## FROM THE EDITOR

Thank you to everyone who contacted me to update outdated information in the Link. Keep the corrections, suggestions and new information coming. With everyone's continued input we will make the Link an excellent source of information for everyone.

**From the Editor**

As the summer months come upon us, so do the chances for tropical storms/hurricanes.. Our Manager, Rich has included some shelter information in his report this month. This copy of the Link is one you may want to keep close at hand should these conditions arise.

Enjoy your summer!

Leslie Baker  
Editor

## PHONE DIRECTORY--CORRECTION

New phone directories were delivered in May. If you have already left for the summer, your directory will be available from your block captain when you return.

## IMPORTANT – ADDRESS AND PHONE NO. CORRECTIONS

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the Link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

## TV Communication Channels

*Contact: A New Communication Chairperson each month.*

---

**O**ur current communication channels are 96, 98.1, & 732 The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

## POSTING INFORMATION ON THE COMMUNICATION CHANNEL

We are making a change in our procedures which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.

*...continued on page 6*

2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. If you wish to have your notice included in the next months Link, add the email address of the Link Editor, Leslie Baker at **ljonedog@comcast.net** . By using this E-Mail address your notice will always get to the person monitoring the system as well as the Link Editor. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the TV system.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

**T**he RCS barrels are OVERFLOWING because of the generosity of our Palm Hill friends! Our Northern friends are heading out for a few months and they have been cleaning out their pantries, which accounts for a lot of it.

The Park is beginning to settle in for the summer when it will be hot, quiet and I, for one will be anxious for fall. Let's remember when we go to coffee to always bring our cup and one staple item, not outdated, for the RCS barrel. With so many people gone the food is not as plentiful.

**P**lease check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 81 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have

**H**ere it is June 2017 and summer is upon us. I can't believe that so many people that attend the Computer Club have packed up and headed back to their Northern homes. My fellow hackers, you will be missed here in Palm Hill.

It is with regret that I have to announce that the Computer Club has held it's last meeting until the fall. However, take heart friends. The Computer Club will hold its' first meeting for fall on October 3. I do look forward to seeing all of our beginners, intermediate and expert hackers at every meeting.

Remember, there is no such thing as a stupid question. Ask! We will get you an answer.

To those of you who will be leaving Palm Hill, take my phone number just in case you need some help over the summer. If you can't get me, you will either reach my wife or the answering machine. Leave a message and I'll call you back. I wish you pleasant travels, a fun and healthy summer, and a speedy return to Palm Hill.

To those of you remaining in Palm Hill, keep my number handy. I am usually in Palm Hill and you can always leave a message for me. I'll be seeing you around the Park.

## PALM HILL NEIGHBORHOOD WATCH

---

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring.

The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

## Flying in the face of disaster

---

In the 1980s and early '90s, Continental Airlines was a disaster. The organization had gone bankrupt twice and was on its way to a third (and final) catastrophe. It had gone through 10 presidents in 10 years, and employees mistrusted management.

Then in 1994 Gordon Bethune stepped in. Instead of running around willy-nilly trying to stamp out the various raging fires, Bethune took a step back to return to the basics. He identified Continental's key goals so that employees' efforts would be concentrated on them rather than diffused by the disaster of the moment. One of his areas of focus was creating a corporate culture. Without the commitment of the employees, the other goals would be impossible.

Drawing on the organization's history of excellence in service, he rallied the workforce. Bethune discovered that the employees weren't bad—they just worked in a dysfunctional organization. So they were quick to get behind his new leadership.

Senior management was a different story. Bethune knew he had to make wholesale changes, and that meant getting rid of the bureaucracy. In a couple of months, Bethune and his top executives replaced 50 of the company's 61 officers with 20 top-notch people.

The changes were dramatic. In one year's time, Continental went from being ranked the worst in customer satisfaction among major airlines to first.

## The birth of 'excellence'

---

Tom Peters didn't exactly give birth to excellence, but he did establish the idea that companies can achieve excellence under the inspiration of a management guru—like himself.

It all began in the spring of 1978. John Larson of McKinsey's San Francisco office was set to give a presentation to a client. But his computer crashed and took with it his notes. He turned to another consultant, Tom Peters, to throw together a presentation that would satisfy the client.

Peters had just returned from traveling the world to compile research on best practices in business. Up until then, his research had been collecting dust after he had presented it to the McKinsey powers that be. With an opportunity to present his findings again, Peters gathered his data. In search of a sexy title to give his presentation, Peters came up with "Excellence." It was a hit.

Eventually, Peters edited the material into a manuscript. Continuing with the idea of excellence, he titled the book *The Secrets of Excellence*. But the title didn't fly with the McKinsey folks, who feared that clients would think the company was selling the secrets of client operations. In 1982, Peters and co-author Robert Waterman renamed it the more politically astute *In Search of Excellence*. And thus was excellence born.

**National Zoo and Aquarium Month.** June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

**PTSD Awareness Month.** The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

**National Automotive Service Professionals Week, June 11-17.** A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

**Men's Health Week, June 12-18.** The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

**National Nursing Assistant Week, June 15-22.** Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

**Global Day of Parents, June 1.** The Global Day of Parents was proclaimed by the UN General Assembly in 2012 to honor parents throughout the world in appreciation of their selfless commitment to children.

**Flag Day, June 14.** Fly Old Glory with pride!

**Father's Day, June 18.** A day to honor fathers everywhere.
