Lincolnshire Sets sail this month with a Dinner Theatre produced and written by JJ Heischmidt, Lot 560. The entire play is cast and production help is done by Lincolnshire Residents!!

FROM THE EDITOR

By Ann Curry (Lot 1015....acuria10@gmail.com....727-420-6518)

It's hard to believe another month has flown by in Lincolnshire. I don't know about you but my head is spinning with all the activity. A day doesn't go by when there isn't some organized activity going on. And it looks like the weather is finally warming up so we can go to outside activities like the Strawberry Festival in Plant City Feb.28 thru March 8. I know, I know, it's nice and warm for some of you, but you gotta remember us Florida wusses! And don't forget all the St Pattys Days activities all over the county on March 14.

Then too we can just go out and enjoy ourselves at the pool or our famous Pinellas County Beaches. Another idea is to go see manatees. Under Visit Florida, I found several favorites close by. One is TECO Manatee Viewing Center, Apollo Beach where dozens can be seen annually near the warm discharge water by the Big Bend Power station. It has a 50 acre facility with viewing platforms, tidal walkways and an environmental education center. Crystal Springs is another gorgeous place to go and see them. The waters of our springs stay at 70 degrees year round so many go to them in the winter.

Also if one really wants to see how things work around here you could go to the Pinellas County Solid Waste and Recycling Plant located at 3095 114th Ave. North St Petersburg. This place has been in production there since 1983. I mention this because a group of interested citizens from the park went there recently and were given a complete tour of the facilities. They came away very impressed and with a new appreciation for recycling.

So don't just sit and watch TV on those big screens, get out there and enjoy life to the fullest!! Before you know it, the temps will be back up in the mid 90s and so will the humidity and all our northern friends will have flown away for the summer!!

• *This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 12th of the month for publication.*

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

Spring is in the air at Lincolnshire. It has been a busy winter season, but it isn't over yet!! Plenty of our snowbirds will be here for at least a month or 2 before heading back north to their "summer vacation homes." Again our residents outdid themselves at our annual bazaar. Everything ran like clockwork, and we finished out the day with greater income than past years. We look forward to using those funds throughout the year to keep the costs of our functions as low as possible, while adding new entertainers, and more complete meals, and more.

February also included our spaghetti supper, Valentines dance, Shiraoke/pizza party, ice cream social, and pancake Tuesday along with all the regularly scheduled monthly & weekly events. The turnout for these events was great, with most selling out. I would say we are almost at 100% capacity for our events this year a big shout out to the volunteers for endless hours cooking, cleaning, setting up functions and organizing all the great events that happen here at Lincolnshire.

Something new: The Resident's Club asked if Rickert Properties would pay half for a new TV for the clubhouse but Scott said he would be happy to pay for the TV for the residents. The first use with a big audience was for the Super Bowl. Enjoy this new 84" Sony TV! And thank you Joanne Power for getting that ball rolling.

Elections were held at the February Residents club meeting. We want to thank all the board members and officers who will be leaving the board. We appreciate the time & efforts that they have put in over the years. Thanks to Brian Sliter, Jan Cunningham, Bill West, and Mariann Harmel for their years of service. And welcome new 2 year board members: Vickie Marentette and Linda Benson - and new secretary: Shirley Bettencourt Peterson. Geoff Rowe was also reelected for a new 2 year term.

March events will include a "Night at the Races," Farewell dance, Residents Club BBQ, and 2 nights of Dinner Theater (original Script from Lincolnshire's own J. J. Heischmidt) Watch for bulletins on the board and on our facebook page.

The Residents Club BBQ will be a new format (old picnic - AKA Lincolnshire Olympics etc.) This year we will have the BBQ - cooked to order - + an Elvis Impersonator show. Get your tickets early.

ENTERTAINMENT COMMITTEE INFO

By Linda Casey (Lot 1211.....727-581-5257)

The Spaghetti dinner as usual was sold out and tasty as always. The football party was exciting to watch at the clubhouse with the new TV. The many couples at the Valentines Dance all enjoyed our newest band Encore. Thanks to Fred for hosting the Ice Cream Social. And then there was the East Coast Kitchen Party Show on the 28th which hadn't happened yet when the Voice went to print. It sounded like a lot of fun.

The next dance will be the Spring Fling/Farewell dance. The dance is on March 14th with Flash Back. Tickets are \$7 and as usual BYOB.

BAZAAR 2020. IT'S OVER!!

By Barb Leek (Lot 106.....317-508-3773) Diane Gallick (Lot365 330-671-4931)

Although we are all relieved when the Bazaar is over, it is one of the best days of the year!! The atmosphere reflects the generosity and fellowship among the people of Lincolnshire Estates. We can all say thru the exhaustion "a good time was had by all"!!

Our profit this year was amazing! Once again, we broke our own record!! It might have only been \$2 more, but \$5027.30 is a very fine number! Every year we are blessed with your donation items, hard work and community spirit. Thank you. It could never be done without the many volunteers.

A special thanks goes out this year to Esther and Lillian DePalo. For more years than they can count, they have chaired the jewelry booth. For many months each year, they have cleaned and polished some lovely pieces. Esther and Lillian...you leave big shoes to fill!!!! Godspeed to both of you!!

Welcome to Lincolnshire

By Vicki Marentette (Lot950.....282-232) Donna Wurtz (Lot 938.....459-0394)

The next Newcomer to Lincolnshire Informational meeting is Sunday May 15 at 1pm. This is for anyone who is a new resident to the park who has not learned about all that we do here in Lincolnshire and is available to you. We also try to give you tips about the surrounding area and where to find things such as stores, businesses and churches, the beaches and so on. Please come one and all, even if you've been here a while. You may learn something new.

FOOD PANTRY BAKERY

BY Ann Curry (Lot 1015.....727-420-6518.....acuria10@gmail.com)

For the last 8 months or so, some of you have heard about or seen bakery being dropped off at the clubhouse Thursdays around 11:30pm. I volunteer at a Food Pantry at Abundant Life Ministries on Belcher Rd. I work with the day old bakery stuff that is donated by Publix and other Restaurants. What I bring here is some of the stuff that is left over at the end of the morning. It varies a lot because of what is donated to the Pantry. It is brought here as a good will gesture to all of you, hoping that it is also shared with some that are on fixed incomes and have need to stretch that income. Please try to do so...

Pet Condolences

It is with sadness that we say goodbye to Joey, faithful companion of Barb and Bill at Lot 564. Joey, an American Eskimo Spitz, was about 12 yrs. old and suffering from a long illness. We always enjoyed seeing him with his beautiful white fur, as they sat outside at night in the carport. We know you will be waiting at the other side of the bridge Joey.

BY Allyn Webert, Secretary, Treasurer LHOA (Lot1438.....847-975-1043)

YOU NEED TO KNOW!

On February 18th, 2020 and prior to the deadline for this article submission, the Lincolnshire Homeowners' Association (LHOA) held its Annual membership meeting for the purpose of conducting such business that required action by the membership. Our next Member meeting is March 17. There are 4 available Director positions as the current 3 Directors are not up for re-election until 2021. If you are interested in being on the board, please submit your intent in writing to myself or Marilyn Grubb, Lot 1218, before the March meeting.

One Member has filed an intent to run for one of the 4 available Director positions this year. There has not been an actual Director election for 6 years as the number of Members requesting consideration matched or was less than the positions available. All current Directors were seated by appointment. The 3 and 4th if seated as a Director will continue to be committed to their responsibilities and state mandates. As a result Members wishing to join the board will be appointed by the Board. The HOA does pay for the one day training for Directors (**invaluable.**) **Much of what the Board does is transparent and many Members in the park have little**

idea of how often positive change has been a result of the Board. Our HOA is not flashy and visible like the Residents Club. But we act as Watchdogs for things that affect all Mobile Home Owners. If interested in being an agent of change and assistance to residents, talk to us. Contact information is in the Voice and posted on the laundry room bulletin board.

There were no other amendments requiring voting by the Membership.

Immediately after the Annual meeting, the Board of Directors will meet to elect officers (President, Vice President, Treasurer and Secretary.) Chairs of the 4 committees will also be decided.

The Board lost an invaluable, cherished and committed Director, Guy Webert, this year. Guy has been a past President of the Board and recently the Treasurer and chairman of 2 sub-committees. His knowledge and experience as a Certified Condominium Manager with years of experience has been a model for the current Board. Guy was a former bombardier and navigator in the Navy during Viet Nam, years of management experience with an MBA from the University of Illinois. His foot print will be seen for a long time in the LHOA. His spouse, Mary Jo, always assisted during Member meetings as well.

The LHOA exists for the homeowners benefit and its responsibilities and mandates are supported by Florida law. If you are not a member, JOIN. If you are, attend both Board and Membership meetings and get answers to your questions and concerns.

LHOA has been in existence for 25 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend.

Dial Directory and Database

By Donna Wurtz (#938 509-1182.....e-mail to: momshse@aol.com)

By this Time the “YELLOW BOOK” updates have gone to the publisher. If you are new and haven’t turned in your information, you will not be listed in next year’s 2020/2021 edition. The deadline has come & gone. Typically we receive the new edition around the end of April. Books are distributed to residents who are in the park at that time, and additional copies are left with your block captains to be distributed when part time residents return to the park in the fall.

Remember, the Dial directory is only published *once* each year. The next directory is already in the works. The directory is **not** produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed in the Voice, please let us know

Thank you for your cooperation.

Sunshine and Sympathy

BY: Francis Byrne (lot 483.....776-7144)

To all new residents of Lincolnshire Welcome!

My name is Frances Byrne and it is my Honor and privilege to see you at coffee every Wednesday giving you my Sunshine and Sympathy reports. You can call me anytime with good news or sad, such as new grandchild, someone graduating or in the service or someone ill or recently passed on. Please be sure the info you give is accurate.

In January Jane Pastva, Lot 1174, had surgery on 3 vertebrae, a short stay at hospital and rehab then home. Since then she fell twice and had to go back to hospital. I will keep you posted as Jane will be in recovery at rehab and home for a while.

Kathleen McGillan Lot 1253, has had heart issues, a quick stay in the hospital and is now home and doing well.

Another long time resident Dan Gicie, Lot 527, also has heart issues and has been at Largo Medical. Will keep you informed of future news.

I will keep you informed of future news as I receive it. Lots and lots of prayers and to all of you struggling with various medical issues and cancers.....

God Bless and see you at Coffee

This month Sara asked to put in a piece about a little lost dog. I think you will enjoy it.

Lucy's Great Adventure

We are from the beautiful Pacific North West where in the summer blackberries abound. In August our eldest son, girlfriend and 'Lucy', a small black and white terrier went to pick blackberries along the creek. Lucy, has Congestive Heart Failure, requiring medications 3 times a day, and at that time had a limp leg and an infected eye. Lo and behold upon leaving, Lucy was nowhere to be found. For the next few days we all went up searching through the woods and brush looking for dear Lucy. Flyers were posted and we spoke with neighbors to please keep their eyes out. With concern and prayer, we continued to go up and wander about, inquiring and looking.

About 2 days later we were at the creek and came upon two young girls and a mother. After giving the mother our phone number, as we were leaving, one of the the girls said, "Oh, my mother saw a straggly dog walking around the bend (the same bend where cougars and bear sightings are common through the year) last night, and my father said he saw the same dog a

few miles west of here this morning." Bingo! Now we were on a mission. And I couldn't wait to tell the others about the good news! We quickly inquired with neighbors in the specified area. But no luck! However, we still had a spark of hope and an answer to prayer. But was it Lucy?

Well, others had been busy with their own mission that day. Someone had called after seeing the poster. Lucy had been spotted about 25 miles from the original point near the creek. How delighted we were to see our son, girlfriend and little world traveler in tow, pulling up in the driveway! Now that's dogged determination alright! And a little lesson in never giving up!

LINCOLNSHIRE TRAVEL CLUB

By; Donna Wurtz (#938...459-0394)

Our annual wine & cheese travel club meeting was held on February 19th. A demonstration on packing to make your travels simpler and easier was part of the meeting, and recommendations on future trips were discussed. Residents learned some tricks on packing light for flights they may take.

Our next major trip will be a trans-Atlantic cruise in May. That cruise is sold out, and we have a group from Lincolnshire looking forward to the trip. We will cruise out of Tampa on the beautiful Brilliance of the Seas for 15 days (or more for those who are staying over a few days at the end of the cruise.) We will have ports in Bermuda, the Azores, 2 in Ireland, and ending up in Amsterdam – then flying back home to Tampa

It looks like we will need to re-work some of the possible day trips. After sending out our idea list for future day & overnight trips, we did not have enough interest in any one particular trip to make it go. We do need at least 30 people to sign up to make a trip possible. Perhaps when the review of ideas is tabulated from the meeting we will introduce some new trips. Meanwhile we will still offer trips that combine Lincolnshire with other parks to make the needed totals. Watch for flyers.

Next year's cancer cruise is also in the works. It will be a 7 night eastern Caribbean Cruise on board the "Harmony of the Seas." It's a beautiful ship, and a great trip. Prices are all inclusive as usual. We go January 17th – 24th 2021. Remember – this is a trip where the travel agent donates all of her proceeds to the American Cancer Society, and no donations are requested of the travellers, and there is no extra charge to you for the benefit cruise. To get more cruisers, the travel agent gives 2 free cocktail parties on the cruise. As so many of us have been affected by cancer in one way or another, this is a way to help out while having a good time too. This is our travel agent's pet charity, and hits home for her family as well. So far over the years she has donated over \$150,000 to the cancer society. We are glad to be a part of it, and hope you will join us too.

Our newest cruise opportunity comes because a group of residents are interested in a Hawaiian

A Nurse's Self Care Toolbox #21

By: Allyn Weibert, RN. (Lot 1438)

Last month I went over how civilizations have determined that by where they are located, and governed with cultural pressures of what is available to eat, it's quantity, quality, and the abundance and lifestyles effects. There are 4 pretty basic actions that occur in how we use our food (sugar.) What we eat, how much we eat, when we eat (a newer issue) and the last important one which is what we do with the food (movement.) I really don't like the word "exercise." Bet you don't either.

1. **What we eat.** Each food group has a sugar load. Some call it "carbs." Each food group has its own time to become sugar, pass into our blood stream and meet "insulin" made fresh daily and hourly in our pancreas that **escorts** the sugar in to each and every cell. Candy the fastest (seconds) and meat the longest (almost an hour.)
2. **How much we eat.** Eating more than recommended in each food group means too much sugar will be available immediately or an hour from now when you really need some right now. Which makes our body "**make**" sugar even though you just ate. Oh boy! Or you get the sugar when you aren't going to use it. Another Oh boy!
3. **When we eat.** May be a new one for most of us. We were designed to get fresh food (sugar) every 3-4 hours after getting up at DAWN. Yes DAWN. All day until dusk. When we don't follow this there is metabolic chaos and confusion. We don't get food when our body first needs it (skipping breakfast) and eating at the end of the day when things are winding down. The end result is no fresh food (sugar) when our system is looking for it and then food (sugar) when not needed. Our body has to make sugar when it has been denied (yes denied.) and store sugar when it isn't being used (fat.) If our pancreas could talk to most of us it would be screaming for calm. It would tell us to eat what we were designed to eat, the quantities we were designed to find during the day and when, along our daily trail (movement) we would find it.
4. **Movement.** Formerly "exercise" for me. Simple. We ate and moved to eat, ate and moved until dusk when we found safety to sleep. Started all over the next day. If the average time the sugar is available to us is 30 minutes after we swallow then do something and move. Walk, vacuum, ride a bike, move!! Our muscles use the most sugar!!! I mean it. Use them no matter how small the muscle it is using sugar. Then have something to eat 3 hours later.

It truly is simple. Get up, eat, move, eat move.....go to bed without a napkin on our laps.

The goal is not ending up with so much sugar (gas) in our tank when we aren't going (driving) anywhere. Fall asleep with enough sugar to get you to the morning when breakfast is waiting. Breakfast is not a donut and coffee! Of course you knew that. Next month is solely on diabetes.

VETERAN'S CORNER

By Robert Behm ,LTC retired Army (Lot 775.....401-207-9317)

A lot of changes coming down the road in your health care both at the VA and for those of you that have Tricare for Life. I ask you all to pay attention to these changes and if they affect you let your politicians know. Some of the proposed changes are cuts to medical billets and for those of you that use the base or an MTF cuts in the formularies used at the Pharmacy's. Some of the MTF's are even telling people over 65 to get their routine procedures done at regular hospitals.

There was no increase TRICARE for Life enrollment fees or deductibles in 2020. While Congress enacted no new programmed TRICARE, fee increases in the FY 2020 defense bill, several previously scheduled fee increases took effect Jan. 1:

- **Enrollment fees for retirees who entered service prior to Jan. 1, 2018.** TRICARE Prime: \$300 (single)/\$600 (family), up from \$297/\$594; TRICARE Select: No fee.
- **Enrollment fees for retirees who entered service after Jan. 1, 2018.** TRICARE Prime: \$366 (single)/\$732 (family), up from \$360/\$720; TRICARE Select: \$471 (single)/\$942 (family), up from \$462/\$924.
- **Retail pharmacy fees.** \$13 for 30-day supply of generic, \$33 for brand name, \$60 for non-formulary (up from \$11, \$28, and \$53, respectively).
- **Mail-order pharmacy fees:** \$10 for a 90-day supply of generic, \$29 for brand name, \$60 for non-formulary (up from \$7, \$24 and \$53, respectively).

Although, there are no fees for 30-90-day supplies for generic and brand-name drugs from military treatment facilities (MTFs). Non-formulary prescriptions are generally not available at MTFs. Anybody utilizing MacDill AFB now knows how difficult they are now making it to get your scripts. If you call the script in you can go to the window to get your refill as in the past. The big change is now you have to go to the Main Building and drop a new refill script off and then have to go back to the base the next day to pick it up at the drive thru where the lines are twice as long now. We have also found out without any advance warning that they are just routinely dropping what they use to cover. They have dropped my wife's Insulin, Nexium and Bystolic blood pressure medication. Since you cannot go until they are nearly out you have to scramble to either get them by Preferred Scripts (who have raised their prices) or at Walgreens. So, although there were no increases in Tricare for Life we are

...continued on page 34

now paying out of pocket for these items. They also told us there will probably be more items dropped in the future. As I stated above If you have experienced any of these issues you should also be contacting your politicians to make them aware of them.

The Valspar Championship Golf Tournament at Innisbrooke on Mar 16 – 22 2020 is again offering tickets to the Military Retirees and Veterans. BILLIARDS

Pool is a fun pastime. Cue sticks and balls are always there. Teams play on Thursday Nights.

Cards and Dominos, etc.

Poker, Bid Euchre, Hand and Foot, Phase 10, Mexican Train, Cribbage, etc. Watch the calendar for nights to play at clubhouse, usually Tuesday, Wednesday, Thursday & Friday. **REMEMBER THERE ARE NO CARD GAMES ON THE NIGHTS THAT ANY SCHEDULED MEETINGS ARE HELD. The noise carries from the back to the front of the hall making it hard to hear.**

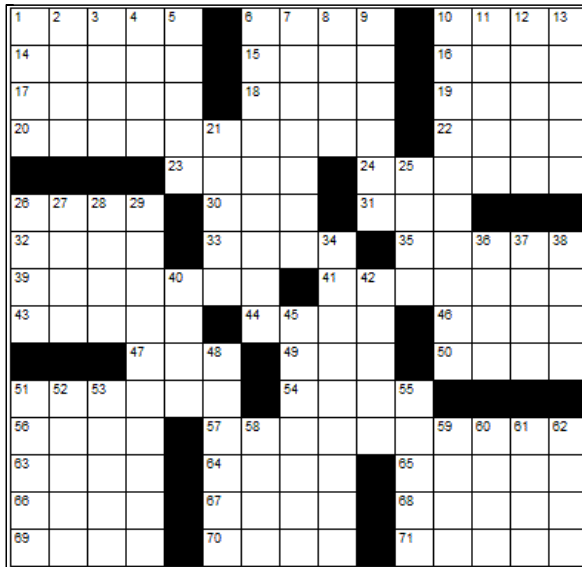

Tuesday is called Game Night because there is more variety to what is played. Bring your favorite game equipment, snacks and drinks. Sometimes people show up and want to play a game but there aren't enough cards or pieces, so be prepared by bringing your own stuff from home.

The business of forgiveness

A marketer and a retail merchant, who attended the same church, struck a business deal together. The marketer heard that the merchant wanted to expand his operation, so the marketer offered the merchant a line of credit on goods to be sold in the store.

Soon after the merchant had used the line of credit, he fell on hard times. Business was bad, and he was unable to pay off his debts. The marketer was troubled. Not only had his first deal with the merchant gone sour, but now it seemed that he might never recover the thousands of dollars owed to him.

In his heart, the marketer knew that the merchant was an honest man who just did not have the resources to settle the debt. The marketer didn't want to contribute to the ruin of the merchant, so he followed his heart and forgave the debt. Soon afterward, the merchant went bankrupt and closed his store.

Years passed. One day, the daughter of the bankrupt merchant visited the marketer. She offered him a small diamond-studded bracelet—a family heirloom—as partial payment for her father's debt.

The marketer explained to the woman that the debt had been long forgiven. But the woman insisted that he accept the offering—if not as payment, then as a token of appreciation. The marketer humbly accepted.

Several days later, he took the bracelet to a jeweler to be appraised and was astonished to learn that its value equaled the amount of the merchant's debt. The marketer returned to his office and entered "Paid in Full" into his ledger—next to the merchant's name.
