## EDITOR'S CORNER

Editor: Richard Daw 727-512-2410 PALMHILLINK@GMAIL.COM

---

**A**mong the various needs in Palm Hill, one of the most important is flow of information. Plenty of information flows but, unfortunately, too often the information is incorrect or incomplete. As the new editor of The Link, I'll try to do something about that.

There are several formal information sources in our community: the e-mail system; the TV channel; the website; announcements at our weekly coffees; the bulletin boards in the clubhouses; and The Link.

An informal information source, of course, is the grapevine. That's where most of the incorrect and/or incomplete information finds a home. A standing Palm Hill joke is that if you haven't heard a good rumor by noon, start one!

The Link can't do everything, nor should it try. Each of the other information sources is important and plays a useful role. The Link functions as part of the mix.

As The Link's new editor, I'll try to go beyond simply listing upcoming events, though that should remain a key function. In addition to carrying out that key function, I'll present correct and complete information about current Palm Hill issues when it is appropriate and possible.

To submit information for publication and/or to tell me what you think about The Link and what it should be and do, use the following new email address:  
PALMHILLINK@GMAIL.COM.

If you wish to call me, my cell phone is 727-512-2410. But please be aware that my hearing is poor and a phone conversation may turn out to be frustrating for you as I often ask you to repeat. You're welcome to stop by 363 King Palm Street for a personal chat, knowing that I'll probably be lip-reading some of the time.

If all else fails, communicate with my chief assistant, life companion and dearly beloved wife, Denisse. She's great at relaying information to me. Her phone number is 813-404-3056.

Denisse and I will do our best to see that The Link fulfills its vital role in helping to keep Palm Hill a wonderful place to live.

## **NEW SPECTRUM AGREEMENT**

---

**T**he Board of Directors has negotiated a new agreement with Spectrum that is expected to result in enhanced service and reduced cost for most residents.

The enhanced service will provide the following to each of Palm Hill's 1,096 homes: 150 regular channels plus 10 Showtime channels, cable boxes for two TVs, high-speed internet, and a wi-fi modem.

Residents will no longer pay Spectrum directly unless they buy services beyond those provided by the new agreement. Spectrum service will become a part of the benefits provided through the maintenance fee, just as water, lawn mowing, swimming pools, clubhouses, etc., are provided.

If the proposed 2018-2019 budget is approved, the monthly maintenance fee, now \$314, will become \$335, an increase of \$21, to cover the Spectrum service and other normal cost increases. About \$18 of the increase of \$21 is attributable to the new Spectrum agreement.

Once the new Spectrum agreement is in effect, most residents will experience cost savings with Spectrum. The savings will vary from one resident to another depending on how much each now pays Spectrum. Currently every home receives a basic package as part of the monthly maintenance fee. That package consists of a number of channels, but no internet service. More than 70 percent of homes pay for service beyond that basic package.

The new agreement will go into effect in July 2018. It is for five years with a cap on increases of 3 percent a year.

Telephone service is not included in the current agreement nor in the new agreement.

An information meeting with Board President Bob Newport and representatives of Spectrum was held on April 24, and the full Board met on April 25 and approved the agreement.

## **PROPOSED 2018-2019 BUDGET**

---

**T**he Finance Committee's proposed budget for the fiscal year 2018-2019 will be presented to the Board for approval at a meeting tentatively scheduled for June 13.

Treasurer Dan Avery distributed the proposed budget to those who attended his Budget Committee meeting on April 26, and the Board voted at a meeting on May 7 to mail it to all shareholders in preparation for the June meeting.

In addition, the proposed budget was posted on the Palm Hill website.

## HURRICANE SEASON IS HERE

---

It's summertime and hurricane season is upon us, so we need to be prepared.

Those who leave Palm Hill need to securely store all items that could become airborne in high winds, such as plants, statues, tools, lawn furniture, etc., before leaving. The caretakers of homes whose owners already have left should securely store items if the owners did not.

Those who are here when a hurricane approaches need to store items well before the storm arrives.

In the event of a hurricane, the first priority of our maintenance staff is to ensure that the common areas -- the clubhouses and other facilities -- are secured.

If circumstances permit, the staff will pick up small items that have been left outside homes and take them to the maintenance area. The staff will not be responsible for the fate of items moved.

Residents who are leaving should turn off the water to their homes and check the shut-off valve to make sure it works properly. During Hurricane Irma last year some homes were severely damaged by water that leaked from the home plumbing because, even though the shut-off valve was in the "off" position, it turned out that the valve was not working.

## ADDRESS AND PHONE NUMBER CORRECTIONS

---

If your address or phone number changes, please send an e-mail to Gail Stott, webmaster, at [phccwebmaster62@gmail.com](mailto:phccwebmaster62@gmail.com) and to the office at [palmhill1@tampabay.rr.com](mailto:palmhill1@tampabay.rr.com).

If you want to have the change published in The Link for one month so that everyone can enter it into their telephone directories, send it to [PALMHILLINK@GMAIL.COM](mailto:PALMHILLLINK@GMAIL.COM).

This month's changes: None reported.

### ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

## **HELPING HANDS**

*Ted Silva 508-965-6072*

---

If you need help, call Helping Hands.

We focus primarily on providing transportation for those who can't drive.

We're available to take Palm Hill residents to doctor visits, eye exams, grocery shopping, trips to the bank, to the beauty parlor, the barber shop, and many other destinations.

Also, we have a few Helping Hands volunteers who are available to make "comfort visits" to those who live alone, those who can't get out much, those who would like to have someone come to their homes and spend a little time with them. If you want someone to stop by occasionally, or know someone who would like to have a visitor, please call.

Helping Hands does not charge for any service, and volunteers do not accept any "tips" of any kind.

If there's no answer when you call, leave a message. If you don't get a response in a reasonable time, please call Carl Simon at 727-475-0489.

We're always looking for volunteers. Please call me if you can devote some time to helping.

## **MESCO**

*Linda Simon 727-559-0164*

---

Anyone in Palm Hill who needs medical equipment should contact a MESCO volunteer to see whether what's needed is available. If it is, the person who needs it will be able to use it free of charge for as long as the person is a Palm Hill resident.

Some examples of available equipment: walkers, shower seats, toilet seat extenders, wheel chairs, commodes, etc. Whatever the need, inquire!

MESCO volunteers for June:

Nancy Fleming 727-585-5356

Emile Laflamme 727-587-7097

Carl Simon 727-559-0164

Don't forget to return the borrowed equipment before going back up north. I should have reminded all of us last month. Sorry.

## **RCS**

*Charlotte Ernest 727-585-5845*

---

We are still getting many food donations from our friends who are going north for awhile.

Remember, it's important to do our best during the summer to help the Food Pantry keep up with all the needs in Pinellas County.

Carolyn Story 727-585-1579

---

Palm Hill continues to attract generation after generation of residents. Check the Generations List in both clubhouses -- and on the Palm Hill website -- to see how true that is. There are 81 people currently on the list, including six families of 3rd Generation and one family of 4th Generation. If you are a descendant of someone who lived in Palm Hill previously, or who is a current resident, please contact me. I update this list periodically and would like to have you included.

## NEIGHBORHOOD WATCH

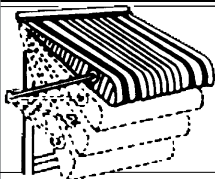

**T**he Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us.

Please: Always call Largo Police to report suspicious activity 727-587-6730.  
Dial 911 for an emergency or a crime in progress.

We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way.
