## ON THE COVER:

**W**e literally all had a blast at the Kennedy Space Center in January. Some of us even posed for pictures after our flight.

## FROM THE EDITOR

By Ann Curry (Lot 1015...acuria10@gmail.com...727-420-6518)

**W**e have started the new year with a bang. Lots of activity in the park. So much it's hard to keep up with all of it. Dances, Breakfast, the Bazaar, cards, Shuffleboard, Bowling, Golf...and so on. We are traveling, in ships and buses and planes, living our retirements. In the midst of all that fun, life goes on. People get sick, come down with diseases and cope with breaking bones, replacing body parts like knees and hips. I myself after losing my dog in December, fell and broke my leg. The outpouring of support has been amazing to myself and my husband. I want to thank everyone for it all. We are truly happy that we live in such a caring place.

While all that has been going on, I have heard of others having injuries, falling from steps, falling at airports, needing surgery, etc. Without getting personal and naming names, because some don't wish to be public, I'd like to ask if there would be any interest in starting a sunshine or thank you column. It could be a place where one could post thank yous for help rendered. Please email or drop by ideas if there is an interest in doing this. You can email or call or text.

Last in my column this month, I want to bring up a reminder. This is a community with rules. Those rules don't go out the window when you get in your car or cart or scooter or motorcycle. Everyone talks about it, but no one seems to slow down. **PLEASE STOP SPEEDING AND ROLLING THROUGH STOP SIGNS. SOMEONE IS GOING TO GET INJURED OR KILLED!! THIS APPLIES TO ALL OF US. REMIND EACH OTHER AND THE SERVICE VEHICLES IN HERE.**

- This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to [acuria10@gmail.com](mailto:acuria10@gmail.com), usually before the 12th of the month for publication.

## From the Desk of the President

By Brian Sliter (Lot574.....727-812-7903)

This will be my last article as your President so I will tell you all about my ten years on the Lincolnshire Residents' Club Board. It is a bit long so Ann is spreading it out over several issues.

I was still working when we bought our place here on June 2nd 2006. Our first extended stay was from January to the end of March 2007. I attended two Residents' Club meetings during that time. When Ellie and I came down in October of 07 for the Winter I attended all the meetings of the Residents' Club, now I will mention that I liked and respected our then President Roy Marshall and we had many a short conversation about the Residents Club and how it was controlled by what I called "the gang of forty". I watched as many good people made suggestions and they were voted down just because the Gang of Forty didn't want any NEW events or changes to take place. I will just mention two that really ticked me off. Martin Webster wanted to spend about \$200 dollars to fix the speakers in the Hall. Marty offered to do all the work himself and this was voted down. Another time Harold Wurtz wanted to spend about \$150 on a Karaoke Machine. This was immediately voted down because there were only about 20 "yes" votes.

I may tend to move forward and back time wise but I hope you are able to follow along.

Roy Marshall had cancer and was not able to continue to do the job of President so a few residents talked Bill Taylor, a Past President, into stepping up and running again for President. Bill agreed to stay on for one year and stated to me that I had to get involved and must attend COFFEE HOUR, as I was now a member of the Board. I told Bill I don't drink coffee, Bill replied bring your COKE. I still do.

I asked the Board about spending some money and trying to get some new events happening. They were reluctant at first. Bill asked how I was going to get past the "gang of forty"? I said with a "gang of sixty". Bob Greene was Vice President and had a green book to record when the hall was in use and available. (I still call the book the GREEN BOOK.) Bob stated there was plenty of unused time as there was not much going on.

I had watched three Brit ladies try to put on dances. The first ticket prices were \$2 and there were thirteen of us at that dance. The second dance was FREE and we had about twenty. This had to change. And it did!

I watched as Jim Thompson desperately tried to host our Karaoke and Pizza night with a drunken disc jockey, that couldn't find the right song or keep his equipment working. This had to change- and it did!

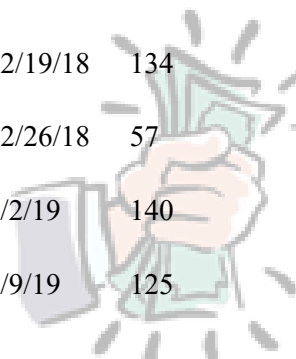

To be continued next month....

By: Harold Wurtz

(#938.....727-459-0394)

---

**D**on't miss out. This is the show that sells out every year (mostly because everyone likes the all you can eat pizza) But really – it is a great night of fun. It's karaoke – Lincolnshire style. Come sing your heart out, of laugh along & sing along with your friends. There is some great talent here in Lincolnshire, and every year there seems to be a little more. We have “table Challenges” Door prizes, 50/50 draw, and Plenty of pizza – cooked right in the clubhouse by Steve of Catering Specialties. Doors open at 5:30 PM, with pizza served approximately 6:00 PM with music up to serving time & only a short break before we kick it up again.

Hurry if you don't have your tickets. They might be sold out before this printing, as the show is March 2 this year.

See you there

## LADIES SALAD LUNCHEON

By LINDA DOUCETTE (LOT 267.....727- 475-9933)

An amazing number of female musical legends came to Lincolnshire and, in my opinion, we were provided with exceptional entertainment for the Ladies Salad Luncheon.

The Gold Record Award winners were outstanding, many of them performed, congratulations to all of you.

The emcees, Elvis and Priscilla, and presenters kept the pace of the show running smoothly. The salads and desserts were all exceptional, no surprise there, Lincolnshire has some great cooks.

The decorations set the tone and many of the attendees helped to enhance the show by dressing for the Awards or your favourite music genre. My heartfelt thanks go out to the people who helped in the kitchen, sold tickets, shopped, loaned us personal items that we used for props, helped to decorate and those who stayed behind to help cleanup after the luncheon.

Extra kudos to the guys who came back after their own lunch and pitched in. I love to say “it takes a village” and events like this are a perfect example. I count over 50 people who helped with the Ladies Salad Luncheon.

Ladies left with 80 prizes, 50 gift prizes and 30 cash prizes of \$50.00 each

Yes that’s a whopping \$1500.00 in cash. Congratulations to all of you.

## **Bazaar 2019....We did it!**

*Barbara Leek (Lot 106. 317-508-3773. Diane Gallik (Lot 365. 330-671- 4931)*

---

**O**nce again we can be proud of the group effort that culminated in a very successful bazaar! Each year one wonders if it can get any better and each year it does! This year it seemed to run more seamlessly than ever before!! Everyone put 100% into their specific area! It seemed the crowd was low but the profits don't reflect that at all. Our profit was \$4,766.18. Amazing!

In reviewing, we realize that there are some changes to be made. We need to update the list of items we cannot accept such as obsolete electronics. We are getting to the point that items even only two or three years old are just not selling. Another concern is some of the larger outdoor items. The pick up service will not take items larger than their bins. Something like an entertainment center is just too large. But those are things we can work on for several months now.

We are delighted to report that many times we heard our customers express how they enjoy our bazaar. The cleanliness of our items and our yummy kitchen seem to be quite enticing for bazaar goers!

As always the donations for the raffle, the bakery booth and the kitchen just kept rolling in. It's hard to find anyone more generous than the residents of Lincolnshire!

We had many new faces at work this year. Thank you for stepping up!

All in all ... we are a great team! On to next year!!!!

**O**ur last new owners information session was held February 17th following the Ice Cream Social. Thanks to fellow committee members for their help with presentations.

If you are a newcomer to Lincolnshire, the next session is April 14th at 1pm in the clubhouse. You will receive loads of important and useful information about the park and surrounding communities. Existing residents are more than welcome to attend. You may be surprised to learn something new.

Also, we are asking everyone's help to please keep your eyes open for new neighbors and let us know their lot numbers. That way we can extend a personal invitation when possible.

Hope to see you there.

## BLOCK CAPTAIN MEETING

Betsy Miozzi (Lot 618.....727-420-8911)

---

I need to meet with all the Block Captains. We need someone for 9th st. and a call person for 5th. I also need an update of your voice counts so we can be in sync. We don't want over or shorts. After coffee on March 6. If you can't make it, please let me know. Thanks so much for all you do. Without you there would be no Voice!

Also, if anyone else is interested in being a Block Captain, come to the meeting or contact me. We always need a backup plan.

## Dial Directory and Database

By Donna Wurtz (#938 509-1182.....e-mail to: momshse@aol.com)

---

At this time, the "Yellow Book" next edition for 2019-2020, (dial directory for Lincolnshire Residents) is on the way to the publisher. If you did not get your new information to us by now, it will not be in the new directory. Of course, if you were listed in the current book, and have no changes, you will still be listed in the new directory. As always, the success of the book is in the hands of the residents. We are already in the process of gathering information for the next book. For the book to be accurate, and for you to be listed, we need your input.

If you are **new to the park**, or if you have changed your phone number, please submit an input sheet to Donna (phone & e-mail above). Input sheets will be available at coffee hour, we will also allow entrees via e-mail sent to the above address. E-mails will be copied & filed as permission for the listing to be published. If you choose the e-mail method, please include birthdays, anniversaries, and home state or province so you can be recognized in the voice publication. **Please** note, we cannot accept little scribbled papers with your number as permission to publish your new number. It must be either on the form with signature, or in the form of an e-mail. Also remember we cannot accept numbers for publication submitted by third parties. If you know of someone who needs to have their name added to the book, please contact them. In the event that you are new in the park, but do not want to have your number published, please still provide it to Donna with the note to leave it unlisted, so that the block captain will have it for emergency use.

If you did not provide us with your new numbers and **permission to publish them**, your number will not be listed in the directory. Over the past few years we have received complaints from residents whose numbers are **not** listed. Almost every time it is someone who gave us information too late for publication, or gave us a paper with a number not containing the required permission to publish. Please note that if we do not have a signed permission to publish your

*...continued on page 20*

number, or an e-mail, **it will take another year before you will be listed in the book.**

**New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules.** Please look to see if you have this form – fill it out – and return it to Donna at lot 938.

Remember, the Dial directory is only published **once** each year. **The directory is not produced by the office.** It is a resident's club function, so **don't expect the office to update your information for you.** If you do not wish to have your birthday or anniversary listed in the Voice, please let us know

Thank you for your cooperation.

## **RUDY'S PET KREWE**

By Ann Curry {Lot 1015....727-420-6518....acuria10@gmail.com}

**T**ime is going by since I lost my friend Rudy. I have a new dog in the house named Sadie but though she's sweet and happy to have a forever home, Rudy will never be replaced. But why did he get so sick at the end? There are various reasons, some I can't help, like age, but others I didn't completely know about and so I am trying to inform myself to keep my new dog Sadie, as healthy as possible so she can have a long life. I will try in the next issues to tell you about what I have learned.

### **Selecting Good Commercial Dog Food**

There are about 4 types of dog food these days; Kibble, Canned, Freeze dried and fresh cooked and preserved. Of the 4, the freeze dried is the best, the fresh cooked like Fresh Pet is next best but expensive. You buy it almost anywhere in a standalone refrigerated display. Next comes canned and last the dry kibble. My Rudy and many of the pets we know and have loved have gotten cancer from the food they eat and the environment they run on outside. This time I will discuss the different types of canned and dry dog food. I know there are people who make a raw diet for their dogs but, but consider this. There are a lot of safety concerns these days. There were over 20 recalls in 2018 of contaminated raw meat sold to humans. Would you like to feed raw meat to your family these days?

So let's look at how to find some good safe food for your pet. Talk to your vet. They are constantly seeing and learning about their profession and will give good advice. But look yourself. Read and become informed. Do not make decisions based on on-line ratings. Most are rated more by marketing than science. Be skeptical. What kind of research goes into their brand? What kind of testing have the dog food companies done? Do they even feed to any dogs before selling it?

Look at the back and sides of the dog food package or can. Know the most important info on the label. It's called the Nutritional Adequacy Statement. How is it stated?

1. Formulated to meet all life stages. Adult, over weight, Senior can be bad. Because if you continually feed the same food over time the pet will develop deficiencies.
2. Animal Feeding tests for life stages. Some companies like Purina keep kennels of pets to test feed their product.
3. Intended for intermittent or supplemental feeding. As I said earlier, you don't want to put your pet on food like weight loss forever. They will develop deficiencies that can lead to health problems.

The second piece of good info on the package is contact information. Call and ask some of the questions I've posed.

There are strict guidelines companies should follow, but it is all done on the honor system. Go to 2 web sites that show the guidelines, World Small Animal Veterinarian Association and Pet Foodology.com. That's all for this time.. Have much more for next time.

### **DID YOU KNOW?**

---

**O**n February 19th, 2019 and prior to the deadline for this article submission, the Lincolnshire Homeowners' Association (LHOA) held its annual membership meeting for the purpose of conducting such business that required action by the membership.

Given the number of declared candidates (4) standing for election to the Board of Directors was equal to the number of Directorships open, there will not be an election and those candidates will be seated on the Board by acclamation. Immediately after the Annual meeting, the Board of Directors will meet to elect officers (President, Vice President, Treasurer and Secretary.) The Board of Director and Officer listing is maintained, on the bulletin board located in the laundry, along with notices of Board and Membership meetings. They are also placed in the "Voice". Attending Member meetings is the best way to keep updated on current issues and ask questions. Members may also attend Board of Director meetings.

The membership will have also voted to amend the Association's By-Laws, amending one Article that changes the deadline for submission of an intent to run for Directorship from 15 days to 20 days prior to the annual meeting. This change allows the Board to create election

## A Nurse's Toolbox #9

By Allyn Weibert, RN. ( Lot 1438)

---

Last month I went over how civilizations have determined by where they are located, governed with cultural pressures what is available to eat, its quantity, its quality, the abundance and lifestyles.

There are 4 pretty basic actions that occur in how we use our food (sugar.) What we eat, how much we eat, when we eat (a newer issue) and the last important one which is what we do with the food (movement.) I really don't like the word "exercise." Bet you don't either.

1. What we eat. Each food group has a sugar load. Some call it "carbs." Each food group has its own time to become sugar, pass into our blood stream and meet "insulin" made fresh daily and hourly in our pancreas that escorts the sugar in to each and every cell. Candy the fastest (seconds) and meat the longest (almost an hour.)

2. How much we eat. Eating more than recommended in each food group means too much sugar will be available immediately or an hour from now when you really need some right now. Which makes our body "make" sugar even though you just ate. Oh boy! Or you get the sugar when you aren't going to use it. Another Oh boy!

3. When we eat. May be a new one for most of us. We were designed to get fresh food (sugar) every 3-4 hours after getting up at DAWN. Yes DAWN. All day until dusk. When we don't follow this there is metabolic chaos and confusion. We don't get food when our body first needs it (skipping breakfast) and eating at the end of the day when things are winding down. The end result is no fresh food (sugar) when our system is looking for it and then food (sugar) when not needed. Our body has to make sugar when it has been denied (yes denied.) and store sugar when it isn't being used (fat.) If our pancreas could talk to most of us it would be screaming for calm. It would tell us to eat what we were designed to eat, the quantities we were designed to find during the day and when, along our daily trail we would find it.

4. Movement. Formerly "exercise" for me. Simple. We ate and moved to eat, ate and moved until dusk when we found safety to sleep. Started all over the next day. If the average time the sugar is available to us is 30 minutes after we swallow then do something and move. Walk, vacuum, ride a bike, move!! Our muscles use the most sugar!!! I mean it. Use them no matter how small the muscle it is using sugar. Then have something to eat 3 hours later. It truly is simple. Get up, eat, move, eat move.....go to bed without a napkin on our laps.

The goal is not end up with so much sugar (gas) in our tank when we aren't going (driving) anywhere. Fall asleep with enough sugar to get you to the morning when breakfast is waiting. Breakfast is not a donut and coffee! Of course you know that.

Chew well my friends.

## Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938,..... 459-0394 ...Bigchees99@aol.com)

The annual Cancer Cruise again was a total success. Everyone who was on board had a great time. It was a good experience to cruise with Celebrity cruises. Top notch food and service, and a beautiful ship. But now it's time to think about next year's cancer cruise. It will be a 4 night cruise from December 2nd – 6th. It is a short cruise, but will prove to be a great new experience for those who wish to join us. Travel to the Bahamas, and the ALL NEW Perfect Day Cococay on board the newly renovated Mariner of the Seas. Ask us for a flyer about this cruise. Prices start at only \$568, and as always includes transportation, cruise, port taxes, government fees, 2 free cocktail parties, and travel insurance, and all the proceeds will be donated to the American Cancer Society. Book by March 31 and receive \$50 shipboard credit.

Hope many of you met Marie at our last travel meeting. This article is written before that meeting actually happened, so next month we will be talking about any new ideas you had for Lincolnshire trips

Also in January was our day trip to the Kennedy Space Center. It was a really great trip, and many would like to do it again next year, only making it an overnight trip so more time can be spent at the center. It's almost impossible to see everything in only one day. Don't you think Teri makes a great astronaut? Lots of other photos loaded up on the facebook page. If you missed them, they are still there.

Looking forward to reporting about our Valentine's Day Murder Mystery Train Dinner Theater. Watch for our report & more photos.

See you all "On the Road Again"

3rd - O God, who before the passion of your only –begotten Son revealed his glory upon the holy mountain: Grant to us that we, beholding by faith the light of his countenance, may be strengthened to bear our cross, and be changed into his likeness from glory to glory; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Exodus 34:29-35, Psalm 99, 2 Corinthians 3:12-4:2, Luke 9:28-43a

10th - Almighty God, whose blessed Son was led by the Spirit to be tempted by Satan: Come quickly to help us who are assaulted by many temptations; and, as you know the weaknesses of each of us, let each one find you mighty to save; through Jesus Christ your Son our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

Deuteronomy 26:1-11, Psalm 91:1-2, 9-16, Romans 10:8b-13, Luke 4:1-13

17th - O God, whose glory it is always to have mercy: Be gracious to all who have gone astray from your ways, and bring them again with penitent hearts and steadfast faith to embrace and hold fast the unchangeable truth of your Word, Jesus Christ your Son; who with you and the Holy Spirit lives and reigns, one God, for ever and ever. Amen.

Genesis 15:1-12,17-18, Psalm 27, Philippians 3:17-4:1, Luke 13:31-35

24th - Almighty God, you know that we have no power in ourselves to help ourselves: Keep us both outwardly in our bodies and inwardly in our souls, that we may be defended from all adversities which may happen to the body, and from all evil thoughts which may assault and hurt the soul; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Exodus 3:1-15, Psalm 63:1-8, 1 Corinthians 10:1-13, Luke 13:1-9

31st - Gracious Father, whose blessed Son Jesus Christ came down from heaven to be the true bread which gives life to the world: Evermore give us this bread, that he may live in us, and we in him; who lives and reigns with you and the Holy Spirit, one God, now and for ever. Amen.

## CASINO NIGHT

By Bill Healey (Lot 715....727-412-0943)

Are you looking for a fun night with friends? Well, mark Saturday March 9th in your calendar. For \$3.00 dollars at the door you will receive \$10,000 Lincolnshire Play money. We have Black Jack tables, Roulette Wheel, Horse race game and the Big Dice game. All the monies collected will be given out as money prizes at the end of the night. We also have a \$5.00 Lincolnshire Raffle. Fun starts at 7PM. If you would like to help out with this event please call Bill Healey at 727-412-0943.

## GAME NIGHT

By Ann Curry (Lot1015....727-420-6518)

This is an evening to come up and join in various different games. We usually play Phase 10 and Mexican Train Dominos, but many other games are played like Sequence and Cribbage. You can bring your own game with you, of course, and friends and snacks.

- Just a note to say it will start at 7:00pm except when there are meetings held. Then it will begin after the meeting. Check your calendar.

## Shuffleboard

By Jamie Doucette Lot 267 727-475-9933

Our shuffle board season has begun and the competition is already brisk.

If you want to check on your teams standing they will be posted in the shuffle board shack as soon as I get them updated after playing.

Thanks to all the spares who stepped up to play while regulars weren't available, we would have a hard time keeping the league going without your continued support.

Please remember, if you are on a team, and are not going to be able to shuffle, let your Team Captain know as soon as is possible so arrangements can be made for a spare to replace you. Captains, please remember everyone on the spares list should get an opportunity to play, please call them before calling on the bye team.

Most importantly, have fun. See you at the courts!

## Billiards

Just show up for a friendly game with about 4-6 people. BYOB snacks and drinks. We play til we've had enough.
