### LINCOLNSHIRE'S HOME OF THE MONTH FOR DECEMBER OF 2015

We will always be 1 year behind in posting photos about holiday events, but ushering in the year 2016. – the oldest married couple on the dance floor was reported to be Terry and Karen Sullivan of lot 216. Do we have any reports about the beginning of 2017???

## From the Editors

By Harold & Donna Wurtz (#938, 812-2670 [bigchees99@aol.com](mailto:bigchees99@aol.com))

**A**nd now we welcome the New Year, full of things that have never been. New Year's resolutions can be so boring, can't they? Lose weight, get fit, eat healthy food; where's the fun in that? Those are the types of things that we should be doing anyway, not leaving until the New Year. So, let's make some resolutions that we are actually likely to keep and that will make a difference. Here are a few fun resolutions that some people really ought to be making. Perhaps you know some people who we are thinking of here

- I will read the manual... just as soon as I can find it.
- I will think of a password other than "password."
- I will not tell the same story at every get together.
- I will work to help neglected children.....(my own)
- I will cut my hair. (not a chance for me)
- I will grow my (should probably be "some") hair.
- I will stop considering other people's feelings when they so obviously don't consider mine - if that unwashed fellow sits next to me again, I'll tell him he stinks!
- I will be more imaginative. Granted, there is no way to really count how many people keep their top New Year's resolutions, but the concept remains the same: New Year's resolutions are made just for us to look good in front of our friends at New Years, and are quickly forgotten when they become inconvenient.
- Let's just resolve - - and resolve to keep our resolve - - that we will strive through the year to become better people, and have more respect for our fellow man

Harold & Donna

**H**APPY NEW YEAR TO EVERYONE!

First, I would like to recognize two Lincolnshire Ladies for their long service to our Club. Jackie Russo has been involved with welcoming New Home Owners for the past 25 (twenty –five) years and has hosted many New Home Owners’ “Socials”. Jackie, on behalf of the Residents’ Club Board, we wish you GOOD HEALTH AND HAPPY DAYS AHEAD. Rita Sullivan for many years has been our Chairperson for the Christmas Food Drive. For those who don’t attend Coffee Hour Wednesday mornings, you have missed Rita gently reminding us that there are people in the Largo area who need our help. For many years now the weight of the food that we collect has gone up from 300 pounds to this year’s **record of 1284 pounds**. Now, Rita will tell you that it is “because all of you donate” but I know that without Rita’s gentle persuasion the total would be much less. Rita, please continue with the Christmas Food Drive and we, as residents of Lincolnshire, will be there to help.

Upcoming events in January: Spaghetti Supper hosted by Richard and Ellen Michaud will be held on Wednesday January 11 and tickets are available at Coffee Hours. Saturday January 14 is Pancake Breakfast from 8 AM till 9:30AM hosted by Jamie Doucette. Tickets for \$2.50 are available at Coffee Hours. Also on the 14th is Casino Night. Bill Healey will tell you that “everyone is a winner”. There will be games of Blackjack, and Chuck-a-Luck as well as a Horse Racing game. Bill will offer details at Coffee Hours. The Gasparilla Dance will be held on Saturday January 21. Tickets for \$7 are on sale at Coffee Hours. The Ladies’ Salad Lunch will be held on Saturday January 28. This is a first, as the Lunch is usually held on a Friday. Convener Linda Doucette feels the change will allow the Ladies who golf or work on Fridays to now attend.

Please take the time to read all the articles in your Voice and check out the monthly calendar in the center. There are many exercise programs such as WATERAEROBICS, LINE DANCING, ZUMBA, LIGHT EXERCISE, NORDIC POLE WALKING and TAI CHI. Ladies, if you like to knit or crochet our Knit Wits meet on Monday afternoons in the Clubhouse. ATTENTION POOL PLAYERS—Thursday nights at 7PM in the Clubhouse, there are men and women who like to shoot pool. If you are a pool player or would like to learn, please attend, as Terry McGuire says, “we can teach as well as learn”.

Shuffle Board Team play begins on Wednesday January 4th at 12:30PM. Before then, your Team Captain should have dropped off your schedule.

Harold and Donna Wurtz will keep us informed as to upcoming Cruises, and day trips offered by the Travel Club.

January starts a very busy time here at Lincolnshire and it is “UP TO YOU” to be as active as you would like.

# Dial Directory and Database

By Donna Wurtz (#938, 812-2670 e-mail to: [bigchees99@aol.com](mailto:bigchees99@aol.com))

It's time to start up again. It's time once again to start compiling the list of changes to our Dial Directory, the "yellow book" list of all our neighbors and friends here in Lincolnshire. There have been many changes this year. There are many new residents, and old friends who have moved away. If you know of changes, or have met new owners, please remind them of the importance of our local directory. We wish to make it as complete as possible. Every year there are changes that do not get published because we do not get the information. We can publish second hand information. It must be received from the actual resident, so please let them know to contact us with their information. The goal this year is to be ready to go to print by Feb 15, 2017.

Please update your current book with the following information:

- Richard and Melissa Willbee (lot 870) new phone number: 231-590-2842
- Judy Jensen (please correct spelling in your book) lot 1545 and remove Ken from listing.
- Donald & Mary Ann Otte (lot 1470) 433-4367
- Joe and Sandy Garcia (lot 1374) 733-208-9997
- Sharon Sparrow and Shirley Califf (lot 853) Sharon: 404-668-4562 – Shirley 678-516-9506
- Robert and Jane Harman (lot 947) 954-5948
- Dorothy Beishuizen (lot 934) new number: 336-3570
- Tammy and Deran Mitchell (lot 1256) 223-3104
- Debbie Stranger (lot 1075) new number: 330-844-2293

The yellow book is for use by our residents only. It is not to be used for solicitation by advertisers, so please do not give anyone outside the community access to the books. Any violation of this rule by an advertiser is a violation of their contract, and will result in cancellation of any future advertising.

New owners: If you are not listed in the directory, please note that an input sheet was provided by the office along with your copy of the park rules. Please look to see if you have this form – fill it out – and return it either to the office or to Donna at lot 938 so we can input your information for next year's edition of the directory. Any corrections can also be submitted to Donna at 812-2670.

When we have only first names, or some nick-name that you have on your coach, we cannot publish it in the directory, so please give us correct inputs.

Remember, the Dial directory is only published once each year. The directory is **not** produced by the office. It is a resident's club function, so don't expect the office to update your information for you. If you do not wish to have your birthday or anniversary listed, please let me know but we still need a phone number as we need to let the Block Captains notify you during emergency situations like water shut-off notices or other emergencies. Thank you for your cooperation.

## Tai Chi

By: Art Lambert (#1117.....270-7030)

If you're looking for a way to reduce stress, consider tai chi (TIE-CHEE). Originally developed for self-defense, tai chi has evolved into a graceful form of exercise that's now used for stress reduction and a variety of other health conditions. Often described as meditation in motion, tai chi promotes serenity through gentle, flowing movements.

What is Tai chi:

Tai chi is an ancient Chinese tradition that, today, is practiced as a graceful form of exercise.

**T**he Holidays are over so it is time to get to work on the Lincolnshire Bazaar on February 4th. The Bazaar is our big fundraiser and all proceeds go to the Residents Club to help offset the prices we are charged for our activities such as dances, shows and dinners.

We will take donations for the sale throughout January. Hopefully we will have a storage unit here in the park. As of this writing, we do not have a unit so information will come as we have it. Information will be shared at Coffee or on the board in the laundry. Please start saving plastic bags. Please remember ours is a Bazaar not a flea market. Choose your donations carefully. If it needs to be dusted or washed, please do that before making your donation. If you would not give the item to a friend please do not donate it to the Bazaar. Areas, you might donate to, are Linens, kitchen wares, books, jewelry, baked goods, Christmas, electronics, crafts, Chinese Raffle, and furniture and outdoor items.

If you have items too heavy for you to lift we will provide pick up services for you.

Our biggest need for volunteers is for security on the 4th. And for strong folks that can help move items to the clubhouse on the 1st and 2nd of February.

If you have questions, comments or a burning need to help.....please contact Barb or Ruthie. Last year we cleared over \$4,000 for all of us to enjoy our activities at very reasonable prices! Let's beat last year's totals!

If you have any questions or concerns, please feel free to contact me. I will also be happy to help you fill out your forms. You may also go to [WWW.Vialoflife.com](http://WWW.Vialoflife.com) and fill out and print your forms. The information does NOT get saved, only print out your form and keep.

## Lincolnshire Library

By: *Cynthia Varga (163.....584-6402)*

---

**M**y thanks to all who have brought books to my house It makes it much easier for me to keep order in the library.

I try to keep the shelves in alphabetical order and when people randomly put the books back, I have to go through all the shelves each time and sort all the books.

Having them in order makes it so much easier for someone looking for a particular author

Thanks again for helping make my job less of a chore.

Also looking for some nice book-ends to use on the shelves

Keep the books comming.

The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. ### **VETERAN'S CORNER**

The following Article was written by a friend of mine a Retired Master Sergeant George Huddleston III and an Iraqi War Veteran. I thought it was well written and worth sharing.

If you have a Combat Veteran in your family and you don't like their moods and behavior around the holidays; please consider these six things:

1.) Your combat veteran has served in countries where people are blessed to receive a tattered pair of shoes or have clean water to drink; he/she no longer lives the "first world illusion" and no longer cares that if you buy one play station you can get a second one for fifty percent off. In fact, they find it hard to appreciate any of the gluttonous commercialism and overindulgence that permeates American holidays. Standing watch, boring as it was, had so much more purpose than going to the mall.

2.) Your Combat Veteran is thankful for the most basic things; not thankful for mega-sales and million dollar parades. They are thankful to be alive; thankful to

*...continued on page 28*

have survived both the wars far away and the wars they struggle with inside.

3.) Your Combat Veteran is thankful that it wasn't them that got killed, but their celebrations are forever complicated by guilt and loss over those that were. Some of the most thankful times in their life were some of the scariest. Their feelings of thanks and celebration often conjure memories that are equally painful.

4.) Your Combat Veteran is not like you anymore. At some point, for some period of time, their entire life boiled down to just three simple things: when will I eat today, when will I sleep today, and who will I have to kill or will try to kill me today? They are not like you anymore.

5.) Your Combat Veteran does not need a guilt-trip or a lecture; they already feel detached in their grief while others so easily embrace the joy of the season. They need understanding and space; empathy not sympathy.

6.) Your Combat Veteran does love his/her family and is thankful for the many blessings in their life...and they are thankful for you.

Military Retirees are now authorized one pair of eye glasses every 12 months at military medical facilities. As of December 1, 2016 CVS Pharmacy will be dropped from use as a Tricare pharmacy and Walgreens Pharmacy will be added. Any use of CVS after December 1st will require full payment for prescriptions.

The VA has now included Korean War veterans for Agent Orange exposure from April 1968 to August 1971.

The Department of the Army is pushing a new phrase for retirees. Instead of using "retiree" use "Retired Soldier". This emphasis "once a soldier, always a soldier." Attitude to the public.

New ID cards will be issued for military retirees beginning in FY 18. The new cards will resemble the present active duty cards. The ID cards for spouses and dependents will remain the same.

I have realized that with the number of new residents here at Lincolnshire, there are many of you who have never met me, and don't know who I am, or the history of how I got here in Lincolnshire.

So here is a little background for the newcomers. I am your mascot!! I travel with the club, and have been on many cruises and trips. I was adopted about 5 years ago, and got the name "Abe - Lincoln - Shire." Anyone who travels around can take me with them on their trips. Take photos with me and share their experiences with other Lincolnshire residents through their photos. My next BIG trip will be the newest cruise being offered. I will be among the first from Lincolnshire to visit CUBA!!

But don't be left out. There are many opportunities for you to join the travel club

for our fun dates. Call Harold or Donna for information about our 2 dinner theater sows, the Strawberry Festival with Willie Nelson, cruises next season that benefit the cancer society, trips to the races, and more. Watch the bulletin board, or call and ask. If you are travelling anywhere, just call Harold or Donna to take me along with you for photo –ops.

### Lectioary Readings for December 2016

1 - Eternal Father, you gave to your incarnate Son the holy name of Jesus to be the sign of our salvation: Plant in every heart, we pray, the love of him who is the Savior of the world, our Lord Jesus Christ; who lives and reigns with you and the Holy Spirit, one God, in glory everlasting. Amen.

Numbers 6:22-27, Psalm 8, Philipians 2:5-11, Luke 2:15-21

8 -Father in heaven, who at the baptism of Jesus in the River Jordan proclaimed him your beloved Son and anointed him with the Holy Spirit: Grant that all who are baptized into his Name may keep the covenant they have made, and boldly confess him as Lord and Savior; who with you and the Holy Spirit lives and reigns, one God, in glory everlasting. Amen.

Isaiah 42:1-9, Psalm 29, Acts 10:34-43, Matthew 3:13-17

15 - Almighty God, whose Son our Savior Jesus Christ is the light of the world: Grant that your people, illumined by your Word and Sacraments, may shine with the radiance of Christ's glory, that he may be known, worshipped, and obeyed to the ends of the earth; through Jesus Christ our Lord, who with you and the Holy Spirit lives and reigns, one God, now and forever. Amen.

Isaiah 49:1-7, Psalm 40:1-12, 1 Corinthians 1:1-9, John 1:29-42

22 - Give us grace, O Lord, to answer readily the call of our Savior Jesus Christ and proclaim to all people the Good News of his salvation, that we and the whole world may perceive the glory of his marvelous works; who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Isaiah 9:1-4, Psalm 27:1, 5-13, 1 Corinthians 1:10-18, Matthew 4:12-23

29 - Almighty and everlasting God, you govern all things both in heaven and on earth: Mercifully hear the supplications of your people, and in our time grant us your peace; through Jesus Christ our Lord, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. Amen.

Micah 6:1-8, Psalm 15, 1 Corinthians 1:18-31, Matthew 5:1-12

**H**appy New Year everyone: Hope everyone enjoyed the holiday season. My friend Rudy is sitting in for me again this month. Thanks Rudy!!

## RUDY AND HIS BUDDIES

It doesn't seem possible, but the Holiday season is almost over. We've had that treat holiday in October, the one with yummy turkey and ham came next, and then one where we got presents from everybody and put colored lights up and trees in the house. I don't understand that tree thing...I can't pee on it either!

I'd like to write this time about us senior dogs. You know when we get to age 7, we are considered seniors? Just like you humans, we are slowing down a little too. Sometimes that young little pup up the street wants to jump all over me. I have good days and bad just like you humans. Please don't let that puppy jump all over cause some of us might not be in the mood to play.

It can be a time when we can develop health problems. Make sure we get walked at regular times and not too long in between for those bathroom breaks. That once a year visit to the Vet should start to be 2-3 times a year. Our Vet will do an evaluation starting at my nose and ears and going all the way to the other end. We dogs all have little sacs back there that need to be checked. We get joint issues just like you humans. Jumping in the car isn't as easy as it used to be. I've missed the seat a couple times and now aim for the car floor instead. My Vet did some blood work on me and found out I have a low thyroid. Now I take a pill with my meals and I have a lot more energy and they say I might lose weight. Also Mom gives me senior food now which is formulated to help me with my digestion.

We seniors have special needs and a little extra care can help us be better companions and so live longer with you. Happy Holidays and thanks for our presents!

Rudy

this to be a fun filled season! Please remember if for any reason you aren't going to be able to shuffle when your scheduled to, let your Team Captain know as soon as possible so arrangements to replace you can be made, if you are scheduled to shuffle show up on time....or a little early to socialize is fine.

While shuffling you should step back off of the court when your opponent is shooting, give them room. If you are marking score, please keep the people at the foot of the court up to date on score standings, it is often difficult to see the scoreboards from the distance. While the opposite end is playing please keep them up to date on which discs are in counting positions, again it's sometimes hard to be sure from the distance. While shooting to take out, please know your own strength....flying discs can be dangerous. Most importantly....remember to have fun. See you at the courts!

## Brain drain: Control your appetite after a long day at the office

Ever notice that you can feel starving after a long day at work even though you've spent it mainly at your desk? Scientists, as reported by The New York Times, say it happens because your brain, feeling tired, starts to want more fuel to keep going—even though you haven't exactly been digging ditches for eight or nine hours. The problem is that you're consuming calories your body doesn't actually need because your brain is telling you to.

One way around this dilemma is exercise. In an experiment at the University of Alabama at Birmingham, 38 college students met to discuss what their favorite pizza was. After the discussion, they were allowed to eat as much pizza as they wanted. On another day, they were brought back and given a series of tests from college entrance and graduate-level exams. Afterward, half the students worked out on treadmills while the rest sat quietly. The entire group was again served all the pizza they wanted, but the treadmill group ate less—about 25 fewer calories than at their previous session. On the other hand, the rest of the group actually ate 100 calories more.

The study suggests that a light workout after a mentally strenuous day may curb one's appetite—good to know before you sit down to eat.

## Eat lots of these foods to prevent prostate cancer

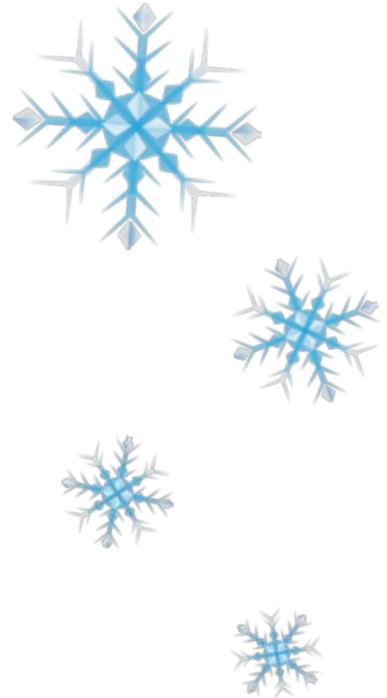

Prostate cancer is one of the most common forms of cancer in men—more than 180,000 cases are diagnosed each year. Diet can be a factor, doctors say, especially one of foods high in saturated fats found in meat and dairy products. Men may be able to reduce their risk of developing prostate cancer by eating more of these healthy foods:

- Broccoli. Benefits: Low in carbohydrates and rich in antioxidants and phytochemicals that may prevent cell changes contributing to cancer.
- Salmon. Benefits: Lots of omega-3 fatty acids that can inhibit prostate cancer.
- Brazil nuts. Benefits: Selenium; six to eight nuts contain 700 percent of a daily serving.
- Tomatoes. Benefits: Lycopene. Men who eat 10 portions of tomatoes a week may reduce their risk of prostate cancer by 18 percent.
- Walnuts. Benefits: Walnuts and walnut oil have been shown to reduce levels of the hormone IGF-1, which has been linked to prostate cancer.
- Coffee. Benefits: Antioxidants, as well as stimulating the body to metabolize sugars more efficiently. Green tea shares similar qualities.
