From the Editors

By Harold & Donna Wurtz (#938, 812-2670 bigchees99@aol.com)

How do you look at the world? Consider a piece of white paper with 1 black dot in the center. At times it is the simplest things we see that make us contemplate most. What do you see on the page with only one dot? Perhaps you would describe the position of the dot on the page. Perhaps you would ask why there is a dot at all. Most of you will focus on that black dot & search for its meaning.

Often this is the same thing that happens in our lives. We have an entire white page to observe and enjoy, but we focus only on the dark spot.

Our life is a gift given to us by God with love and care, and we always have reasons to celebrate – nature renewing itself every day, our friends around us, the miracles we see every day. However we insist on focusing on the dark spot – the health issues we face, the lack of money, the strained family relationship. The dark spots are very small when compared to everything we have in our lives, but they’re the ones that pollute our minds.

Take you minds away from the dark spots in your life. Enjoy each one of your blessings, each moment that life gives you. Be happy and live a life filled with love.

From the Desk of the President

By Brian Sliter (#574, 812-7903)

In Tillsonburg, Ontario today, Sept 13, the temperature is 62°F. and it is cloudy with a breeze. So fall is coming and that means that it won’t be long before its time for Ellie and I to head south to Lincolnshire. We should be there in time for Oktoberfest on Saturday October 24. The Halloween dance is scheduled for the following Saturday October 31. See Susan Bogle and the entertainment committee members for tickets.

The pot luck suppers organized by Terry on the second Tuesday of the month have been well attended. Many thanks to Terry and his helpers!

September’s events were also well attended. At the Labor day party more than 80 residents enjoyed BBQ chicken and salads. There were more than 20 attendees at the pot luck supper, and about 60 tickets were sold for the “breakfast club”.

The first Residents’ Club meeting will be on Tuesday November 3 at 7pm. Please plan to attend as the primary item on the agenda will be Thanksgiving Dinner. Discussion and decisions on the format such as: Cooking the meal and having table hostesses or having the meal catered and serving ourselves like last year. Now, if there are residents who would like to chair this event and organize the cooking and the rest of the set-up, please have your plan ready for the meeting. If not, I will chair and we will have it catered with the ticket cost between \$7

and \$8.

Those travelling south have a safe trip, and the year –round residents at Lincolnshire, continue having fun and enjoying the weather. See you all soon!

Dial Directory and Database

By Donna Wurtz(#938, 812-2670)

All current residents should continue to notify me of any changes to your name, address, or telephone number.

All new residents should contact me to receive your copy of the directory and to make sure I have your name address and telephone number.

The newest edition is ready to be distributed to residents as they come home to Lincolnshire. We will have them at coffee hour, and they will be available to you when you come back to the community in the fall. Call or stop by. One book per coach please.”

If you are new to the Park and do not see your name or number listed, then we did not have your information at the time of publication, or do not have it at all. This also means we do not have your birthday or anniversary information for publication in the voice either. If you have not seen your birthday or anniversary listed, or see a listing with an error in the Voice, please contact me with your information each year. We do not always have all the updated information. Mistakes may be made. Please help us out by letting us know of any mistakes, or omissions. Remember, we must have first-hand information for publication if we do not hear from you directly for verification we will not make a change.

Please make the following changes in your copy of the current Yellow Book:

Lot #257: Elock change phone number to: 754-2732

Lot #112, Mary Ellen Capriglione: (314) 477-4728

Lot #835, Steven Partridge: 309-6117

Lot #722, Doug & Linda Pollett, (709) 683-1415

Lot # 1519, Sandy Bell 385-6047, and Al Meletti, (864) 991-9275

Lot #1553, Michelle Csont 599-4656

Lot #1075, Debbie Stranger (330) 844-2293

Please also delete: Peterson (1519), Heckman (722), Biglers(835),Myers (1075), and Evener (1553)

Other new residents: lot #481 no information as yet.

Remember, the Dial directory is only published once each year. The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

A Bee in an Orange Blossom

By: Bev Helbing (947-754-2245)

It is truly astounding how such a small flower could come to take on such big meanings. Millions of white, fragrant flowers perfume central & south Florida during orange blossom time in early spring. Florida has roughly 550,000 acres of oranges and other citrus, most self-pollinating, but with the addition of honeybees does not hurt. The story of Tropic Bee Honey begins inside the beehive, where thousands of bees toil endlessly day after day to collect their golden bounty of nectar. To produce just one pound of honey, the bees travel back and forth between the flowers and have a distance more than 3 times around the world.

Get the Latest Buzz!!!!!!

Cynthia buttered her toast while Dean dribbled orange blossom honey on three leftover rolls from last night's supper. So yummy in the tummy.

Check out orange blossom honey-is very, very sweet, with a citrus aftertaste. "Love At First Bite."

Prost!!!! Join us on October 24 for our 3rd annual (skipped one due to construction in the clubhouse) Oktoberfest at Lincolnshire. It's a fun time with German Entertainment, German style beer, and lots of good food. This year's menu includes bratwurst, sauerkraut, Potato pancakes, red cabbage, Roast Beef in apple-potato-Rösti crust, And of course DESSERT. Come join us for a fun evening. Sorry, we can't tell you the price as of this printing, as we have not yet priced all the ingredients.

Movie Night

By: David Steinberg (562-240-9964)

8/18: "The Heat" with Sandra Bullock & Mellissa McCarthy. Uptight FBI agent Sarah Ashbum and cop Shannon Mulluns couldn't be more incompatible, but when they join forces to bring down a ruthless drug lord, they become the last thing anyone expected to be buddies.

...continued on page 14

9/1: This time it was “The Imitation Game,” starring Benedict Cumberbatch and Keira Knightly. During the winter of 1952 British authorities entered the home of mathematician cryptanalyst and war hero Alan Turing (Benedict) to investigate a reported burglary. They instead ended up arresting Turing himself on charges of gross indecency, an accusation that would lead to the devastating conviction for the criminal offense of homosexuality. Little did officials know they were actually incriminating the pioneer of modern day computing. A must see.

9/8 Movie goes got a special treat on This Tuesday evening as we had Pot Luck dinner and Harold entertained with singing. It was Donna’s choice of songs that Harold sang (he didn’t know what it was until she started the music) The food was plentiful, and the fellowship was great The movie was “Bride Wars” starring Kate Hudson and Ann Hathaway. Lifelong friends who shared a dream of the perfect June wedding at New York’s famed Plaza Hotel. But when a clerical error puts them both for nuptials on the same day and the same time, one of them will just have to switch the date - - rrrriiigghht! More than the bouquet goes flying when these desperate bride to be “duke it out” for matrimonial supremacy Full of fun, fashion, and heart warming moments. It will keep you laughing all the way through.

had been running in the ninety degree range most all the time. I was exposed to food spoilage and no operational Air Conditioning. This is still on the holiday week end, and unable to get any Commercial Electrical people for emergency assistance. With my former knowledge of a licensed electrical person I called and he came to my assistance and did a temporary electrical fix. He found that both Lincolnshire Pedestal circuit breakers were in failure, with one having the breaker being blown apart, and the other heavily burned and unworkable. It was strange when I watched Duke

Energy Field Service reset the circuit breaker and this condition was not found. Also, he found that the continuity of the main underground cable was with an open circuit and not able to carry current. This outcome does not say much for the Duke Energy Field Service as not finding this failure seems to say they cannot do much beyond flipping a switch, as that's all they know. This meant, the underground cable would require replacement. With his work load and inability to acquire the necessary electrical components repairs were not completed until several days later.

Now this lightning story has just made this first and second chapters, the third chapter, came up on July 28th.2015 with a major roof leak in my main bath room ceiling area. My roof area was replaced in 2012 with a new roof over using the lament type or flat insulating covering material. This material is non-flammable, thank god. My call to the installing personnel found a BURNED HOLE THE SIZE OF QUARTER TO FIFTY CENT PIECE IN THE ROOF AREA ABOVE MY BATH ROOM. Further, examination upon repair disclosed the insulation was melted, deformed, along with a BIG HOLE MELTED INTO THE ORIGINAL ALUMINUM METAL TOP CAP. SINCE ALL THIS AREA WAS NON-FLAMMABLE MATERIAL THE HEAT FROM THE LIGHTNING MELTED RATHER THAN FLAMED UP AND BURNED. The roof leak has been repaired between rain sessions and is keeping it perfectly dry as required. In conclusion, readers may ask and want to know about INSURANCE REIMBURSEMENT FOR CLAIM DAMAGE.

Well folks, if your carrier is the Citizens Insurance Company, and the Agent is O.E. Wilson, forget it, Advice to the Citizens Insurance covered nothing towards my loss in value of the computer and DVD-VHS even meeting the deductible contract clause, the Agent would do nothing. My final analysis for insurance is now called SELF-INSURANCE. I did not renew the policy. I'll take my chances with Mother Nature again as she was good to me and did not burn me out, and could have if not for some non-flammable roof material. As for our Park Owners, Park Manager and any others associated with the Owners Park Prospectus this incident bought out some deficiencies in that publication with no resulting action to date, not even as much as an acknowledgement receipt as to the problem and information thereto.

My end of this Lightning Story is still unavoidable, it has been said lightning doesn't strike in the same place twice.

I will keep that in mind when the next storm passes through!! Staying well and safe from all perils, even lightning, can be and is a chore in any Mobile Home Coach in Florida our lightning capital of the world.

We hope this will become a regular monthly feature in the voice. But to do that we need help from residents in the community. It won't take much, just a quick notice and you can send us a note or give us a call with what you see & we will get it into the article. Good Deeds Repeated

By: Rita Sullivan (#1550 584-2633)

"What good deeds?" you ask. Something Lincolnshire does best! The annual food drive for the RCS food pantry begins November 1st until December 2nd. We will have food bins on the stage, so whenever you come to the clubhouse, bring a can or box of food for those who need it most! When you go grocery shopping, look for those BOGOs. Buy one get one free. It really helps! Last Year we donated 671 pounds of food.....November & springtime.

Let's get going!!!!!!

Shiraoke

By "Harmony Hal & My Gal"

August "Shiraoke" was great fun. We had some very good guest singers, and every month our own Lincolnshire folks just get better & better. Mike Corbet, Susie Dunn and Tim Lieth were among our guest singers. See our facebook page for updated videos of Shiraoke.

September karaoke has not yet taken place as of this writing, but I want to remind everyone that the date will be Saturday September 17, and the starting time is 7 PM.

Lincolnshire Gourmet Breakfast Club

By Harold Wurtz

Our "Gourmet Breakfast Club" was on again for September, but will not run in October due to conflicts. We will do one more in November before turning the morning kitchen over to our "pancake breakfast" crew for December.

Lincolnshire Travel Club

By Abe Lincoln Shire (#938, 812-2670...Bigchees99@aol.com)

The two day trips to the dinner theater in Hudson are still selling very well. We have enough people for the bus to be picking us up here at Lincolnshire for sure. If you are interested in joining us, make your reservation now to insure your spot. There are still a few spots left, but when tickets are sold we can't help you. First trip is Thursday January 28th to see "West Side Story", and the second is not until April 17th for "Grease". Sorry this one is so late in the season, but it is actually the opening day for that production, and therefore we couldn't get an earlier date. Everything is included, transportation, dinner, show and gratuities for only \$78 pp.

We are going to Oktoberfest in Helen Georgia. Watch for our report on the trip and photos on our facebook page.

We are once again BILOXI BOUND. November 16 – 19. By motor coach we head out to the IP Casino Resort and Spa with visits to the Beau Ravage and the Isle.

There are still a few spots left for the Winter Getaway Karaoke Cruise on Royal Caribbean's Brilliance of the Seas. This cruise is a benefit for the American Cancer Society with all proceeds donated by the travel agency. All port taxes & gov't fees, and round

trip bus transportation included + receive \$25 in cabin credit on board. This one again is very popular, and at present only a few cabins remain. call for pricing Ocean view is sold out, balcony is also now at a higher price. The remaining balcony cabins are still at a rate lower than the current interior rate. This should be a great trip too, but as you can see, when we say “sign up now,” we really mean it.

Next up is: “Fall Food & fun in Sarasota” on October 30. Join us for a fun filled autumn day-trip to Sarasota for Breakfast at the Mote Marine Aquarium. Call today if you plan to go as it is really close. A light breakfast, guided tour, and leisure time to explore the aquarium. A family style feast follows at ‘Der Dutchman.’ We’ll then make a stop at Red Barn Flea Market, shops & farmers market.

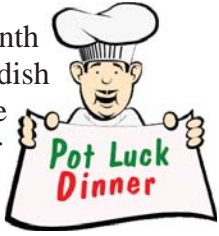

Some of our residents have already scheduled the 15 day Hawaii cruise on the Ruby Princess in February, with prices starting at \$2572 pp. all inclusive.

Make your plans and reservations before they sell out.

Pot Luck Dinner

By: Rev. Terry McGuire (#671 698-9204)

October’s Pot-Luck - as always, will be the 2nd Tuesday of the month Month! Pot-Luck at the Club House, at 5:30 PM. Bring your favorite dish or dessert to share with at least 10 others or more. Come enjoy some of Lincolnshire's finest cooks as we gather around the table to share from our blessings and abundance.

September’s pot luck was well attended. Everyone filled up on some great gourmet cooking, and even enjoyed some entertainment.

Blessing of Animals –

by Kevin E. Mackin, O.F.M

As autumn arrives, people in various places may notice something odd.

A procession of animals, everything from dogs and cats to hamsters and even horses, is led to churches for a special ceremony called the Blessing of Pets. This custom is conducted in remembrance of St. Francis of Assisi’s love for all creatures.

Francis, whose feast day is October 4th, loved the larks flying about his hilltop town. He and his early brothers, staying in a small hovel, allowed themselves to be displaced by a donkey.

Francis wrote a Canticle of the Creatures, an ode to God’s living things. “All praise to you, Oh Lord, for all these brother and sister creatures.” And there was testimony in the cause for St. Clare of Assisi’s canonization that referred to her little cat!

That there are today over 62 million cats in the U.S. attests to the continuing affection we have for our furry, feathered or finned friends. We’ve even had a cat called Socks in the White House. Other popular presidential pets range from Abraham Lincoln’s Fido to Lyndon Johnson’s beagles, named Him and Her.

For single householders, a pet can be a true companion. Many people arrive home from work to find a furry friend overjoyed at their return. Many a senior has a lap filled with a purring fellow creature.

The bond between person and pet is like no other relationship, because the communication between fellow creatures is at its most basic. Eye-to-eye, a man and his dog, or a woman and her cat, are two creatures of love.

No wonder people enjoy the opportunity to take their animal companions to church for a special blessing. Church is the place where the bond of creation is celebrated.

The Blessing of the Animals here at Lincolnshire

By Rev. Terry McGuire – (#671 698-9204)

Event will be on Sunday October 4th at Noon on the North-side of the Club House out in the parking lot. All pets as well as those who care for them are welcome! I believe every creature is important. The love we give to a pet, and receive from a pet, can draw us more deeply into the larger circle of life, into the wonder of our common relationship to our Creator.

The Collect & Scripture Readings for October 2015

4th – The Collect: Almighty and everlasting God, you are always more ready to hear than we to pray, and to give more than we either desire or deserve: Pour upon us the abundance of your mercy, forgiving us those things of which our conscience is afraid, and giving us those good things for which we are not worthy to ask, except through the merits and mediation of Jesus Christ our Savior; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.
 Scripture: Job 1:1; 2:1-10, Psalm 26, Hebrews 1:1-4; 2:5-12, Mark 10:2-16

...continued on page 32

11th – The Collect: Lord, we pray that your grace may always precede and follow us, that we may continually be given to good works; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for-ever. Amen.

Scripture: Job 23:1-9, 16-17, Psalm 22:1-15, Hebrews 4:12-16, Mark 10:17-31

18th – The Collect: Almighty and everlasting God, in Christ you have revealed your glory among the nations: Preserve the works of your mercy, that your Church throughout the world may persevere with steadfast faith in the confession of your Name; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Scripture: Job 38:1-7, (34-41), Psalm 104:1-9, 25, 37b, Hebrews 5:1-10, Mark 10:35-45

25th – The Collect: Almighty and everlasting God, increase in us the gifts of faith, hope, and charity; and, that we may obtain what you promise, make us love what you command; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Scripture: Job 42:1-6, 10-17, Psalm 34:1-8, (19-22), Hebrews 7:23-28, Mark 10:46-52

After just remembering those who were lost in the attack on the World Trade Center attack, it is good to reflect on some of the survival stories that emerged. This is a story about Daisy, a golden retriever who was a service dog for a blind man named James Crane. He worked on the 101st floor of Tower 1 of the World Trade Center.

After the plane hit 20 stories below, James knew that he was doomed, so he let Daisy go, out of an act of love. She darted away into the darkened hallway. Choking on the fumes of the jet fuel and the smoke James was just waiting to die. About 30 minutes later, Daisy comes back along with James' boss, Who Daisy just happened to pick up on floor 112 on her first run of the building, she leads James, James' boss, and about 300 more people out of the doomed building.

But she wasn't through yet, she knew there were others who were trapped. So, highly against James' wishes she ran back in the building. On her second run, she saved 392 lives. Again she went back in. During this run, the building collapses. James hears about this and falls

Against all known odds, Daisy makes it out alive, but this time she is carried by a firefighter. “She led us right to the people, before she got injured” the fireman explained. Her final run saved another 273 lives. She suffered acute smoke inhalation, severe burns on all four paws, and a broken leg, but she saved 967 lives. Daisy is the first civilian Canine to win the Medal of Honor of New York City. :love your dog.
