From the Editor

Robert Donegan 727-612-6887 Email: rdonegandg@aol.com

We are starting to get busier again as our residents who go north for the summer return to enjoy the Florida winter. For those of you who have been away, a number of projects have gotten underway while you were gone. The two biggest projects are the North kitchen upgrade and the South pool upgrade. By the time you read this the pool should be complete. The North kitchen will hopefully be completed sometime during October.

For those interested in these projects there are two new albums created on the Palm Hill website with pictures of the work in progress. Just as a reminder, if you have pictures of an event or something you would like to share with your neighbors, please send them to me by E-Mail and I will see they get posted.

Several months ago I mentioned that the Publisher of the Link “Monthly Media” was having difficulty getting enough advertisers and may have to discontinue his business. I am happy to report that the Link will continue as always. The owners of Monthly Media have sold the business to Darin Hunt of Venice, Florida as of October 1, 2014. Darin is in the same business of publishing Newsletters for mobile home parks and had been providing services to over 40 parks. With the addition of Monthly Media, Darin will be providing his services to over 100 mobile home parks. Their current business is from Ft. Myers to Lakeland and includes only one park in the Hillsborough/Pinellas County area.

I have talked to Darin myself and he assures me everything regarding the Palm Hill Link will remain exactly as it has been. If you would like to learn more about Darin and his company, you can visit his website at <http://www.4CommunityMedia.com>.

Important

It is most important that if you change your address, phone number or contact number/person that you advise the office. The information comes from that source for the telephone book and if you do not notify the office, it is possible that your information will be incorrect. If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one in December. In addition, since the Palm Hill telephone directory is based on the website Address Book, be sure to change your telephone number in your User Profile. If you do not have a computer, please advise Mike Kocak at 203-598-4531, or notify the Palm Hill office at 581-8729.

Manager's Corner

PROJECTS:

North Clubhouse: The renovation of the North Clubhouse has started. Photos have been posted on the website. Expected completion is the end of October.

South Pool Refinishing: This project should be completed by the time this Link is published; besides the new finish in the pool, new tile, handrails and LED lightning has been installed as well as bringing the pool up to current codes.

Maintenance will be repainting the yellow safety lines around both clubhouses as well as the drainage grates in the street. Stop Bars will also get a fresh coat of white paint along with the entrance islands.

Guests: Guests are permitted as long as 1 resident is in residency. Guests may stay up to 15 continuous days and no more than 30 days in a calendar year. All guests must wear a guest badge at any of the common areas. (Clubhouse, Pool, Tennis or Shuffleboard courts). Residents must accompany the guest.

Returning To The Community: Upon returning to the community, please check in with the office as we get many calls asking if someone has returned yet or not. In addition, please make sure we have current phone and emergency numbers on file.

Security: A number of residents have expressed concerns with individuals either driving or walking through the community. I spoke with the Largo P.D. and was advised that even though we are private property, they would need to actually catch the individual(s) on the property and then can only issue a notice of trespass. If you see someone or something suspicious, please contact the Largo P.D. They will respond based on the number of other calls they have.

Speeding And Stop Signs: I have noticed a number of residents failing to stop at the stop signs and/or doing well above the 15 mph speed limit. Please adhere to the speed limit and stop at the stop signs. I am sure no one wants to be involved in an accident. Largo P.D. also advised me that if patrolling in the community and they observe someone not adhering to the posted speed limit or failing to stop at a stop sign, they will issue a citation.

Please travel safely; we look forward to you returning to Palm Hill. To contact me call the office 727-581-8729 or email me at: managerpalmhill@tampabay.rr.co

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website. We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

YOGA FOR BODY – YOGA FOR MIND – YOGA FOR LIFE

I would like to acknowledge the passing of our dear friend and Beginning Yoga instructor Gloria Reynolds. Gloria was always so kind and gracious in giving of her time and talent. She was a good friend to all and will be greatly missed.

Find peace and rejuvenation as you are guided into classical yoga stretches, breathing and relaxation techniques on Wednesday mornings in the North Club House starting November 5th.

Gentle Yoga is meant for everyone – yoga beginners and yoga veterans – anyone at any age or fitness level who wants to stretch, strengthen and relax at a gentle pace. With this gentle approach, you will see positive results in strength, flexibility and mental attitude without causing injury or added stress to your body. This is a gentle Hatha Yoga program and includes progressive body relaxation, pranayama (breathing practice), postures to warm up joints and muscles, classic yoga postures for stretching and strengthening and meditation instruction and practice.

Friends Of Palm Hill: I Am Pleased To Share With You The News That I Am A Published Author

My book tells of my close friendship with the beautiful young woman, Elizabeth Short, known as “The Black Dahlia,” who became famous through books and movies about her tragic murder. Beth and I were co-workers in a popular restaurant in Cambridge, Massachusetts in the 40s. In my true, story, THE SOUL OF BETH, I describe her charm and personality; and most caring manner with me when I was a teenager struggling to find my way. Saddened by the accounts of the media’s desecrating information about her, I have been led to write about the real, the immortal Beth; to honor the brightest star in the heavens . . .

THE SOUL OF BETH (The Luminous Black Dahlia) by Juanita Spinos is on Amazon and Barnes and Noble. I hope you find it enjoyable reading . . . Juanita at 36 Pindo East (nitaspinos@gmail.com)

Palm Hill Neighborhood Watch

Please: Always call Largo Police to report suspicious activity (727) 587-6730. The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Road warriors: Reach your destination intact

Staying safe on the road, whether you drive on the job or just to and from work, takes a combination of caution and preparation. You can avoid accidents and injury by following this simple advice:

- Keep your vehicle in good repair. Pay attention to the basics: Clean your windows and mirrors and check them for cracks; make sure your wipers and brakes work; check the air pressure in your tires, and so forth. Take your car in for a tuneup on schedule.
- Limit distractions while driving. Does anyone really need to be told that talking or texting on your phone is dangerous behind the wheel? Even a conversation with a passenger can steal your attention. Make an effort to keep your eyes and mind on the road at all times while you're in motion.
- Watch the weather. Monitor weather forecasts. No matter how urgently you need to get somewhere, driving through heavy rain or snow can be needlessly hazardous. Drive at a safe speed for weather conditions, and don't hesitate to pull over if the road isn't safe.
- Get enough rest. You need to be alert when driving, and getting into a car while drowsy or fatigued won't help your concentration. Schedule sufficient sleep and rest for yourself. If you start nodding off or you can't keep your eyes on the road, stop as soon as possible and find a safe place to get some rest.
- Drive defensively. Keep an eye on other cars, and don't try to be king of the road. Maintain a safe distance from other vehicles, watch for trouble spots, steer clear of erratic drivers and speeders, and focus on reaching your destination safely, even if you're a few minutes late.
