FROM THE EDITOR

Wow! Things have sure slowed down around the park! Those of you that headed North or wherever the summer months take you, enjoy and we look forward to seeing you in the fall. We, that stayed here, keep cool!

As I continue to learn more and more about being the Editor of the Link, I see areas that I can improve. But I need your help. If you are a Chair or lead a group/activity in the park, please contact me about making sure I get current and correct information for your group. Educating everyone on what is offered in the park and how they can participate is my first step to improving the Link communications.

You can email me at ljonedog@comcast.net or call me at 317-691-7338. All information that goes in to the Link must be submitted to me by the 10th of every month to make the upcoming issue.

Everyone have an enjoyable month.

Leslie Baker
Editor

GONE FOR THE SUMMER MONTHS???

If you live in the north park and would like the Link mailed to you while you are gone for the summer months please contact Betty Allen at 727-586-6309.

PHONE DIRECTORY

New phone directories will be delivered this month. If you have already left for the summer, you will be able to obtain yours at the office when you return.

TV Communication Channels

Contact: A New Communication Chairperson each month.

Our current communication channels are 96, 98.1, & 732 The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

POSTING INFORMATION ON THE COMMUNICATION CHANNEL

We are making a change in our procedures which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. If you wish to have your notice included in the next months Link, add the email address of the Link Editor, Leslie Baker at **ljonedog@comcast.net** . By using this E-Mail address your notice will always get to the person monitoring the system as well as the Link Editor. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the TV system.

GEORGEANNE'S HELPING HANDS STILL NEEDS HELP!

As most everything else in Palm Hill, we operate solely with volunteers. If you want to get involved in a valuable service in the park, but don't have a lot of time and don't want to make a long term commitment, this could be the solution.

We need drivers!

We need people to help get residents to various appointments when they can't get there by themselves.

It is totally non-committal. I coordinate between our "clients" and our volunteers. If someone calls because they need to go to Largo Medical Center, or some other appointment next week, I'll start calling our list of volunteers. If it's convenient for you to take the person where they need to go, that would be great. If you can't, that's fine too!

There are no explanations and OF COURSE, no commitments required!!!

We need both year round and snowbirds, BUT year round VOLUNTEERS are needed..... RIGHT NOW!

So....if you are comfortable and happy cruising around in the Largo traffic, enjoy all the restful time available waiting at red lights, and remain grateful that the kids still haven't taken away your driver's license.....

Please call me (508-965-6072) and I'll explain what's involved, OR email tedsilva@comcast.net

WE WANT YOU!

Thanks
Ted

We had a wonderful response for the RCS DOOR TO DOOR FOOD DRIVE IN MARCH.

A total of 1,957 Lbs. was collected. This was almost a hundred Lbs. more than last year. Next year we will hit 2,000 Lbs. I'm certain!!

This would not have been possible without all our volunteers AND all the generous donations from our Palm Hill friends. Many thanks to all of you.

Try to make it a habit to bring your cup and ONE staple item when you come to coffee on Mon. and Wed.

2ND, 3RD & 4TH GENERATION LIST

Contact: Carolyn Story 727-585-1579

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse as well as on the Palm Hill website. We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill. This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment. If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

"EXERCISE: THE KEY TO THE GOOD LIFE"

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

COMPUTER CLUB NEWS

Contact: Ed Becker 727-266-4521

By now, all of residents of Palm Hill are back in their southern homes. Those of us that are here year round, are glad you're back. I want to let you know that the Computer Club is also back in full swing. We meet every Tuesday in the South Park Recreation Hall at 1:30pm. In case you don't know about this Club, let me explain. We "hackers" get together every week and talk all about computers. If you have a question concerning a computer issue, bring it to the club. Someone at the club will probably be able to help you. It doesn't matter if you are brand new to computing or have had a lifetime of experience. All are welcome! Just bring a smile, your questions, paper and pencil (in case you want to write something down).

One more thing, which is very important, the meetings are free of cost. There are no dues to pay, no secret handshakes, and no scowling faces. We just get together, meet new people and help each other out with computer problems. I sure hope that you join us. See you all at the next meeting.

PALM HILL NEIGHBORHOOD WATCH

Please: Always call Largo Police to report suspicious activity (727) 587-6730.

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.
