## From the Editor

Robert Donegan 727-586-2387 Email: [rdonegandg@aol.com](mailto:rdonegandg@aol.com)

It is with a heavy heart I write my comments this month. By now I am sure most of you know that the love of my life and also my wife of 56 years, passed away on April 9, 2016. Georgeanne was a unique person who had a positive effect on anyone she knew over her lifetime. I felt it was necessary to publicly acknowledge the many things she accomplished during her years in Palm Hill.

I remember that from the time we originally bought in Palm Hill (in 1987) that she was always trying to improve Palm Hill. She was forever working to make our own property better, but also helped her neighbors. One time she got on a ladder at a neighbor and painted all the trim on the elderly neighbors home.

Shortly after I retired she worked on the entertainment committee for a couple of years. She was a golfer and actively involved in the Women's golf league, serving as president for two years. She was also very active in the North Rec Club, serving as president for two years. Because she was interested in the appearance of the North Clubhouse served as Beautification Director, and continued to hold this position up until the time of her death.

Another service she originated was the Helping Hands organization which was set up for Palm Hill elderly who might need a ride to see the doctor, shop for groceries, go to the hairdresser or perform other help for those in need of a little additional help. This organization continues up to the time of her death.

One of her passions was playing Bridge. She recognized that there were many people in Palm Hill who wanted to learn the game of Bridge. Seeing this need she started teaching a bridge class every January through March. She was also continuing to do this up until her death.

Some of the other things she was involved with were the Memorial Board in the North Clubhouse,

Cooking dinners for various club function, leading the flag parade on patriotic days, organizing the golf cart parades, as well as continuing to help on various committees as requested.

Georgeanne was a unique individual who touched many lives in Palm Hill. She will be greatly missed.

It is most important that if you change your address, phone number or contact number/person that you advise Gail Stott, our webmaster, and the office. If you give your new number to the link editor, it will be placed in the Link for one month so that all of your friends can enter it into their phone books prior to receiving a new one.

## TV Communication Channels

Contact: Robert Donegan, Communications Chairman 612-6887

---

Our current communication channels are 96, 98.1, & 732

The channel you use is dependent on the age of your TV. Older TV's will use channel 98, whereas newer TV's will use 98.1 or 732.

### Posting information on the communication channel:

We are making a change in our procedure which should simplify things, and make sure information gets posted in a timely manner. There are two ways for you to submit information to get posted:

1. The communication channel will always have the name of the person responsible for updating the system. This will allow you to deliver a hand written notice if desired.
2. We have established an E-Mail address that will be used exclusively for anyone who wishes to have a notice posted. The E-Mail address we will be using is: **phcctvcommunications@gmail.com**. By using this E-Mail address your notice will always get to the person monitoring the system. Do not send E-Mails to the personal E-Mail address of anyone responsible for updating the system. All personal E-Mails will be returned and advised to use the E-Mail as shown above.

## Are You Helping?

---

Fact: Many homeowners in Palm Hill are helping by recycling, but some are not.

Whatever recycled materials that are collected Thursday and Friday are compacted then hauled away by the City of Largo free of charge. All trash/garbage that is collected Monday and Tuesday is compacted and we have to pay the City of Largo \$37.50 per ton to have it hauled away plus a fee of \$200 per haul.

Recycling saves Palm Hill money, and it is the right thing to do.

YOU can help our park ... All you have to do is have two waste baskets, one for trash/garbage and one for the following RECYCLED ITEMS. Here is what can be recycled ...

- Plastic: Look for the triangle on the bottom. #1, #2, #3, #4, #5, #6 or #7

(Butter Tubs, Fruit Containers, Plastic Cups, Yogurt Containers, etc., Any plastic container with the recycling numbers on the bottom)

- Mixed Paper
- Aluminum Foil and Trays
- Tin or Steel Food Cans

Note: You Cannot Recycle: Plastic Bags, Plastic Wrap, Styrofoam or Take Out Containers, or Table Scraps

**Why Recycle?**

**Because ... It's The Right Thing To Do!**

**R**eady....Set.... GLOW!! From 6–10 p.m. on Saturday, May 21, participants will meet at John's Pass in Madeira Beach where their faces will be decorated with glow-in-the-dark paints, be fitted for wings and set off on their 5K route while enjoying the gorgeous Florida sunset along the beach route. Awards and after party at Gator's Café (right over the bridge on Treasure Island) with live music until midnight!

My Hope Chest, the locally based, 501(c)3 breast cancer charity is hosting the event to rally support and raise funds for its breast reconstruction program helping survivors transform into "butterflies."

## Shuffleboard News

---

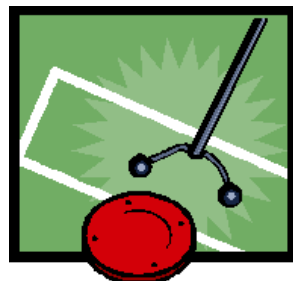

**W**e have completed a successful Shuffleboard season at Palm Hill. Thanks to our many players over many years, and to Val O'Dell having so many new players in the Nova league.

Lloyd and Cecil Marshall have 53 years combined years of service as leaders & players and have moved to their home in N.B.

It has been a year of positive change in our North and South courts, thanks to our Palm Hill Manager manager's belief in getting a job done. To keep our home courts beautiful.

Thanks to all our new Shuffleboard members now in place in advance. I'm wishing you all a great summer & will be starting the 2016-2017 season on positive thoughts.

Respectfully,  
President, Jan Cote

## 2nd, 3rd & 4th Generation List

Contact: Carolyn Story 585-1579

---

Please check the Generation list in the North Clubhouse on the wall near the Palm Hill map, in the South Clubhouse and also on the Palm Hill website.

We now have 58 people recorded on the Generation List; including six (6) families of 3rd Generation and one (1) family of 4th Generation. This list is compiled of residents whose parents have lived in Palm Hill before them ... some parents are deceased and some parents are still living here in Palm Hill.

This is a great compliment to "Our Community" in that their children have chosen to reside in the same environment.

If you are a 2nd Generation member of someone who is a resident in Palm Hill (previously or presently), please give me a call. I update this list periodically and would like to have you included. Thank you.

Carolyn M. Story 585-1579

Thank you.

# Palm Hill Neighborhood Watch

---

**Please: Always call Largo Police to report suspicious activity (727) 587-6730.**

The Palm Hill Neighborhood Watch program works directly with the Largo Police gathering the facts about any crime in our neighborhood. Neighborhood Watch does not assume the role of the police, but asks neighbors to be alert, observant, and caring. The more the police are aware of, the better they can continue to protect us. Dial 911 for medical emergencies or a crime in progress. We would also like to remind all residents to leave outdoor lights on at night, keep doors and cars locked at all times and to continue to be alert. Palm Hill is a very safe community – and with your continued help it will stay that way. Please don't wait for someone else to call 911. Most of you have a cell phone and if you see something is not right, call, don't wait.

Finally, here are the figures for the Door to Door Food Drive! We collected 1,612 lbs. of food, that's almost 500 lbs. more than last year.

Without all the people who put in so much time and effort, including the ones with the bullhorns, and all of you who gave so generously this wouldn't have been such a success. Again, thank you, thank you for your support.

Remember summer is just as important as the rest of the year to make certain food is there for the people in need. We can do that by bringing just ONE staple item to coffee or any event you will be attending each week. Check the pull date to be certain it's not out dated and drop it in the barrel!

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.*
