From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

Each month things seem to get busier and busier, and it is great to have most of our Canadian friends back. The Canadians certainly add another dimension to Palm Hill, and I mean that in the best possible way. From my own experience I have found Canadians to be friendly, outgoing, willing to volunteer, and above all have a good time!

One thing I would like to remind everyone that is returning is to be sure and check in with the office. Please advise the office of any phone no. changes, caretaker changes, E-mail changes or any other information that is part of your permanent record.

In my capacity of Communications Committee Chairman, we have been working on updating everyone's address and phone number. In order for this to be as accurate as possible we need you to advise the office of any changes. We are targeting a date of early February 2015m for the phone directory to be published. The reason we have decided to delay this a few months is so the directory will coincide with the election of new board members and rec, club officers. By doing this directory will have the most recent information for an entire year. If you have any suggestions for improvements, please let me or a committee know.

Important – Address and Phone No. Corrections

It is most important that if you change your address, phone number or contact number/person that you advise the office. The information comes from that source for the telephone book and if you do not notify the office, it is possible that your information will be incorrect. If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one. In addition, since the Palm Hill telephone directory is based on the website Address Book, be sure to change your telephone number in your User Profile. If you do not have a computer, please advise Mike Kocak at 203-598-4531, or notify the Palm Hill office at 581-8729.

TV Communication Channels

Contact: Robert Donegan, Communications Chairman 612-6887

Our current communication channels are 96, 98.1, & 732. The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

Posting information on the communication channel:

We are making a change in our procedure which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: phcctvcommunications@gmail.com. By using this E-Mail address your notice will always get to the person monitoring the system. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the system. All personal E-Mails will be returned and advised to use the E-Mail as shown above.

Manager's Corner

By: Richard Thomas, LCAM

Projects as of this writing 11-4-2014:

North Clubhouse: North Clubhouse should be completed and opened for all functions.

Queen Palm Repair: The repair of the broken drainage pipe on Queen Palm should be completed as well.

Maintenance will be repainting the yellow safety lines at the North Clubhouse upon completion of the renovation.

Spraying for Dollar Weeds has been completed at the North Clubhouse.

Returning Residents: All residents returning to Palm Hill please stop by and complete the "We have returned to Palm Hill" form, this assists us in knowing how many residents are back in the community, as well as being able to answer questions on whether you have returned yet or not.

Guests: All guests staying overnight must be registered at the office in accordance with the Prospectus.

Security: The security door and gate locking system was delayed due in part to the required electrical upgrade at the North Clubhouse. As soon as it is fully operational and tested, we will begin to implement the system and issue fobs/cards.

Merry Christmas!!!

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Computer Club

Ed Becker For computer answers, call 727-266-4521)

Once again, 'tis the season. This is the article that Ed lets me write. Hang on to your hard drive and don't let your mouse get away from you.

First and foremost, Ed & I want to extend a warm WELCOME to all of the new residents of Palm Hill. We hope that you will be as happy at Palm Hill as we have been, for all our years as full time residents. There are so many activities at Palm Hill; you are bound to find many things that are of interest to you.

One of our weekly activities is the Computer Club. I should tell you that my wonderful husband, Ed Becker, heads the club. You will find him every Tuesday afternoon, 1:30 pm, in the South Rec. Hall. The best part about the computer club is that it is absolutely FREE!!

There is no set format for this club. Discussions range from purchasing new computers or tablets, to what new hardware and software is coming out. Of course computer problems are another hot topic. If you have a question, ask it and the discussion is off and running. You don't have to own a computer. Just come to the meeting anyway. This is a fun place to meet your neighbors, & make some new friends. You are out of the house for an hour or so and

you can learn something new. There are no secret handshakes, and no passwords to get in. As previously stated, it is free.

For those of you who don't know Ed, he started attending the computer club soon after we moved into Palm Hill in April 1995. Soon after that, he began co-chairing the club. You can see where this is going. Ed really does know his keyboard from his motherboard, as his career was in computers before semi-retiring to Florida. Now, he looks forward to the Tuesday afternoon computer club meetings. He also enjoys fixing computer hardware and software problems. For those who need tutoring, Ed does that too.

So, if you would like to have a good time, laugh & learn a little, meet some new people, try the computer club. If you should have any computer problems or questions, you can call Ed at (727) 266-4521. If by some chance you can't reach him, leave a message on the answering machine. He listens to all messages and returns all calls as quickly as possible. If you are really lucky, I will be home to answer the phone. I am only Ed's secretary, but I do make sure he returns your calls.

See you Tuesday, 1:30p.m. at the South Rec. Hall. All you need to bring is your smile, and any questions you want to discuss.

We wish you all Health & Happiness for all of the Holidays and for 2015.

December Is...

National Impaired Driving Prevention Month. Get home safely from your holiday parties this month—and remember safe driving habits all through the year. December was designated National Impaired Driving Prevention Month in a presidential proclamation in 2011 to “address the serious and growing threat drunk, drugged, and distracted driving poses to all Americans.”

Safe Toys and Gifts Month. Shopping for toys for Christmas, Hanukkah, or other holidays? Think about safety. Every year, toymakers around the world recall millions of toys due to safety concerns like lead paint and small magnets. Choose toys that are safe for the age of the child so everyone can enjoy a happy holiday.
