We are mid-way through our winter season already and things are really getting busy. Our annual election of board members will take place on January 13, 2016 so it is important that you get your vote in early or attend the meeting to cast your votes.

Since I also serve as Chairman of the Communication Committee I want to make everyone is aware we will be coming out with a new phone directory in early March, so if you want to make any changes, be sure you notify Gail Stott phcwebmaster62@gmail.com and the office. We want to make this directory as accurate as possible, but can only do this if we receive the correct information.

President's Report January 2016

Peter Dougall, President HOPH

It is with mixed emotions that I conclude my time as President of the Board of Directors at Palm Hill.

There are a number of people I would like to acknowledge for their support and advice.

We have two other members who are leaving the Board. I want to give a special thank you to Linda Peterson. I hope all homeowners appreciate the countless hours and hard work Linda gave to our park. I also want to recognize Thom Brown for his six years of service on the Board. Thom and his co-chairman Paul Myles along with the entire Building and Grounds Committee accomplished one of the most important projects our park has seen. The beautiful fence that now surrounds our park is a result of their tremendous efforts.

I want to thank my fellow Board members and Committee members for their dedication to Palm Hill. Each of you are volunteers who really make a difference. Your efforts have made my job as President much easier and productive.

The job of running Palm Hill could not be done without dedicated employees. I wish to recognize Resource Management, park manager Rich Thomas and all of our employees for the hard work each of you give on a daily basis.

I also need to give a special thank you to my wife Joan. I have benefited from her great listening skills for the past forty-one years. Any success that I have experienced on our Board is because of Joan's support.

Finally, I want to thank you, the homeowners of Palm Hill. Your kindness and encouragement have made my experience on the Board very rewarding. I will always be indebted to you.

We live in a beautiful park and I have great confidence that Palm Hill Country Club will continue to move forward in a positive direction.

Thank you for giving me the opportunity to serve our community.

Manager's Corner

By: Richard Thomas, LCAM

Projects:

North Clubhouse: New Curtains for the North Clubhouse Stage are on order. Floor in front of the stage and both storage rooms to be done later this year.

Salt System for North Pool: The new salt system for the North Pool will be installed in January.

Returning Residents: All residents returning to Palm Hill please stop by and complete the “We have returned to Palm Hill” form, this assists us in knowing how many residents are back in the community, as well as being able to answer questions on whether you have returned yet or not.

Safety: Please keep your vehicles and sheds locked when not in use. There was recently a theft of tools and a bicycle from an unlocked shed.

Pets: Reminder all Pets must be on a leash any time the pet is outside of the resident’s home. Pets may not be walked on the lawns of any unit in the community, other than the resident’s unit.

Feeding Of Animals: Some residents have been putting food out for the wildlife (Raccoons, possums, etc.). It is against the law to feed wildlife in Pinellas County. Residents who violate the law are subject to a fine.

Recycling In Palm Hill Update

- Several years ago, Palm Hill resident Les Ciesemier took it upon himself to see if Palm Hillers could shift their behavior and recycle more, because it was the right thing to do, and still is. Les would be amazed and proud of the recycling efforts of Palm Hill today.
- Back then, many residents will remember the “trash trains”, six or seven 6-cubic yard dumpsters that collected trash four days a week in Palm Hill. The City of Largo came into Palm Hill and emptied these dumpsters full of uncompacted trash three times per week. The annual cost billed to Home Owners of Palm Hill for this collection was about \$38,000.
- Much research and discussion resulted in the 2011-12 HOPH Board approving the implementation of Palm Hill’s own recycling program which began October 1, 2011. In

Year One, we laid out almost \$26,000 in capital costs to get the program started, and in Year Two we purchased two compactors for an additional \$40,000. The \$66,000 in capital costs are amortized over seven years, that is, expensed annually at about \$9,500 in the Palm Hill books. We are now in Year Five of the program.

- The data which follows was provided by the City of Largo Recycling Coordinator in the Public Works Department.
- In the past two years, Palm Hill has recycled over 575,000 pounds (288 tons) of what would have been hauled away as trash at very considerable expense. The recycled materials that the City of Largo picks up from our sanitation area are done so at no cost to us. That means that for these two years alone, we have saved \$10,786.88 that we would have had to pay if the recycled materials had been hauled away as trash.
- One of our compactors is now used to compact our trash collections and is emptied at least once a week (more during the Snowbird months). City of Largo estimates that our haulaway-trash charges have now been reduced to about \$4,671.97 annually.
- In addition, for the past four years, we have had a team of tireless volunteers recycling cans and metals that are taken to the sanitation area. Prior to that, these items were taken away as trash, an added expense. This team found buyers for what they were salvaging, and to date have added some \$22,250 to Palm Hill's income, income that we never had before. They have also taken more than 1,000 old television sets to Pinellas County recycling. We cannot thank these volunteers enough!
- We have all made this recycling program work, because we have worked together to do so. Let's all continue to do our part: Sort and recycle. **It is the right thing to do.**

(If you would like to volunteer to be part of this Committee, and/or be part of the can and metal recycling crew, please contact Rick Gregorio)

2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to “Our Community” in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Computer Club

Ed Becker For computer answers, call 727-266-4521)

I wish you all a very Happy & Healthy 2016, from my home to yours. I also want to welcome you all back to the warm Florida sunshine. Now that the New Year has begun, what better time than now to meet old friends, make new friends and learn new things about computing.

There have been so many new computing items that have recently become available, that we will have plenty to talk about. I know there will be questions, but remember it's new to me too. Together, we will find the answers. That's when we have the most fun. Of course, we will talk about 'all' computer related questions & comments that you may want to discuss.

For anyone new to Palm Hill, the club meets every Tuesday afternoon, from 1:30p.m.-2:30 p.m. at the South Rec. Hall. The Computer Club is FREE and open to all Palm Hill residents and, of course your guests. Beginners, Intermediate and "Experts" are all welcome. If you want to take any notes, bring your notebook or paper and pen. I look forward to seeing you all at the Computer Club.

If you have questions or issues and need answers or help during the week, feel free to call me. If you call in the evening, you will either reach my answering machine or Secretary (my wife Wendy). Please leave a message and I will call you back.
