Diane Rice, President, Lot 636, 828-230-7249

Here it is April: I don't know where the time has gone. Many of our friends and neighbors have returned to their summer homes; we wish them safe travels, they will be missed. The HOA will hold meetings thru the summer months for those of us that are year-round residents. That being said: I would like to take this opportunity to mention a form that is available for use in the event a resident has a problem that needs resolution. These forms are available from board members. The homeowner will fill out the form with name, lot number, date, and a brief description of the matter at hand. One part is submitted to the office, second part is kept by the homeowner, and the third part given to a member of the board of the HOA, this has proven to be successful in getting a response in a timely manner. Those of us that volunteer our time to be on the board care about our community. We are com-mitted to helping our friends and neighbors - you - with any issues that you may have. We welcome any and all suggestions that will make this experience a positive one. Hope to see you at our next meeting. Have a good day.

Per Article II of the By-Laws of the HOA, all owners are members and are to pay a \$10.00 annual fee as a part of ownership. If your home number appears below, we thank you for having already paid the 2018 fee. If it doesn't show, you can drop off \$10.00 at Lot 291 (Ed Hahn, treasurer). Ed is also willing to come pick up the fee from you, just give him a call at 727-519-3023:

April showers.....

Our last Residents' Club meeting will be held on Monday, April 2nd, at 7:00 p.m. Hope to see you there. Sadly, it is also time to say goodbye to our Northern friends who will be heading home for the summer.

Here are just a few tips for those of you who will be leaving for the summer:

Please give a key to a trusted neighbor/friend so they can come in at least once a month to check on your air conditioning and to be sure there are no other problems inside your home. Leave them filters so they can change them for you.

- Per Deputy Sean O'Brien of the Pinellas Sheriff's office, do not put a chain across your driveway. This is one of the signs that unwanted guests look for. It is telling everyone you are gone for the summer. Have a friend/neighbor park in your driveway a couple of days a week again, unwanted guests look for those.
- The Pinellas County Sheriff's office has a free program where they will come by once or twice a week. They will walk around your house, check doors and windows etc. Please sign up for this free program at the Sheriff's Department.
- Per Duke Energy, you should set your a/c at 82 degrees. This should prevent mold from forming in your home.
- Turn your water heater breaker off. Turn your water off.
- Use timers on a couple of lamps in separate areas of your home. Do not leave your home completely dark.
- Put fresh batteries in the lamps and alarms before you leave.
- Put cling wrap (weighted down) on all drains to prevent unwanted pests from entering your home.

Leave someone a phone number in case of an emergency.

Give your name, contact information and dates you will be leaving and coming back to Block Watch so they can also check on your home. Chuck Watts, (843) 457-9598,
E-mail - chuckwatts100@yahoo.com.

Please be safe in your travels. Looking forward to your safe return in the fall.

Bob Emond, President, Lot 260, 727-330-6891

Our non-elections were held at the General Meeting on February 19th. The existing Executive agreed to carry on for another year. Your Executive committee for the 2018-2019 season includes:

- President: Robert Emond
- Vice-President: Denis Magashazi
- Treasurer: Cherry Martin Hill
- Secretary: Wally Loughhead

April is always a bittersweet month for our Canadian Club members. It's time to head home to welcome a new Spring and all the possibilities it brings. Leaving though, means having to say goodbye to friends and neighbors for another year. Thank you to all those volunteers who helped to make this year's Canadian Club events a success. Lots of new memories, new friends, and plenty of laughter.

A reminder that our first Canadian Club event will be our annual Potluck Supper. Mark your calendars, this year's event is Monday Nov 19th 2018.

We wish you all a safe journey wherever life takes you, and we look forward to seeing you all in the autumn.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

Sleep? There's an app for that

We use the apps on our smartphones for all sorts of things. One of them is tracking sleep patterns. In a survey of 934 mobile phone users by the NYU School of Medicine, 28 percent of participants reported that they use a health app to monitor how long they sleep, what time they go to bed, and whether they wake in the middle of the night, as well as whether they snore, have breathing problems while asleep or change positions.

Thirty-five percent of men and 20 percent of women reported tracking their sleep, and the average age of sleep trackers was 34. The most popular apps (of 24 named in the survey) were Fitbit (10 percent), Lose It (3.5 percent), and Apple Health (2.6 percent).

Burn and extinguish candles safely

Whether you enjoy candles for a romantic dinner or holiday celebration, you should handle them carefully. The National Candle Association says to properly put out a candle's flame, hold your finger in front of the flame and blow at it. The air will flow around the finger and extinguish the candle from both sides, preventing hot wax from splattering.

Other tips for candle keeping and use:

- Never leave a burning candle unattended.
- Keep lighted candles out of the reach of children and pets.
- Keep burning candles away from combustible materials like drapes.
- Store candles in a cool, dark, dry place.
- Before using, light and extinguish the candles so they burn better.
- Avoid drafts to prevent rapid, uneven burning or excessive dripping.
- Keep wicks trimmed to one-half inch.
- To remove wax from fabrics, scrape off excess and run boiling water through the material.
- Remove wax from holders by running hot water over them.
- Candles refrigerated before use will burn more slowly and evenly.
- Extinguish candles when they get within 2 inches of the bottom.

Walk safely in traffic

Now that spring is here and walking is more manageable in milder weather, here are some reminders about walking safely along busy streets:

- Stay on the sidewalk and crosswalks. If you can't avoid walking on roads with no crosswalks or sidewalks, walk facing traffic.

- Cross at intersections. Most people are hit by cars when they cross the road at places other than intersections. Make sure you stop at the curb. This signals to drivers that you intend to cross.

- Stay out of the driver's blind spot. Make eye contact with drivers when you cross busy streets.
