that an ambulance had to be called. Our entertainer Bob Swenson's partner Carol had to be taken to the hospital. We wish her a speedy recovery.

I can now say that once again Joanne and Jim Power and their volunteers put on an excellent Easter Dinner. Thanks for a job well done. The pictures of the Easter Bonnets on Facebook were outstanding.

The Dedication Monument should be in place by Memorial Day.

On a personal note, I had Cataract surgery on my right eye on May the 10th . I can't remember when I could see this well in the past. Hopefully, I can get my left eye done soon.

It was a sad day for me when Ellie read that Jerry Pastva had passed away . Jerry had beaten cancer in the past, but it finally took him. Ellie and I pass on our condolences to Jane.

I hope that any new residents to Lincolnshire will take advantage of the Voice calendar and Wednesday coffee hour to meet their neighbors and join in on activities sponsored by the Residents' Club.

Enjoy the Month of June!

There have been many changes this year which we still do not have from new residents. Many new residents have not provided information, and many old friends have moved away. Every year there are changes that do not get published because we do not get the information. This year is no exception. We are missing names and numbers of many new residents. If you do not see your name & phone number listed in the yellow book, we did not have the information to list it as of the publishing deadline. We cannot publish second hand information. It must be received from the actual resident, so please let them know to contact us with their information.

The yellow book is for use by our residents only. It is not to be used for solicitation by advertisers, so please do not give anyone outside the community access to the books. Any violation of this rule by an advertiser is a violation of their contract, and will result in cancellation of any future advertising.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year’s edition of the directory. Any corrections can also be submitted to Donna at 459-0394.

As information is received from new residents, we will post it for you to update your new directory when publication is complete.

When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Remember, the Dial directory is only published once each year. The directory is **not** produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

# Where did the time go?

Submitted By: Rosemary Foster (Lot# 637 587-6932)

---

**H**ow did I get here so fast? Where did the years go and where did my youth go? I remember well, seeing older people through the years and thinking that those older people were years away from me and that winter was so far off that I could not fathom it or imagine fully what it would be like. But, here it is. My friends are retired and getting gray. They move slower and I see an older person now. Some are in better and some worse shape than me. But, I see the great change. Not like the ones that I remember who were young and vibrant but, like me, their age is beginning to show and we are now those older folks that we used to see and never thought we'd be.

Each day now, I find that just getting a shower is a real target for the day! Taking a nap is not a treat anymore, it's mandatory! 'Cause if I don't on my own free will, I just fall asleep where I sit! And so, now I enter into this new season of my life unprepared for all the aches and pains and the loss of strength and ability to go and do things that I wish I had done but never did!! But, at least I know, that though the winter has come (and I'm not sure how long it will last) this I know, that when it's over, it's over.

Yes, I have regrets. There are things I wish I hadn't done, things I should have done, but indeed, there are many things I'm happy to have done. It's all in a lifetime. So, if you're not in your winter yet, let me remind you, that it will be here faster than you think. Whatever you would like to accomplish in your life, please do it quickly! Don't put things off too long!! Life goes by quickly. So, do what you can today, as you can never be sure whether this is your winter or not! You have no promise that you will see all the seasons of your life.

So, live for today and say all the things you want your loved ones to remember and hope they appreciate and love you for all the things you have done for them in all the years past!! Life is a gift to you. The way you live your life is your gift to those who come after. So, make it a fantastic one. AND REMEMBER, "It is health that is real wealth and not pieces of gold or silver." May you always have love to share, health to spare and friends that care!

## Cinco De Mayo Dance

BY: Ruthie Kaser (#1351, 901-299-9075)

What a wonderful time we had, wish you all could've been there. The evening started out tragically with Carol Usiak, Bob Swenson's partner, taken to the hospital. Bob called her some, but even though we told Bob to leave he would not. We proceeded to have a wonderful time! Bob is an amazing entertainer even under duress. I would like to express my thanks to all that attended and to all that helped make this a huge success! People loved the decorations. Great door prizes, fun music, and happy people: all making for a fantastic night. We look forward to more summer dances and activities. Almost 70 residents attended. Summer Sunshine = Summer Funtime

### LIFE AT LINCOLNSHIRE

Rest your body, ease your mind,  
Soothe your spirit, leave behind  
All your worries and your woes,  
Feel the sand between your toes,  
Let the hours and the days  
fall around you, drift away,  
to a simpler, quiet place,  
Where life's lived at a slower pace.

## Lincolnshire Library

By: Cynthia Varga (163.....584-6402)

My thanks to all who have brought books to my house this makes it much easier for me to keep order in the library.

I try to keep the shelves in alphabetical order and when people randomly put the books back, I have to go through all the shelves each time and sort all the books.

Having them in order makes it so much easier for someone looking for a particular author

Thanks again for helping make my job less of a chore.

Also looking for some nice book-ends to use on the shelves

Keep the books coming.

# Lincolnshire's 6th Annual Luau

By: Donna Wurtz .....(#938.....509-1182)

This year our Annual Luau will be set a little different than past years. We will not be serving the large buffet that we have in the past, because the time will be later in the evening. We will still be serving plenty of food, but more finger food than in the past. Dinner will be served at 7:30 PM. Why so late you ask?? Well it's because we have arranged a special night of entertainment. The paradise dancers will be presenting their "Tropical Heat-wave" show for us that includes the "fire-dance." To get the full effect or the fire dance, the show needs to be done when the sun is down. It will be performed outside around the pool after the indoor activities are completed. Make your plans to join us on June 17.

By the time this issue is in your hands, the tickets will have already been on sale for a few weeks, and the menu announced. As of this writing, we can tell you that the menu will include lots of Fresh Fruits, Teriyaki Chicken Skewers, Hawaiian Fried Rice, Pineapple glazed Ham Balls, and lots more. Those who have attended our past 5 Luaus know how great this event can be, so if you haven't purchased you tickets yet, buy them now, as history says this event will SELL OUT

## Art Group

By: Paul Edwards (#153, 317-750-7402 )

The Art Group has finished up with the "seasonal" weekly meetings in the clubhouse. Although the group meeting is small, the results are great. Some very nice artwork has been completed, and more started. It's a great way to share ideas about methods, mediums, and more. We are looking forward to next season's gatherings. But don't stop now!! Keep you art work going, and come back and share your work and ideas.

Paul.

## Media Library

By: *Teanna Ennis*

---

**S**o everyone will know, Lincolnshire now has a media library in the clubhouse. A substantial number of DVD and Blue Ray discs are now available for you to borrow. They are located in the drawers of the book library shelves, as well as in the drawers of the side tables along the walls. Feel free to borrow any one you choose, and just return it when you have finished, or trade for another that you are finished with. Donations of more DVD's will be welcomed.

The library is started in memory of Gae and David Steinberg, who were responsible for our "movie nights" for such a long time here in Lincolnshire. It has been started with the many movies that were part of their collection.

**M**ay was our cruise to Cuba. As of this writing, we cannot tell you anything about how it went, because we are still waiting to leave. The July issue should have plenty of information about the trip, but also watch the facebook page for photos. Almost 20 residents are involved in this trip. Rules for Cuba visits are changing every day, so our report next month will have at least our latest updates for those who may want to make that trip in the future.

We also recently visited a theater rendition of a brand new ship coming in December of 2018. The new Celebrity Edge will begin sailing in the Caribbean then. We hope to set up a group for a cruise on her in January of February of 2019. From what we have seen, this ship will be an entire new experience in cruising. Veranda Staterooms where the balcony actually becomes an enlargement of the room itself, a platform that rises and falls on the side of the ship to move to the decks that have activities (it could be a dining room at one time, or it could be a departure point while in ports etc.), New dining experiences and too much to tell you about

### Rudy filling in again this month

#### RUDY'S NEWS

**G**ood Day! I heard that's another way to say hello. An Aussie buddy of mine told me that. Cool. Speaking of that, it sure is hot and dry! My birdmates, Tweety and Cooki, don't seem to mind. Mom puts them in the Florida room sometimes and they love to sit and listen to the outside sounds through the open windows. Me, I like my walks so I can do my business and see my other friends. It's fun when we stop and visit on the street. Remember though, the street and sidewalk get pretty hot now and we dogs are walking around barefoot. We can burn our foot pads pretty quick. For some of us, that can be why you see us licking our feet when we get home. So when you stop to chat, try to get us on the grass or in the shade so we don't have to stand on the hot street. Of course, then we can get itches from the grass and weeds. But at least we don't get burned. What is a dog to do!! RUDY AT BEACH. YIPPEE!!

That brings up another issue. (Mom speaking now.) This is a pet friendly park. It is a senior community. I know many of us that live here year around still have jobs or just need to go places during the day. Please respect others who are not in a hurry and are out walking the dog or taking up trash or bike riding and such. Speeding (over 10mph), rolling thru stop signs, driving like you want to run people off the road and taking it personal by flipping the bird, are all things you would be ticketed for outside the park. Oh, also there is that little lever on the left side of your steering column. When you pull it up or down, it lets people know you are going to turn. Please use it. Yes, in here too. And if you see people driving like that, please report it to the office. Don't let it go. We should not have to put up with it. People and animals will get injured. Remind your guests and service workers, UPS, FEDEX, etc. of the need to obey the rules and regulations of the road. Have a nice summer and stay cool.

Lectionary and Collects for June 2017 ~ Lincolnshire Church Services

4 – Collect: O God, who on this day taught the hearts of your faithful people by sending to them the light of your Holy Spirit: Grant us by the same Spirit to have a right judgment in all things, and evermore to rejoice in his holy comfort; through Jesus Christ your Son our Lord, who lives and reigns with you, in the unity of the Holy Spirit, one God, for ever and ever. Amen.

Acts 2:1-21, Psalm 104:25-35, 37, 1 Corinthians 12:3b-13, John 20:19-23

11 – Collect: Almighty and everlasting God, you have given to us your servants grace, by the confession of a true faith, to acknowledge the glory of the eternal Trinity, and in the power of your divine Majesty to worship the Unity: Keep us steadfast in this faith and worship, and bring us at last to see you in your one and eternal glory, O Father; who with the Son and the Holy Spirit live and reign, one God, for ever and ever. Amen.

Genesis 1:1-2:4a, Psalm 8, 2 Corinthians 13:11-13, Matthew 28:16-20

18 – Collect: Keep, O Lord, your household the Church in your steadfast faith and love, that through your grace we may proclaim your truth with boldness, and minister your justice with compassion; for the sake of our Savior Jesus Christ, who lives and reigns with you and the Holy Spirit, one God, now and forever. Amen.

Genesis 18:1-15, (21:1-7), Psalm 116:1, 10-17, Romans 5:1-8, Matthew 9:35-10:8(9-23)

25 – Collect: O Lord, make us have perpetual love and reverence for your holy Name, for you never fail to help and govern those whom you have set upon the sure foundation of your loving-kindness; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Genesis 21:8-21, Psalm 86:1-10, 16-17, Romans 6:1b-11, Matthew 10:24-39

## Veterans Corner

By: Robert Behm (775, 401-207-9317)

---

### VETERAN'S CORNER

1. As I mention at coffee hour The Honor Flight is a free trip for veterans to tour the monuments in Washington, DC. Please note that the order of priority for Veterans is Hospice Care, World War II, Korean War and Vietnam. The fall flights are scheduled for June 6 and October 24 so please apply now! As I said, I can provide any Applications that are needed. Email me at [robert.behm23@gmail.com](mailto:robert.behm23@gmail.com) or call me at the number in the yellow phone book.
2. Some doctors were startled to discover the new "payment arrangement" for those willing to accept TRICARE patients. Currently most doctors receive 10 percent less than Medicare pays for their TRICARE beneficiaries. The new contract, to take effect Jan. 1, will ask them accept another 20 percent cut. Some fear this could result in fewer doctors and therapists willing to participate in TRICARE.
3. Starting on June 28, 2017, TRICARE will no longer include the drug Nexium in the preferred, or formulary, drug list, and it will no longer be available in military hospitals and clinics. Patients are currently being asked to switch to one of the following three preferred alternatives: (1) Omeprazole, (2) Pantoprazole, or (3) Rabeprazole. If your doctor determines that Nexium is medically necessary for you, TRICARE will continue to cover the cost of Nexium, minus the \$20 copay for a 90-day supply of home delivery and \$24 copay for a 30-day supply via a retail outlet. Your doctor must submit a prior authorization. For more information on TRICARE's formulary list, visit the TRICARE Pharmacy webpage.
4. The American Legion Family has called upon Congress to designate May 26, 2017, as National Poppy Day to expand awareness and provide support everywhere for all who have served and sacrificed in the U.S. Armed forces. The American Legion Auxiliary has been conducting a Poppy Program for many years and their members' raise over \$6 million annually to provide support for veterans, military service members and their families. A new webpage on the American Legion website provides multiple ways people can expand awareness locally and regionally. Also through the website, National Poppy Day donors can make safe, secure contributions that directly support military veterans and families through American Legion programs.

# LINCOLNSHIRE HOMEOWNERS' ASSOCIATION, INC. P.O Box 1882, Largo, FL 33779

## DID YOU KNOW?

The Federation of Manufactured Home Owners of Florida, Inc., (FMO) is a statewide, consumer advocacy association dedicated to protecting the rights and interests and enriching the lifestyles of manufactured home owners.

Formed in 1962, the FMO has a current membership of approximately 20,000 manufactured home owners. FMO operates with more than 1,000 volunteer officers from around the state who serve members by answering questions, assisting with problems, organizing district meetings and workshops, and linking them to the Board of Directors and the administrative staff at the Largo business office.

In 1962, the St. Petersburg City Council planned to enact an ordinance mandating that mobile home owners install tie-downs, a very expensive proposition then. Peggy Johnstone, upset by the impending mandate, contacted fellow mobile home owners and, on March 26th, 77 communities came together to defeat the ordinance. The FMO was founded that day with a clear vision in place to protect the interests of manufactured/mobile home owners in Florida.

Today, the FMO is the only organizational lobby working for the benefit of mobile home owners in the state of Florida
