FROM THE EDITORS

By Harold & Donna Wurtz (#938, 812-2670 bigchees99@aol.com)

As this editions goes to the publisher, we are once again awaiting for an opening date for the clubhouse and all of its activities. We are still in the dark as to the reason for the closing, but I for one am happy that steps have been taken to insure the health & welfare of our residents who use the clubhouse. I understand the resident's frustrations, but prudence and patience again are the best ways to handle the situation. As you read this article, we assume the clubhouse will again be re-opened. It still surprises me how rumors and accusations continue to fly about here in Lincolnshire. It seems it is the largest game of "kindergarten telephone" I have ever seen. But the most amazing thing is that the complaints we hear about not having the clubhouse available are coming from residents who we have never seen attending events at the clubhouse in the first place. Then there are those who suggest all sorts of ways to continue events while the clubhouse is closed, but never seem to want to volunteer to help with the events they suggest. We need volunteers to continue our busy season. Instead of complaining, how about lending a helping hand. There are many events without chairpersons which I have confidence will take place this year. The current temporary closing (and it probably will be open by the time this goes to print) is a minor setback which is not as bad as not having volunteers to actually carry on with events. Of course we have a big thank you to all those who do volunteer to keep our activities going. We know it takes time & effort to pull these things together, and it is appreciated. Without your help, there is no need to even have a clubhouse. We still need chairpersons for Thanksgiving Dinner, (notice it is not even on the calendar as of now) Christmas Dinner, Easter Dinner, Labor Day Celebration, St. Patrick's Lunch, and of course for new events that have been suggested as well. As Martin says, - he will be back in the park on November 16th, so if you would like to volunteer, - give him a call.

Harold & Donna

FROM THE DESK OF THE PRESIDENT

By Martin Webster (#578, 518-8381)

It's always nice to write Novembers' voice article because I know when it is read we should be sailing our way back to Florida and all our friends. Our English weather has well and truly turned to autumn, although it is predicted we shall have another heat wave next weekend at approx. 70 degrees. I know that is only a cool winters' day in Lincolnshire but to us frail Brits that means a trip to the beach for half the population. We are looking forward to a very busy winter season and I am sure The Clubhouse will be back operational by the time the Voice is distributed. New Year's Eve Party tickets will go on sale first coffee morning in December at

a price of \$20 each. We shall be doing a finger buffet within the price, so just bring your own refreshments and enjoy "New Horizons". My next gig over and above the Entertainment Committees' schedule is the proposed Lincolnshire Review at the end of January which as I have said before is not a competition just a presentation of our Residents' talents in any form. We will be back on 16th November, so please contact me after that date with your proposed presentation, and we can start organizing things fully. The Park is full of "Talent" so let's share it.

Stay healthy and wealthy and we look forward to seeing you all

Best regards

Martin

FOOD PANTRY DRIVE

BY. Rita Sullivan (#1550, 584-2633)

HELP! HELP! HELP To replenish the food pantry for the holidays. Our food drive begins on November 3rd and ends on December 5th. Put your donations of non-perishable food in the barrel (in the clubhouse) any time you come up, or call Lisa Carr. Look for the BOGOS when shopping and give the extra one to someone who needs it. You will be creating a happy holiday for those who may not otherwise have one.

DIAL DIRECTORY AND DATABASE

By Donna Wurtz(#938, 812-2670)

It is once again getting close to the time of year when we start updating the "yellow Book" for the next edition. There are many new faces here in Lincolnshire whose names are not listed. We can only list those who personally give us there information. The Dial Directory is the local private phone directory for Lincolnshire owners. It is an annually updated publication, with monthly updates published here in the "Voice". The "Data Base" is also a private listing of resident's birthdays and anniversaries used to help friends and neighbors celebrate those occasions. I emphasize that this is a private publication, which is to be used only by park residents. It is not for use by businesses for purposes of solicitation, and should not be shared with anyone outside of Lincolnshire Estates. In order to keep the information current, your input is needed. Please help us as we begin to prepare the 2015-2016 edition by sharing your information with us.

If you are new to the Park or have not seen your birthday or anniversary listed, or see a listing with an error in the Voice, please contact me with your information. If you do not see your Please add David & Linda Kaiser, lot 1138. (613) 628-5428

Remember, the Dial directory is only published once each year. If you have changed your number, or are new to the park and have not been contacted to be listed properly, please call Donna to give them an update. The directory is not produced by the office, it is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

NUTRITION SPOT

By Barbara O'Malley

There are many health claims cropping up on the front of food packaging. A recent article in Consumer Reports' "Food Sense" states that the "big print" rarely tells the whole story. "Multigrain" - These foods may have more than 1 grain, but those grains may be refined and the nutritious germ and bran have been removed. Look for 100% whole grain.

"No trans fats" - currently that may be used if the serving has less than 0.5 grams. But if in the ingredients column you see the words "partially hydrogenated oils," that food has trans fats, period! "No nitrates or nitrites" - these chemicals used to preserve meats such as bacon, ham, hot dogs, luncheon meats may form possible cancer-causing nitrosamines. The product that claims it doesn't contain them may also use celery juice or powder to cure them and those ingredients can naturally produce nitrates that carry the same risks. These are popular meats in the country, so try to use sparingly.

"Reduced Sodium" - to qualify for this term they need have only 25% less that the regular version. If sodium (salt) is a hazard to your health, (high blood pressure, coronary disease) look for "low sodium" foods. They usually have flavorings or spices to enhance the taste.

Bon appetite

Barbara

CANADIAN SHOWCASE

By: Ellie Sliter (lot #574 (812-7903))

As you all know, our show for 2014 was cancelled due to lack of a venue. We are happy to announce that we plan to produce another Canadian Showcase in February 2015. We have a great show already in planning stages but we are always willing to add new Canadians in the park who are interested in joining the group. If you are a new resident or a winter seasonal renter and are eager to lip synch, perform in an "air band", help with decorations, stage props, greet people at the door and usher them to seats, help with ticket sales etc., give me a call at the number above and I will try to fit you in to our show.

Rehearsals for this year's presentation will begin on November 3.

SHIRAOKE

By "Harmony Hal & His Gal"

The September "Shiraoke" night was fun for all, but the October date was cancelled due to the clubhouse closing. We will be back as strong as ever in November. Mark your calendar & sharpen up your voices for November 8. Remember, it isn't just singing anymore. Dave Pongratz had some good jokes in the September version, and we always look forward to instrumentalists too. Come on out & practice for the Lincolnshire talent night. See you there.

LINCOLNSHIRE LIBRARY

By Cynthia Varga (lot 163 – 584-6402)

A selection of donated paperback books has been arranged on the new library shelves at the north end of the clubhouse. This informal library works on an honour system.

You are free to browse, borrow and return books there. All that is asked is that you return them neatly to the shelves in alphabetical order by the author’s last name. This will save time for the volunteer residents, who try to keep the library looking neat. Our shelf space is limited and we ask that you take some pride in the appearance of our new clubhouse. It will also show respect for the volunteers who have invested their own time and effort to recreate the library for your enjoyment and convenience.

Donations of new volumes will be welcomed. Many of the books now on the shelf have been read, and have been around a few times. If you have any more current titles (paperback only) we would welcome your donations. We also welcome donations to be sold at the annual bazaar. Without a continuing influx of books to be stored for sale, we will not have the usual income from book sales. As you know, the bazaar is the major fundraiser of the residents club. Your donations can be dropped off at my coach at #163.

Thank you for your cooperation and consideration.

Cynthia Varga

LARGO SUNSET MARKET

The new Largo Sunset Market is going strong. Right around the corner from Lincolnshire you can find fresh produce, home-made jams & jellies, fresh baked artisan breads, crafts, pastries, live plants, strolling minstrels, and lots more. It may even be possible to see a Lincolnshire resident with a hot dog cart. The market is open every Friday from 3 – 7 PM in Largo Central Park. The Parks & Rec. dept. has done a great job putting this event together. It will keep going as long as there is community support, so why not stop by & see what can be found?

LINCOLNSHIRE TRAVEL CLUB

By Abe Lincoln Shire (#938, 812-2670 ...Bigchees99@aol.com)

Watch for photos of our Lincolnshire residents heading to Germany for a romantic Rhine River Cruise. A report will not be available until the December issue, as the “Voice” will actually be submitted before we leave. But expect to see pictures of our adventure on the Lincolnshire Facebook page.

trader Joes. Red barn is the most exceptional flea market on the West Coast of Florida. If you haven't signed up, you need to act fast. If you don't have money in by November 5, you will miss out. This day trip is Saturday November 15. We have some folks who have signed up, but there may be still room. As of this writing, we don't have enough from our park to have a bus pick-up here, it will be at another nearby location, but if we get more we will have the pickup.

We do still have room for you to join us in February for our Miccosukee/Key West trip, and "hot off the press" another new trip to Key West on January 18th. It's 4 days and 3 nights and includes making the trip on the "Key West Express." This one is new. Details are posted in the laundry room, or you can call Donna to sign up.

November 28 is our date for the new gambling ship out of Port Canaveral. The Victory Casino Ship. This is a day trip, and it is on "Black Friday." A perfect get-away for those who want to avoid the madness of the early Christmas shopping and the crazy drivers who run from mall to mall. The price includes round trip transportation, tip for driver, 5 hour cruise on the Victory, Buffet Lunch, and \$20 in match play. Special for the day: double points on slots, and entertainment by celebrity impersonator.

December 18, join us for Christmas at Gaylord Palms. Bus leaves at 3PM. See the beautiful and renowned ice sculptures, over 2 million twinkling lights and other exclusive Holiday events and attractions. Dinner is included along with admission to "ice" and transportation, tax, and tips.

And finally: a trip to Broadway Palm Theatre in Ft. Myers FL. on Christmas Day. What better day to enjoy a live theater performance of "A Musical Christmas Carol" at Southwest Florida's premier dinner theater. A new tradition perhaps? Or just a new alternative to the usual Christmas Day. This trip requires 30 to operate, but it is available to other parks as well, so sign up soon. This is a great way to spend Christmas. Enjoy a dinner and musical show of the Yuletide classic. Fun for all ages and a way to have fun with friends on Christmas.

KNIT WITS

By Anna Petrivelli (lot 255, 729-6241) and Marlene Del Mastro (Lot 1049, 586-4953)

The “girls” are still meeting on Mondays in the clubhouse from 1 – 3PM. We would welcome some newcomers if anyone would like to join us. It’s the time of year to really get going on our lap robes. The donations are greatly appreciated. Have you ever wanted to learn how to knit or crochet? We have some very talented people who would be willing to teach you. We also have plenty of needles and yarn to start you off. If you are interested, please come and join us.

Anna

CAN YOU FIND IT?

OK – so this month we did NOT have a winner. I even announced the name as a birthday person at coffee hour, but nobody picked up on it. Surprising that no one asked about the birthday announced for “Bill Board.” I guess everyone thought he was a new resident, but nobody seemed to want to ask about him to see who he was (or in this case wasn’t)

So the new challenge goes out - - - can you find it this month??

that I think is very interesting. There are residents who of course do not like dogs walking on their grass, even when the human escort dutifully cleans up afterward. It is interesting to me to see how people's views change so easily. A person who once stated "keep the dog off the grass" is now a dog owner himself. After all the years of chasing dogs off the lawn, he now escorts his canine between other people's coaches and allows the dog to go anywhere she wants. Wow – what a change in attitude.
