Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

FROM THE EDITOR

By Ann Curry (Lot 1015....acuria10@gmail.com....727-420-6518)

Being the Editor, sometimes I get to talk about fun things and sometimes I have to be the one to talk about rules and common sense. This time is one of those, but it's a good Month to get it done as the park will be beginning to fill up again over the next couple months, and we all need to be reminded.

The first thing is about littering. We dog walkers get around the park and while our pet is doing their business we look around. It's disgusting to be walking down the street and find someone else's dog pile left behind. Please pick up after yourself, and unfortunately sometimes, others. This means your dog's poop and all other refuse, like cigarette butts, wrappers and empty water bottles. Of course, this also applies to walkers and bikers and cart riders.

And then when you go to throw out your garbage, please be careful which bin you put your garbage in. There are some items that should never go in the blue bins as they gum up the sorting rollers at the plant. These things should go in the compactor. I got this new info from the newspaper recently. They include:

1. All Plastic bags
2. Shredded paper
3. Pizza boxes (have grease from the pizza)
4. Styre foam (this stuff doesn't break down and can't be recycled)
5. Glass from windows, drinking glass, mirrors (usually have coatings on them which can't be removed.
6. Toilet paper and paper towels. (usually have oils on them)
7. Florescent CFL bulbs
8. Kids plastic toys (donate them instead, they last forever)
9. Paper coffee cups (they have wax on them to keep the coffee from melting thru)

Recycling has gotten very complicated, so even though we all have good intentions; when in doubt, other than electronics like TVs, which go to the solid waste plant in St Pete 3095 114th Ave. N; and really big stuff like furniture, which goes in the open bin twice a month; put it in the compactor.

Thanks.

- *This information is the viewpoint of the Editor. If you'd like to write an opinion, or article, call me at 727-420-6518 or send it to acuria10@gmail.com, usually before the 12th of the month for publication.*

FROM THE DESK of the PRESIDENT

By: Harold Wurtz (lot 938.....459-0394)

Ahh yes! –Fall is upon us. I remember the color changes, the crisp mountain air, the smell of burning leaves as we raked them all up into piles to jump in before we burned them all in the street in front of our home. The beaches closed up for the season. What am I saying? I don't miss it at all. Florida is a great lifestyle. The beaches are still open & thriving, and the color changes are only on the license plates. It's time to welcome back all our snowbirds (I hate using that term – I prefer "Northern Friends") We are hoping that everyone returns to Lincolnshire safely and well to enjoy the many activities that are planned for the season.

It has been an active summer, and now with more residents back in the park we expect it to be even more active with lots of participation. October kicks things off with the 9th Annual Oktoberfest in the clubhouse on 10/12, and remember to get your costumes ready for the Halloween Dance on 10/26. I'm sure our entertainment committee has some great prizes for good costumes. There may be a "Shiraoke" night, but the date will be announced later.

With a number of new owners in the park we should have a lot of new ideas and volunteers to create activities to add to our already busy calendar. If you have a particular talent that you would like to share with us, or an idea, please let us know. I would like to see as much participation as we can, and we are open to new ideas to fill in open dates. By the end of this month I hope to see the calendar full of events both new & old.

Let's have a fun year

9th Annual Lincolnshire Oktoberfest

By: Harold & Donna Wurtz

(938.....459-0394)

The clubhouse will again be transformed into a Bavarian Festhaus on October 12 for our 9th annual Oktoberfest. Doors open at 5:00pm. It's hard to believe that we have been going for 9 years with this function. When we started it that long ago, everyone thought it would be a one and done event, but everyone had so much fun, it quickly became a popular annual event. Because it is so popular, and we do cook everything in the clubhouse, we just want to remind everyone that sales will be limited.

We will be, enjoying traditional German music, food, and beer. The menu has been set, and there will be lots of food to choose from, including the usual Bratwurst, sauerkraut, red cabbage, pretzels and more, and this year Bavarian Roast Pork. Music will be provided by Eric Zawalich, who has been our entertainer in past years as well. We make an effort each year to change part of the menu to keep everyone guessing. We are sure there will be something for everyone, even if you are not German, and we welcome suggestions to include this year, and also for next year, as we do expect to repeat the event again – more about that later.

One change we want to make this year is at cleanup time. Last year our great cleanup crew was just a little too fast. There were still people enjoying the music and sharing friendship around the tables. We don't want to rush anyone to leave the party, so we are asking for a cleanup crew that will stay around later to finish cleanup.

Hope to see you there

MAIL ROOM BULLETIN BOARD

BY: Residents club board

By the time you read this, you should notice that the bulletin board has been cleaned up and re-set with new section dividers, and hopefully neater easier to use sections. Please help us to keep this board neat and up to date, so that management will continue to allow us to have that space for resident's convenience.

With the number of new residents in the park, it seems it's time to review the rules for posting on the bulletin board in the laundry room. Some residents have asked why items seem to disappear. So here is the how & why.

The board is divided into areas for posts. Some are reserved for function announcements, in house sports scores, items for sale, travel club bulletins, etc. If you plan to post, please use the correct area for your post. Items for sale should be on a 3 X 5 card only, and must include the LOT NUMBER. We will be happy to print a 3X5 card in a professional way for you – just ask us (photos can be added to your card) items for sale will remain posted for 30 days (dates will be stamped when noted – please remove your post if item is sold). For those who provide

TACO BAR

By: Harold Wurtz

.(lot 938.....727-459-0394)

FIESTA TIME IN LINCOLNSHIRE. It doesn't matter if it is Cinco De Mayo or not, we still can enjoy Mexican celebrations in Lincolnshire. In September we held our first ever Taco Bar in the clubhouse. What a way to spend a Sunday afternoon. Everyone had 3 tacos on their platter with beef, chicken, and pork. Then they were off to the topping bar with an assortment of toppings. Just like with the potato bar, residents heaped toppings on their tacos with enough to make it a big meal. Wow – if you weren't there (and we did limit sales for logistical reasons) you missed a good show. And the show was not an entertainment group that was hired, it was watching how much food could get piled on those tacos.

Margarita punch was served, (non-alcoholic) and residents doctored it up in their own way – can you say “Jose Cuervo, you are a friend of mine”

Pot Luck Dinner

September 10 was our pot luck day last month. As always great food was served up by Lincolnshire Residents. It was good to see all the new residents joining us for the meal. About 40 people came out to the clubhouse to share their great cooking and fellowship with others. Summertime numbers are a little less than during “the season” but the food and conversation is still going strong.

This month's pot luck will be October 8th.

It's great to see the diversity of foods that are shared, and of course we hope some of those recipes will be part of our newest Lincolnshire cookbook which is now available.

Join us on the second Tuesday evening of the month as we keep up this tradition.

Lincolnshire Facebook Page

By: Harold Wurtz (#938...727-459-0394.....email at bigchees99@aol.com)

We are trying hard to get up to 400 likes on our page!! We currently have 379 “like” followers to the page. Facebook reports for the week before this article accounts to us that 423 people were reached (that is those who viewed a post), And that is just in one week. Some of those who were reached and reacted may not have clicked the “like” button yet. If you do see something on the Facebook page that you like, and have not actually clicked “like.” Please click it next time you are in the site, so we can get that number up to the 400 level.

With many more new owners in the park we should not have difficulty in reaching our goal. Spread the word to your friends. It’s a good way to spread news into the park. The page can be found at: www.facebook.com/LincolnshireResidentsClub.

Let’s keep it rolling. Tell your friends, and make sure to leave comments or just a “like” on the posts.

911 PHONE

Did you know? There is a 911 phone by the back entrance into the ClubHouse in the pool area. Very handy to remember for emergencies in pool and clubhouse area.

FOOD PANTRY BREAD AND BAKERY

Yours truly has been doing volunteer work at a Food Pantry in Largo on Thursdays. When possible, because of extra bread and bakery available, I have been bringing it back to the Clubhouse for your use. It is day old and comes from Groceries, and restaurants. The amount and type can vary, but it is usually available after 11:30 am. It will be on the front tables, so help yourself or take something for those you know that don’t get out and may really need it.

CARELESS DRIVING

PLEASE WATCH YOUR DRIVING IN THE PARK. Don’t roll thru stop signs, look both ways. There might be a small dog or child there. Sometimes they just jump at you rather than away. Don’t be afraid to call out a delivery or service truck either. They’ve got schedules to follow and so speed. They shouldn’t!!

In view of recent events the Lincolnshire Homeowners' Association (LHOA) wants all members and homeowners to be aware that the LHOA is a "Voluntary Homeowners' Association". The Florida Statutes, Chapter 723 strictly provides what the LHOA "**Can and Cannot**" do.

LHOA is:

- **Not allowed** to intervene, be involved in or represent an individual homeowner with issues relative to the Park Owner's Prospectus(s) or the Park's Rules and Regulations. **Any issues an individual has with the Park Management or the Park Owner, with regard to Federal or State Law or Regulations, the Park Prospectus, the Park's Rules and Regulations or Park Policy are issues solely between the individual homeowner and the owner of the park and park management.**

- Is governed by Florida Statute, Chapter 723.037 gives the right to homeowner's to create a committee (LHOA) to meet with the Park Owner to discuss those issues outlined in the chapter and requires the Park Owner to meet and discuss those named issues. The LHOA

does not have any right to become involved in the management of the park or right to be involved in the decisions and actions of the Park Owner or Park Management.

Most non-community association practicing attorneys and federal or state agencies or representatives do not have any experience with a rental park's voluntary HOA **and** that there is a difference between “**Mandatory**” and “**Non-Mandatory**” Associations. They assume all HOA's are entities that manage and make park decisions.

Therefore, when a homeowner files a complaint with a government agency or files a legal suit that person must ensure there is an understanding that the HOA has no legal standing. They can call the LHOA President and should.

WHY DOES IT MATTER?

- Your HOA has to seek legal counsel and take the action(s) required by the complaint or suit for removal or dismissal. Each and every time.
- This is several hours of work and **great legal expense** for each occurrence. HOA Members pay a yearly membership assessment to fund the required statutorily mandated requirements. Non-members have paid nothing. Association members, from all 15 streets bare the legal expense which is incurred when the LHOA is misrepresented.

The LHOA Board of Directors has and will continue to listen to the member's issues and provide information, direction and assistance. The LHOA is a library of information and resources for members.

In Summary, Your LHOA has mandates, established by law, that are focused on being prepared for the “**Purchase of the park - under certain conditions**” and “**Meeting yearly with the park owner relative to issues of “Rent increase, Property tax pass-on and “Maintenance issues” affecting a majority of homeowners.**”

What to do. When we exercise our rights as citizens and homeowners please ensure whoever we have sought to assist us understands the limitations of our HOA. It is the right thing to do.

2020 LHOA Membership drive starts October 1st through December 31st. The LHOA Board of Directors has 2 Director openings. If interested, please contact the President of the Board and become a service to our community.

LHOA has been in existence for 25 years! Board meetings are generally monthly and Member meetings are monthly from December to March. Members are strongly encouraged to attend.

LINCOLNSHIRE PET KREWE

By Ann Curry {Lot 1015....727-420-6518....acuria10@gmail.com}

Hi; Back again. Boy it sure has been hot! I hear in other parts of the country that it is nice and cool at night now. But here it is still summer, yes even though it's early October. Mom still has to be careful when she stops to talk outside with people that I don't stand too long on the hot pavement. I can burn my footpads!! Since I am seeing a lot of new pups around the park and some of them are new to Florida, I thought we should go over what to look for when being outside with us on a hot sunny Florida day.

HEAT STROKE

My normal temp is about 100-103F. When I run around my temp increases just like you. BUT I don't sweat like you do and I can quickly overheat. If panting can't bring my temp down heatstroke can occur. Heat stroke affects the entire body, and without quick treatment, it can quickly cause shock, coma, and death.

*** What to look for:** Rapid panting, bright red tongue, red or pale gums, thick, sticky saliva, weakness, dizziness, vomiting and or diarrhea.

***What to do:** Heat stroke is a medical emergency and must be treated immediately! Soak your dog with lukewarm water(**NEVER COLD**) and cover us with water soaked towels on the way to the vet clinic. Cooling the body too quickly can be extremely harmful, which is why you never put cold water or ice on a dog with heat stroke.

So on these last weeks of summer, don't leave me in a car, even for a few minutes, just like those little kids.

And last, make sure I always have fresh, clean water. Don't leave me outside unshaded. Limit my exercise outside to early morning and evenings.

Enjoy summer and Florida fall- have fun with me but keep me safe.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

LINCOLNSHIRE TRAVEL CLUB

By; Donna Wurtz (#938...459-0394)

St. Augustine Christmas & Nights of lights trip is all set up. Final information regarding times is being sent to all those who have paid for the trip. The group is large, and from what we hear, everyone is raring to go. If you didn't sign up, you are missing a great trip.

Don't forget about the newest trip to Key West in January. For those of you who know about hotel prices in Key West at the high volume time of year will realize that this trip is actually very inexpensive for what is offered. Ask us about the details, but do it quickly if you want to go as money is due now.

Our local trip to Fletcher's Early Bird Dinner Theater was a great success. 40 residents attended to see opening night of "Steel Magnolias." It was so popular that we already have made reservations for 3 tables for future title presentations including Nov. 2, Jan. 23, March 7, and May 23. We are accepting reservations now. For information about the plays, give us a call. It was great to see "Kagey" (from lot 616) performing in the play, and we expect to see her again in future shows. Let's give her our support. Remember there is no bus for these – plan to carpool, as it is just down the road. We are glad that we have a good representation from Lincolnshire now that one of the regular actresses is a resident at Lincolnshire.

The singing Christmas Tree trip is December 14th. If you haven't already reserved and paid it is too late to sign up for that one Watch for more trips & courses on or facebook page & on the bulletin board.

Join us for a hearty Bon Voyage

A Nurse's Self Care Toolbox #16

By: Allyn Webert, RN. Lot 1438

This is my 5th year living full time in Lincolnshire. One of the better decisions I have made in 70 years. However, this summer something has begun to alter my daily life. The average daily heat unless there is rain, is about 90 degrees and may last as this Voice issue comes out. Night time in the mid to high 70's. I haven't opened my windows since early May. Probably 2-3 more months of double contributions to Duke Energy.

I am not in the least dismayed, though altering my routine somewhat. The pool water may be a couple of degrees warmer but still refreshing. I just go a little later in the day versus the winter months. The water is great right after a nice rain. My best friends are always faithfully there. Come up and join us! Outside chores are done earlier in the morning or after dinner (when I should be moving around anyway.)

We have to adapt and overcome with beating the heat. After 65, our bodies just can't adjust to changes in temperature, especially heat, as quickly. Some of us have chronic medical conditions requiring medications that can also interfere with self-regulation. Ask your doctor if your medications get in the way of avoiding overheating. The inserts that come with your medications can also help. Diuretics can make it hard to stay hydrated. Diabetics and those with congestive heart failure must be especially aware and take the necessary steps to stay safe in the summer Florida heat.

Have your own strategy for staying comfortable in the heat throughout the year, though especially from May to October. The following are good actions to take (really for everyone.)

- ✓ Be well hydrated: lots of water and natural juices (caution if diabetic); be sensible with alcoholic beverages, coffee, tea and sodas (diet too!). Frozen and cold beverages help cool us from the inside. If you haven't peed in 4 hours go get a glass of water, now! Now!
- ✓ Cool baths and showers can help especially in the late afternoon when we all could use a cool dip. Go to the pool, get wet and then sit in the shade. Usually a gulf breeze helps.
- ✓ Stay in the shade as the afternoon hours between 12:00 and 5:00 pm are the hottest times of day.
- ✓ Stay cool inside. Keep shades angled to keep out much of the sun. There are many products that can prevent the heat from getting in our homes.
- ✓ Keep electric lights off or turned down and reduce oven/stove use. Often the kitchens in the Old South were outside. Not now!! What we eat can also help us stay more comfortable. Refrigerated foods like salads, fresh fruits and vegetables are a good source of water too. Double BoGo!
- ✓ Pay attention to what clothes we have on. Light and loose knit clothes are cooler. Cotton is very good. Let our clothes help our skin breath. And protect us from the sun.

There are a number of public and private agencies to assist seniors who are unable to keep up with the utility bills. You do have to establish a need for help. Often having the same amount each month makes it easier to budget. Duke Energy has such a plan.

Stay cooler my friends.

disability rating of 100 percent and their authorized family members have long been authorized these privileges, under DoD policy.

3. On Jan 1 Millions more will be eligible to use Commissaries that sell discounted groceries. Military exchanges that sell a variety of items ranging from clothing and shoes to toys, furniture, home appliances and electronics. They have on-base gas stations and stores that sell alcoholic beverages.
4. This newly eligible population will also be able to use certain morale, welfare and recreational, or MWR, facilities such as golf courses, movie theaters, clubs and certain other programs and facilities that are self-sufficient, generating enough revenue through fees and/or sales to pay their operating costs.
5. The departments of Veterans Affairs, Defense and Homeland Security have been working together for months on plans for how the program will be implemented. A crucial part of that is the credential required to get onto the base and to shop at the stores, because most veterans who aren't retired don't have access to installations.
6. Defense officials are working to enable technology at the front gate to scan those veteran cards so veterans can get in to use those benefits. Commissary officials are working on adjusting their technology to enable systems to read the cards.
7. Some veterans have said they are eligible for the new benefits because of their disability rating, but don't qualify for the VHIC, for various reasons. One veteran said she has tried to get answers from VA about what she can do to be able to shop, but has been unsuccessful. "I hope the VA and DoD will work together to ensure that no veterans with a service-connected disability are overlooked on this benefit," said the veteran, who asked to remain anonymous.
8. "The Veteran Health Identification Card, (VHIC), is the only credential that DoD resale and MWR facilities will accept from veterans authorized privileges solely under the Purple Heart and Disabled Veterans Equal Access Act of 2018," said DoD spokeswoman Jessica Maxwell. "Specific questions about who can and how to obtain a VHIC should be directed to the Department of Veterans Affairs." For their part, VA officials say DoD is in charge of this benefit expansion. "We are working with DoD to accommodate all eligible veterans," said VA spokesman Randy Noller.
9. For veteran caregivers who are newly eligible, the process will be different, initially, since caregivers aren't directly affiliated with DoD or VA, other than through the annual appointment to be a caregiver. The benefit applies to the primary caregiver of wounded/injured veterans who are registered in the VA caregiver program. The VA will post a memo to VA.gov for caregivers, to be used for access at the front gate, along with driver's license or other authorized form of ID. The VA process will later transition to a caregiver-type ID card, which will have scanning swipe capability.
10. The VHIC is issued only to veterans who are enrolled in the VA health care system, according to the VA website. You can complete an application by telephone by calling
