EDITOR'S CORNER

Editor: Richard Daw 727-512-2410 PALMHILLINK@GMAIL.COM

Assuming that most Palm Hill residents want to be well-informed about community developments and activities, here's a rundown on the various information sources available. Most folks are well aware of all the sources cited, but the rundown might be helpful to new residents, and a refresher course for the already well-informed can't hurt.

In no particular order of importance, here's a list of information sources in addition to The Link, and how to access them.

The Palm Hill website is at www.palmhillcountryclub.net. Everyone can visit the site's public section, but only Palm Hill shareholders can access the private area.

One of the most active areas of the website is the Message Board. There, shareholders exchange ideas, raise questions, express opinions, etc.

An area of the website that should attract more visits than it does is the Documents area. That area is designed to contain minutes of meetings of the Corporation's Board and Committees, among other items. The majority of Palm Hill's 1,096 shareholders don't attend those meetings. But they can get a general description of Corporation business by visiting the website and reading the minutes when they get posted.

There's a lot of other material on the website, too, and it's worth visiting frequently.

If you are a shareholder and have given your e-mail address to the Webmaster, you'll get e-mails on a variety of subjects, including notices of Board and Committee meetings. If you haven't given the webmaster your e-mail address, send it to phccwebmaster62@gmail.com.

While all the above information sources require some effort -- although generally minimal -- you can get Palm Hill information by doing what most of us do frequently without a second thought: turn on the TV. The Palm Hill channel is 732.

Don't overlook the bulletin boards in each of our two clubhouses. There is always a list of upcoming trips, notices about Palm Hill events and general information. Take some time to look the boards over.

And, then, there's the old-fashioned way: Oral announcements at the Monday and Wednesday coffees. Key information is provided there often, both official and unofficial.

The Link will continue to try to provide information when conditions make it possible to do so. But depend on these other sources, too, for they often do what The Link can't: provide the newest and latest information. The Link's deadline is three weeks before its distribution, so information in it is unavoidably dated.

NEW BUDGET APPROVED

The Board of Directors has approved a budget for 2018-2019 that increases Palm Hill's monthly maintenance fee to \$335, effective July 1.

The Board took the action at a meeting June 13. Prior to the Board's vote, the proposed budget had been presented to the Board, explained at a community meeting, and distributed by mail to all shareholders.

The new monthly fee is an increase of \$21 over the current \$314. Most shareholders can expect to see an offsetting decrease in their bills from Spectrum because of a newly negotiated contract with the television and internet service provider.

Under the new Spectrum agreement, residents will no longer pay Spectrum directly unless they buy services beyond those provided by the agreement.

The services provided by the new agreement are the following : 150 regular TV channels plus 10 Showtime channels, cable boxes for two TVs, high-speed internet, and a wi-fi modem.

How much each shareholder will save on the Spectrum bill to offset the maintenance fee increase depends on the amount the shareholder has been paying Spectrum.

About \$18 of the maintenance fee increase is attributable to the new Spectrum agreement.

Everyone received a letter from Spectrum in June stating what needed to be done as a result of the new agreement.

CRIME PREVENTION CLASS

On July 18 at the South Clubhouse there will be a crime prevention class presented by the Crime Prevention Task Force, a community service organization developed by former law enforcement officers.

The class will begin immediately after the regular Wednesday coffee, which should make start time for the class about 9:15 a.m.

The mission of the Crime Prevention Task Force is to create greater public awareness of criminal threats facing everyone in society today, and to present effective measures to counter those threats. The Task Force's message: No one needs to be afraid of being at home alone, or of going out to the supermarket.

Some of the topics to be covered: Identity Theft, Fraud and Scams, Guns and Alternative Weapons, Home Safety, Carjacking, and more.

Additional information is available from Hope Barina at 727-216-6040.

HURRICANE PREPAREDNESS

When a hurricane is approaching, preparation is important. Awnings must be lowered, windows must be secured, items that could become airborne in high winds must be stored, and other precautions must be taken.

Aware that some Palm Hill residents are not as mobile as they'd like to be, Carmen Foti asked The Link to let it be known that he will be available to help anyone who needs help. He's at 826 Coconut Palm, phone 973-773-7647.

The first priority of our management and maintenance staff, of course, is to secure all common areas -- the clubhouses and other facilities.

HELPING HANDS

Ted Silva 508-965-6072

If you need help, call Helping Hands.

We focus primarily on providing transportation for those who can't drive.

We're available to take Palm Hill residents to doctor visits, eye exams, grocery shopping, trips to the bank, to the beauty parlor, the barber shop, and many other destinations.

Also, we have a few Helping Hands volunteers who are available to make “comfort visits” to those who live alone, those who can't get out much, those who would like to have someone come to their homes and spend a little time with them. If you want someone to stop by occasionally, or know someone who would like to have a visitor, please call.

Helping Hands does not charge for any service, and volunteers do not accept any “tips” of any kind.

If there's no answer when you call, leave a message. If you don't get a response in a reasonable time, please call Carl Simon at 727-475-0489.

We're always looking for volunteers. Please call me if you can devote some time to helping.

MESCO

Linda Simon 727-559-0164

MESCO is in need of lightweight wheel chairs. Most of the ones we have now are very heavy and difficult to load and unload into a car. Give me a call if you see an opportunity to obtain one or two light ones.

Volunteers for July:

Ann Ogden 401-323-9090

Carol Polozzi 727-223-3768

Anyone in Palm Hill who needs medical equipment should contact one of this month's MESCO volunteers to see whether what's needed is available. If it is, the person who needs it will be able to use it free of charge for as long as the person is a Palm Hill resident.

Some examples of available equipment: walkers, shower seats, toilet seat extenders, wheel chairs, commodes, etc. Whatever the need, inquire!

RCS

Charlotte Ernest 727-585-5845

For almost half a century, Palm Hill residents have been generously supporting RCS, contributing food to those in need. It seems appropriate to take an opportunity to present some information about the organization that might not be well known.

To begin with: The name "RCS" just rolls off the tongue. But maybe some of us have forgotten (or perhaps never knew) what the initials stand for: Religious Community Services.

RCS was established in 1967 when 15 local religious congregations of various faiths came together to provide help and hope to people in need in Pinellas County.

When Palm Hill was established a few years after that, some of the first Palm Hill residents -- Ellen Jensen and her husband -- became very involved with the RCS Food Bank through their church. Ellen soon began collecting food at the Clubhouse.

Palm Hill was expanded in the late 1970s, and an additional Clubhouse was built, and within a few years the RCS collection was taking place in both Clubhouses.

Today, in addition to the collections at the Clubhouses, there is an annual door-to-door food drive in which volunteers in golf carts drive through the community collecting donations and delivering them to an RCS truck brought in especially for the occasion. This is usually done in the latter part of March before snowbirds head home.

The Pilates and Line Dancing classes always ask their participants to bring one staple item for the RCS barrel. It's amazing how it all adds up.

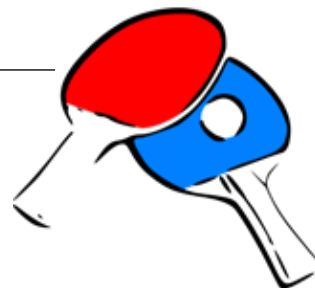

Thanks to everyone for your participation in this worthwhile project. Each year we donate more food, yet more food is always needed.

Don't forget, especially, that we need all we can get in the summer when so many people are gone. When you come to coffee -- or to any other Clubhouse event -- bring a can for the barrel!

TABLE TENNIS (PING-PONG)

John Wallace 727-223-3652

Play will resume in the fall at the North Clubhouse.

THE BAZAAR

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

GENERATIONS LIST

Carolyn Story 727-585-1579

Palm Hill continues to attract generation after generation of residents. Check the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 81 people currently on the list, including six families of 3rd Generation and one family of 4th Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact me. I update this list periodically and would like to have you included.

NEIGHBORHOOD WATCH

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us.

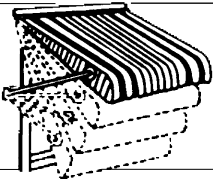

Please: Always call Largo Police to report suspicious activity 727-587-6730.

Dial 911 for an emergency or a crime in progress.

We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way.

Did you know that July is also...

National Blueberry Month. This yummy fruit is packed with antioxidants and in season during July. They're great in muffins, pancakes, and pies, or on their own as a low-calorie snack. Head to a farmer's market or you-pick, and take some home today.

National Cell Phone Courtesy Month. For the next 31 days, exercise common sense when it comes to cell phone use. Keep your phone turned off when you're having dinner, taking a yoga class, or at the theater. If you are in a workplace or public setting, move to a more private location if you need to take a call.

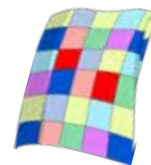

National Recreation and Parks Month. There are 417 parks in the National Park System, as well as a multitude of historic landmarks and places, rivers, trails, and heritage areas. Go to NPS.org and find one for camping, hiking, and exploration.

Social Wellness Month. Now is the time to take stock of your quality of life. Develop daily practices that support your health and well-being. Commit to having loving and supportive relationship with family, friends, and colleagues. Make your home a clean, organized, and peaceful environment.

Everybody Deserves a Massage Week, July 15-21. The third week of July has been designated to promote the benefits of therapeutic massage and bodywork. Find a licensed professional, and book your next appointment.

Quilt Odyssey Week (Pennsylvania), July 19-22. Quilters from across the country will gather to learn techniques from the pros, network, and show off their creations.

International Plastic Bag Free Day, July 3. Only 1percent of the 100 billion plastic bags Americans consume are recycled during the year. The rest add to the pollution of our planet and threaten all sorts of ecosystems. Let today be the day you become part of the solution to ending the waste.

National Fried Chicken Day, July 6. We will never agree on which fast-food joint does it right, but one thing is certain: Anyone who loves fried chicken will tell you that "momma" makes the best. If you're lucky, she's in the kitchen right now and the cast iron skillet is on the stove.

Simplicity Day, July 12. Celebrated on the birthday of Henry David Thoreau, this day is observed to raise awareness regarding the need for sustainable living. Find ways to live in harmony with your environment and reduce your ecological footprint.
