EDITOR'S CORNER: Prepare for Hurricane Season during the “Calm Before the Storm(s)”

In lieu of the Editor's Corner in June, this space is made available to Rich Thomas, Palm Hill Park Manager, for message about hurricane preparation at Palm Hill.

MANAGER'S CORNER

Richard Thomas, LCAM

727-581-8729 managerpalmhill@tampabay.rr.com

HURRICANE SEASON starts June 1 and runs through November 30.

It is time to plan what you will do if a Hurricane is forecast to hit the Tampa Bay area.

If an evacuation order is issued, Palm Hill is a mandatory evacuation zone as are all mobile home communities.

Should you choose to remain in the park and need medical or emergency assistance, the authorities will not respond as they will be dealing with other emergencies and you should have heeded the evacuation order.

The nearest shelter is Largo High School at 410 Missouri Avenue North; this is a pet friendly shelter but will probably fill up quickly.

The two Clubhouses here in Palm Hill are not rated as hurricane shelters and therefore cannot be used by residents as a shelter.

Due to liability issues both Clubhouses will be locked down when an evacuation order is issued. Ensure that your gutters are cleaned out and any pots, chairs, planters or anything that may become airborne are stored either in the shed or inside the mobile. Maintenance is responsible for ensuring that the common areas are secured, if time allows, we will pick up items that were not stored and remove them to the sanitation field.

ON THE COVER

Two things happened that worried Charlotte Ernest, who organizes Palm Hill food donations for the needy.

First, many Palm Hill residents ended their winter season in Florida much earlier than usual due to the Coronavirus Pandemic. Second, Park events were cancelled as the clubhouses closed, shutting off the usual donations to food barrels located in the clubhouses.

Ms. Ernest was concerned that there would be a reduction in the amount of food Palm Hill collects for RCS throughout the year. RCS is Religious Community Services of Pinellas County.

When she saw that the Anona United Methodist Church had planned a “pop-the-trunk” community food drive on May 9 to benefit local food pantries, she sent out the call to Palm Hill residents.

“The photo on the cover of the June LINK says it all. The Palm Hill family came through again, as they always do,” said Ms. Ernest. The drive at Palm Hill resulted in three cars packed with donations from Palm Hill residents.

“It could not have been done without Carolyn Hooper, Dan Hannafin and Hope Barina, the drivers who loaded the food and, like the song, “Got it to the church on time” . This came at just the right moment when we all needed something worthwhile to brighten our days,” Ms. Ernest said. “Thank you to all who participated.”

June 14 is National Flag Day

Flag Day marks the Second Continental Congress’ adoption of the first U.S. national flag on June 14, 1777. The first flag, thanks to Betsy Ross’ sewing prowess, featured the same 13 red and white stripes seen in the flag today. The number and arrangement of stars, however, has changed as the number of states have increased over the centuries. The current flag has remained the same since 1960.

Key Dates in Flag History

June 1777	The first flag (created by Betsy Ross, according to her family records) is officially recognized and adopted. A small committee which included George Washington, American statesman Robert Morris, and relative George Ross (Betsy married his nephew), selected Betsy for the job in 1776.
1916	President Woodrow Wilson signed off on establishing June 14 each year as Flag Day to commemorate the first flag.
July 4, 1960	The flag configuration that is currently flown was completed on this date in 1960 with the addition of a star for the new state of Hawaii. Hawaii joined the United States in 1959.
July 20, 1969	The U.S. flag is planted on the Moon by astronauts Buzz Aldrin and Neil Armstrong during the first lunar landing in the Apollo 11 mission. Astronaut Aldrin reported

NOTICE ABOUT PALM HILL PROTOCOLS ON CORONAVIRUS (COVID-19)

From Palm Hill Manager Rich Thomas, LCAM

This notice is intended to explain the purpose(s) behind some of the reopening guidelines and rules to aid unit owners in understanding why various restrictions or requirements have been implemented.

In fashioning the rules and guidelines, three factors or questions are of principal importance. First and foremost is whether the rule advances the safety of residents. Second, is whether the rule is reasonable. And, third, is whether the rule is evenly applied.

So far, the golf course, the north laundry, the sanitation field, the swimming pools, and the tennis/pickleball courts have been partially reopened. Apart from the north laundry the feature common to each of these facilities is that they host outdoor activity. Along with these facilities we have opened seven restrooms that support these amenities. Restrooms at a pool are required to be open if the pool is open. Apart from the restrooms and north laundry room no enclosed structures or buildings have been reopened.

In addition to the social distancing rules there are two other rules common to our reopening actions. The first is that of requiring amenity users to fill out daily sign-in sheets and the second that of restricting amenity use to residents only.

Sign-in sheets allow amenity users and health officials to identify, track, and alert individuals who may have been in direct contact with a person who tests positive for the virus or who recently used a venue that the infected person used. The need for sign-ins is obvious in these circumstances and should not pose a burden on amenity users.

Restricting amenity use to only residents has two primary purposes. First, it is to allow as many residents as possible to make use of the amenity as the social distancing restrictions decrease the number of potential users of the amenity such as the pools. Non-resident guests or a unit owner's visiting family members could readily fill out or unfairly dominate or crowd out through extended or repetitive use an amenity's occupancy limits to the detriment of other unit owners.

Second, and more importantly, excluding non-residents from amenity use reduces the potential and avenues for introduction of the Covid-19 pathogen into the Park and into the presence of residents who are using amenities or common area facilities. Our amenities cannot become, in effect, attractions for use by the general public. Our community is comprised of an aged population group that is vulnerable to the worst effects of the virus and is deserving of protections mindful of that condition.

To be clear, "Residents" means unit owners themselves who are registered at the office as permanent or seasonal/temporary occupants of their homes, and tenants themselves who are registered at the office as lessees for three or more months of a unit owner's home. Anyone else is considered a non-resident and is not eligible to use common area facilities and amenities at this time. Non-residents include a unit owners relatives or family members who may be visiting, as well as guests, agents or invitees.

GRADUAL RE-OPENINGS AT PALM HILL AS OF JUNE LINK DEADLINE:

In late April and May, the Park began a gradual, reopening of some amenities with restrictions, including physical distancing of six feet between people.

- Check Channel 732 (and below) for details of restrictions.
- All personal precautions should be taken when using the re-opened amenities, for oneself, and in consideration of other users.
- All openings are subject to reversal if violations of Covid-19 Park Restrictions occur.

Park Front Office, South Clubhouse: South Clubhouse is closed. To reach Front Office staff or Park Manager, call or email. Drop box is available.

Office address: 1800 Seminole Blvd, Largo, FL 33778

Office phone: 727-581-8729

Office email: palmhill1@tampa.rr.com

Golf Course: Course open only for golfing with distancing restrictions between golfers and behind the players in front of you. Wait for players to leave the greens before teeing off. Do not use water fountains. One person to a cart unless household member. (Closed to walkers, bicyclists.)

Pools/Spas: Number of people allowed in pool areas is limited – check signs at each pool and numbers of people present before using facility. Two-hour limit to allow others time in the pool/pool area. Sign-in required, hours 8:30 a.m. to 8 p.m. Bring your own chairs.

Pickleball/Tennis courts: 8 a.m. to 8 p.m., times as agreed among pickleball and tennis players, with specific restrictions to enforce social and physical distancing. (Singles, rather than doubles play recommended; use own equipment.) Only eight players allowed on courts at any time. Others should wait outside the fence six feet apart from each other.

Sanitation Field: Resident access is Wednesday and Saturdays, fob required (when fence is fixed).

- Wednesdays 9:30 a.m. to 6 p.m.
- Saturdays 10 a.m. to 4 p.m.

North Laundry: Tuesdays and Fridays only, 8 a.m. to 8 p.m. access with fob. No more than three residents at one time.

CORONAVIRUS RESOURCES:

As of the JUNE LINK deadline, the Clubhouses remained closed and events therein cancelled. Stay tuned to Park announcements via the Park Manager and the Webmaster and email blasts, as well as announcements on the Palm Hill website, palmhillcountryclub.net, and Channel 732.

Public Health and Medical Experts say:

- If you are sick do not go to your doctor's office or the hospital.
- First, call your doctor for advice on next steps.
- Staying six feet away from others and wearing masks in public can help prevent the spread of the Coronavirus and other airborne respiratory illnesses.

Pinellas County Citizen's Information: 727-464-4333 (Activated during emergencies or disasters. Now activated for Coronavirus pandemic.)

Personal Planning: As you have a Hurricane Plan, consider creating a Coronavirus Plan.

An example:

- A one-page document can contain: Selfie of you, contact info/phone number or email for family or personal emergency contact info, your medical conditions info, your medication list, your doctor's name and number. Share with your family members.
- Insert this document in an envelope marked with large bold letters: "EMERGENCY MEDICAL INFO/RX LIST".
- Consider putting it in a conspicuous place, perhaps taped to your refrigerator door, which will make a handy grab if you have to leave your home for medical care or are ordered to evacuate your home in an emergency.
- Email the document as an attachment to your own email so you always have accessible in your cell-phone.
- (Hurricane plans would include quick access to critical documents/information that you may need for any extended relocation.)

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information:** [BayCareEmergencyCare.org](https://www.baycare.org/emergency)

With social distancing and the clubhouses being closed, we were not able to do the April 2020 book discussion on "Eleanor Oliphant Is Completely Fine". It will be worked into the schedule listed below, or the book and discussion will be substituted for one of the dates listed.

We are listing these for next season with the great hope they will give you reading enjoyment during your extra time in social distancing as long as it lasts, and that things will be back to normal by the time this schedule goes into effect in November. You can get these books free from the Largo Library as an e-book with a free app on your smart phone or tablet and a library card.

HELPING SERVICES AT PALM HILL

GEORGEANNE’S HELPING HANDS – Services Curtailed During Coronavirus Pandemic Orders. Summer Volunteers Still Needed.

Ted Silva, 508-965-6072

During the Coronavirus pandemic, the services usually offered are being curtailed temporarily to keep volunteers and residents safe. Those needing help may still call Ted Silva (number above) to discuss safe solutions.

In the summer when the Snowbirds head back north the number of volunteers here diminishes significantly. And, even though there are fewer residents, hopefully we will get back to normal during the summer and provide the services that have been traditional since Georgeanne Donegan (and Wayne Marshall) started this Helping Hands program in 2011.

When we resume our normal services, we will need more volunteers to transport residents to doctors' appointments, grocery stores and other places they need to go. It is a “no pressure” job, the pay is the same whether you work or not, and time and a half on weekends. If you think you might be interested or just want a few more details, please call me: 508-965-6072.

“PALM HILL CALLING” is now in full operation. The purpose of the project is to make sure that everyone has contact with someone at least once each day. Most people have friends or neighbors and they routinely check on each other. But, with many residents gone for the warm season, there are some people in this park who don’t have that security during the summer. We identified folks who live alone and made calls asking them if they thought a daily call could be beneficial to them. We now have about 40 “clients” who receive a call from a Palm Hill volunteer. “Palm Hill Calling” is available to any Palm Hill resident. If you would like to be put on this list and have someone check on you once each day, please call Hope Barina at 727-475-7574 or Ted Silva at 508-965-6072.

MESCO – only emergency services available during pandemic restrictions. No Returns.

Linda Simon, 727-559-0164

If you have an emergency concerning medical equipment, call 727-559-0164 and arrangements will be made to help you. No returns are being accepted at this time.

Stay tuned for Park management announcements on when the Park buildings will reopen. When that happens, an announcement will be made through the Webmaster email blasts about when MESCO will resume normal operations for medical equipment donations and loans. That message will also include the designated volunteers to contact.

Until the Park authorizes resumption of services, MESCO activities are closed until further notice.

RSC Food Drive News

Charlotte Ernest, 727-585-5845

We are in a different time now and sometimes I feel a different place with all the health issues our country is enduring. Hopefully, by the time you read this the curve will have peaked and things will be on the brighter side.

In the meantime, keep taking precautions and soon we'll be together again and asking you to bring more food to Palm Hill events and food barrels for RCS, located in the two clubhouses.

For the benefit of those who may not know: RCS stands for the Religious Community Services of Pinellas County. It was founded by several churches many years ago to help feed the needy. Former Palm Hill residents Ellen Jensen and her husband organized the collection in our community.

NEIGHBORHOOD WATCH

Peggy Novara, 716-903-2844 and 727-581-6739

Call Largo Police at **727-587-6730** to report suspicious activity. **Dial 911** for an emergency or a crime in progress.

Largo Police Department Crime Prevention Officer Vu Tran said there were several other communities near Palm Hill that had incidents around the same time period in April that Palm Hill had crime incidents. He said one community had 3x more “crimes of opportunity” in two weeks.

A crime of opportunity is a crime that is committed because the perpetrator sees they have the chance to commit a crime, such as: dark surroundings, unlocked cars, carts, bikes, homes. Largo Police Department advises all residents to be vigilant.

Leave outdoor lights on at night, keep doors and cars locked at all times and always be alert.

MORTON PLANT TRANSPORTATION SERVICE

Recorded message on the reservation line: As of May 15, volunteer transportation service was still suspended.

For the following services or a special circumstance, call the reservation line and leave a message at 727-461-8548: chemo infusion, radiation therapy or active wound therapy.

When the service resumes: Morton Plant's free Care Van Services Mondays through Fridays 8 a.m. to 3 p.m. is available to Palm Hill residents.

No charge for transportation to the following Morton Plant-related medical facilities:

Axelrod Pavilion, BayCare Laboratories, Cheek-Powell Heart and Vascular Institute, Morton Plant Hospital Campus, Ptak Orthopaedic and Neuroscience Institute, Turley Family Health Center.

PALM HILL TRAVEL WITH PAT AND MARSHA

Pat Foor, 727-631-3372 and Marsha Leonard, 937-477-7141 (call for prices when not listed, and for details and flyers)

Advantage Cruises and Tours has recently re-opened and is working to address refunds for cancelled trips. They expect to send an email in about two weeks to residents who signed up and paid for cancelled trips. They will use your email listed in the Palm Hill Directory unless you notify one of us (see emails below) of another email you prefer they use. If someone does not have email, they will be contacted by the telephone number we have on file.

Thank you for your patience during this time.
