David Puckett, Pres Lot #232, 415-7539

Jeanni Bajenski, Secy Lot #512, 483-2123

It's that time of year for the annual membership of \$10 per unit/coach. All park members are members in the HOB corporation and thus eligible for the assessment. We appreciate your supporting our Association. You can pay either at the monthly meetings or by leaving a check on the doorstep of our President, David Puckett, Lot #232 – he's just across from the clubhouse! Or our Treasurer's doorstep, Kelly Cooper, Lot 81. We will also have sponsors at the various clubhouse activities to collect this assessment. Membership cards are in the process of being printed. If they're not available at the time you pay your fee – the card will be personally delivered as soon as they're available.

## PHEW!

The hectic-ness of the holidays are finally over. We can all get back to casual socializing and enjoying the fine weather. The various clubs have many social activities for you to choose from.

We, the HOB, are pretty boring. We don't 'do' activities however there will be someone from EMS, at our February meeting, to explain how they work. Please plan to attend.

We'll try to get in other non-exciting speakers every now and again (joke). All suggestions are welcome; Stamp collectors, Geneology, for instance.

## BOARD NEWS

Our next Board meeting is Wednesday the 20th at 10:30am in the Pool Room please come join us if you're interested in joining the Board – for a personal interview \*\*\*\*

Our next general meeting is Monday the 25th at 7pm. See you there!!

\*\*\*\*We are still looking for a few good wo/men to join our Board of Directors. No responsibilities other to have an opinion and help mediate differences between residents and management. And, of course, to support the residents when it comes to negotiating the annual rent.

# OAK CREST / ACORN RESIDENTS' CLUB, INC.

Kathy Brady, Vice-President, Lot #226, 239-8726

**H**appy New Year Everyone! It's hard to believe another year has come and gone already! I hope you all had a wonderful holiday season!

Nominations for new officers of the Residents' Club are now closed. The nominees are as follows: John Brennan, President; Chuck Watts, Vice President; Dorothy Noller, 2nd Vice President; Kathy Brady, Secretary; and Ed Kohler, Treasurer. There will be a confirmation vote at the January 4th meeting and the new officers will assume their positions on February 1st.

At the January meeting we will have a guest speaker from the Sheriff's Department. I'm sure you're not going to want to miss the information this speaker will provide on keeping us safe. The Annual Potluck will be held on Saturday, January 9th at 5:00 pm. Please bring a dish to share with your friends. Also bring your own beverage, plates and cutlery. There will be a sign-up sheet on the Clubhouse Board so we will know what you are bringing. This year we will have entertainment by Judy-B-Goode from 7:00 pm to 9:00 pm, so stay around and have a few laughs. If you have any questions, please call Nancy at 437-7415.

The Activities Committee is sponsoring a Fashion Show which will be held on Thursday, January 28th. Lunch will be served at 12:00 noon with the Fashion Show beginning at 1:00 pm. Patchington's will be supplying the clothing. We will have residents as models, so come out and cheer them on! Tickets are \$6.00 pp and are available from Nancy 437-7415 or Joy 588-0323. Cut off date to buy tickets is January 26th at noon. There will also be a Silent Auction, so bring your extra spending money!

### **THE CLUBHOUSE LIBRARY**

There are some rules regarding donation of books to the library as we only have room for so many.

1. We do not accept Puzzles – they go in the Pool Room – there is a closet specifically for them.
2. Books dated prior to 2000 are recycled.
3. Old books, damaged, discolored, in bad shape should be deposited in the recycle bin in the laundry room. We get credit for recycling these.

Otherwise, thank you all for your donation of books. Many of us use the library and the selection is wonderful.

Kudo's to our 5 librarians who sort and alphabetize every addition.

## MAILBOX BLOCKING

---

**W**e took a poll and the mail delivery persons' pet peeve was the inability to access the mailbox from the vehicle due to a car parked either directly in front of them or just before and after. Legally if this is the case they don't have to deliver your mail. Please try not to park near them.

## APOLOGIES FROM THE EDITOR

---

**G**osh, last month's newsletter (December) was a screwed up mess! No if's and's or but's about it. Unfortunately it was assembled while I was out of town and when I got back, some corrections had been made but I failed to get them to the printer on time. I sincerely apologize and, fingers crossed, it won't happen again.

- Jeanni Bajenski #512

## EUCHRE ANYONE?

---

"Buckeye" Bill, Lot #122, is interested in forming up a Euchre club for the winter season. If you'd like to join, call him at 740-972-2457.

## ART CLASS

---

**W**e would like to thank the members and volunteers who painted the clubhouse windows over the holidays. Thank you Dave Larsen, Nannette Reineman, Jill Werner, Linda and Tom Whitlow, Annette and Chuck Watts, Pauline Fowlston and Laurie Safford. We were so pleased when Cathy and Dennis Paturno's grandson, Jacob, who is a 3rd grade student in New York, joined our team. It is always a pleasure to see the art work of children.

On a more solemn note, Jack Smith, who was part of the traditional painting and who had signed up before his sudden death was missed and a window dedicated to his memory was painted.

You are all invited to join our Art Class Friday mornings, 9:30 to Noon.

## Just a rash? Check it out

A rash may be nothing to worry about, but sometimes it can be a sign of something serious. Doctors recommend you pay attention if a rash exhibits any of these symptoms:

- The rash spreads quickly across your body, which could indicate a major allergic reaction.
- You have a fever along with the rash. This could be a sign of a serious infection, so get to the hospital immediately.
- Your rash forms blisters or becomes painful.

The foundation of success in life is good health. That is the substratum fortune; it is also the basis of happiness. A person cannot accumulate a fortune very well when he is sick.

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.*

## Get to the root of problems

When you can't solve a seemingly impossible problem, do you just throw your hands high in frustration and walk away? Most of the time that's not an option. Try re-framing the problem with these suggestions from Tina Seeling, author of *Inside Out: Get Ideas Out of Your Head and Into the World* (HarperOne):

- **Revise your question.** Turn the problem around by re-examining your real goal. Instead of "What new product will make lots of money?" ask, "What do our customers buy, and what do they avoid?" or "How can we offer more of what already works?"
- **Look for bad ideas.** You can unleash your creativity by flipping the process. Try to identify what doesn't work, what's failed in the past, or what would completely capsize any solution. You may be able to adapt a seemingly impractical solution, or eliminate a factor that's holding you back.
- **Question your assumptions.** Many of us fall into the trap of assuming that the answer we're seeking will look like solutions that have always worked. Take a close look at the problem, your organization, or your industry and identify practices that have never been questioned. Ask, "Why are we doing it this way?" You'll often find a new approach by going against the conventional wisdom.

## Play these roles when developing ideas

Thinking creatively requires different mindsets at different stages of your project. If you can shift gears yourself, do that; if not, bring in a colleague to help you sort through the issues. Focus on these key roles as spelled out by Walt Disney:

- **Dreamer.** Don't limit your vision at the outset. Let your mind roam widely as you explore concepts, ideas, and solutions. You don't have to be practical at this stage—just allow yourself to daydream as you think about what you want to achieve.
- **Realist.** Once you've got a plan or idea you want to put to work, start narrowing it down until it's doable. You may end up eliminating the less practical aspects, but if you keep your mind on the core idea, you'll come up with a plan that satisfies your goal while succeeding in the real world.
- **Critic.** Poke holes in your plan so you can patch them up effectively. Run a test or set up a pilot program before rolling your solution out completely. Don't think of obstacles as failures; use what you learn to make your idea viable.
