MESSAGE FROM EDITOR

For your information, I list the activities on the calendar hoping the hall will be open again by the time you receive this messenger. For the September messenger, I have to have the information in no later than the 15th of August.

The hall is open now from 8a-4p, Mon.-Fri. Right now, on Mon. Wed. Fri. at 1:30p is Billiards and on Wed. at 1p is Dime Bingo.

Homeowners of Oak Crest / Acorn Residents, Inc.

Diane Rice, President, Lot 636, 828-230-7249

September is upon us. Hopefully, we will see the beginning of things returning to normal. To recap August, the tree trimming in the park was complete on the 10th. There have been several comments about HOA meetings, there have been no meetings scheduled during the summer months, and please take note the date for meetings was changed last winter to the second Monday of the month. Speeding has been an ongoing issue, if you see speeders and can report to the office or the sheriff's department, please do. Please do not feed the wildlife. You will be reported. Continue to stay safe practicing social distancing, wearing masks, and using hand sanitizer.

Oakcrest / Acorn-Neighborhood Watch

Jim & Rebecca Hamilton, Lot 273, 440-533-5559

I have spoken with the office and I would like to clear up a few subjects that have been mentioned on this Face Book Page.

1. Oak Crest / Acorn in over 30 years has Never Had Speed Bumps or Humps
2. The Stop Signs Are Enforceable by the Sheriff if management invites them in to watch for cars speeding or going thru them. Call management and ask them to request this. Let them know what times and areas you feel are the worst.
3. If you know who the people are that go thru the signs or speed, report it to the office, only then can they contact the person and let them know they have been witnessed speeding or blowing thru a stop sign,
4. If you feel you can not speak to management, call your HOA President 828-230-7249 and inform her of your report. Keep a ledger of what you are reporting if you can for future reference. Take photos or videos if possible.
5. Anything reported by you to management or the Sheriff stays confidential. The person in

continued on page 6

the wrong will Not know who reported it.

6. If you know of any resident that is breaking a Law, call the Sheriff 727-582-6200, and keep reporting it...or you can go to : <https://www.pcsoweb.com/activecallsdetails>
 7. This is the Pinellas County Sheriff Active Call list.
 8. If you go onto the site and scroll down and look to your right you will see "SUBMIT A CRIME OR DRUG TIP" This is a discreet way to report a crime
 9. If management Evicted someone it can take time, due to Laws in place to protect the resident. So you have to be patient at times, but keep reporting it to the office and the sheriff, if Laws are broken. the person may be able to be arrested, which speeds up the eviction process.
 10. Attend HOA meetings, hopefully in the fall they can resume, even if we have to do it outside. It is always the same people that attend. Let your neighbors know about the HOA.
- Long Story Short , SEE SOMETHING, SAY SOMETHING ! posting it over and over again on Face Book is not going to help

Happy Labor Day

Reggie "K"

The first Monday in September is a creation of the labor movement and is dedicated to the social and economic achievements of American workers. It constitutes a yearly National tribute to the contributions workers have made to the strength, prosperity and the well being of our country.

More than a century after the first Labor Day observance there is still some doubt as to who first proposed the holiday for workers.

Some records show that Peter McGuire, general of the brotherhood of carpenters And joiners and a co-founder of the American Federation of Labor was first suggesting A day to honor those "who from rude nature have delved and carved all the grandeur we Behold." But Peter McGuire's place in Labor Day history has not gone unchallenged. Many believe that Matthew Maguire, a machinist, founded the holiday. Recent research Seems to support the contention that Matthew Maguire, late the secretary of Local 344 of The International Association of Machinist in Peterson, N.J. proposed the holiday

In 1882 while serving as a secretary of the Central Labor Union in New York. What is clear is that the CLU adopted a Labor Day proposal and appointed a committee to Plan a demonstration and picnic. The First Labor Day was celebrated on Tuesday, September 5th, 1882 in New York City in accordance with the plans of the CLU. By 1894, 23 more states had adopted the holiday, and on June 28, 1894, President Grover Cleveland Signed a law making the first Monday in September of each year a national holiday.

The vital force of Labor added to the highest standard of living and the greatest Production the world has ever known and has brought us closer to the realization Of our traditional ideals of economic and political democracy. It is appropriate, therefore, that the nation pays tribute on Labor Day to the creator Of so much of the nation's strength, freedom and leadership—

THE AMERICAN WORKER

IN THE NEWS

Reggie "K"

When governors ordered businesses closed and told citizens to stay home To combat COVID-19, they refused to heed the presidents warning. In April, Trump said the cure couldn't be worse than the disease. Yet for many Americans, that's precisely the case. Not only are millions of Americans out of work, businesses that closed their doors in March, at no fault of their own, paid the ultimate price.

In a new report by Yelp, between 55% and 60% of the businesses on its website that were listed as closed temporarily are now permanently out of business, It's not just small businesses, either, Larger companies struggled to stay afloat due to social distancing restrictions and fearful consumers, as well. According to Yelp, the largest number of permanent closures are in California, New York, and Texas. They're also the states currently experiencing some Of the highest infection and hospitalization rates. Only 24% of the businesses that closed in March and April nationwide have reopened.

Restaurants were the most affected with 26.160 permanent closures Retail stores were second with 26.119. As of July 10th over 132,500 businesses were still marked as closed on Yelp's platform. AS some states put new restrictions in place, THE COVID-19 PANDEMIC IS FAR FROM OVER

Surprising COVID Enforcers Famed physicist Albert Einstein is said to have quipped, "only two things are Infinite, the universe and human stupidity, and I'm not so sure about the former." If the way that some people are taking aggressively confrontational actions – up To and including firing a gun – over facemask and social distance rules is any Indication, he was 100% correct. A woman and her son were sitting in the lobby of a Miami hotel when a man Walked up to them and said "you aren't social distancing" When mother did what one should reasonably do when confronted by a stranger and ignored him, his response was to Shoot the room up.

Over on the other coast in a San Diego dog park, a couple was eating lunch at One of the picnic tables with their pup when they were accosted by a woman Who took exception to them not having facemasks? When her admonition did Not result in them immediately covering their faces, she walked away for a moment And then returned and proceeded to douse the husband with pepper spray.

While shopping in Gainesville, Georgia, Walmart, a young mother and her Small children were confronted by an elderly woman who started berating Them for their lack of face covering. This apparently is not a requirement Because the door greeter allowed them entry, and for the youngsters would Be contrary to CDC guidelines.

The fear-mongering from the political Left and the liberal media seems To have spawned a vigilante attitude within some people. This, in all likelihood, will lead to a tragic outcome in the future, Actually, They're quite lucky it didn't in the Florida hotel lobby because when Somebody starts spraying bullets in an occupied room, like what Happened there, and nobody gets hurt, THAT'S JUSTS PLAIN DUMB LUCK.

SNACK RECIPE

Reggie "K"

Did you ever watch a good movie or a sports game at night say around 8 or 9 o'clock and you suddenly get this craving for something, but you have no idea of what it is you want?

Well here is something you might want to try;

Take two slices of bread, rye or white, put them in the toaster, meanwhile, fry up 2 or 3 slices of bacon, slice a tomato, take slices of cheese of your choice, put the cheese on each slice of bread, place in microwave, long enough to melt the cheese put the tomato slices on each piece of bread and the bacon, put both slices together slice in half if you like.

Now if you really want to go all out, top it off with a nice cold beer or a glass of chilled wine.

She phoned the police at once and reported the crime.

The police dispatcher broadcasted the call over the radio and A K-9 unit patrolling nearby responded to the call.

As the K-9 officer approached the house with his dog on the Leash, the blonde ran out onto the porch, shuttered at the Sight of the officer and his dog, she sat down on the steps Putting her face in her hands, she moaned;

“I come home to find all my possessions stolen,
I call the police for help and they send me a

September Monthly

Baby Safety Month. Parents and caregivers have many responsibilities, but keeping their baby safe and healthy is a No. 1 priority. Whether you are expecting your first baby, adding to your growing family, or are a grandparent, this is an ideal time to put into action some simple steps to keep baby safe.

National Cholesterol Awareness Month. September is a good month to get your blood cholesterol checked and take steps to lower it if it's high. It's also a good time to learn about lipid profiles and about food and lifestyle choices that help you reach personal cholesterol goals.

Prostate Cancer Awareness Month. Prostate cancer is the second-most common cancer in U.S. men. Learn about prostate cancer to start stepping up against it. The “Step Up for Blue” campaign empowers men to take control of their health and encourages their loved ones to support them.

National Self-Improvement Month. Is there something in your life that you want to improve? September is National Self-Improvement Month. Usually there is a list of things people want to change about their lives. Many items on that list are often things over which we have no control. Stop dwelling on them and focus on what you can change—you.

Weekly

Suicide Prevention Week, Sept. 6–12. National Suicide Prevention Week is the week surrounding World Suicide Prevention Day, Sept. 10. It's a time to share resources and stories, as well as promote suicide prevention awareness. The week focuses on informing and engaging health professionals and the general public about suicide prevention and warning signs of suicide.

National Waffle Week, Sept. 6–12. The word “waffle” comes from the Dutch “wafel,” which comes from Middle Dutch “wafele” and stretches as far back as the 13th century. Before that, the French called it “walfre” from the Frankish “wafra,” which meant “honeycomb” or “cake.” No matter what you call it, no one can deny its deliciousness.

Deaf Dog Awareness Week, Sept. 20–26. Deaf dogs, like other special needs pets, make wonderful furry family members. Their deafness in no way reduces their potential to bring joy to your life and become a loving companion for your family.

Banned Books Week, Sept. 27–Oct.3. An annual event celebrating the freedom to read, Banned Books Week spotlights current and historical attempts to censor books in libraries and schools.

COVID-19 NOTICE:

We are taking as many precautions as we can to ensure not only our workers safety but yours as well. We are checking employee temperatures daily, limiting contact between crews, and offering no customer contact if you choose. We are an "Essential Business" and here for you when you need us.

A cup of tea

A group of students visited their old university professor. Conversation soon turned into complaints about the stress of work and life. Offering them tea, the professor produced an assortment of cups and mugs—porcelain, glass, crystal, some plain looking, some expensive, some exquisite—telling them to help themselves to hot tea.

When all had a cup in hand, the professor said: “I see you have all chosen the nice-looking expensive cups, leaving behind the plain ones. While it’s normal for you to want only the best, that’s also the source of your stress. What you really wanted was tea, not the cup, but you still went for the best cups, and you’re eyeing each other’s cup! If life is the tea, then jobs, money and status in society are the cups. They are just tools to hold and contain life. Don’t let the cups drive you. Enjoy the tea.”

Why fight over shadows?

A wealthy man hired a peasant and his camel for a long trip across the desert. The rich man rode the camel as the peasant led it across the sand.

In the hot noonday sun, they stopped for a rest. Because there was no shade but the camel, they began arguing about who had more of a right to sit in its shadow: the peasant who owned it, or the rich man who had rented it to ride.

Their voices grew louder and louder as the argument went on. Finally the camel got frightened and ran away—leaving them stranded in the middle of the desert.

Moral: Don’t let yourself get so determined to be right that you lose what you’re fighting for.

Some of these things are true and some of them lies. But they are all good stories.

September Daily

National Wildlife Day, Sept. 4. Also celebrated on Feb. 2, National Wildlife Day serves to bring awareness of endangered animals nationally as well as globally.

Labor Day, Sept. 7. A day off and a day to pay tribute to working men and women.

National POW/MIA Recognition Day, Sept. 18. This honors those who were prisoners of war (POWs) and those who are still missing in action (MIA). It is most associated with those who were POWs during the Vietnam War.

Rosh Hashanah, Sept. 18–20. The Jewish New Year and the traditional anniversary of the creation of Adam and Eve, the first man and woman according to the Hebrew Bible, and the inauguration of humanity's role in God's world.

World Alzheimer's Day, Sept. 21. An international campaign to raise awareness and challenge the stigma that surrounds dementia.

The history of Labor Day

Labor Day is a creation of the labor movement, a yearly celebration of the American worker, and a national tribute to the laborer's contribution to the social and economic achievements of the United States. There is some uncertainty about the origins of Labor Day. Some records show that Peter J. McGuire, general secretary of the Brotherhood of Carpenters and Joiners and a co-founder of the American Federation of Labor, was first to suggest a day to honor those "who from rude nature have delved and carved all the grandeur we behold." Other research suggests that machinist Matthew Maguire, later the secretary of Local 344 of the International Association of Machinists in Paterson, N.J., proposed the holiday in 1882 while serving as secretary of the Central Labor Union in New York.

The first Labor Day holiday was celebrated on Tuesday, Sept. 5, 1882, in New York City, in accordance with the plans of the Central Labor Union. In 1884, the first Monday in September was selected as the official holiday. The first governmental recognition of Labor Day came through municipal ordinances passed in 1885 and 1886. The state of Oregon passed the first law recognizing the Labor Day holiday on Feb. 21, 1887. Four more states—Colorado, Massachusetts, New Jersey, and New York—followed suit that same year. On June 28, 1894, Congress passed an act making the first Monday in September of each year a legal holiday in all the states, the District of Columbia, and all U.S. territories.
