It's Oktoberfest time at Lincolnshire

Lincolnshire Residents enjoyed last year's Oktoberfest with lots of food, music, beer, dancing, and other fun times. It's our month to do it again. Get your tickets & enjoy the fun.

From the Editors

By Harold & Donna Wurtz (#938, 812-2670 bigchees99@aol.com)

As this article is being sent to the publisher, the Clubhouse kitchen is being repaired. That means as we go into October we will be able to continue with all the usual functions that we regularly enjoy here at Lincolnshire. Coffee hour has already been re-instated, even before the repair. The residents of this park want to keep things going, so a little thing like a closed kitchen would not keep us idle too long. The Labor Day cookout could not be stopped, and we are making coffee without use of the kitchen. Plans are underway for Oktoberfest, and the November open kitchen on the day of the carport sale. More about all these in article to follow

The kitchen repair of course was something that needed to be addressed by management, but there is also a need to address some things by our own residents, particularly the compactor and recycle area. In the past month we have had someone place fish heads & guts into the recycling bins, and others again leaving bulk items on days that are not scheduled for bulk pickup. Regarding the fish – this caused multiple FINES from the City of Largo. Hopefully the person was on video, and the fines will be passed on. Many residents get upset when rent is increased, remember however, increases are usually based on increased costs of operation. If the residents are causing increases in the form of fines, how can you complain when the rent is increase – part of it is our own fault if we do not help each other. If you see someone abusing the compactor area, please let them know. We do have new residents who may not know. As to the bulk items, let's not make the park look like a junk yard. Save your bulk items for the times designated for pick-up

Let's all gear up for the fall and winter seasons, sports are going to start, dances will be back, and our Canadians will be rehearsing each week for their famous show. Fun times ahead.

Harold & Donna

From the Desk of the President

By Brian Sliter (#574, 812-7903)

Well here we are in October already and we have another busy “fall –winter-spring” season ahead of us. The Halloween dance tickets are on sale. Those residents who will be arriving just before the dance and would like tickets should call Sue Bogle (727-586-1420) ahead of time to make sure that you get tickets. This also lets Sue know how many will be attending.

Tickets for Octoberfest Saturday the 15th are now on sale. Please see Harold Wurtz.

Ellie and I are planning to arrive in Lincolnshire on the 25th, or sooner if the weather turns colder earlier.

The photo directories are now available. Anna Petrivelli lot 255 has the copies and will be distributing them to the people who got their pictures taken. If for some reason you will not be coming south this winter please let us know so your copy can be mailed out to you.

It was great to hear that the number of residents attending summer events was up. I hope this trend continues for the winter events. Many houses have listed and sold this past summer, we look forward to meeting the new residents and inviting them to join in our events. If you have new neighbors, please welcome them to Lincolnshire and ask if they have a park phone book and a current copy of the Voice from Harold and Donna or their block captain.

Have a safe trip if you are travelling and we hope to see you soon.

Addendum: About the Photo Directory - Ellie Sliter

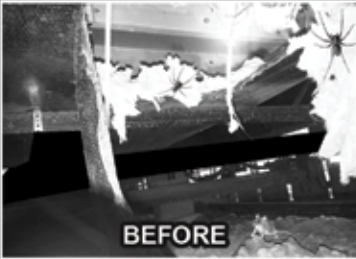

Due to technical and communication issues, we have had our trials and tribulations with the Photo directory. The books are available, as Brian said, but there is no section with addresses and emails. I will take full responsibility for this section being omitted as I gave the go-ahead to publish what was available to the publisher in order to speed up publication. That information was sent in but somehow got lost in transit. The photos were collected from various people and covered a few years in the past. I do want to thank everyone involved in the process and say that we all did what we could in good faith that the final product would bring back a few memories and help residents put names to faces.

Dial Directory and Database

By Donna Wurtz (#938, 812-2670 e-mail to: bigchees99@aol.com)

The 2016-2017 Edition of the “Yellow Book” has been distributed. Thanks to everyone who helped in compiling the new list of residents and phone numbers. As residents return to the park, copies will be available from your block captain. New residents should be given a copy by the office when they receive the park rules

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year’s edition of the directory. Any corrections can also be submitted to Donna at 812-2670.

We try to make the book as complete and accurate as possible, and there have been a lot of changes at Lincolnshire since the last publication. If we don’t know about them firsthand, they will not be correct in the book. When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Please make the following corrections in your directory:

- Lot #150 Tina Vickers Kabelka 475-9007
- Lot #632 delete Kelly add Sherry Taylor, Dennis Brown 913-999-2563
- Lot #1070 Meg Gambill 692-7896 and Tammy Harvey 272-5222
- Lot #159 Delete Chew add Paul & Sara Davis 530-598-3210
- Lot #115 Delete Girard/Davidson add Linda Everman 678-715-8641

Remember, the Dial directory is only published once each year. The directory is not produced by the office. It is a resident’s club function, so don’t expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

Caught Ya Doin' Somethin' Right

by: *anonymous*

Thanks this month to Pat Kelley. She noticed a neighbor had just returned from a vacation up north, and had a car that was full from the trip. Knowing that the neighbor would have difficulty in handling all the items needing to be unloaded, she dove in and actually unloaded everything from the car for them.

Thanks Pat

Tai Chi

By: *Art Lambert (#1117 270-7030)*

If you're looking for a way to reduce stress, consider tai chi (TIE-CHEE). Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

What is Tai chi:

Tai chi is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise. It involves a series of movements performed in a slow, focused manner and accompanied by deep breathing.

Join us on Mondays and Fridays at 9:00 AM in the clubhouse and reduce your stress while getting good exercise. Our sessions are designed for our age group, and start off new each day, so you can join any time and not miss anything. If you are new to Tai Chi, and don't want to try to follow those who now know the regular moves, feel free to come at 9:30 for beginner classes. You will soon be right up with all the rest.

Labor Day "Picnic" in the clubhouse

By: *Harold & Donna (#938 812-2670)*

The Labor Day Picnic went on as scheduled. As we noted, the kitchen was not ready, but it didn't stop us from having over 120 resident's and their guests enjoy a great lunch. Burgers and Hot dogs were cooked outside on the grill, salads and baked beans on the buffet table, a separate table for all the condiments, and another for desserts as well as a beverage station. Separating the tables meant there was no congestion in any place waiting for people to fill plates, or dress their burgers. Craig Michael took on the job as head cook on the grill this time, while Anna Petrivelli, Judy Artish, Linda Maury, Toots Miller, Roger Artish, Donna Wurtz, and a host of other volunteers helped with serving and especially with cleanup.

Thanks to everyone – let's do it again next year.

Lincolnshire Library

By: Cynthia Varga (163 584-6402)

My thanks to all who have brought books to my house. It makes it much easier for me to keep order in the library.

I try to keep the shelves in alphabetical order and when people randomly put the books back, I have to go through all the shelves each time and sort all the books.

Having them in order makes it so much easier for someone looking for a particular author.

Thanks again for helping make my job less of a chore.

Keep the books coming.

DID YOU KNOW?

MOBILE HOME OWNERS HAVE RIGHTS AND RESPONSIBILITIES INDER FLORIDA LAW.

Florida Statute Chapter 723.023 provides for the Mobile Home Owner's General Obligations. It exists under Title XL and covers "REAL AND PERSONAL PROPERTY MOBILE HOME TENANCIES". It reads as follows:

723.23 Mobile home owner's general obligations. A mobile home owner shall at all times:

(1) Comply with all obligations imposed on mobile home owners by applicable provisions of building, housing, and health codes, including compliance with all building permits and construction requirements for construction on the mobile home and lot. The home owner is responsible for all fines imposed by the local government for noncompliance with any local codes.

(2) Keep the mobile home lot which he or she occupies clean, neat, and sanitary, and maintained in compliance with all local codes.

(3) Comply with properly promulgated park rules and regulations and require other persons on the premises with his or her consent to comply with such rules and to conduct themselves, and other persons on the premises with his or her consent, in a manner that does not unreasonably disturb other residents of the park or constitute a breach of the peace.

"Properly Promulgated Park Rules" means those "Rules" that have been submitted to the State of Florida and have been approved, by the state. Any other "Rule" is known as a "Defacto" Rule and is **NOT** enforceable as a matter of law.

Fifth Annual Oktoberfest

By: Harold & Donna Wurtz (lot 938.812-2670)

October 15th will be the date of our 5th. Annual Lincolnshire Oktoberfest. Always a fun event. Tickets have been on sale and will continue to be sold until Saturday October 8th. That will be the last date for sales, as there is much purchasing and preparation involved in this event,

The menu will include bratwurst, sauerkraut, red cabbage, German Potato Salad, German Potato pancakes, Rouladen, Black Forest Cake, and of course beer. Entertainment too. Tickets are \$7.00 for a night in Bavaria. Join us

Lincolnshire Craft/Carport sale

By: Harold Wurtz (#968 812-2670)

The Craft sale has grown larger. It is now going to be combined with the annual Carport sale. Starting in October, we will begin to take reservations for those who wish to take part in the carport sale, which will be advertised in the voice and in local newspapers as well. By combining it with the Craft sale, we will be able to increase traffic in the park on the day of the event, helping both crafters, and garage sale people. The kitchen will also open, selling both breakfast and lunch for dining in the clubhouse or to take out for those who are selling in their carports and would like to enjoy a breakfast or lunch. More about the menu in next month's edition, but make your plans now. The price to join the carport sale is still the same as always, \$1.00 per coach. Management will provide maps listing the homes that are part of the sale. Those who take part without payment of the fee, will be assessed a higher fee on the day of the sale. For crafters who wish to display in the clubhouse, a \$2.00 fee per table will be charged. Please note if you sell crafts in the clubhouse, you must be finished and cleaned up by 3 PM, as there will be a dance that night in the clubhouse. The stage will not be available for displaying items, as the band will be setting up in the morning.

Thank you
Harold

Shiraoke

By: "Harmony Hal" (#938 812-2670)

Shiraoke was September 10th. If you have never been to a "Shiraoke" show here at Lincolnshire, you have missed some very good times, and lots of free entertainment. This month we had over 60 residents and guests, with 20 entertainers. Note it was entertainers, not just wingers. We had a resident with a fiddle this time which was a new addition. John and Terry performed a new original song. They are on the way to going pro!! We have some good singers here in Lincolnshire, who have been getting better every time we get together. When we first started out with our own version of karaoke, many of our residents were a bit shy and afraid of the microphones, but now - - WOW. Everyone has come out of their shells. Some of the best singers in Pinellas County also came to join us to provide extra entertainment. Singers from venues around town, including a few Bright House Senior Idol winners from past years were among our guests.

Lincolnshire Facebook Page

By Harold Wurtz (938 812-2670)

Keeep it up Lincolnshire!! People are continuing to discover that it can be a way of communicating with others in the park. Asking questions and getting answers. We have had several residents ask questions by posting them on our facebook page. We try to monitor it regularly to help with answers when we can, and several were answered or referred to places to find the answers to questions. We average 314 people reached each week. Don't be afraid to comment or ask questions about life in Lincolnshire.

Remember that we encourage positive posts and informative posts. Negative views regarding perceived life at Lincolnshire that are not helpful to residents will be removed.

The page is also a good way to stay in touch if you head north for summer vacation, of if you have children or other family who are not here in Florida. Tell them all to like the page to keep in touch. People are reading, watching and commenting on Lincolnshire's activities. Don't be left out.

Like us on Facebook & follow us for updates, and share your thoughts and pictures with others here at Lincolnshire. More & more of our residents are: "liking" the page. Tell your friends, and don't be afraid to share your positive thoughts on the page too.

The Handy Hubby

By: Charlie Freeman (#260 727-410-7542)

Tip #10 Month of October

This one is for those who are returning for the “season” and even more important – those who live alone, and may not use all of the plumbing fixtures in their homes regularly.

First for those who are returning: If you have had your water turned off while you were gone, when you turn it back on – do it slowly. Crack the valves a little to allow built up air pockets to empty before opening the main valve completely. Then be sure to run water into your empty drains to fill the traps. Then check for leaking, as some parts may have dried out without water in them, and will crack and may need replacement to end new leaks. It is also a good idea if you have had your water turned off for more than 2 or 3 months, to run water through your hot water heater before turning it on. Run it through for about 30 minutes to “clean-out” the old water which could have a build-up of sulfur from old water evaporating in the unit. (Often found in Florida water, even that which has been treated).

For those who live alone. Make sure you run water into all the drains at least once each month to keep the traps full of water. This prevents pests from entering the home through the drain pipes, and sewer gases from backing up into the home.

Until next time

Handy hubby

Pot Luck Dinner

By: Terry McGuire (#671 698-9204)

A great group gathered at 5:30 in the clubhouse for a taste of excellence this September. We were treated with a wide variety on international foods as usual. Our numbers were a little larger this past month. We had almost as many for dinner as we have for Wednesday coffee.

Thanks to everyone who supported the pot-luck dinners through the summer. Dodie should be back and taking over again for the fall & winter seasons. Please continue to support this great event.

Always on the 2nd Tuesday of every month, always at 5:30pm in the Club House. Bring your own table service, along with a dish to serve 10 people of either, meat, veggie, salad, or desert. Don't forget serving spoons.

It helps to know approximately how many are coming to dinner, so please sign up with what you may want to bring Hope to see you all there!

Terry

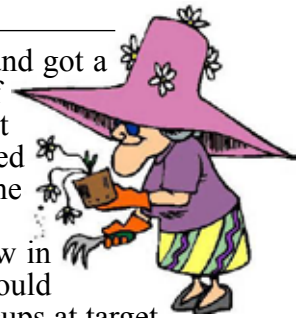

Fall Vegetable and Herb Gardening

By: Ann Curry (lot 1015 524-6179)

This has been my first summer as a retiree. I had a lot of plans and got a lot of suggestions from friends that are already there, had lots of ideas and I do intend to get to them, but for now let's just say it was restful. One thing I did try my hand at, because I have always enjoyed doing it, is vegetable gardening. So what I'm going to do is share some of my experiments and successes.

The first thing I had to decide was what was I going to try to grow in Florida's heat of the early summer, and then how and where on my lot could I do it. I didn't invest a lot, in fact I got a lot of my seeds and starter cups at target in the bullet's playground section. They sometimes sell this kind of stuff. I got parsley, thyme, rosemary, sweet green peppers, and sweet basil. You get the growing medium and a small pack of seed. I followed the directions, and put them on the west side for afternoon sun. Within 4 days the seedlings were already popping up. I transplanted them to the gardening area when they got 3" high.

Now I had to grow my little garden in my patio area on the east side of my place. I decided to use window box type planters about 24" x 6". I used miracle grow soil. It helps hold the moisture. I had to really be careful that they didn't get too much sun, as the temps were already high and watch carefully that the soil stayed moist. Since I don't have any shade around my place, I used a market umbrella for that. I was able to grow and harvest green peppers from about 4 plants, gathered parsley, fresh basil and thyme, all from seed.

This fall I am planning to expand a little with a larger patio style box. You can get them at Lowes or Home Depot. Some even come with wheels. I am planning herbs, among them sweet basil, and parsley, and also some tomatoes and leaf lettuce. Maybe some radishes.....You can start your plants from seeds, or buy young plants at nurseries or the big box stores.

Call me if you need help with tomato planting information.

There is nothing like your own fresh food, and it is also fun to do and takes only as much time as you want to put into it.

Food Drive is coming

By: Rita Sullivan (lot 1550 584-2633)

As we slip into the fall season, it's time to remember the annual food drive for the Pinellas Food Bank.

When you head off to the market to stock up your pantry, watch for those great BOGO specials. When you buy your own groceries, pick up those extras to donate to the food bank. Share with those who are in need. More about where and when to donate as we enter November. Remember that will be Thanksgiving, and many families will not be as blessed as we at Lincolnshire. Let's help them when we can.

Lincolnshire Travel Club

By "Abe-Lincoln Shire" (#938, 812-2670 Bigchees99@aol.com)

We will be having a short meeting of the travel club on Wednesday October 19 after coffee hour. Join us as we discuss new trips, and get your ideas about where you would like to travel.

We will have news about some new cruises, and information about our annual meeting with our travel agent upcoming in November.

Don't forget about our trips to the Show Palace this upcoming season. We do still have room for "Beauty and the Beast" on Saturday February 11, and for "Saturday Night Fever" on February 26. Price as always includes the complete buffet, transportation, and the professional stage presentation. Ask anyone who has been there, – the shows are great. Sorry, the flyers are no longer posted on the bulletin board, but since some childish person likes to take them down, we will no longer have our book of flyers on the board. If you are interested in any of these, just ask for a flyer at coffee hour, or post a question to us on the Lincolnshire Facebook Page. We will also review them again at travel club meetings.

Remember, these trips do sell out, and only a certain number of tickets are available, as we do share the trips with other parks in the area to insure that they will actually be able to fill a bus, so get yours early & don't be left out. Ask about our other cruises too, as they will also start to sell out.

BOWLING

By: Jim Thompson (#508 518-6084)

Just a reminder to our year round residents. While the Lincolnshire league is not in session during this time of the year, we so still meet every Thursday: at 12:30 at the bowling alley for open bowling. Come on down for an afternoon of fun and work on your skills for next season. Leagues will start up soon.

Lincolnshire Kennel Club

By: "Wickett" Wurtz

Hi all. Once again I'm happy to have my friend Rudy to write the article for me:

Hi Again neighbors and friends

Old Rudy here: with some more interesting observations. You see I get to look out the window a lot 'cause my Mom can't always take me for walks. Boy, it sure has been a hot summer. My Mom got me a butch cut all over. It feels good. But the sidewalks and roads are awful hot. You know that we dogs and cats go barefoot outside and that pavement can actually burn our feet. My Mom says that a good rule is if she can't hold her hand on the pavement for more than 5 seconds that I shouldn't be walking on it. Most of us obey our masters, but it hurts! So walk us in the early morning or at night.

Next, I see some of our residents tried to slow down last month with their cars and carts. But I don't think everyone got the message. **Humans, it is very scary for us dogs, visiting children, and some humans who are unsteady on their feet to be on our streets if the drivers of cars, trucks and delivery vehicles don't obey the speed limit or stop at stop signs.** The sidewalks can only fit one dog or person, plus it tends to be uneven or cracked in many places. I saw a car come from 12th and turn onto 3rd. the other day that not only didn't stop, but was going so fast the car almost was on 2 wheels.

There are **speed limit and stop signs** with stop bars posted around the park. **Please pay attention and obey.** You can speed all you want after you leave the park, but not in here please!!!! More people and pets will be coming back to live here again for the next 6 months, so let's start doing what's right and tell them too.

Lincolnshire Church Service

By: Rev. Terry J Lapierre-McGuire (671 698-9204 residentminister@gmail.com)

October 2016 Lectionary Readings:

2 – Collect: Almighty and everlasting God, you are always more ready to hear than we to pray, and to give more than we either desire or deserve: Pour upon us the abundance of your mercy, forgiving us those things of which our conscience is afraid, and giving us those good things for which we are not worthy to ask, except through the merits and mediation of Jesus Christ our Savior; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*

Scripture: Habakkuk 1:1-4, 2:1-4, Psalm 37:1-10, 2 Timothy 1:1-14, Luke 17:5-10

9 – Collect: Lord, we pray that your grace may always precede and follow us, that we may continually be given to good works; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for-ever. *Amen.*

Scripture: 2 Kings 5:1-3, 7-15c, Psalm 111, 2 Timothy 2:8-15, Luke 17:11-19

16 – Collect: Almighty and everlasting God, in Christ you have revealed your glory among the nations: Preserve the works of your mercy, that your Church throughout the world may persevere with steadfast faith in the confession of your Name; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*

Scripture: Genesis 32:22-31, Psalm 121, 2 Timothy 3:14-4:5, Luke 18:1-8

23 – Collect: Almighty and everlasting God, increase in us the gifts of faith, hope, and charity; and, that we may obtain what you promise, make us love what you command; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. *Amen.*

Scripture: Jeremiah 14:7-10,19-22, Psalm 84:1-6, 2 Timothy 4:6-8,16-18, Luke 18:9-14

30 – Collect: Almighty and merciful God, it is only by your gift that your faithful people offer you true and laudable service: Grant that we may run without stumbling to obtain your heavenly promises; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, now and for ever. *Amen.*

Scripture: Isaiah 1:10-18, Psalm 32:1-8, 2 Thessalonians 1:1-4, 11-12, Luke 19:1-10
